Part Of: RG 6 Brandon University fonds

Creator: Brandon University

Description Level: Fonds

GMD: multiple media

Date Range: 1967 - present

History /

Biographical:

Brandon University received its charter on June 5, 1967, on the occasion of the visit of Her Royal Highness Princess Alexandra and the Honourable Angus Ogilvie. The institution has its roots in Brandon College, which was established in 1899, by the Baptist Convention of Manitoba and the Northwest Territories and was administered by that authority until 1938. During these years it was an affiliate, first of the University of Manitoba and, from 1911 to 1938, of McMaster University. In 1938, it became a non-denominational affiliate of the University of Manitoba, under a board of directors elected by the Brandon College Corporation, and it continued as such until it was made a provincial university in 1967.

1967-1968 was the first year of operation as Brandon University.

The University is a co-educational, non-denominational, government-supported institution within the Province of Manitoba. It is a member of the Association of Universities and Colleges of Canada (AUCC) and the Association of Commonwealth Universities (ACU).

As stated in The Brandon University Act (1998), the purposes and objects of the university are: (a) the advancement of learning and the creation, preservation and dissemination of knowledge; and (b) the intellectual, social, ethical and physical development and improvement of its students and employees and of society. To further its purposes and objects the university may: (a) establish and maintain such colleges, faculties, schools, institutes, departments, chairs and courses of instruction as the board considers appropriate; (b) give instruction and training in all branches of learning; (c) grant degrees, including honorary degrees, diplomas and certificates of proficiency; (d) provide facilities for original research in every branch of learning, and conduct or facilitate the conducting of such research; and (e) generally promote and carry on the work of a university.

The mission statement of the University is to shape the whole person and enable students to make a positive difference as citizens and leaders. In a welcoming and supportive setting, the University emphasizes research, scholarship, critical thinking, performance, artistic creation, communication and participation, as a means of imparting value and meaning to society and contributing to the public good. The University nurtures and develops excellence in its programs, attracts an outstanding faculty, defends academic freedom, preserves knowledge and sustains a scholarly community where cultural differences are valued. The University strives to complement its primary mission of teaching and research by sharing the expertise of its staff, its information resources and its facilities with the greater community.
