<http://archives.brandonu.ca/en/permalink/descriptions4056>

Part Of:	RG 6 Brandon University fonds
Description Level:	sub sub sub series
Series Number:	7.1.4.1
Accession Number:	15-1997
GMD:	textual records
Date Range:	1913-1987 (predominant 1929-1939)
Physical Description:	1.2 m
Physical Condition:	The records are in excellent condition, but the extensive use of photocopying of available records occasionally leads to difficulty in clarity of content.

### History /

#### Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

#### Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.

#### Scope and Content:

The sub sub sub series consists of textual records relating to Brandon and the surrounding area during the years of the Great Depression, predominantly 1929-1939. The material in the sub sub sub series falls generally into the following categories: city, provincial, and federal government documents and correspondence; newspaper articles and other publications, and statistical data. Of particular interest are four papers written by Brandon University students and six years of the Henderson Directory. Also included is a folder containing documents associated with the research project undertaken by Dr. Morrison et al. during the summer of 1987.

The sub sub sub series has been divided into four boxes:

Box 1 - Brandon City Council file index, City Council membership and minutes, relief regulations, proposals for burials and children's shelters, relief work projects reports, Brandon-Cornwallis Health Unit reports, correspondence between the City of Brandon and numerous levels of government, Brandon Public Health Nurse reports, farm reports, Brandon bank clearings, Provincial Election results, Employment Service of Canada documents, various published articles, Brandon University student papers.

Box 2 - Civic, provincial and federal documents related to various features of the Great depression and its impact on Brandon including lists of relief recipients and personal letters to the City, Brandon General Hospital reports. Some of these documents remain unsorted but clearly identified by title and archival institution of origin.

Box 3 - Censuses of Canada, Henderson Directory for Brandon, City of Brandon Property Address Listing, United Farmers of Manitoba documents, rural rehabilitation programs, Brandon by-law voting, Archives of Manitoba documents, Westman Municipal News articles, Economic Survey Board provincial data, project documents.

Box 4 - Brandon Sun articles including a file index to articles of interest.

Notes:	The description for this sub sub sub series was taken from the Brandon - Great Depression research project fonds written by Codee Lorrain (2005). Part of RG 6, 7.1.4 (Department of History).
Name Access:	William R. Morrison Ken Coates History Department Brandon Sun
Subject Access:	Great Depression
Access Restriction:	Because of privacy issues, correspondence relating to the recipients of relief is restricted. They are still available in the sub sub sub series, however, and discretion on the part of the examiner is necessary.
Location Original:	Provincial document originals are available at the Archives of Manitoba in Winnipeg. Federal document originals can be found at Library and Archives Canada in Ottawa, Ontario. City of Brandon document originals can be obtained through City Hall. The original Brandon Sun papers are located at the Brandon Sun office in Brandon.
Storage Location:	RG 6 Brandon University fonds Series 7: Faculties and Schools 7.1 Faculty of Arts 7.1.4 Department of History

Related Material: Records relating to the Faculty of Arts at Brandon College during the Great Depression can be found in the Brandon College fonds. Other records specifically relating to the Great Dpression in Brandon can be found in the Errol Black fonds and the Manitoba Pool Elevators fonds. All fonds are available at the McKee Archives.

Arrangement:

Each subject of information has been compiled into separate folders. The first three boxes are composed of various documents sorted by the archivist. The fourth box is entirely composed of Brandon Sun articles arranged by the researchers. If there is one subject that covers a number of years, each year will typically have a folder; however, in some cases, like the Brandon Sun articles, more than one folder was needed per year.

The duplicates retained were chosen to provide an illustration of the changing content and format of the Quill from 1930-1975. They are primarily for display purposes, as microfilm copies are available for researchers. The original copies of the Quill provide an archival record, but these may be used only under most unusual circumstances. Additional duplicates were culled.

### Scope and Content:

The McKee Archives holds duplicate editions of The Quill for the following years: 1930-1931, 1933 to 1942, 1946 to 1949, 1955 to 1959, 1962-1963 and 1975-1976.

The microfilm copies of the Quill cover the period from September 1930 to March 1972, and are located with the originals. The Archives holds both positive and negative versions of the microfilmed editions. The microfilming was made possible through a grant from Dr. Thomas McLeod (Brandon College 1940) in 1999.

The unQuill or Daily Quill (2000) does not constitute part of the archival record of the Quill, as it was published without the authority of the Students' Union or the BUSU Communications Board. A dispute with those in charge of the production of the newspaper had remained unresolved and the Board shut the paper down for a period in Spring and Fall 2000. During this time, the Quill staff published the unQuill and the Daily Quill.

## The Spectrum

<http://archives.brandonu.ca/en/permalink/descriptions5132>

Part Of: RG 6 Brandon University fonds

Description Level: sub sub sub series

Series Number: 14.5.1.3

GMD: textual records

Date Range: 1944

Physical Description: 0.5 cm

History /

Biographical:

The editorial of Vol. 1, No. 1 (January 1944) of the Spectrum outlines the purpose of the magazine as follows: "to provide an outlet for creative writing which in itself will clarify and give substance to that Something [sic] for which the writer searches. It is also the earnest desire of the editors of the Spectrum that its articles and stories will prove stimulating and informative reading, reading that will be not only interesting but also thought-provoking, reading that will appeal to both the Arts and the Science student."

It appears that only two editions of the Spectrum were ever published. The first edition contains creative writing pieces. The second edition, while containing a few creative writing pieces, also includes the graduating photos and names of the Class of 1944. This edition also contains class photos and names for the Classes of 1945, 1946, and 1947. It is assumed that the April 1944 edition of the Spectrum took the place of the Sickle, Brandon College's yearbook, as the latter publication was not produced in 1944.

Custodial History:

These editions were originally accessioned by the McKee Archives in 1979. Sarah Persis Darrach's name appears on the cover of the April 1944 edition, so it may have belonged to her at some point. Additional custodial history is unknown.

Scope and Content:

Sub sub sub series consists of two editions of The Spectrum, Brandon College Quarterly: Vol. 1, No. 1 (January 1944) and Vol. 1, No. 2 (April 1944).
