History /

Biographical:

The Franklin Cooperative Elevator Association Ltd was located in Franklin, Manitoba. The association was formed and incorporated on May 19, 1927 under certificate # 68 of the Cooperative Association Act. The first provisional meeting was held on June 27, 1927 with R.A Storey as Chairman and O. Douglas as Secretary. There was a meeting held after the incorporation meeting and the first board of directors was elected on June 28, 1927 with R. A Storey as Chairman and E.A White as Secretary. The cooperative was run by an elected board of directors.

The Franklin Cooperative Elevator Association was a part of the Manitoba Pool Elevators Ltd which was a subsidiary elevator company of the Manitoba Wheat Pool. Manitoba Pool Elevators was incorporated on April 9, 1925 with 1,000 000 capitol stocks being sold for \$1.00 per share. Manitoba Pool elevators ran on the principal of local ownership through the cooperatives.

The Franklin Cooperative Elevator Association was involved in issues on a local and provincial scale. An example of local concerns was that in October 1948, it is on record that it was a bad crop year with a delayed harvest because of inclement weather. The elevators become plugged up and as a result grain had to be shipped to oppositional elevators. In 1952 the Franklin Cooperative Elevator Association built a forty five thousand bushel annex building and later that year issues arose over cost overages in its construction. The cooperative was also concerned about provincial matters such as on Sept 18, 1952 a strike was arranged by the workers of Manitoba Pool. It was averted when a settlement was reached in Winnipeg.

Custodial History:

Records in accession 10-2013, were delivered to the Archives of Manitoba on March 20, 1970 by Bob Douglas, son of Oliver Douglas. Those records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year. All other records were donated to the McKee Archives by Manitoba Pool Elevators.

Scope and Content:

Fonds consists of ledger books containing minutes of monthly meetings as well as annual general meetings for the Franklin Co-operative Elevator Association. The first meeting had thirty members in attendance. From incorporation the cooperative had a list of objectives they wanted to accomplish including building or acquiring, and payment of a grain elevator and building documentation. They also needed to be licensed under the Canadian Grain Act. The ledger books also contains a list of bylaws. Records also included membership rosters and contract numbers for shipping grain. Auditor's year-end financial records are also included in the fonds. Attendance records from 1958 to 1963 have been recorded.

Part Of:	RG 4 Manitoba Pool Elevator fonds
Description Level:	Sub-series
Series Number:	MPE A
Item Number:	187
Accession Number:	9-2013
GMD:	textual records

Date Range: [1940] - July 1999

Physical Description: 12 cm

History /

Biographical:

Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local member complaints about the unfair business practices of privately owned elevators. The Katrime Elevator appears to have been established in 1940; no records in the Manitoba Pool Elevator fonds mention the Katrime elevator before 1940. In 1969 the Katrime Pool joined the Manitoba Pool.

The Katrime local was operated by a board of directors elected from the members of the Katrime elevator. Regular meetings took place sporadically throughout the year, often before and after harvest. An annual meeting for the local took place every November, at which members were chosen for the board of directors and members were selected to attend the annual Manitoba Pool convention. Occasionally in October or in the Annual meetings in November the board of directors would ask the head office to compose a letter to the rail companies to thank them for keeping the elevator supplied with cars throughout the harvest season. This would change through the 1970's and into the 90's as congestion became a problem for the railcars.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative Ltd. In 2001, this organization merged with the United Grain Growers to become Agricore United, and in 2007, Agricore United was taken over by the Saskatchewan Wheat Pool; the new company was known as Viterra. The fate of the Katrime elevator is unclear. There is no mention in the included records regarding the merger to Agricore or the closing of the elevator.

Custodial History:

Records in accession 9-2013, were deposited at the Archives of Manitoba in 1971, with a fourth minute book being deposited in 2011. The records were deaccessioned by the Archives of Manitoba in January 2012 and transferred to the McKee Archives later that year.

Scope and Content:

Fonds consist of the minutes of the board of directors of the Katrime elevator. Meetings discussed pool business, including membership into the Katrime elevator co-operation and a list of new members is usually included in the minutes. In addition to membership another main topic of the meetings was the salary of the agent including the agents home and expenses. In 1953, the building of a new elevator, which eventually expanded to include new offices and storage sheds was a topic of discussion. Local annual meetings generally discussed the report of the auditor and any unsold surplus, but no details were recorded. A note on the content of the minutes: there is generally mention of a lengthy discussion of a topic but there is no explanation of what was discussed. Also, at each annual meeting there is a discussion of the annual convention and the resolutions adopted from this convention, however there are no details on what the resolutions were.

Katrime Co-operative Elevator Association Limited Organizational papers: 1961 Directors' Resolution, 18 October 1961 Corporate Name: Rural Municipality of Westbourne.

Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of: RG 5 Western Manitoba Manuscript Collection
Description Level: Collection
Accession Number: 22-1998
GMD: textual records
Date Range: 1957-1974; predominant 1970-1974
Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

Date Range: 1890-1944

Physical Description: 2 cm

History /

Biographical:

Hector Ross Hume was born on December 8, 1902, in the R.M. of Glenwood to John Hume and Jean Gordon. He grew up on the family farm, section 29-7-22, later known as Abergeldie Stock Farm, and attended Whitefield School and then Souris High School. Along with his father, Ross operated the 640-acre farm near Souris, Manitoba, where they sold purebred Angus cattle, shopshire sheep, Yorkshire swine, seed grain and had a government approved flock of hens. John Hume retired in 1947, and died in January 1953.

Ross married Mina Radcliffe on December 20, 1929. Together they had one daughter, Margaret (b. April 11, 1932). In the fall of 1953, Ross lost part of his right arm in a farming accident; he continued to operate the farm with the help of his wife for an additional year before the couple sold the farm to Henry Gordon and moved to Souris where Ross obtained a job as Business Manager of the Souris Hospital.

Mina Hume died on February 14, 1960, and shortly thereafter Ross enrolled in a correspondence course in accounting with the Central School of Chicago and in a two year course in Hospital Administration, with the University of Saskatchewan. Upon graduation in 1962, Ross became the Administrator of Souris and Hartney hospitals, a position he held until 1972. Following his retirement, Ross wrote two books - "The Hospital Tree Grows Tall" and "Tale Wagging By and Old Time" - which he published and sold locally.

During his time on the farm, Ross was a member of the Manitoba Cattle Breeders Association and a member of the local Agricultural Society. He was also secretary of the latter organization. From 1968-1981, Ross was on the Board of Directors for Victoria Park Lodge, and for a while in the 1970s, he was on the Board of Directors for the Souris Hospital.

Ross Hume died on January 9, 1986 at Victoria Park Lodge in Souris, Manitoba.
