After his job expanded in terms of responsibilities his title was changed from Comptroller to Vice-President. Eastley also taught introductory accounting to students participating in Brandon University's Continuing Education program. He resigned from his position as Vice-President (Administration and Finance) in August 1987 to enter into private practice as a chartered accountant.

During his time at Brandon University, Eastley, along with Terry Mitchell, created TKM Software Limited, a venture that developed library software.
