## MPE A Local Association Records

<http://archives.brandonu.ca/en/permalink/descriptions8214>

Part Of: RG 4 Manitoba Pool Elevator fonds

Description Level: Series

Series Number: MPE A

GMD: textual records

Date Range: 1924-1998

Physical Description: 43 m

Scope and Content:

Series A is comprised of the records of the local co-operative elevator association as established in the period 1925 - 1968 under the Co-operative Associations Act. Until 1968 the local associations were the main administrative unit of Manitoba Pool Elevators. Subsequent to 1968 Pool Elevators became a direct membership top down organization. The central office was at the top, and the province was divided into seven administrative districts, which were in turn each divided into six sub-districts. Each sub-district would usually contain approximately five "locals". Please note that local associations were not obliged to become part of the new structure of Manitoba Pool Elevators, and as late as 1975 there were still 29 locals that did not belong to a sub-district. The records of each local within the Series may, but do not necessarily, contain the following: organizational papers, minutes of executive board, minutes of shareholders annual meeting, financial statements, correspondence, membership lists, miscellaneous. Series has been divided into 233 sub-series.

Notes: This series contains records for both local associations and for sub-districts. Item number does not correspond to sub-district number, so an item number and sub-district number may be the same and correspond to two separate records.

## MPE B Central Office Records

Part Of: RG 4 Manitoba Pool Elevator fonds

Description Level: Series

Series Number: MPE B

GMD: textual records

Date Range: 1923-2001

Physical Description: 16.82 m

History /

Biographical:

The structure of the Manitoba Pool Elevators from its beginning in 1925 until its restructuring in 1968 placed importance in the principle of democracy. The company was run from the local associations, the central office acting as a hub that facilitated communication between all the locals and between the locals and the selling agencies. The central office was not powerless, but important decisions or by-laws could not be made without the consent of the majority of the locals.

After the restructuring of MPE in 1968 the central office took on more responsibilities. It became the top of the administrative structure and instead of members belonging to their local elevator, they were now direct members of MPE. This administrative structure continued until the 1998 merger with the Alberta Wheat Pool to form Agricore.

Series B consists of an artificially assembled collection of Central Office records. It has been divided into the following sub-series: (1) Central Office minute books; (2) Documents; (3) Local Association Minutes; (4) Local association financial statements; (5) District and Sub-district records; (6) Circulars; (7) Annual reports; (8) Speeches & Addresses; (9) Correspondence; (10) Broadcasts; (11) General Reports; (12) Indexes; (13) Summary of Association Operations; (14) Acquisitions; (15) Inter-provincial Committees; (16) Historical Topics.
