History /

Biographical:

The photographs in the exhibit were selected by Christy Henry from the Brandon University photograph collection, the Clark Hall scrapbooks, the Arend Visser collection, the Lois and Gordon Daly fonds and the Frances Percival (nee Fraser) fonds. The photos were selected to compliment slate art pieces created by Barb Flemington that were used in the same exhibit. The goal was to select photos that would reference the relationship between the slate, the buildings and the students and faculty who lived and learned at Brandon College. Henry also tried to choose images that were dynamic enough to hopefully stand on their own in addition to supporting Flemington's work. The exhibit was mounted on the Tommy McLeod Curve Gallery in the John E. Robbins Library from December 1, 2008 to January 12, 2009. A closing reception was held at the Tommy McLeod Curve Gallery on January 9, 2009.

Custodial History:

Photographs used in the exhibit are housed in the McKee Archives. The reproductions were made by Brandon Photographics and the mounting was done by Frame Ups.
