Currie continued working in bookkeeping and accounts, first for Brandon Gas & Power Co., then for the Manitoba Power Commission. She appears to have retired around 1942. She is not listed as living in Brandon between 1943-1945, but was once again a resident by 1947. Currie was a member of the First Presbyterian Church, a charter member of the Brandon Business and Professional Women's Club and in 1916, she passed her examinations for the St. John's Ambulance Association.

Lottie Louisa Currie died on November 25, 1972 in Brandon, MB.

Smith & Burton, a grocery store that also had mail order and china departments, was founded by E.B. Smith and John Burton in the 1886. It was housed at a few locations in downtown Brandon; their location at 829 Rosser Avenue is the one that mostly likely appears in the photograph.

#### Custodial History:

See Fonds level description for custodial history

#### Scope and Content:

Murray's Garage opened in 1932 by Melvin Earl Murray. Before it's opening in 1932 the building was used as a truck and storage facility, the business opened for automotive sales after Earl Murray had recieved a contract by General Motors in 1932. The first sale of a vehicle occurred in 1933 when a customer from Winnipeg bought a Pontiac vehicle. During the first few years of operation Earl Murray served as the Office Manager, Parts Manager, and Salesman. In 1934 an additional contract with the International Harvester Co. giving license to the additional sale of farm equipment. This new expansion resulted in the hiring of other staff to handle Parts and Service while the sales of the farm machinery remained Earl's responsibility.

The business aquired many contracts over the course of its existence as such new propoerties were aquired to allow for this expansions and new additions were added to the original building. When the new addition was near completion an explosion occured which resulted in 100% loss of the original building as well as all the contents it enclosed. Luckily, the fire department was able to save most of the new addition. A sizable loan was required for the buisness to rebuild after this disaster. Once the business was open again, car sales, need for parts, and service volume increased resulting in the complete recovery of the buisness.

In 1940 due to the war the purchase of new vehicles was limited to emergency service, it was at this time that General Motors added the Cheverolet-Oldsmobile to their contracts. Shortly after this a tornado hit the building causing substantial damage however it was soon repaired and business resumed.

Earl's son, Gerald, had worked in the business since his return from the war in 1945. He schooled in in Flint Michigan at a General Motors Business Institute to assist his father with the business. In 1960 Gerald took a course in Detroit Michigan in a Post Graduate School of Modern Merchandising and Management. After his completion of this course Gerald moved back to Neepawa and took of the position of Sales Manager at his fathers garage. The business was later renamed Murray's of Neepawa in 1964 when Earl handed the keys to the business over to his son Gerald.
