## History /

### Biographical:

Joseph Henry Hughes was born in London, Ontario on April 14, 1857, son of Joseph C. Hughes and Jane McAndless. His family farmed in Middlesex County until they retired to Brandon, MB. Hughes received his education in Middlesex County then went on to attend the Toronto Normal School in 1874. He taught for only a short time in 1875 before going into business as a general merchant in Iderton, Ontario.

Hughes moved to Brandon, MB in 1882 and from 1882 to 1906 was engaged in the lumber business with yards in Rat Portage and Brandon and later with mills on Rainy River. His business partner was T.H. Patrick from 1882-1896. T.T. Atkinson was a partner in the business from 1882 until early 1888, running the company's lumber camp in the Rainy River Valley. Atkinson was replaced by a Mr. Kennedy in 1888. After disposing of the mills in 1901, Hughes & Company operated as a lumber dealer until 1908 when the lumber business was sold to Rat Portage Lumber Co., whose operations in Brandon were located on 10th Street between Rosser and Princess Avenues.

Thereafter, Hughes & Company focused on real estate, owning most of the property between 10th and 11th Streets, Rosser and Princess Avenues. The company built rental property and residences in Brandon, including the Strathcona Block on 10th Street and Hughes (Lorne) Terrace on Lorne Avenue. During this period Hughes & Company was also involved in insurance and farming, buying farmland in south eastern Saskatchewan and Manitoba for lease and sale.

Hughes was a city alderman for four years, dedicating himself mostly towards improvements to the city pertaining to electrical generation, water supply and the development of the streetcar franchise. In 1911, he resigned from City Council to stand as a successful candidate for mayor. He held this position for only one year, 1913-1914. During this period Hughes, along with other prominent citizens, set up the Patriotic Fund to help look after the dependents of those going off to fight in World War I. Hughes served as chairman of the project until his death in late 1917.

In addition to his role as a prominent city businessman, Hughes was also deeply involved in the First Methodist Church, and a member of the Independent Order of OddFellows (I.O.O.F.) and the Masonic Lodge.

Joseph Henry Hughes was survived by his wife Anna Maria Hughes, whom he married in 1893, and their daughters: Alma and May (Mrs. Wilfred C. Hughes and Mrs. Charles Leemnnis) and Ruth, and their sons Percy and Harley.

Upon J.H. Hughes' death in 1917, management of the company was taken over by Willard C. Hughes, who died in 1964. Following his death the company was administered on behalf of Alma Hughes by Barry Hughes, a Winnipeg lawyer and distant relative. The company remained active in real estate and property management, as well as farming and oil, until the early 1990s when following the death of Alma Hughes and her daughter Anna, the company was liquidated.

#### Custodial History:

The records in the Joseph H. Hughes fonds were held in two locations prior to their donation to the McKee Archives. Family related records, including paintings by Anna Hughes, music scores, photographs and various parchments, were stored at the family residence, Lorne Terrace (133-137 Lorne Avenue Brandon, MB). The balance of the records, being the records of Hughes & Co. as the firm came to be known, were stored on the fourth floor of the Alexander Block, also known as the Hughes Block, on the west side of 10th Street just south of Princess Avenue. In the early 1990s a decision was taken by Barry Hughes, who had succeeded Willard Hughes as the President of the company, to sell Hughes & Co. Hughes directed Joe Perry, the Brandon manager of Hughes & Co. to donate the records of the Hughes family and Hughes & Co. to Brandon University. Perry supervised the transfer of the records from Lorne Terrace and the Alexander Block to Brandon University. Initially the records were located in the Physical Plant H-Hut, they were then transferred to the Brandon University Steam Plant. The family records were transferred to the Archives in 1997, while the company records remained in the Steam Plant until January 2007 when some of the records were transferred to the Archives. The remainder of the records were moved to a storage facility on 20th Street.

## Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 22-1998

GMD: textual records

Date Range: 1957-1974; predominant 1970-1974

Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

## History /

### Biographical:

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. ## History /

### Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.
