Westman Recycling Council fonds

<http://archives.brandonu.ca/en/permalink/descriptions12346>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Fonds

Accession Number: 14-2011

GMD: textual records

Date Range: November 15, 1989 - March 26, 2009

Physical Description: 90 cm

History /

Biographical:

The Westman Recycling Council was started by a small group of avid recyclers with financial and volunteer help from the Kiwanis Club of Brandon, among others. Volunteers organized the first outdoor recycling depots in June and October 1989. The first event with recorded minutes was the first annual meeting, November 15, 1989.

The organization was incorporated in February 1990, and became a registered charity in 1995. The Mission Statement was: "to support and promote the reduction, re-use, and recycling of material resources for the benefit of Westman's environment and future generations."

The major partner in the work of the organization was the City of Brandon. In 2003, Westman Recycling, in partnership with the City, built a Material Recovery Facility (MRF) at the Brandon Landfill; Westman Recycling owned the building on the City-owned land. It was a \$4 million structure - financed by federal and provincial grants (about one-quarter of the total) and a mortgage (about three-quarters). Details are in the Board and other Committee minutes and agreements.

In late 2005, Westman Recycling faced a severe cash crunch - as a result of poor markets for recyclables, changes in support funding from the Manitoba Product Stewardship Corporation (MPSC), and a drop in public recycling levels. In February 2006, the City decided to sign a contract with another organization to operate the MRF; after that there appeared to be no role for Westman Recycling.

A general meeting on September 22, 2008 voted to dissolve the organization. At that meeting, the suggestion was made (agreed to by consensus) that the files of the organization be donated to Brandon University to be made available for researchers. A Board of Directors meeting on the same date voted to donate all remaining funds to a perpetual "Westman Recycling" fund with the Brandon Area Community Foundation.

A final wind-up meeting was held on March 26, 2009

Custodial History:

The organization was overseen by volunteers / volunteer Board of Directors. The files were first held by volunteers / Board members in their homes. In May 1991, the organization hired David McConkey as Coordinator / General Manager, who was directed by the Board to manage the files on a daily basis from that date forward.

The files were kept in the organization's rented office space in the 1300 block of Pacific Avenue from May 1991 to September 1992, and then in the rented space in the Massey building at 6th Street and Pacific Avenue. The files were kept at the new facility at the landfill from April 2003 to February 2006. They were then stored in the basement of the Marquis Project, 912 Rosser Avenue, until August 2011 when they were donated to the S.J. McKee Archives, Brandon University.

Some files (e.g. minutes from 1995-96) were found to be missing entirely. Other files were disposed of by recycling and/or shredding as they were judged to be confidential (e.g. personnel), of an ordinary business nature only (e.g. invoices), or not useful for future research (e.g. extra copies, routine correspondence, building and equipment plans and other arrangements).

Scope and Content:

Fonds consists of records that document the origin, activities, demise, and legacy of the Westman Recycling Council. Records include minutes, financial summaries, scrapbooks, newsletters, brochures, media clippings, photographs and miscellaneous documents related to the construction in collaboration with the City of Brandon of Brandon's principal recycling facility.

Birtle Indian Residential School fonds

<http://archives.brandonu.ca/en/permalink/descriptions4889>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 10-1997

GMD: textual records

Date Range: 1888-1898

Physical Description: 2 cm (one volume)

History /

Biographical:

The Birtle Indian Residential School was opened by the Presbyterian Mission on December 3, 1888. Prior to that date, there had been a school allocated within the Birtle district for the Bird-Tail Sioux within Treaty 4. The new boarding school was located within the town limits of Birtle along the Bird-Tail River. The school was made of stone, was three stories high (not counting the basement), and was designed to accommodate fifty students. Connected to the school was thirty acres of land. The main building consisted of the school room, refectory, kitchen, and boys and girls dormitory. Besides the main school building, there was a barn that could accommodate fifteen head of cattle, a root-house and a small shed in which the parents would keep their ponies in the winter when they would come to visit the children. In the front of the residence there was a square piece of ground fenced off which consisted of a lawn and flower garden. The back of the residence was graveled for twenty yards. A garden of four acres was also connected with the school where vegetables were grown for use at the school.

Upon the opening of the school, there was considerable opposition on behalf of the parents as to the children being lodged and boarded such a substantial distance away from the greater Native population. This dissipated as the school gained acceptance within the Native community and attendance gradually increased as a result.

The headmaster at the original Bird-Tail school at the time of its assimilation into the Birtle Indian Residential School was J.D. Burgess. The first principle of the Birtle Indian Residential School was Rev. G.G. McLaren. He held the position from 1888 until November 1894, when he was replaced by Neil Gilmour. William J. Small became principle in 1896, and remained in that position until 1901.

The principal studies at the school were reading, writing, arithmetic, spelling and drawing. Although there were no trades associated with the school, the students were instructed in basic industries. The students also received moral training at the boarding schools. Girls were instructed in the branches of housework (washing, ironing, scrubbing, baking, cooking, sewing, knitting, tailoring, dressmaking, milking and butter-making). Boys were instructed in gardening, caring for stock, sawing, chopping and splitting wood, and were expected to help with the carpentry needs around the building. Special attention was also given to ethics and speaking English in class. There was also extensive religious training. Students were expected to attend church at least once each Sabbath in addition to their morning and evening worship and the study of the Bible and catechism in class.

During the summer the students participated in an abundance of outdoor exercise and recreation. The boys played a variety of sports, including baseball and soccer. The girls were allowed to go on long walks in the country or were given free time outdoors to take part in whatever they desired. Certain students exhibited a musical flare by playing instruments such as the madolin or the harmonica. One student, Hugh McKay, even worked part time at the local printing press during his tenure at the school. In the winter, students participated in ice-skating twice a week and the boys were allowed to play football for an hour a day. The girls could go on their walks and two or three times a week were taken for a drive a few miles into the country. There were two large playrooms within the main building for use during bad weather or when it was too cold outside for recreation during the winter.

The Women's Institute was designed to promote quality of life in rural Canada and to foster the advancement of rural women. The first Women's Institute in Manitoba was organized in 1910, in Morris, Manitoba. The Crocus Women's Institute was created in the fall of 1946. The charter for the group was issued on November 25, 1946. One of the first projects of the group included sending food parcels to Britain until war rationing was discontinued. The main focus of the Institute was the local school: the Institute sponsored essay contests and provided furniture for the school. The Institute also sponsored a garden club and held a garden show for many years. Finally, the group had an annual Christmas Cheer project. The Crocus WI disbanded in 1984.

William Wallace fonds

<http://archives.brandonu.ca/en/permalink/descriptions4801>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 47-1997

GMD: textual records

Date Range: 1881-1904

Physical Description: 30 cm

History /

Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

The Roseland Church was built in 1883 as a Presbyterian church, funded in large part by the Roseland Ladies Aid Society. In 1912, thirteen years before formal union between these two denominations took place, the Roseland Presbyterian Church was united with a local Methodist congregation. The Roseland Church was closed for a few years following the Second World War. However, the Church was revived and it continued to function until 1969, when it was officially closed. Subsequently, the building was sold and moved, and a cairn was placed where the church had been located.
