History /

Biographical:

The Westman Recycling Council was started by a small group of avid recyclers with financial and volunteer help from the Kiwanis Club of Brandon, among others. Volunteers organized the first outdoor recycling depots in June and October 1989. The first event with recorded minutes was the first annual meeting, November 15, 1989.

The organization was incorporated in February 1990, and became a registered charity in 1995. The Mission Statement was: "to support and promote the reduction, re-use, and recycling of material resources for the benefit of Westman's environment and future generations."

The major partner in the work of the organization was the City of Brandon. In 2003, Westman Recycling, in partnership with the City, built a Material Recovery Facility (MRF) at the Brandon Landfill; Westman Recycling owned the building on the City-owned land. It was a \$4 million structure - financed by federal and provincial grants (about one-quarter of the total) and a mortgage (about three-quarters). Details are in the Board and other Committee minutes and agreements.

In late 2005, Westman Recycling faced a severe cash crunch - as a result of poor markets for recyclables, changes in support funding from the Manitoba Product Stewardship Corporation (MPSC), and a drop in public recycling levels. In February 2006, the City decided to sign a contract with another organization to operate the MRF; after that there appeared to be no role for Westman Recycling.

A general meeting on September 22, 2008 voted to dissolve the organization. At that meeting, the suggestion was made (agreed to by consensus) that the files of the organization be donated to Brandon University to be made available for researchers. A Board of Directors meeting on the same date voted to donate all remaining funds to a perpetual "Westman Recycling" fund with the Brandon Area Community Foundation.

A final wind-up meeting was held on March 26, 2009

Custodial History:

The organization was overseen by volunteers / volunteer Board of Directors. The files were first held by volunteers / Board members in their homes. In May 1991, the organization hired David McConkey as Coordinator / General Manager, who was directed by the Board to manage the files on a daily basis from that date forward.

The files were kept in the organization's rented office space in the 1300 block of Pacific Avenue from May 1991 to September 1992, and then in the rented space in the Massey building at 6th Street and Pacific Avenue. The files were kept at the new facility at the landfill from April 2003 to February 2006. They were then stored in the basement of the Marquis Project, 912 Rosser Avenue, until August 2011 when they were donated to the S.J. McKee Archives, Brandon University.

Some files (e.g. minutes from 1995-96) were found to be missing entirely. Other files were disposed of by recycling and/or shredding as they were judged to be confidential (e.g. personnel), of an ordinary business nature only (e.g. invoices), or not useful for future research (e.g. extra copies, routine correspondence, building and equipment plans and other arrangements).

Scope and Content:

Fonds consists of records that document the origin, activities, demise, and legacy of the Westman Recycling Council. Records include minutes, financial summaries, scrapbooks, newsletters, brochures, media clippings, photographs and miscellaneous documents related to the construction in collaboration with the City of Brandon of Brandon's principal recycling facility.

History /

Biographical:

The Brandon Ladies Auxiliary #112 of the United Commercial Travelers of America received its charter on October 30, 1937 at their first meeting, which took place in the Rose Room of the Prince Edward Hotel in Brandon, Manitoba. At this time the membership of the Ladies Auxiliary #112 consisted of 27 Sisters. Brother Ernie Tatton, Grand Counselor at the time, presented the Ladies Auxiliary with their Bible in May 1938. Winnipeg Auxiliary #48 gave the Brandon Auxiliary their Bible Book Mark and Saskatoon Auxiliary #23 gave them their gavel.

Initial meetings were held in the Rose Room of the Prince Edward Hotel on Saturday evenings, when the Brothers would meet after their weekly travels. Meetings were then moved to the Kelly

when the Brothers would meet after their weekly travels. Meetings were then moved to the Henry Block on 8th Street. Here the Sisters would meet downstairs and the Brothers upstairs. Meetings were usually followed by dancing, singing, and lunch downstairs. Meetings were held in the Masonic Temple, the Knights of Columbus Hall, the Orange Hall, the Oddfellows Hall, and eventually in the UCT Hall. Throughout all the location changes, a social hour was still held with the Brothers.

The Brandon Auxiliary always performed the ritualistic and floor drill work. Originally, patrols only joined the Officers when Brandon Auxiliary was hosting a Grand Session. Patrols, with matching outfits, soon became a part of the floor work at every meeting. Officers were required to wear the proper attire. Capes were introduced in 1940 and white shoes, stockings, and dresses in 1941. Membership swelled over the years and 50 years after being inaugurated the Brandon Auxiliary could claim 136 Sisters.

The Brandon Ladies Auxiliary #112 was always very active within the larger community, especially with fundraising and charitable donation. Initially the Brandon Auxiliary supported the Red Cross by sewing and knitting. The Brandon Auxiliary also supported the Canadian Cancer Society at this time by making dressings. Rummage sales and teas were used to fundraise at the time. Teas were used in conjunction with the wives of the Steam Plant to purchase equipment for the first school in Brandon that taught developmentally delayed children. The Brandon Auxiliary also did fundraising teas, Walk-a-thons, bazaars, and raffles for the Camroc workshop, which was built for older handicapped students.

Bingo games were used to raise funds as well. Other projects of the Brandon Ladies Auxiliary include:

1. Builders of Women – provides help to needy girls and women and gives a scholarship out at the Festival of the Arts. In 1969 the Ladies Auxiliary refurnished the third floor of the YWCA.
2. Cancer – assistance with the annual canvas, ride and run events, putting on an event with a speaker and film, and a survey of sisters who had their annual pap test.
3. Handicapped Children – purchase of equipment for the handicapped classes at George Fitton School and the COR Enterprises (formerly Camroc) workshop. One sister was a volunteer for their swimming and bowling classes, among other things.
4. The Three Benevolent Funds
5. May E. Tisdale Educational Fund – donated to this fund every year, usually in memory of deceased sisters.
6. Brandon General Hospital Special Equipment Fund – every year a sum was included in the Ladies Auxiliary budget to purchase special equipment for the Brandon Hospital.

Civic Service donations included the Mental Health Centre Christmas gifts, three Christmas hampers for needy families, Canadian Diabetes Association, Manitoba Heart Fund, and Brandon Figure Skating Club.

In 1962, the Auxiliary's 25th birthday, their first Dessert Party and Bake Sale was held. This had the stated objectives of growing and working together as a group and raising money for the organization. This became an annual event. Sisters who had attended for 25 years were honoured at the Auxiliary's 36th birthday celebration. Every birthday after that, sisters who had attended for 25 years were guests at the dinner and presented with a corsage and a gift. Sick and bereaved were also remembered at these functions. In the 1980s the Ladies Auxiliary continued to support the UCT Brandon Council #448 in the Annual Travellers Day Parade, Grand Sessions, and other functions.

In the early 1990s the United Commercial Travellers voted to allow women to join the Councils

in the early 1990s the United Commercial Travelers voted to allow women to join the Councils. This marked the beginning of the end for the Auxiliaries. However, ladies who had no connection to a Council could join an Auxiliary now whereas before only a wife, sister, or granddaughter of a Council member could join.

The final Grand Auxiliary Sessions were held in Brandon in May 2003. By this point only three auxiliaries were still active across Manitoba, Saskatchewan, and Alberta and all had difficulty recruiting new members. Most of the membership at this time was elderly and unable to take office or work at teas and other such events. Calgary and Regina's Auxiliaries were down to less than twelve members. Brandon still had more than 90 on the membership roll but only about 20 attended meetings regularly and it was becoming difficult to fill Officer positions.

The final Dessert and Bake Sale was held in October 2002 and was the 40th such event. With the demise of the Grand Auxiliary in 2003, it was decided that Brandon would continue to operate; however, after a year it was decided that Brandon would no longer operate as a formal auxiliary. Monthly luncheons would now be held with December being a Christmas Party supper. The last formal meeting was held in the Parkview Seniors complex on March 22, 2004.

The money in the Grand Auxiliary's account was distributed to the three remaining auxiliaries based on how much had been contributed over the preceding ten years. Brandon received \$2,500 and had about \$5,000 in their account. When formal meetings were discontinued it was decided to donate \$5,000 to the "A Bed for You, A Bed for Me" campaign of the Brandon General Hospital. Approximately \$1,100 was given to their Chairs from Mentally Challenged and Builders of Women to use as they pleased.

All members on the membership roll were contacted and asked if they wished to remain members. Several decided not to but 50 members remained. Each member under 80 paid a \$5 membership fee in April or October. Beginning in 2004, \$1 was collected from every member that attended a luncheon to pay for stamps and cards sent to those who were ill, lost a loved one, turned 80, etc. Fundraising is limited to selling Riverview Curling Club Lottery Calendars for which the Ladies Auxiliary #112 received \$4. In 2005 \$128 was collected and \$25 donated to five different charities.

In 2006, sisters of the Auxiliary still worked at the Fairview Daffodil Tea for Cancer, put on the January birthday party at Hillcrest Place, worked the Big Craft Sale at the Keystone Centre in October, worked with the Salvation Army Kettles at Christmas, and sold carnations for multiple sclerosis and daffodils for the Cancer Society. Luncheons held averaged about 20 members and 25 at Christmas.

Custodial History:

Records were created and collected by the members of the Brandon United Commercial Travelers Ladies Auxiliary #112. The collection was donated to the S.J. McKee Archives in March 2007.

Scope and Content:

Collection consists of records that document the origin, activities, and ultimately the disbandment of the Brandon Ladies Auxiliary #112 of the Order of the United Commercial Travelers of America. These records were created and accumulated during the nearly 70 year existence of the UCT Ladies Auxiliary #112.

The collection consists of the minutes of their meetings from November 1939 to November 1991, photographs of the members, and sign-in books from October 1937 to March 1991. It also contains the account ledger from April 1972 to March 1997. Several scrapbooks containing photographs and newspaper clippings related to the activities and members of the Ladies Auxiliary and the United Commercial Travelers, spanning the nearly 70 lifespan of the organization, are also included in the collection.

Both the United Commercial Travelers Council #448 and the United Commercial Travelers Ladies Auxiliary #112 were very active in raising funds for various charitable organizations. Money was raised for the Brandon General Hospital, as well as for George Fitton School to assist with their special education program. Organizations such as the Red Cross, the Canadian Cancer Society, special needs organizations, United Way, the Multiple Sclerosis Society, and several other organizations all received the benefits of UCT fundraising. Scholarships were also given out. Teas, dessert and bake sales, sewing and knitting, rummage sales, Walk-a-thons, bazaars, and raffles were all used to raise money for charitable donations.

Collection also contains various artifacts including a gavel, the original charter of the Ladies Auxiliary #112, nomination balls, officer's badges, a Bible, and the cloth used for the draping of a deceased member's charter. Also included is a handbook detailing the rituals carried out by the United Commercial Travelers of America.

Notes: History/biographical information provided by Sister Bernice Nerbas of the UCT Ladies Auxiliary #112. Copies of their history are found in the collection. Description by Joseph Dauphinais (October 2013).

History /

Biographical:

Valleyview Leisure Club (VLC) began in April 1978 as a senior's activity group in conjunction with Valleyview Community Centre. The impetus for the creation of the group was a meeting between John Svenson, Regional Director for Westman Seniors, and seniors in the Valleyview area who met to discuss the organization of a seniors club. At the time the club was established, space was limited at the Community Centre because some school classes were held there during the construction of Riverheights School. However, a New Horizons grant enabled the VLC to remodel and furnish the basement area of the Valleyview Community Centre for the Leisure Club. A Grand Opening of the space was held in May of 1980; there was a special luncheon and the official ribbon was cut by Hon. Ed McGill.

The Valleyview Leisure Club was run by a board and its associated committees and governed by a constitution. Members were charged an annual membership fee, as well as user fees for the various activities. In the early years, the Club had monthly membership business meetings in conjunction with an evening meal and entertainment. The use of the basement area was varied and included: cards; shuffleboard and other games; craft activities; fundraisers; raffles; dances; and luncheons, dinners and potlucks. The space was also rented out for private functions, particularly special birthdays and anniversary's of community members. The Club made annual contributions to the parent Community Centre, as well as helping the Community Centre functions (winter carnival etc.)

In the course of time, the activities of the VLC became more focused on cribbage and bridge, with several regular groups scheduled at regular weekly time slots. At the time of the organization's disbanding, the following groups were active: Friday afternoon contract bridge - the "original" bridge group at the Centre; Tuesday afternoon cribbage; Thursday afternoon "Retired Educators" contract bridge - this group had played in vacant space at Neelin School up until around 1989. Its membership was eventually opened up to anyone who wanted to play in that time slot; Wheat City Duplicate Bridge Club - formed in the City as a sanctioned club and had a number of locations around town. When it moved to the Leisure Club, it came as a renter only, but chose in 2012 to join as VLC members; and Monday afternoon duplicate bridge - in an effort to increase the number of duplicate bridge plays, a "beginners" duplicate group was established with lessons, which proved to be a popular decision. The group thrived and most of the Thursday evening playser began to paly at this time also/or instead.

The VLC hosted a Spring and a Fall Bridge Tournament each year, open to anyone, with invitations going to surrounding areas. As well as cash prizes, a cash donation was given to a local charity. In latter years these donations were \$500 per tournament. An annual Christmas Dinner was another popular event. It was a catered event, at least in the later years, and was offered at a subsidized price to members. The club also made a donation to Christmas Cheer at this time.

At some point in the organization's history the VLC came to be seen as a tenant of the Valleyview Community Centre, paying a rent of \$3000 per year for its use of the basement space, as well as some maintenance expenses. When the Valleyview Community Centre voted to raise the rent to \$12,000 per year within two years, the VLC sought other options.

The VLC settled on Prairie Oasis Senior Centre for a number of reasons. First, it offered to provide space for each of the club's existing card groups at the same time slots with no membership fees. Second, the move would also eliminate the increasingly difficult task of fielding a board of directors to run the club. Finally, the Prairie Oasis location offered the advantage of level access; the basement location of the VLC had excluded several of the club's former members with mobility issues.

Effective September 1, 2014, the Valleyview Leisure Club was dissolved. The club disposed of equipment either by donating it to Prairie Oasis or to Valleyview Community Centre. Once all debts were cleared the Board voted to distribute the cash assets to the following local charities: Big Brothers and Sisters; Food For Thought; Humane Society; Prairie Oasis Senior Centre/Meals on Wheels; Salvation Army; Samaritan House; Seniors For Seniors Co-op Inc.; The Soup Kitchen; Westman Regional Hospital; Westman Hospice; and Y Kids.

It was founded in Columbus, Ohio on January 16, 1888 by eight traveling salesmen (commercial travelers) for the purpose of providing accident insurance for traveling salesmen, protecting the rights of its members and aiding those dependent upon them.

UCT came to Canada in 1898 with the creation of Winnipeg Council No. 154. The organization gradually spread westward with Councils established in Regina, Saskatoon, Calgary and Brandon. Brandon Council No. 448 was granted a charter on December 12, 1908.

Scope and Content:

Fonds consists of a collection of about 200 letters primarily written by William Baker (although letters written by other family members are also included), who left Liverpool and settled in Oak Lake, to his son William who remained in England. The letters offer insights on a wide range of subjects including the conditions of immigrants and the Riel "situation".

The fonds also contains a supplement to "My Dear Will: Reflections of Prairie Pioneer Life." This latter publication consists of transcribed copies of the letters in the Baker family fonds. The letters were originally transcribed by Ronald James Parsons and his wife Rita Olive Parsons (nee Blake) and published, along with some letters, photographs and other documents for family c. 1997. The booklet was updated in 2007 by Ronald and Rita's daughter, Ann Murdoch. The Supplement was prepared by Ann Murdock and her sister Dawn Powell.

History / Biographical:	

Brandon, Manitoba was incorporated as a city in 1881. In 1882, led by Charles Whitehead and

a small Board of Directors that included J.W. Vantassel, Charles Pilling, George Halse, J.E. Smith, William Johnson, R.T. Evans, and Thomas Lockhart, it was decided to hold an agricultural exhibition. These men were all involved in the farm business in one way or another, and they wanted an opportunity to help residents realize the agricultural potential of the region. In October of that year, the fledgling community held its first agricultural exhibition. The fair was held in downtown Brandon at what was known as "Market Square." Market Square was two acres of land located on Princess Avenue between Eighth and Ninth Streets. Due to poor weather, and the fact that not many people were ready to show animals and grain, there was a relatively small turnout. The following year was much improved. There were 730 entries into the exhibition. By 1884, the Board of Directors of the Brandon Agricultural Society, which was in charge of the exhibition, realized that they were in poor financial shape, to the point of being personally out of pocket. It was realized that October was not the best time for farmers to be leaving their farms to go to an exhibition. In 1888, it was decided to move the exhibition to the summer time, when it was much easier for people to attend.

The first Brandon Summer Fair was held in July 1889, and it was a resounding success. The Board of Directors had added many items of interest to appeal to the entire public, not just agricultural people. In 1892, the Western Agricultural and Arts Association (WAAA) was formally established to take over duties from the Brandon Agricultural Society. However, it was not until 1897 that the WAAA held its first meeting. There is no explanation as to why there is a five year gap between the formation and the first meeting of this organization. 1897 was the turning point of the Brandon Exhibition. The fair was now firmly established in Brandon, and the Board of Directors was instrumental in ensuring that it remained so. This was done by petitioning to both the municipal and provincial governments for grant money. As well, the Board booked midway and grandstand acts that would bring the city dwellers to the agricultural exhibition.

There were also early attempts at holding an agricultural exhibition in the winter. The first such attempt was in 1884. There was also a Spring Stallion show held in 1891. By 1904, however, a petition by J.D. McGregor had gone out to formally establish a winter exhibition. This effort also failed, but by 1906, it was decided by businessmen, politicians, and farm representatives in Brandon, including McGregor, to organize a winter fair. Rather than seeing this new fair as competition, the Board of Directors of the summer fair felt that it would complement their exhibition. The new fair would remain primarily agricultural. The first winter fair was held in 1906. While the two fairs were not amalgamated, they did share the same secretary-manager. The secretary-manager was responsible for the day to day management of the fair, as well as keeping track of meetings and decisions reached by the various fair boards and committees. In 1907, the Brandon Winter Fair and Livestock Association (BWFLA) was formed to act primarily as a land-holding joint stock company. The following year the Provincial Winter Fair and Fat Stock Association (PWFFSA), an entirely separate organization from the BWFLA, was formed to manage the activities of the winter fair. The PWFFSA name was soon changed to the Manitoba Winter Fair and Fat Stock Association (MWFFSA).

By 1906, Brandon could boast two full size exhibitions, one in the summer and one in the late winter, both of which were considered to be premiere events. In 1908, the Brandon summer fair was renamed the Inter-Provincial Exhibition, and in 1912 it held its first Traveller's Day, an event which would soon become an important addition to the fair and is still in existence today. It is thought that the name "Traveller's Day" came from the fact that it was held on a Saturday, a day when many people could travel to Brandon for the exhibition.

In 1913, Brandon was bestowed with the honour of hosting the Dominion Exhibition. This was a national exhibition sponsored by the federal government. It was held in a different city every year. There were several cities vying for the 1913 Dominion Exhibition, but it was Brandon that impressed the sponsors the most. With the government funds received for this honour, the Board of Directors supervised the building of a new grandstand, display buildings, and racetrack, as well as the general expansion and improvements to the fairgrounds.

In the spring of 1912, it was decided by the Board of Directors of the winter fair that the facilities they were currently housed in were inadequate for their needs. The mayor and city clerk of Brandon went to the provincial legislature in order to request that there be an amendment added to the Brandon city charter. This amendment would allow the city to guarantee bonds issued by the winter fair board to help pay for the construction of a new facility. This request was granted, and a \$70 000 addition was built next to the original winter fair building. The new building was opened in 1913.

Throughout the First World War, both the winter fair and Provincial Exhibition buildings were used for the war effort. There was one distinct difference however. The summer fair Board was able to negotiate a deal with the army that enabled it to reclaim the fair buildings during fair week. The winter fair, however, had to give up the idea of holding fairs in 1915 and 1916. It was not until 1917, that the winter fair was able to resume.

During this time, due to the financial problems that had beset the winter fair, the two exhibitions considered amalgamation. The Board of Directors of the winter fair felt that because they were the smaller of the two fairs, their interests would be swallowed up by the summer fair. The winter fair withdrew from the negotiations to amalgamate. With this rather sudden turn of events, the Board of Directors of the summer fair petitioned the government to be allowed to incorporate. This was granted, and in 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba. From 1920, the summer fair was officially known as the Provincial Exhibition of Manitoba. This was the first time that the summer fair was incorporated, and received the "status and financial assistance" that came with incorporation.

More problems beset the winter fair in the 1920s. In 1920, a fire burned down the winter fair pavilion, located at the south end of the winter fair buildings, and caused the Board to cancel the 1921 winter fair. It was not until 1922, that a new building was completed. By 1929, both fairs were well regarded throughout Canada. In 1929, a decade long Depression hit the west. While many fairs closed during this time, Brandon struggled to keep its open. The Directors of both fairs felt that the agricultural shows "encouraged excellence at a time when faith and enthusiasm were at a low ebb." The summer fair proved to be quite successful during the Depression, likely as a result of the few moments one was able to forget one's troubles while there. The winter fair was not quite as successful, although both fairs received government grants and work relief projects. There was little new entertainment in these exhibitions.

There were changes about to manifest themselves at the summer fair, however. While the winter fair had representatives from various associations on its Board of Directors, the summer fair Board of Directors was a small close-knit group of men. Citizens saw entry into this elite group as elusive and difficult. To ward off the possibility of the Board becoming a "self-sustaining clique," that only chose Directors from within, it was decided by several citizens to try and elect some new blood into the fair Board. In 1933, there was a general election for the Board. Instead of the usual men shuffling positions, there were forty-four nominations for the twenty positions. When the voting was all over, seven new men sat on the Board. Despite some inner rumblings, especially on the summer fair Board over the next few years, both exhibitions survived the Depression.

During the Second World War the fairs once again were forced to operate under adversity. Once again, the buildings were requisitioned for the army, although they were released during fair week. The summer fair was forced to make several concessions, and the winter fair was relocated to the summer fair grounds for the duration.

The winter fair did not survive the Second World War intact. Due to financial reasons, in December of 1945, the Board of Directors turned the winter fair buildings over to the City of Brandon. By 1946, the BWFLA, which was the joint-stock land holding company, had ceased operations because the city now controlled the winter fair land and buildings.

The next fifteen years would be a time of rebuilding for both of Brandon's exhibitions. Children

The next fifteen years would be a time of rebuilding for both of Brandon's exhibitions. Children, especially, were more active participants in the agricultural exhibitions. The summer fair continued to diversify and look for new ways of entertaining the public at large. The winter fair remained primarily agricultural. By the end of the 1950s the winter fair, which was used to struggling, was now both successful and stable; and the summer fair, a perennial success, was starting to fade.

By 1969, both the winter and summer fair Boards had realized that amalgamation was the best possible decision, both practically and financially, for the future of the two fairs. On 29 October, 1969, the two exhibitions amalgamated to become the Manitoba Exhibition Association. The reconstituted Provincial Exhibition of Manitoba was now responsible for both the winter and summer fairs. A new building was erected on the summer fair grounds to house both of the exhibitions. On 2 April 1973, the Keystone Centre was officially opened at the winter fair, although it had been in use since October of the preceding year.

In 1970, Manitoba's Centennial, it was decided that an organization in Manitoba would receive the title of "Royal," as a way to celebrate the centennial. Although many organizations applied for the honour, it was the Brandon winter fair that received the accolades. The winter fair was bestowed with the title "Royal", and became known as the Royal Manitoba Winter Fair.

In 1975, a third exhibition was added, this time a purely agricultural fall show known as the Agricultural Exhibition, or AgEx. This fair was partly organized on behalf of the cattle growers, who found that the summer and winter fairs did not give them adequate time and space to properly show their cattle. The return to a fall show, which had not existed since 1888, would be the return to a purely agricultural exhibition. This show was to be primarily a show and sale event. On 3 November 1975, the first AgEx was opened to resounding success.

The Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair and AgEx are all still in existence in Brandon. They are regarded as three of the most important events to take place annually in the city.

Custodial History:

These files were housed with the Manitoba Exhibition Association until c1986 when they were transferred to the S.J. McKee Archives at Brandon University.

Scope and Content:

The fonds consists of textual records and photographs comprised of the records from the three annual exhibitions that are held in Brandon, Manitoba: the Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair, and the Agricultural Exhibition (Ag-Ex). The textual records include prize lists, programs, minutes, financial, administrative files, original results, scrapbooks, tickets, news releases, contracts, by laws, documents as well as a miscellaneous section. There are approximately 1846 photographs that include scenes from these three exhibitions. These records provide a unique perspective on the development of agriculture and rural life in southwestern Manitoba. Fairs such as these have been and remain prime media of farm improvement, technological and scientific advancement in rural Canada, and the promoters of country living. These fairs also reflected the long tradition inherited from Britain and Europe of country fairs as centers of entertainment, social interchange and diversion. These records are a principal source of information about the most broadly based vocational, entertainment and social events held on an annual basis in southwestern Manitoba over the last century. The records are vital to academic research on agriculture or fairs, individual biography, or community history.

History /

Biographical:

The Provincial Exhibition of Manitoba has been an institution almost as long as Brandon has been a city, although under the guise of several different names. The idea of an exhibition came from Charles Whitehead, who was the founder and first president of the fair. Whitehead was one of the earliest and most prominent businessmen in Brandon. The first Brandon fair was organized in October of 1882, by the Brandon Agricultural Society (BAS). The Board of Directors of the BAS offered up two hundred dollars in prize money, but poor weather and a subsequently small turnout of people and exhibits to the downtown location caused the fair to do poorly. Undeterred, the Board of Directors began to make plans for the second fair, in what was to become an annual event. This time, due to generous grants from the city, district, and province, the Board of Directors was able to purchase land just south of the city to hold the fair on and built a Crystal Palace to hold exhibits in. In October 1883, there were seven hundred and thirty entries, and the fair, the first to be held on the new fair grounds, was considered successful.

The Brandon Exhibition was not financially sound however, and by 1888, the Directors knew that major changes had to be made if they wanted to continue the fair. It was decided that October was not the best time to hold an agricultural exhibition because most farmers were in the middle of harvesting and did not have time to leave their farms for an exhibition. A decision was made to move the exhibition to the summer, when most farmers could get away for a few days. In July 1889, the first Brandon summer fair was held. The Directors had managed to revamp the fair in order to appeal to the wider public. The fair was a huge success, with both city and rural people attending.

The Board of Directors formally established the Western Agricultural and Arts Association (WAAA) in 1892 to take over management duties of the fair from the BAS. However, the first meeting of the WAAA was not until 1897. There is no explanation for the five year delay. The WAAA received generous donations from the various governments, and the citizens of Brandon. In 1897, the Board of Directors purchased another 42 acres of land from the city that was located beside the fair grounds. They erected a grandstand and new stables. Prize money was increased, there were special prizes offered for the first time, and special exhibition trains were available to transport fair goers at a reduced rate.

The 1897 fair was the major turning point for the Brandon exhibition. The fair appealed to both urban and rural dwellers. The Board wanted to put Brandon on the map, and accordingly, they brought forward events and entertainment that would do so. The first Traveller's Day, still running strong today, was put on in 1912. The parade associated with it was unlike any Brandon had seen before. Despite the attractions, carnivals and midways that were beginning to dominate the fair, organizers insisted that it was still primarily an agricultural event. The promotion of agriculture was still prominent at the exhibition. As local historians have written, "the exhibition symbolized the accomplishments and potential of the region, and encouraged all agriculturists to strive towards higher standards."

By 1912, all outstanding loans had been paid off, and the Board of Directors could boast an eleven thousand dollar surplus in funds. As well, the physical assets available to the summer fair were expanded dramatically in 1913. In 1913, Brandon was granted the honour of hosting the Dominion Exhibition. From the funding that came in for this prestigious event the Board of Directors was able to build a new grandstand, erect new display buildings, replace the

racetrack, and generally expand and improve the fair grounds. Another 80 acres of land was bought from the city for the summer fair. The Brandon Dominion Exhibition was declared open on 15 July 1913 by Manitoba Premier Rodmond Roblin. Although it was a resounding success, the Directors ended up having to pay for parts of it out of their own pockets.

Canada entered World War One in the late summer of 1914. The WAAA reached an agreement with the military that the army could use the fairgrounds during the year if they allowed the WAAA use of the grounds for the fair week. Because of limitations put on the fair because of the war, the Brandon exhibition became more involved with the Western Canada Fair Circuit. This organization enabled the summer fair to join in the exhibitions that worked together to bring events like the midway to their exhibitions.

It was also during this time that moral reform became more prevalent in Canadian society. Due to this growing concern with moral purity and the desire for social reform, the Directors had to find ways to ensure that the summer exhibition did not cross the boundaries of good taste. There was a short-lived protest in 1913 against horseracing, but by 1916, then-president of the fair, R.M. Matheson, cast the tie breaking vote in favour of letting both the horseracing and the betting continue. By 1917, the Board had decided against allowing betting, but the horseracing was allowed to continue.

After the war ended, financial stress on the part of the winter fair brought forward a proposal to amalgamate the summer and winter fairs. The provincial government stated that they were interested in supporting an amalgamation, and the two fair boards resolved to consider the option. In spring of 1920, the winter fair backed out the deal because they felt they would lose out to the WAAA in the deal. Not to be deterred, the WAAA applied for incorporation with the provincial government. On 3 April 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba (PEM). In 1920, the official title of the summer fair was changed from the Inter-Provincial Exhibition to the Provincial Exhibition of Manitoba.

After incorporation the Board of Directors was increased to a membership of twenty. The provincial exhibition continued to increase and change with the times. The directors tried to make each fair interesting and stimulating for the people of Brandon and the surrounding areas. A Manitoba Government Building was opened in 1927, by Premier John Bracken, and an Automobile Building opened in 1927. By 1929, the Provincial Exhibition was one of the leading summer exhibitions in Western Canada. Unfortunately, 1929 was also the beginning of a decade-long Depression throughout Canada and the United States. The exhibition continued though, although at a less grandiose level. The exhibition was the site of some work relief programs throughout the thirties, but the grants were generally small.

It was also during the 1930s that people began wanting a change in the management of the Board. For many years, almost since the inception of the fair, the Board had been run by the same group of men who took turns in the various positions. In 1933, there were several men brought forward to run against the Directors at the annual general meeting. A total of forty four nominations went up for the twenty positions. After the dust had settled, seven new faces took seats around the Directors table.

During World War Two, the Provincial Exhibition managed to continue. The Board made an agreement with the military that while their buildings could be used by the military during the war, the fair would be able to take control of the buildings for fair week. While the fair remained open, its exhibits were hampered by the war. In 1942, for example, the Wartime Prices and Trades Board declared that farm machinery could not be exhibited for the duration. This was one of the fair's bigger draws, and its absence was felt greatly. As another concession to the war, the livestock show had to be reduced from five days to three, although this decision was met by protest from many of the directors. Despite these impediments, the entries into the agricultural exhibits continued to increase. Horse racing, long a bone of contention among members of the Board was almost eliminated in 1942, but a compromise was made and the Directors allowed one day of racing at the 1943 fair.

After the war, the prize money increased by up to twenty-five percent in an effort to increase the number of exhibitors. Many new events were added to the fair roster, including an annual 4-H show and farm camps for children. A Trade Show was added in 1952 and became a large success. The fair always enjoyed support from the City of Brandon, although there were the occasional tensions between the two. In 1955 the Board approved a proposal by R.A. Hodges to sponsor a Dream Home contest. While the attraction was a big success, the Directors evidently did not receive the cut of the proceeds that Hodges had promised them. The fair Board ended up fifty-five hundred dollars in debt.

In 1958 an attempt was made to break the all male hold on the directorate. While no women were elected to the Board itself, a Women's Advisory Committee was created to provide input into fair activities. The original committee was made up of Mrs. D. Elviss, Mrs. D. Graham, Mrs. G. McRae, and Mrs. F. Heeney.

It was also during this time that the Board began to face more direct competition from Winnipeg. The Red River Exhibition had been operating for several years, and its Board of Directors wanted their exhibition to be admitted into the Western Canadian Association of Exhibition. This would not have been particularly good for the Brandon Provincial Exhibition. Partly due to the Brandon Board's vigorous protests, Winnipeg was only granted an associate membership.

By the end of 1958, the Brandon fair was once again facing financial difficulties. The Provincial Exhibition was at its peak at the end of the 1950s. By 1961 the fair recorded a net loss of sixty-five hundred dollars. Because of financial problems, the fair Board had to mortgage its property for \$50 000. As well, the Royal American Shows left Brandon for Winnipeg in 1966, leaving the Directors scrambling to find another midway. It took several years and several different companies before the Directors settled on the Conklin Brothers Shows. To make matters worse, the grandstand was condemned in 1974, leaving the fair without a place to hold its grandstand show. This show was replaced by the Western Canada Rodeo Circuit, in an attempt to regain patrons.

By 1966 both the summer and winter fair Boards had decided that one facility could be used to house both the summer and winter fairs. Both financially and practically, it became an increasingly good idea to merge the two fairs together. In 1969, the Provincial Exhibition of Manitoba and the Manitoba Winter Fair were amalgamated to become the Manitoba Exhibition Association. Ground was broken a few years later on the summer fair grounds, and by 1972, the Keystone Centre was open for business. The official opening was at the 1973 Winter Fair. From then on, the Provincial Exhibition, Royal Manitoba Winter Fair and, later, AgEx, were housed in the same building, and run by the same board of directors.

History /

Biographical:

The minutes were created by the summer fair Board of Directors and the various committees and sub-committees associated with the Board.

There is ample evidence in the minutes of the Provincial Exhibition of Manitoba that the administrative structure was largely one by committee. By 1903, there were at least nine separate committees. These committees were Grounds and Buildings, Sports and Attractions,

Public Comfort, Advertising and Printing, Privileges, Gates, Finance, Excursion and Transportation, and Prize List. Of these committees only Public Comfort, Privileges, and Excursion and Transportation were comparatively short-lived. These committees are not mentioned after 1903, 1920, and 1925, respectively. The remaining six committees all survive in various forms to this day.

In 1908 there is mention of a Speed committee, which dealt with the racetrack at the fairgrounds. This committee was in existence until the early 1970s, when racing, along with the condemned grandstand, was discontinued. By 1915 there is mention of a Reception committee that continues on until the mid-1970s.

In the 1920 minutes several committees are mentioned. The committees included Concessions, Grandstand, Accommodation, Police/Security, and Wild Birds and Animals. The Wild Birds and Animals is not mentioned in further minutes, but Grandstand and Accommodation are mentioned into the mid 1950s. Both the Concessions and Police/Security are mentioned until the late 1970s.

In 1925, there are several new committees mentioned. They include Heavy Horse, Light Horse, Beef Cattle, Dairy Cattle, Sheep, Swine, Farm Boy's Camp, Poultry, Grains and Grasses, Horticulture, Dairy Competition, Machinery Row, Natural History, Fine Arts and School Exhibits, and Livestock Parade. The enormous expansion of committees is a reflection of the expansion of the exhibition. Almost all aspects of farming now had its own committee, and an effort to help young people continue in farming was made with the forming of camps for farm boys. All of these committees were long lived, although not necessarily with the original title. From approximately 1930 to 1940, all of the Cattle were lumped together, but by 1950 a Commercial Cattle committee was mentioned, and by 1974 there was also a Special Agriculture Display and Exotic Breeds. By 1979 there were Steer Show and Bull Sale committees. Around 1930, a Calf and Colt Competition committee was also added.

In 1930 there is mention of a Dining Room committee, but it is not mentioned again. In response to changing society, a Car Parking committee was created around 1935. This committee remained under various titles through to today. Another short-lived committee, Grandstand Gates, is mentioned from about 1935 to 1940. For some time there was also a Band Competition committee. It is mentioned from 1940 to 1945, and then not again until 1979.

In 1950 there was a Dogs committee, but no further mention is made of this committee. From 1955 to 1960 there was a separate Fire committee, until it was amalgamated with Police/Security. In 1955 two new committees are mentioned. These are the Trade Fair and Homecraft committees. While the Trade Fair is not mentioned after about 1960, the Homecraft committee seems to have been in existence until the mid 1970s.

A 4-H and Junior Activities committee was formed around 1960 to take the place of the Farm Boy's Camp. This committee continued the exhibition's attempts to keep young rural people interested in farming.

In the minutes for 1970, two more committees are mentioned. They are the Food and Beverage and the Bees and Honey committees. While one would suppose that the Food and Beverage Services committee was a new title for the Concessions committee, the Concessions committee is also mentioned. The Bees and Honey committee is mentioned until about 1974 in committee minutes.

By 1974 three more committees are mentioned in the minutes. They were the Baby Fair committee, which was a petting zoo, the Expansion, Project and Grants committee and the Midway committee. While the Midway and Baby Fair committees lasted until at least the late 1970s, the Expansion, Projects and Grants committee is not mentioned past the mid 1970s. Also mentioned in 1979 are the Pork Congress, Family Fair, Entertainment, and Exhibitor's

Lounge committees.

History /

Biographical:

Many of these records were donated to the Board by exhibitors and participants in the fairs. Some are advertisements sent to the Provincial Exhibition Board by businesses such as Conklin Shows. Professional photographers, who were likely hired by the Board, generated others. As well, Brandon Sun photographers took a large number of the photos throughout the century. In the 1980s, the Sun photos were reprinted and then the reprints were added to the Exhibition's collection. Privately owned photos were also reprinted and added. Publishing houses generated some photographs, probably as services to participants and organizers of the fairs. Finally, the Canadian and Manitoba governments created a few of the photos.

Custodial History:

Exhibitors and participants in activities at the summer fair donated many of these records to the Provincial Exhibition Board. The Manitoba Provincial Archives in Winnipeg housed other records, of which the McKee Archives acquired copies. Most of the records were stored in the offices of the Provincial Exhibition Association of Manitoba until they were brought to the McKee Archives ca. 1986.

Scope and Content:

Series consists primarily of black and white photographs pertaining to the Provincial Exhibition. Subjects of the records vary over the century, but overall subjects included are buildings and grounds, horses, livestock, exhibits, youth activities, entertainment, and dignitaries. Almost all of the materials are in excellent condition.

BUILDINGS AND GROUNDS

The graphics that depict the buildings and grounds of the summer fair are both ground and aerial photos. From the records generated between 1900 and 1930, there are pictures of the Crystal Palace, the Wheat City Arena, the Experimental Farm, the horse barns, the racetrack, and the grandstand. The pictures dating from the forties through the sixties are of the racetrack, the grandstand, the Provincial Display Building, the Trade Fair Building, and the Main Gate. The records from the 1970s and the 1980s feature the Keystone Centre, cattle buildings, and horse stables.

HORSES

Graphics from the 1890s through the 1980s feature various light and heavy horses, from single horses to eight-horse teams. Pictures dating from the first fifty years of the fair are of stallion and purebred shows. Also depicted are racing events such as chuck wagon, bike, and single rider races. Graphics of equestrian events like jumping and hackney classes date from World War II until the 1980s. Dating from the fifties to the seventies are photos of children's events like costume classes and pony competitions. Finally, pictures of barrel racing and horse pulling competitions date from the 1970s and 1980s.

LIVESTOCK

Livestock photos, which date throughout the twentieth century, are mostly of cattle and swine, but there are a few pictures of buffalo and sheep. Cattle photos depict purebreds such as Holstein, Jersey, Hereford, and Angus. Swine pictures are of Yorkshire sows and boars, as well as of market hogs.

POULTRY AND EGGS

Graphics depicting poultry and egg shows date between 1950 and 1985.

EXHIBITS

Photos of exhibits taken throughout the century feature home craft displays such as clothes

Photos or exhibits taken throughout the century feature home-craft displays such as clothes and quilts. Tack rooms, farm implement shows, and club displays, like those of the Brandon Lion's Club, are also consistent throughout the period. Other graphics of exhibits are particular to certain years: in the late 1940s through the 1950s auto shows are featured; and from the fifties to the eighties commercial exhibits are prominent.

YOUTH ACTIVITIES

Graphics of children and teens' activities form a large part of MG 1. From the 1920s and 1930s, there are pictures of boys and teens who attended the Farm Boys' Camp. Photos taken at the Agricultural and Homemaking School in the late 1940s and early 1950s depict male teens learning about mechanics, welding, and electricity. Photos of female teens at the camp depict weaving, sewing, and cooking classes. In the records dating from 1957 to the 1980s, photos feature both pig and calf scrambles. As well, some pictures are of male teens participating in seed, poultry, and judging courses. Photos of female teens during these years show them participating in such activities as clothes-making, 4-H Queen contests, and fashion shows.

ENTERTAINMENT

Entertainment pictures include graphics of the midway, the carnival and travelling acts, parades, and miscellaneous events. Pictures of the midway are both aerial and ground photos, and date from 1913 to the 1970s. Ferris wheels and carousels are the main rides featured until the 1960s, after which many motorized rides like the Wild Mouse and the Tidal Wave are prominent.

Carnival pictures throughout the century include shots of aisles along which several attractions are set up. Photos of clowns and other costumed people are numerous. Graphics of travelling acts depict parachutists (1920s), follies (1950s), exotic dancers (1950s), trained animals (1950s-1970s), singers and bands (1970s-1980s), and trapeze artists (1970s).

Parade photos date throughout the century, and feature pipers, horses pulling carriages, people riding horses, clowns, soldiers, floats, and members of various clubs.

Miscellaneous events graphics include pictures of horseshoe throwing competitions, square dancing shows (1950s), fiddling contests (1970s), smash-up derbies (1980s), and tractor pulls (1980s).

FIRST NATIONS PEOPLE

There are seven photos of First Nations people at the summer fair. In all but one of the pictures, they are in traditional costume. Depicted are pow-wows, parades, a female teen sewing a mukluk, and tee-pees. These records date from 1914 to 1969.

DIGNITARIES

Pictures of dignitaries are of members of the Provincial Exhibition committees and boards; federal, provincial, and municipal politicians who attended the summer fair; and various business, medical, and judicial representatives. Especially notable are the group photos of the Board of Directors for the years 1894, 1900, 1941, 1949, 1951, 1952, and 1968.

The graphic materials of RG2SF1 are useful for many purposes. For one, they offer a rich visual history of the fair. Agricultural historians will find poultry, horse, livestock, horticultural, and farm implement images informative. Such images describe how farming has changed through the last century. The records offer many clues into the cultural history of Brandon and surrounding area. The nature of the carnival, for instance, changes. At the turn of the century, attractions of various booths were not advertised overtly; one had to pay before they were

given hints as to what they were going to view. By the Second World War, however, attractions' exteriors were more garish. Because the carnival was more open in its advertisements, one can determine that the boundaries between the private and public shifted in the first forty years of the twentieth century.

The pictorial history of the exhibits at the fair reveals much about the city's culture. The pictures from the post-World War II era, for example, are indicative of the period's climate of consumerism: a commercial display building was built and commercial exhibits were added to the displays of the fair. Also signified in the postwar photos is the emphasis upon family values that pervaded the fifties; for instance displays of home-crafts became prominent in these years.

Social historians will find in these records a vibrant portrait of the social composition of twentieth-century Brandon. The community's leaders, for example, are represented in the pictures of the Boards of Directors. From these photos, one can ascertain the social characteristics of Board members: white, male, and middle class. Parade photos are also indicative of social composition, as organizations from all classes of society participated in parades. Agricultural clubs, unions, women's organizations, and church groups are just a few of the entries featured in the parade pictures.

Historians of gender will find that throughout the fairs' years definitions of femininity changed. In the early fairs, women are shown in their booths at home shows, demonstrating their association with the private sphere. During the Second World War, some photos start to appear of women doing secretarial work. After World War II, however, gender norms constricted. Pictures of female teens taking classes at the Agricultural and Homemaking School depict them learning about how to run a well maintained home: they learn about sewing, cooking, and weaving. In the seventies, gender boundaries again shifted: for example, female teens began to participate in the previously male-only calf scramble events.

Finally, these records are useful for any historian of Brandon and area history. There are thousands of people from the region featured in these records. Different places and buildings in Brandon are also a prominent part of the collection. Together, the pictures of RG2SF1 offer a vivid history of both Brandon and the Provincial Exhibition.
