R.B. Inch collection

<http://archives.brandonu.ca/en/permalink/descriptions180>

Part Of: RG 6 Brandon University fonds
Description Level: Sub-series
Series Number: MG 3 1.10
Accession Number: 35-1997
GMD: textual records

Date Range: 1937-1980 (predominant 1940-1970)

Physical Description: 2.08 m

Physical Condition: Generally good

History /

Biographical:

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes:

Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.

Mildred (Mollie) Kellet fonds

<http://archives.brandonu.ca/en/permalink/descriptions4834>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 8-1999

GMD: textual records

Date Range: 1918; 1941; 1944

Physical Description: 2 cm

History /

Biographical:

Mildred (Mollie) Norton Kellet was born April 5, 1914, in Birmingham, England to Mr. and Mrs. Stanley Travers. At the age of 18, she joined the Cadbury Brothers Co. as a contometer. In 1942, she married George Crawford Kellet Jr. Mollie and George Kellet had two children together: Patricia (b. 1944) and Ian (b. 1949). In February of 1944, Mollie and her husband relocated to Manchester where George Kellet worked as an accountant.

Following World War II, the Kellets emigrated to Winnipeg, Canada. Mollie remained a mother and homekeeper until 1954, when she was hired as a secretary for Mitchell, Green, and Menouk Lawyers. She was also employed by The Bay and in the securities department of Montreal Trust Co, where she was the manager until 1966. She retired at age 65, but was recalled by the company to work until 1984, when she was 70 years old. In 1990, Mollie moved to Brandon to be closer to her daughter, Pat Alvested. Due to complications from surgery and a weak heart, Mollie Kellet passed away on January 31, 1999.

George Crawford Kellet Jr. was born to George Crawford Kellet Sr. and Lizzie Auld Halliday Kellet on July 16, 1911, in Glasgow, Scotland. An only child, he attended private school, and in 1933, at the age of 21, he was the youngest Chartered Accountant graduate in Britain. At some point between 1933 and his marriage to Mildred (Mollie) Norton in 1942, George joined the British army; while with the army his job was to receive the orders concerning army accounting and process them for soldiers in the field.

George left the army after the war and sailed with his wife and daughter on the Mauretania for Canada. Upon settling in Winnipeg he worked for Family Fair. In 1956 and 1957, he continued to work while setting up his own accounting firm, Kellet & Co. He was also diagnosed with Multiple Sclerosis in 1956. In 1971, George's health forced him to retire. Mollie continued to work at this time. Five years later she was unable to care for him adequately and he moved to a nursing home. In 1985, at age 74, George Kellet passed away.

Custodial History:

In January 2000, Pat Alvestad, the Kellets' daughter, donated this fonds to the McKee Archives.

Scope and Content:

The records contained within the Mollie Kellet fonds are contributions from both Mollie and her husband George. Included are: a collection of handwritten recollections by Mollie Kellet concerning her experiences during the Second World War (Mollie had been living in London and experienced life under German bombing); a document from WWI, presumably from her father, who was a veteran of this war; and records acquired by George Kellet during his service in the Second World War concerning the practical arrangements made to support troops following the 1944 D-day invasion of Nazi Europe. Marked "top secret," these records set out procedures for paying and provisioning the invading army.
