#### Radiocarbon dating

The technique of radiocarbon dating was developed by Willard Libby and his colleagues at the University of Chicago in 1949.

Radiocarbon dating is used to estimate the age of organic remains from archaeological sites. Organic matter has a radioactive form of carbon (C14) that begins to decay upon death. C14 decays at a steady, known rate of a half life of 5,730 years. The technique is useful for material up to 50,000 years. Fluctuations of C14 in the atmosphere can affect results so dates are calibrated against dendrochronology. Radiocarbon dates are calibrated to calendar years.

Dates are reported in radiocarbon years or Before Present. Before Present refers to dates before 1950. The introduction of massive amounts of C14, due to atomic bomb and surface testing of atomic weapons, has widely increased the standard deviation on all dates after A.D. 1700 causing these dates to be unreliable.

Accelerated mass spectrometry can more accurately measure C14 with smaller samples and can date materials to 80,000 years.

Series Number: McG 2.2  
Accession Number: 1-2015  
GMD: textual records  
Date Range: c. 1966 - 2010  
Physical Description: Approximately 63.5 cm of textual records

### History /

#### Biographical:

In November 1966, McGuinness was hired as vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. [Fifth And] Rosser. Sunbeams was similar to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun, called the "Diary." Initially a bi-weekly column, which was made into a weekly column in 2009, McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

#### Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

#### Scope and Content:

The subseries contains records created and collected by Fred McGuinness during his time as a journalist, editor, and freelance writer with the Brandon Sun. The records consist of scrapbooks of Sunbeams columns, Sunbeam drafts, Diary drafts, article proofs, column research, and correspondence.

Notes: Readers' correspondence pertaining to McGuinness' time with the Brandon Sun can be found in Fred McGuinness' personal papers, subseries McG 1.2 Correspondence. Published in 1985 by Peguis Books (Winnipeg), *Pride of the Land* is a 222-page soft cover book, containing hundreds of pictures, and 50,000 words of text.

BU faculty members Dr. Kenneth "Ken" Stephen Coates, Assistant Professor of History, and Mr. Fred McGuinness, Lecturer in Journalism, authored the book. Assisting the writers was a research team of four BU history students, which were referred to as "The Pride Team": Diane Fowler, Rob McGarva, Bruce Stafeld, and Byron Williams.

The Pride Team was tasked with collecting and synthesizing exhibition documents and other materials in city, provincial, and federal records spanning 100 years. Many local newspapers and committee minutes were consulted.

The authors cover 103 years of Brandon Fair history, starting with the first fair in 1882 followed by the development of other agricultural fairs and exhibitions in Brandon, specifically The Royal Manitoba Winter Fair, The Provincial Exhibition of Manitoba, and the Ag-Ex livestock show.

### Custodial History:

Records were collected and created by McGuinness, Coates, and The Pride Research Team during the process of the creation of the book, *The Pride of the Land: An Affectionate History of Brandon's Agricultural Exhibition*. GMD: textual records

Date Range: c. 1987 - 1988

Physical Description: Approximately 6 cm of textual records

History /

Biographical:

These records were produced between 1987 and 1988, the researching and writing period for *The Wheat City: A Pictorial History of Brandon* monograph. Published in 1988 by Western Producer Books (Saskatoon, Saskatchewan), *The Wheat City* is a 117-page soft cover book, containing black and white images.

Western Producer Books pitched the book's concept to Fred McGuinness in the fall of 1987. This book was part of the publisher's "city series" which focused on smaller cities such as Medicine Hat and Prince Albert. It was estimated that the book would contain a 6,000-word introduction followed by approximately 80 archival photographs of Brandon spanning from early settlement to the late 1950s/early 1960s.

Brandon University history major Pam Svistovski worked as McGuinness' research assistant and McGuinness obtained images for the book from his own personal collection, the Brandon Sun, Lawrence Stuckey, the Archives of Manitoba, and the Western Pictorial Index.

Custodial History:

Records were collected and created by McGuinness during the writing phase of the monograph *The Wheat City*. The materials were donated to the SJ McKee Archives by the Estate of Fred McGuinness circa 2011. The Archives accessioned the records in 2015.

### Biographical:

Laurence Overton "Laurie" East was born in the municipality of Odanah on the west half of 29-13-18, on March 13, 1911. He attended Tremaine and Roseneath schools and worked on the family farm, eventually leaving school to work due to his father's ill health and then taking over the operation in 1936, after his father died. Laurie retired from farming in 1976. Laurie married Bernice McDonald (1916-2006), a teacher, on July 4, 1942. They had no children. Laurie's hobbies were music, dancing and travel; he took part in local entertainment and taught square dancing classes. He was a member of the Hunterville United Church, serving on the board and volunteering as Sunday School Superintendent or teacher. In the 1940s, Laurie was part of local committees to secure telephone and postal service. From 1970-1983, he was a member of Elton Municipal Council. Shortly after joining the council, Laurie was appointed as a representative to the library board; he joined representatives from Minnedosa and Minto councils, as there was support in the region for the organization and establishment of a regional library. Laurie East died on April 18, 2003 in Brandon, MB and is buried at the Rapid City Cemetery.
