## Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds

Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

Description Level: Sub-series

Series Number: 3.1

Accession Number: 1-2002

GMD: graphic

History /

Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scenes, buildings, various city departments and so forth.

Notes: All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

Repro Restriction: The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location: Lawrence Stuckey collection

Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.

## John Indian's Bush

GMD: graphic  
Date Range: July 18, 1978  
Physical Description: 2 1/2" x 2 1/2"  
Material Details: Negative

History /

Biographical:

This wedge-shaped tract of woodland was located west of 34th Street on the south side of the Canadian Pacific Railway. It was formerly owned by the Great Northern Railway, and was acquired by the CPR when the GN line was abandoned in 1936. In 1978 Marathon Realty (CPR) sold this 7 acre property to a developer who planned to build condominiums. However this residential development was objected to for two reasons: [The proposed location] was home to many species of flora & fauna, and it was too close to the CPR mainline. Local residents took out a petition against the development. [Mr. Stuckey] wrote a letter to the editor of the Brandon Sun, [expressing the] attitudes of CPR officials, and read a statement to the Provincial Planning Board suggesting development be refused and the area become an undeveloped park. These efforts would prove successful - see file on same.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

John Indian's Bush (also known as Bang's Bush)

Notes: Additional historical information provided by the Fred McGuinness collection (20-2009). Stuckey's letter to the editor appears in the July 22, 1978 issue of The Brandon Sun.

## Snye River

<http://archives.brandonu.ca/en/permalink/descriptions9860>

Part Of: RG 11 Lawrence Stuckey fonds  
 Description Level: Item  
 Series Number: 3.1  
 Item Number: 1-2002.3.1N3  
 Accession Number: 1-2002  
 GMD: graphic  
 Date Range: 1913  
 Physical Description: 3 1/2" x 5"  
 Material Details: Negative

### History /

#### Biographical:

The Snye was a former channel (oxbow lake) of the Assiniboine River. It was located south of the Assiniboine between about 14th and 24th Streets, and during high water in the spring it carried overflow. For many years it was used as a log storage area for Hanbury's Mill. I remember there being bridges over it at 18th & 22nd Streets. It was dammed with a one way flipper valve at 14th Street that allowed water to flow out to the river, but prevented river water backing into it. Water within the Snye became stagnant in summer and formed a breeding area for mosquitoes. It was deemed a health hazard and the river was gradually filled in. LAS.
