FORWARD-ALL TOGETHER

16

It is longer now the Manitoba farmer complains that he has nothing to say in the price which he receives for the products of his farm.

Operating in this Province since 1923 he has the Manitoba Co-operative Elevator with 2,110 farmer members, the Grain Pool operating the two great wheat & flax elevators, the Manitoba Co-operative Poultry Marketing Association operating since 1922, now having 1,000 members. The Co-operative Elevator Company, which owns and will own 100 Manitoba elevators out of 1,000 elevators in Manitoba, the Wheat Pool with 2,110 members, operating now in other hands other grain.

Every one of these co-operative organizations has been successful in getting the farmer more for the products which he has produced. They all stand more united to make sure they are able to give him all better service. It is better that the Wheat Pool Elevator will be a better co-operative, a better service and a better return of the farmer. The wheat, other products, eggs and wool through his own organizations. It is better enough co-operative theory. Let's have more co-operative action.

WEDNESDAY, APRIL 20, 1925

THE PEOPLE

The people is a head of muddy things,
That knows not its own strength and therefore stands
Cautious with mud and water - the cautious hands
Of a mere child guide it with his and runs
One kick would be enough to break the chain;
But the mere hands, and what the child demands
It does, and his own feet underneath,
Cautious and stopped by his own 'twain.

More wonderful: With his own hands it has
And grasps itself 'twixt death and war
For good itself and for the things that are not
But this it knows not, and if not aware
To tell this truth, it kills him unaware.
