History /

Biographical:

Elmer A. Travis was born February 7, 1900 in the Rolla District of North Dakota. His family farmed sixteen miles east of Rolla, North Dakota. In May 1905, his family, which included his parents and seven children, and some friends, decided to move up to Canada as there was no wood source within 25 miles of their homestead. They also desired more range for their cattle. The group settled eighteen miles north of Roblin in the San Clara District, with a single quarter section of land, eventually expanding to five quarter sections of land. Due to their location the family often did their shopping in Togo, Saskatchewan, and shipped their grain from Mycroft, Manitoba. During his youth, he met a local girl named Mary Louise Lafournaise (1900-1993)

Travis married Mary Louise Lafournaise on May 3, 1921 in the San Clara District. After their marriage they settled on their own farm in the district. Elmer served as a blacksmith for the local area while farming, working as a mechanic, selling Rawleigh's goods, and hauling cream (1939-1940). In 1957, due to Mary's poor health, they moved to British Columbia for a year, before moving back to Elphinstone, Manitoba. They then moved to Souris in 1963, where they continued to live, except for another year in Creston, British Columbia from 1967-68. Elmer Travis died in 1995 and is buried in Souris-Glenwood.
