History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.

History /

Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

A.E. McKenzie's records in the Brandon College fonds are very useful from an administrative point of view. Because McKenzie was so involved in Brandon College from the very beginning until his death in 1964, it is easy to understand how the College Administration arrived at decisions. There is correspondence between McKenzie and various regarding College and Board of Director business. There are Brandon College financial statements and letters regarding the A.E. McKenzie Foundation. The records contain newspaper clippings, pamphlets and lists of names of members of various Brandon organizations. As well, McKenzie has letters regarding Building Expansion in the 1940's and minutes of Board of Director meetings. There are also several photographs. One photograph is the 1919 graduation picture of Zoe Hough. Another is tentatively identified as Frances Wolverton, also of the Class of 1919. There are two more photographs of unidentified young women.

History /

Biographical:

The forerunner of Manitoba Pool Elevators (MPE), the Manitoba Wheat Pool was created in 1924 as a mechanism to allow for the co-operative marketing of wheat by Manitoba producers by the United Farmers of Manitoba. The Manitoba Wheat Pool was initially intended to be a provisional organization until the establishment of an interprovincial Pool, but when Alberta and Saskatchewan established their own permanent Pools the United Farmers decided to do the same. The Manitoba Pool was different from the SK and AB Pools in that the municipality was the primary unit of organization; members belonged to their municipal Pool associations first, rather than having direct membership with the central Manitoba Wheat Pool. Manitoba Pool Elevators was established in 1925 as a subsidiary of the Pool in response to local members complaints about the unfair business practices of privately owned elevators. The private elevators also slowed up the shipment of grain to the Central Selling Agency employed by the Wheat Pool, acting as a barrier between the local Pools and the Manitoba Wheat Pool. Once established MPE quickly began to build new elevators and acquire privately owned elevators.

MPE's approach to marketing grain promised to stabilize the market price of grain and ensure a fair market price to producers. Initially the Manitoba Wheat Pool was very successful. However, in 1930, the Manitoba Wheat Pool found itself burdened with an unsold surplus from the preceding year that had been bought from the farmers at a price that was significantly higher than any possible return during the Depression. As a result, in 1931 the Manitoba Wheat Pool's Central Selling Agency defaulted on its bank loans. Despite attempts to save the organization, it was forced to declare bankruptcy in November 1932. The financial difficulties of the Wheat Pool had little to no effect on the Pool Elevators, and so this former subsidiary organization became the main Manitoba Pool organization. This change meant MPE had to reorganize, which they were able to do with funds from the provincial government. The company was successful enough in subsequent years that it was able to finish repaying the Manitoba government a full year early in 1949.

MPE did not limit itself to grain handling; they wished to enrich the lives of rural families through education and to provide economic stability through diversification.

MPE established a lending reference library for members and a traveling library for rural families in 1926. With the passing of the Public Libraries Act in 1948, the province took over responsibility for providing rural families with books. MPE decided that since their traveling library would no longer be needed when rural libraries were established, the best course of action was to donate their library to the Provincial government. They also established and supported programs that educated young people about agriculture and ag business.

Subsidiary companies that dealt with course grains, livestock, packing and fertilizer were established by MPE to streamline and stabilize business for its members.

1961 marked the high water mark for the number of local associations within Manitoba Pool Elevators with 225 local associations. After this date the associations began to amalgamate and consolidate. Improvements in rural roads and rail systems and increases in the size of farms and mechanization of farm labour meant that fewer elevators were needed to service all members and regions. These changes led to an organizational restructuring of Manitoba Pool Elevators in 1968. Membership became direct, and the main unit of organization became the central office. The central office administrated the Pool through districts, which were further subdivided into sub-districts. The locals which were formally the main organizational unit came under the immediate direction of the sub-district they were located in. Local association could not out of this system if they wished, but by 1975 all but 20 associations had become part of

opt out of this system if they wished, but by 1975 all but 29 associations had become part of the new structure.

In 1998 Manitoba Pool Elevators merged with the Alberta Wheat Pool to form Agricore Co-operative, Ltd. In 2001 this organization merged with the United Grain Growers to become Agricore United, and in 2007 AU was taken over by the Saskatchewan Wheat Pool; the new company is currently known as Viterra.

The bulk of this fonds was accessioned in 1975, when the forerunner to the McKee Archives at Brandon University, the Rural Resource Center, was founded. The original mandate of the Rural Resource Center was to house the records of the Manitoba Pool Elevators. Previous to this, most of the fonds was stored at MPE's head office in Winnipeg. Date Range: 1915-1936; predominant 1917-1922.

Physical Description: 6 cm. textual records; 1921 Brandon College Quill (Commencement Number); approx. 150 photographs

History /

Biographical:

Evan McDonald Whidden (1898-1980) was born in Galt, Ontario. He was educated at Brandon College. Following service in the Great War he graduated with a Bachelor of Arts from McMaster University (Brandon College) in 1921. He obtained a Master of Arts in history (McMaster [n.d.]) and in 1928, a Bachelor of Divinity degree from Yale. Whidden married Frances Margaret Billington in 1941. Together they had three children: Howard John (b.1943), Roberta Katherine (b. 1945) and Eric Christopher (b. 1947).

Dr. Whidden served in Baptist churches in Saskatchewan and Manitoba before joining the faculty of Brandon College in 1936. In 1938, he was appointed Thomas J. Armstrong Professor of church history at Acadia University. He became Dean of the School of Theology at Acadia in 1954, and served in that capacity until 1963. He retired from the faculty of Acadia University in 1967. Dr. Whidden has written in the field of church history and education. He was awarded honorary degrees by the Pine Hill Divinity Hall, Halifax, N.S. (1950), McMaster University [n.d.] and Acadia University (1969).

Custodial History:

Since his death in 1980, the fonds has been in the custody of his widow, Mrs. Frances Margaret Whidden. The first accession was donated to the McKee Archives in April, 2001; the second in 2003; and the third in May 2005.

Records also include correspondence from his mother, Katherine Louise Whidden (nee Ganong), to Evan during these years. In these reports, Whidden records his impressions of military life through his training in Canada and England and his experience of war in Europe with the Canadian Expeditionary Force from 1917-1918. He was involved in the conflict only briefly at the conclusion of the war. His letters provide an account of life in France, Belgium and Germany in 1918.

The fonds also contains correspondence dating from the early 1920s from Chester New, a history professor at McMaster, who had previously taught at Brandon College. Fonds also contains correspondence from Whidden's father, Howard Primrose Whidden, President of Brandon College 1912-1922 and, from 1922-1949, Chancellor of McMaster University. This correspondence deals principally with the progress of Evan Whidden's education and his choice of a career in the church or the academic world.

Fonds contains several publications containing the work of Evan Whidden, mostly on religious themes. It also includes newspaper clippings and convocation programs dealing with Dr. Whidden's graduation from Yale and the presentation of honorary degrees to him at Pine Hill and Acadia. The fonds contains newspaper stories on the occasion of the retirement of Howard Primrose Whidden following his lengthy career as President of McMaster University. Death notices for Dr. H.P. Whidden and his wife are also to be found.

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club moved to larger facilities made available at the First Methodist Church; the organization remained there until sometime during the Great War when the club relocated to St. Paul's Presbyterian Church and then in 1921, to the Prince Edward Hotel. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In 1968, the Brandon Art Club merged with the Allied Arts Center, which had been formed in 1959. The Allied Arts Center was located at 1036 Louise Avenue. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. History /

Biographical:

Brandon, Manitoba was incorporated as a city in 1881. In 1882, led by Charles Whitehead and a small Board of Directors that included J.W. Vantassel, Charles Pilling, George Halse, J.E. Smith, William Johnson, R.T. Evans, and Thomas Lockhart, it was decided to hold an agricultural exhibition. These men were all involved in the farm business in one way or another, and they wanted an opportunity to help residents realize the agricultural potential of the region. In October of that year, the fledgling community held its first agricultural exhibition. The fair was held in downtown Brandon at what was known as "Market Square." Market Square was two acres of land located on Princess Avenue between Eighth and Ninth Streets. Due to poor weather, and the fact that not many people were ready to show animals and grain, there was a relatively small turnout. The following year was much improved. There were 730 entries into the exhibition. By 1884, the Board of Directors of the Brandon Agricultural Society, which was in charge of the exhibition, realized that they were in poor financial shape, to the point of being personally out of pocket. It was realized that October was not the best time for farmers to be leaving their farms to go to an exhibition. In 1888, it was decided to move the exhibition to the summer time, when it was much easier for people to attend.

The first Brandon Summer Fair was held in July 1889, and it was a resounding success. The Board of Directors had added many items of interest to appeal to the entire public, not just agricultural people. In 1892, the Western Agricultural and Arts Association (WAAA) was formally established to take over duties from the Brandon Agricultural Society. However, it was not until 1897 that the WAAA held its first meeting. There is no explanation as to why there is a five year gap between the formation and the first meeting of this organization. 1897 was the turning point of the Brandon Exhibition. The fair was now firmly established in Brandon, and the Board of Directors was instrumental in ensuring that it remained so. This was done by petitioning to both the municipal and provincial governments for grant money. As well, the Board booked midway and grandstand acts that would bring the city dwellers to the agricultural exhibition.

There were also early attempts at holding an agricultural exhibition in the winter. The first such attempt was in 1884. There was also a Spring Stallion show held in 1891. By 1904, however, a petition by J.D. McGregor had gone out to formally establish a winter exhibition. This effort also failed, but by 1906, it was decided by businessmen, politicians, and farm representatives in Brandon, including McGregor, to organize a winter fair. Rather than seeing this new fair as competition, the Board of Directors of the summer fair felt that it would complement their exhibition. The new fair would remain primarily agricultural. The first winter fair was held in 1906. While the two fairs were not amalgamated, they did share the same secretary-manager. The secretary-manager was responsible for the day to day management of the fair, as well as keeping track of meetings and decisions reached by the various fair boards and committees. In 1907, the Brandon Winter Fair and Livestock Association (BWFLA) was formed to act primarily as a land-holding joint stock company. The following year the Provincial Winter Fair and Fat Stock Association (PWFFSA), an entirely separate organization from the BWFLA, was formed to manage the activities of the winter fair. The PWFFSA name was soon changed to the Manitoba Winter Fair and Fat Stock Association (MWFFSA).

By 1906, Brandon could boast two full size exhibitions, one in the summer and one in the late winter, both of which were considered to be premiere events. In 1908, the Brandon summer fair was renamed the Inter-Provincial Exhibition, and in 1912 it held its first Traveller's Day, an event which would soon become an important addition to the fair and is still in existence today. It is thought that the name "Traveller's Day" came from the fact that it was held on a Saturday, a day when many people could travel to Brandon for the exhibition.

In 1913, Brandon was bestowed with the honour of hosting the Dominion Exhibition. This was

a national exhibition sponsored by the federal government. It was held in a different city every year. There were several cities vying for the 1913 Dominion Exhibition, but it was Brandon that impressed the sponsors the most. With the government funds received for this honour, the Board of Directors supervised the building of a new grandstand, display buildings, and racetrack, as well as the general expansion and improvements to the fairgrounds.

In the spring of 1912, it was decided by the Board of Directors of the winter fair that the facilities they were currently housed in were inadequate for their needs. The mayor and city clerk of Brandon went to the provincial legislature in order to request that there be an amendment added to the Brandon city charter. This amendment would allow the city to guarantee bonds issued by the winter fair board to help pay for the construction of a new facility. This request was granted, and a \$70 000 addition was built next to the original winter fair building. The new building was opened in 1913.

Throughout the First World War, both the winter fair and Provincial Exhibition buildings were used for the war effort. There was one distinct difference however. The summer fair Board was able to negotiate a deal with the army that enabled it to reclaim the fair buildings during fair week. The winter fair, however, had to give up the idea of holding fairs in 1915 and 1916. It was not until 1917, that the winter fair was able to resume.

During this time, due to the financial problems that had beset the winter fair, the two exhibitions considered amalgamation. The Board of Directors of the winter fair felt that because they were the smaller of the two fairs, their interests would be swallowed up by the summer fair. The winter fair withdrew from the negotiations to amalgamate. With this rather sudden turn of events, the Board of Directors of the summer fair petitioned the government to be allowed to incorporate. This was granted, and in 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba. From 1920, the summer fair was officially known as the Provincial Exhibition of Manitoba. This was the first time that the summer fair was incorporated, and received the "status and financial assistance" that came with incorporation.

More problems beset the winter fair in the 1920s. In 1920, a fire burned down the winter fair pavilion, located at the south end of the winter fair buildings, and caused the Board to cancel the 1921 winter fair. It was not until 1922, that a new building was completed. By 1929, both fairs were well regarded throughout Canada. In 1929, a decade long Depression hit the west. While many fairs closed during this time, Brandon struggled to keep its open. The Directors of both fairs felt that the agricultural shows "encouraged excellence at a time when faith and enthusiasm were at a low ebb." The summer fair proved to be quite successful during the Depression, likely as a result of the few moments one was able to forget one's troubles while there. The winter fair was not quite as successful, although both fairs received government grants and work relief projects. There was little new entertainment in these exhibitions.

There were changes about to manifest themselves at the summer fair, however. While the winter fair had representatives from various associations on its Board of Directors, the summer fair Board of Directors was a small close-knit group of men. Citizens saw entry into this elite group as elusive and difficult. To ward off the possibility of the Board becoming a "self-sustaining clique," that only chose Directors from within, it was decided by several citizens to try and elect some new blood into the fair Board. In 1933, there was a general election for the Board. Instead of the usual men shuffling positions, there were forty-four nominations for the twenty positions. When the voting was all over, seven new men sat on the Board. Despite some inner rumblings, especially on the summer fair Board over the next few years, both exhibitions survived the Depression.

During the Second World War the fairs once again were forced to operate under adversity. Once again, the buildings were requisitioned for the army, although they were released during fair week. The summer fair was forced to make several concessions, and the winter fair was relocated to the summer fair grounds for the duration.

The winter fair did not survive the Second World War intact. Due to financial reasons, in December of 1945, the Board of Directors turned the winter fair buildings over to the City of Brandon. By 1946, the BWFLA, which was the joint-stock land holding company, had ceased operations because the city now controlled the winter fair land and buildings.

The next fifteen years would be a time of rebuilding for both of Brandon's exhibitions. Children especially were more active participants in the agricultural exhibitions. The summer fair continued to diversify and look for new ways of entertaining the public at large. The winter fair remained primarily agricultural. By the end of the 1950s the winter fair, which was used to struggling, was now both successful and stable; and the summer fair, a perennial success, was starting to fade.

By 1969, both the winter and summer fair Boards had realized that amalgamation was the best possible decision, both practically and financially, for the future of the two fairs. On 29 October, 1969, the two exhibitions amalgamated to become the Manitoba Exhibition Association. The reconstituted Provincial Exhibition of Manitoba was now responsible for both the winter and summer fairs. A new building was erected on the summer fair grounds to house both of the exhibitions. On 2 April 1973, the Keystone Centre was officially opened at the winter fair, although it had been in use since October of the preceding year.

In 1970, Manitoba's Centennial, it was decided that an organization in Manitoba would receive the title of "Royal," as a way to celebrate the centennial. Although many organizations applied for the honour, it was the Brandon winter fair that received the accolades. The winter fair was bestowed with the title "Royal", and became known as the Royal Manitoba Winter Fair.

In 1975, a third exhibition was added, this time a purely agricultural fall show known as the Agricultural Exhibition, or AgEx. This fair was partly organized on behalf of the cattle growers, who found that the summer and winter fairs did not give them adequate time and space to properly show their cattle. The return to a fall show, which had not existed since 1888, would be the return to a purely agricultural exhibition. This show was to be primarily a show and sale event. On 3 November 1975, the first AgEx was opened to resounding success.

The Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair and AgEx are all still in existence in Brandon. They are regarded as three of the most important events to take place annually in the city.

Custodial History:

These files were housed with the Manitoba Exhibition Association until c1986 when they were transferred to the S.J. McKee Archives at Brandon University.

Scope and Content:

The fonds consists of textual records and photographs comprised of the records from the three annual exhibitions that are held in Brandon, Manitoba: the Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair, and the Agricultural Exhibition (Ag-Ex). The textual records include prize lists, programs, minutes, financial, administrative files, original results, scrapbooks, tickets, news releases, contracts, by laws, documents as well as a miscellaneous section. There are approximately 1846 photographs that include scenes from these three exhibitions. These records provide a unique perspective on the development of agriculture and rural life in southwestern Manitoba. Fairs such as these have been and remain prime media of farm improvement, technological and scientific advancement in rural Canada, and the promoters of country living. These fairs also reflected the long tradition inherited from Britain and Europe of country fairs as centers of entertainment, social interchange and diversion. These records are a principal source of information about the most broadly based vocational, entertainment and social events held on an annual basis in southwestern Manitoba over the last century. The records are vital to academic research on agriculture or fairs, individual biography, or community history.

History /

Biographical:

Born on February 10, 1924, in Elgin, Manitoba, Audrey Ellen Silvius (nee Honeyman) was raised in Fairfax, Manitoba on the Honeyman homestead. In 1964, she received her Indian name, Blue Star. Silvius completed her high school education in Fairfax before moving to Winnipeg in 1943, to earn her Nursing degree from Grace Hospital. She later completed her post-graduate degree in Psychiatric Nursing at the Brandon Mental Health Centre. Married to Merritt W. Silvius, Audrey Silvius raised four children, David, Kay, Lorna (Downie) and Gail (Campos) while working in her chosen field. In addition to her family and her career, she was also involved with the Brandon Council of Women and the United Church in Brandon. Silvius was the first executive director of the Brandon Indian-Metis Friendship Centre, a founding member of the local branches of the Marquis Project and Amnesty International and initiated a project called Tools for Peace. She was also involved in various other peace and human rights organizations. In 1987, she received the Order of the Buffalo Hunt from the Province of Manitoba in recognition of her work relating to women's issues. In 1992, she was awarded a Confederation medal for community service.

Custodial History:

The records found within the collection were collected by Audrey Silvius from a number of people, including Jean Halliday, Grace Godmaire and Norma Walmsley, involved in various projects with her throughout the years. Prior to their donation to the McKee Archives at Brandon University in October and November 2000, the records were stored at Mrs. Silvius' home.

Scope and Content:

Collection consists of meeting minutes, agendas, speeches, correspondence, newsletters, brochures, written publications and newspaper clippings. Four photographs and one pencil drawing are also included within the collection.

The records deal with the creation, activities, and history of the Brandon Indian-Metis Friendship Centre, as well as the activities of its Board of Directors. In addition, materials located within the collection can be divided into two areas: (1) those that relate to various organizations associated with the Friendship Centre itself, such as the Council of Christians and Jews and the Brandon Council of Women; (2) materials related to projects of important individuals involved with the Friendship Centre, such as the South Western Manitoba Recreation Council and the 4F Club of Minnedosa. Other records deal with general aboriginal issues in Canada during the time frame of the Audrey Silvius collection.
