Storage Location:	Box 10 - Stories
Storage Range:	Box 10 - Stories

10 Mile Dam

<http://archives.brandonu.ca/en/permalink/descriptions13716>

Part Of: Fred McGuinness collection

Description Level: Item

Series Number: McG 9

Item Number: 20-2009.26

GMD: graphic

Date Range: 1900-1924

Physical Description: 4.25" x 2.5" (b/w)

History /

Biographical:

Situated in the R.M. of Whitehead on the Little Saskatchewan River, the 10 Mile Dam was a 14 kilometer transmission line that supplied the city of Brandon with power. The Brandon Electric Light Company built the dam in 1900 and it is considered Manitoba's first hydroelectric power generating station. The dam spanned approximately 80 meters and was constructed from timber and reinforced with clay and stone. The station was decommissioned in 1924.

Scope and Content:

Photograph shows 10 Mile Dam, also known as the Brandon Dam or Minnedosa River Hydro Plant.

Notes: Writing on the back of the photograph reads: "10 mile dam". Biographical information obtained from Manitoba Historical Society.

Name Access: 10 Mile Dam
Ten Mile Dam
Brandon Dam
Minnedosa River Hydro Plant

Part Of: Fred McGuinness collection

Description Level: Item

Series Number: McG 9

Item Number: 20-2009.41

Accession Number: 20-2009

GMD: graphic

Date Range: 1906?

Physical Description: 6.5" x 4.75" (b/w)

Material Details: reproduction

History /

Biographical:

Situated in the R.M. of Whitehead on the Little Saskatchewan River, the 10 Mile Dam was a 14 kilometer transmission line that supplied the city of Brandon with power. The Brandon Electric Light Company built the dam in 1900 and it is considered Manitoba's first hydroelectric power generating station. The dam spanned approximately 80 meters and was constructed from timber and reinforced with clay and stone. The station was decommissioned in 1924.

Alonzo Archibald Rowe (b. 1862, London, ON; d. 22 Oct 1951, Brandon). The Rowes were considered Brandon area pioneers. Alonzo's father, Alonzo L. Rowe, came to Brandon with his family in 1881, where the family had a furniture and undertaker business on the west side of 10th Street between Rosser and Princess Avenues. In 1885, the family began farming west of Brandon and Alonzo Archibald served as a councilor and then a reeve in the R.M. of Whitehead. He returned to Brandon in 1907 and served with the Brandon Police Department until 1910, when he returned to farming, this time in Arrow River. A.A. Rowe returned to Brandon in 1915 to work as a Provincial Licenses Inspector, a position he held until 1938. (Source: Obituary, Brandon Daily Sun 22 Oct 1951)

Custodial History:

Photograph was in possession of Mrs. Ruby Miles, who passed the image on to Fred McGuinness. McGuinness makes reference to Mrs. Miles and this photograph in his Sunbeams column (Source: F.A. Rosser, "Another interesting chat with a daughter of the plains," Brandon Sun 18 Aug 1981).

Scope and Content:

Photograph shows four fishermen at 10 Mile Dam, also known as the Brandon Dam or Minnedosa River Hydro Plant. The fishermen in the photo are identified as George H. Rowe and his father A.A. Rowe, Dr. Wilfred Bigelow, and Al Collins.

Notes: Writing on the back of the photograph reads: at Brandon Dam, [right to left] son and father - George H. ROWE, Mr. A.A. ROWE, Dr. BIGELOW, Al COLLINS (dam?, 1906?, George born March 1897); Jerrett's Photo-Services, May 7 1938.

RG 11 Lawrence Stuckey fonds

<http://archives.brandonu.ca/en/permalink/descriptions4795>

Part Of:	RG 11 Lawrence Stuckey fonds
Description Level:	Fonds
Accession Number:	1-2002
GMD:	multiple media
Date Range:	1849-2001 (predominant 1935-2001)
Physical Description:	1.2 m of textual records; c. 2700 photographs -- Primarily black and white; c. 42,500 stamps

History /

Biographical:

Lawrence Adne Stuckey was born in Brandon, Manitoba in 1921 to Adne and Catherine Stuckey, and was the grandson of a Brandon pioneer family, the Gilmours. Stuckey attended both Fleming and Earl Oxford schools, as well as the Brandon Collegiate Institute. In May 1941, he began working for the CPR as a wiper/fireman. In October of the following year he joined the RCAF. During World War II, Stuckey served overseas as a Navigator/Bomb Aimer and was promoted to the rank of Flight Sergeant. He continued his work with the CPR after the war, and was promoted to fireman/engineer in 1950. Stuckey left the CPR in January of 1958 to purchase Clark-Smith Photo Studio in Brandon.

Stuckey and his wife Mavis, whom he married in 1946, ran the studio until their retirement in the mid 1980s. Throughout his life Stuckey pursued a number of interests, such as botany, history, photography and politics and was active in many local, provincial and national organizations. He was a member of the Brandon Stamp Club, the Allied Arts Council, Brandon Horticultural Society, Brandon Model Railroad Club, the Brandon Historical Society, and the Fort Whyte Centre. Stuckey was also the author of four books, as well as numerous articles on horticulture, railways, and Brandon area history. In 1987 he received the Manitoba Order of the Buffalo Hunt and in 1997 he was awarded an honorary Doctorate of Laws Degree from Brandon University. Lawrence Stuckey passed away on June 13, 2001.

Custodial History:

The entire collection was housed in Mr. Stuckey's residence at 658 11th St. Brandon, Manitoba, prior to its transfer to the McKee Archives. A portion of the stamp collection was donated to the Archives in August 2001. The balance of the materials were deposited in the Archives following Mr. Stuckey's death.

Scope and Content:

Collection consists of a variety of materials, both textual and graphic.

The philately collection is the largest part of the Stuckey Collection and covers a wide geographical and temporal range. The majority of the stamps are from the United States, the British Commonwealth, France and the French Empire. There are also a number of stamps portraying animals, art and flowers.

The slide collection includes approximately 10,000 images of various topics, such as landscapes, flora and fauna of North America and Expo 1967.

The Stuckey photograph collection is perhaps the best collection of Brandon and Southwestern Manitoba photographs in one place. Images include grain elevators and historical buildings of the northern United States and western Canada, railways, the City of Brandon, as well as ships and boats, sporting activities, portraits, animals, flora and fauna, landscapes and farming/homestead photographs. This series also includes a large number of negatives, including glass plate negatives.

The textual materials within the collection include personal journals written by Stuckey covering the years 1935-2001. These journals are autobiographical and act as a key to the rest of the collection in that they provide general time frames and the motivations behind Stuckey's activities. In addition to the journals, the collection consists of copies of Stuckey's four books and a few papers he wrote for the committees and clubs he belonged to. Other textual materials included are a small amount of personal correspondence, and research materials on a number of topics such as the CPR and Brandon area history. There are also three scrapbooks created by Stuckey dealing with his various interests. The collection also contains certificates presented to Stuckey by a number of the organizations he belonged to, as well as his honorary degree from Brandon University and his Order of the Buffalo Hunt award. A number of books, newspapers and articles on various topics, such as stamp collecting and horticulture are included in the collection.
