Accession Number: 36-1999

GMD: graphic

Date Range: 1928-1930

Physical Description: 1 photograph album

Physical Condition: Good

History /

Biographical:

Edward Lloyd Bowler was born on November 8, 1903 in the R.M. of Rockwood to John and Annie Bowler.

While at Brandon College, Bowler was active in student affairs. He was twice elected Treasurer of the BCSA, was a main stay on the College soccer team, a tennis enthusiast and also became the first Managing Editor to make Publications a paying proposition. Bowler graduated with the Class of 1931 before returning to Brandon College in 1932, to persue post graduate work in Geology.

His M.A. dissertation, entitled "The Geologic and Economic Aspects of Copper," was submitted to McMaster University in April 1932. At some point following the completion of his M.A., Bowler married Kathleen Addrene (b. 1911, d. December 23, 1996) and moved to British Columbia.

E. Lloyd Bowler died on February 23, 1962, after a lengthy illness in the Trail Tadanac Hospital. He is buried in the Broadview Cemetery in Saskatchewan.

Custodial History:

Mr. Visser a native of Thunder Bay, Ontario acquired this album at purchase through a stamp collection vendor. He recognized Brandon College in some of the photographs and took the initiative to donate the album to the Archives. Internal evidence within the album suggests that the album appears to have been created by Edward Lloyd Bowler (Class of 1931). We have made an administrative decision to use Bowler's name for the collection.

Scope and Content:

This album contains several photographs of faculty and staff involved in related events at Brandon College in the late 1920s.

Notes:

History/Bio information taken from the 1931 and 1932 Sickles, the Manitoba Vital Statistics database, Bowler's obituary in the Februrary 28, 1962 edition of the Stonewall Argus and Teulon Times, the Find a Grave website and the Saskatchewan Cemeteries Project website. A photograph of Bowler appears in the 1927-28 Sickle "Arts 29." Description by Christy Henry and Tom Mitchell.
