### History /

#### Biographical:

In November 1966, McGuinness was hired as vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. [Fifth And] Rosser. Sunbeams was similar to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun, called the "Diary." Initially a bi-weekly column, which was made into a weekly column in 2009, McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

#### Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

It was estimated that the book would contain a 6,000-word introduction followed by approximately 80 archival photographs of Brandon spanning from early settlement to the late 1950s/early 1960s.

Brandon University history major Pam Svistovski worked as McGuinness' research assistant and McGuinness obtained images for the book from his own personal collection, the Brandon Sun, Lawrence Stuckey, the Archives of Manitoba, and the Western Pictorial Index.

Series Number: 2.2

Physical Description: 116 photographs  
History /  
Biographical:

### BRANDON COLLEGE BUILDING

The construction of the Brandon College Building, also known as the Original Building, was primarily financed by Mr. and Mrs. William Davies, a Toronto based Baptist meat packer, and his sister Mrs. Emily Davies, also of Toronto, who pledged \$5,000 a year for five years to the new Baptist College. Four city blocks between 18th and 20th streets were purchased for the College campus and the tender of Messrs. T.M. Harrington of Winnipeg was accepted in the spring of 1900; Mr. Hugh McCowan of Winnipeg appointed as architect. Mrs. Davies laid the cornerstone for the Brandon College Building on July 13, 1900.

The Brandon College Building was conceived as a substantial five story brick structure with a stone basement. The Tyndall Manitoba quarries, located thirty miles northeast of Winnipeg, supplied the stone and presented the College with the stone steps at the main entrance. The basement contained the dining room, kitchen, laundry, furnace room, a science laboratory, and maids' rooms. The first floor housed the reception room, office, library, four classrooms and the teachers' cloak rooms. The second floor had five classrooms, a reading room, five rooms for resident students and a resident teacher. Teachers' rooms and seventeen rooms for students comprised the third floor; and additional thirteen rooms for residents took up the fourth floor. The residence was to house 70 men. The total cost of the building and furnishings was \$44,000. The Brandon College Building was ready for occupancy by October 1, 1901.

## CLARK HALL

The cornerstone of Clark Hall was laid by Mrs. A.P. McDiarmid, wife of the Principal of Brandon College, on May 24, 1906. The residence was officially opened on Thanksgiving Day, October 18, of the same year. The construction of the building grew out of a demand for a ladies' college. A canvass made in Eastern Canada had resulted in subscriptions totaling \$10,000. When Dr. McDiarmid reported the results of the canvass to the Chairman of the Board, Dr. C.W. Clark of Winnipeg, Clark proposed that he and his wife be allowed to provide the balance of the funds, some \$30,000. While presenting the building at the opening ceremony, Clark stated that the reason for his donation was his belief in the power of cultured womanhood - he believed "that refined and Christian mothers were the strength of a nation and that he wished to see in Brandon a school of learning for women in which every Christian virtue and grace might be illustrated."

Clark Hall was built immediately north of the Brandon College Building and was connected to it by classrooms and the iron door with its door bell, which was rung by gentlemen before being admitted. It is a five story brick building, with fittings of imported Georgia pine. In the basement was the gymnasium, studios and maids' rooms. On the main floor was a spacious reception room furnished by the Honorable A.C. Rutherford, the Premier of Alberta and the Lady Principal's suite, furnished by Mrs. N. Wolverston, wife of the treasurer of the College Board. Music studios and the offices of the resident matron were also on the main floor. The second and third floors were dormitories. The fourth floor was meant to be art studios, but due to registration demands, it was divided into students' rooms. The residence was designed to house fifty students and seven teachers. Piano practice areas were also designated on the west side of the building and on the groundlevel half way between the basement and the first floor.

## BRANDON COLLEGE BUILDING AND CLARK HALL RESTORATION PROJECT

By the early 1990s, it was clear that major reconstruction work on the Brandon College Building and Clark Hall was necessary if the buildings were to remain in use. The alternative was to demolish both buildings and construct a new central administrative structure for the campus. Because of the historic character of the two original campus buildings, the decision was taken to mount a complete restoration of the structures that involved a complete removal of everything except for the surrounding brick facade and the construction of new buildings within the old external walls. This project was financed by the Provincial government of Manitoba, who granted the University approximately 10 million dollars. The Chief Architect for the restoration was George Cibinal. Work began in 1996 and was completed by the fall of 1997. In addition to the restoration of the Brandon College Building and Clark Hall, a new entrance was built on the west side of the buildings, as well as an addition to Clark Hall, which included a skywalk connecting it to the A.E. McKenzie Building.

### Scope and Content:

Sub-series consists of photographs of the Brandon College Building and Clark Hall.

Notes: History/Bio information was taken from Brandon College: A History, 1899-1967 by C.G. Stone and F. Joan Garnett (Brandon, Manitoba: Brandon University, 1969), chapters 2 and 3. Tom Mitchell provided history/bio information on the restoration project.

## History /

### Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of *The Lindsays of Dundonald*.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

History /

Biographical:

The Quill was established in 1910, and is the second oldest student newspaper in western Canada. It was also the first student run publication at Brandon College. The December (Vol. I, No. 1) edition states that "the demand for such a paper [had] been steadily increasing until at last some definite steps towards bringing one into existence became absolutely necessary." The first step was the election of a committee by the Literary Society to look into the possibilities of the project and report at a special meeting. Following the acceptance of the committee's favorable report, another committee was appointed to outline a policy and nominate officers and staff.

The inaugural staff of the Quill, "having examined the reasons for the discontinuance of the Brandon College Monthly some years ago, [found] that these have been to a large extent removed by the development of the College in the intervening years." They felt that the "student body [had] grown to such an extent that the problem of getting sufficient material for a paper, as well as the financial difficulty, [had] been appreciably reduced." For them, this development "not only justified but demanded the advent of a College paper." The creation of the Quill was also influenced by the awareness of the students involved that their college was in a state of constant change. They felt that they "[could not] allow this important period of [their] College history to pass away and be forgotten." The newspaper enabled them to record the growth and changes on campus for the benefit of the students and friends of the College.

Originally the publication of three editions of the Quill, i.e. Christmas, Easter and a special

graduates' number, were planned; the policy on the limited number of issues was to allow the Quill and its staff time to establish themselves, with the aim of expanding into a monthly paper as soon as it was thought advisable to do so. In 1911, the Quill was printed quarterly, with the first three issues of the school year consisting of student publications and professors writings, as well as containing various columns on campus activities. The final issue of that year, and subsequent years, was called the Commencement Issue, and it contained a brief biographical sketch of each member of the graduating class.

In 1927, the Quill was split into two separate entities. In the April edition (Vol. XVI, No. 11), the editorial staff wrote that the Quill's "... function and the efficiency with which it has performed that function in the immediate past are ... doubtful. The present management realize this and feel that the "Quill" as conducted at present can assume neither the utility of a newspaper nor the intrinsic value of a year-book." Subsequently it was decided to publish a fortnightly, or bi-weekly newspaper, which retained the title of "The Quill," as well as a new publication, named The Sickle, which was to act as a yearbook. This decision was also influenced by the belief that by creating a separate newspaper and yearbook "Brandon College [would] then be on a similar basis in this respect as her sister institutions throughout the Dominion." Although the Quill has occasionally ceased production (for a week or two at most) throughout its history, usually due to a lack of student participation in its production and/or financial troubles, it has continued to be published as a newspaper since 1927.

In 1933, the Quill was presented in an entirely new form. Weekly, for three issues a month, a bulletin was published, with a fourth and more substantial issue at the end of the month. The introduction of the new broadsheet form was an attempt to "reduce stale news" and allow the publication to operate with a "greatly reduced budget." The broadsheet format of the Quill was abandoned in 1934-1935.

Further changes were introduced with the January 15, 1963 (Vol. 53, No. 6) edition of the Quill. In the editorial section of that issue, the staff commented that "the Quill has remained as it is, in size, pattern and almost in content for the last fifty years!" In response, they introduced a weekly Quill (the Quill was first published as a weekly in 1937) and proclaimed that "we find the miserly, pamphlet-sized, shrunken-like Quill no more. In its stead, a fully-grown, broad-shouldered, new Quill has risen." Changes included the creation of the Feature and Intersivity sections, with their own editors, a definite format in the 'lay-out' of articles, and the 'set-up' of pages, as well as a basic and overall reorganization of the Quill staff.

In September 1969 (Vol. 60, No. 1), Acting Editor Tom Brook and the Quill staff clarified the position and purpose of the Quill as follows: "The primary purpose of the Quill is to bring to the attention of the students of Brandon University the issues and events that have direct implications on the lives of these people. We do and will continue to editorialize in our reporting. It may be not as strong as that seen in the past. But the Quill staff does feel that subjective evaluation of events after the case has been put factually is valid, and this shall be a policy that will be adhered to during the coming year." They also took a moment to point out that the Quill, although a student press, was not a commercial newspaper. Furthermore, they wanted "to see the Quill move closer to the concept of the bourgeois press but not so close that it loses its identification with students and the issues that concern them."

By 1971, the Quill had adopted the statement of principle of the Student Press in Canada as outlined in the Resolutions of the Canadian University Press. Printed on the front page of the September 24 edition, the Quill stated the following policy: It is "... our belief 'that the major role of the student press is to act as an agent of social change, striving to emphasize the rights and responsibilities of the student citizen', and 'that the student press must in fulfilling this role perform both an educative and an active function.'" The policy went on to declare that the Quill, as an alternative press (an alternative to the commercial press), rather than a newspaper, was "limited to presenting news which the commercial press does not handle and to providing news analysis." The democratic nature of the Quill was also clearly stated in the policy.

The structure of the Quill was altered again in 1984, when an editorial board was instated, replacing the previous editor-in-chief system (although in most cases there was more than one editor in any given year). This board was to function as an organizing unit, with the collective electing officers for a one year term. The collective was made up of members, who had to contribute something to the Quill in one out of every three issues, in order to vote. Contributions included actual content for the paper, production, typing, photography work, office clean-up, or anything else that helped the Quill function. The central concern of the Quill, at the time of these changes, was to represent the "wide variety of social issues which interest Brandon University students." (September 27, 1984). The 'wide variety of social issues' was expanded upon in the September 3, 1987 edition of the Quill's editorial section: "A major purpose of THE QUILL is to provide the community with news and information pertaining to local, regional, national and international issues of concern to students."

By 1993, the Editorial Board was comprised of the News Editor, the Co-ordinating Editor and the CUP Editor and was responsible for the direction and content of the newspaper each week. By 1996, the CUP Editor had been replaced by the Business Manager on the Editorial Board. Clarifying its relationship with BUSU in the November 18, 1996 edition, Co-ordinating Editor Stacey Brown quoted the Quill Constitution: "The Quill collective shall determine and regulate editorial content and policy and shall set such perimeters on acceptable advertising as it shall collectively see fit. Debate and reasonable documentation must be given before boycotting anything in the newspaper." She went on to state that "final decisions on most issues are made by the Editorial Board. . . ." The position of Editor-in-Chief was reintroduced sometime around 2001.

Throughout its history, the Quill has been a quarterly, a bi-weekly and a weekly publication. It has been printed in various formats, by a number of different companies and has been financed primarily through funding from BUSU, and at present, advertising and a student levy. In 1997, the Quill became one of the first student newspapers in Canada to produce the paper in a completely digital format.

The Quill has been located at a number of locations on campus. Its first home was at the base of the Bell Tower in the original Clark Hall. In the 1970s it was produced in a mobile trailer near the gymnasium, before moving to the former Students' Union office in the lower level of the McMaster Building in 1980. Finally in 1991, the Quill was moved to its current location on the second floor of the Knowles-Douglas Student Centre.

At present (January 2007), the Quill continues to be a member of the Canadian University Press (CUP), and as such is provided with feature articles, news, graphics and fieldworker assistance. The Quill adheres to the CUP Statement of Principles. As a democratic collective, the Quill is open to all students and staff at Brandon University. An autonomous corporate entity since 2005, the Quill is a student run publication; the articles, editing, layout and distribution are done by the students.

## History /

### Biographical:

A.E. McKenzie was involved with Brandon College from its very beginnings. He was present at the cornerstone-laying ceremony of the Brandon College Building in July of 1900; he became a member of the Brandon College Endowment Committee in 1918; the following year he was on the Finance Committee. By the mid-1920's, he was a member of the Board of Directors of the College. In 1928, he was part of a group that convinced the Baptist Union of Western Canada, the principal funding body for the College, to provide money towards reducing the College's accumulated deficit. McKenzie and other members of the College Board had advised the Union that they were developing an endowment plan to provide continuing financial support for Brandon College.

In 1931, Mr. McKenzie organized the Brandon Board of Trade to help save the College when the Baptist Union indicated its intention to withdraw financial support to the College. When efforts to have the City of Brandon provide financial resources to the College failed, A.E. McKenzie organized the Brandon Citizen's Campaign to raise enough money to enable the College to open the next year.

In 1938, when the Baptist Union did withdraw support from the College, McKenzie offered to establish a \$100,000 endowment, which he later raised to \$300,000, to ensure the continuation of the College. On August 1 of the same year, the Board of Trade, of which McKenzie was a member, set out to raise \$15,000 to match the offer the government had made to the College. In September 1938, McKenzie increased his endowment again, this time to \$500,000. As a result, of McKenzie's endowment and the fundraising efforts of the Board of Trade the charter establishing Brandon College Incorporated was approved on April 17, 1939.
