Dorothy went back to teaching in 1959, first at Justice and then Elton Collegiate. After retiring from teaching in 1978, Dorothy started a greenhouse, which operated for 21 years.

All six members of the Cox family were active in community events and organizations. Dorothy was involved in establishing the baby band in 1951; her sons Larry and Herb were members. Along with Laval, Dorothy was a leader of the Cubs in 1955-1956 and again in 1958-1959. Laval was the leader of the local hockey club in 1958, and of a bible study group in 1960. History /

Biographical:

The Brandon Ladies Auxiliary #112 of the United Commercial Travelers of America received its charter on October 30, 1937 at their first meeting, which took place in the Rose Room of the Prince Edward Hotel in Brandon, Manitoba. At this time the membership of the Ladies Auxiliary #112 consisted of 27 Sisters. Brother Ernie Tatton, Grand Counselor at the time, presented the Ladies Auxiliary with their Bible in May 1938. Winnipeg Auxiliary #48 gave the Brandon Auxiliary their Bible Book Mark and Saskatoon Auxiliary #23 gave them their gavel.

Initial meetings were held in the Rose Room of the Prince Edward Hotel on Saturday evenings, when the Brothers would meet after their weekly travels. Meetings were then moved to the Kelly Block on 8th Street. Here the Sisters would meet downstairs and the Brothers upstairs. Meetings were usually followed by dancing, singing, and lunch downstairs. Meetings were held in the Masonic Temple, the Knights of Columbus Hall, the Orange Hall, the Oddfellows Hall, and eventually in the UCT Hall. Throughout all the location changes, a social hour was still held with the Brothers.

The Brandon Auxiliary always performed the ritualistic and floor drill work. Originally, patrols only joined the Officers when Brandon Auxiliary was hosting a Grand Session. Patrols, with matching outfits, soon became a part of the floor work at every meeting. Officers were required to wear the proper attire. Capes were introduced in 1940 and white shoes, stockings, and dresses in 1941. Membership swelled over the years and 50 years after being inaugurated the Brandon Auxiliary could claim 136 Sisters.

The Brandon Ladies Auxiliary #112 was always very active within the larger community, especially with fundraising and charitable donation. Initially the Brandon Auxiliary supported the Red Cross by sewing and knitting. The Brandon Auxiliary also supported the Canadian Cancer Society at this time by making dressings. Rummage sales and teas were used to fundraise at the time. Teas were used in conjunction with the wives of the Steam Plant to purchase equipment for the first school in Brandon that taught developmentally delayed children. The

equipment for the first school in Brandon that taught developmentally delayed children. The Brandon Auxiliary also did fundraising teas, Walk-a-thons, bazaars, and raffles for the Camroc workshop, which was built for older handicapped students.

Bingo games were used to raise funds as well. Other projects of the Brandon Ladies Auxiliary include:

1. Builders of Women – provides help to needy girls and women and gives a scholarship out at the Festival of the Arts. In 1969 the Ladies Auxiliary refurnished the third floor of the YWCA.
2. Cancer – assistance with the annual canvas, ride and run events, putting on an event with a speaker and film, and a survey of sisters who had their annual pap test.
3. Handicapped Children – purchase of equipment for the handicapped classes at George Fitton School and the COR Enterprises (formerly Camroc) workshop. One sister was a volunteer for their swimming and bowling classes, among other things.
4. The Three Benevolent Funds
5. May E. Tisdale Educational Fund – donated to this fund every year, usually in memory of deceased sisters.
6. Brandon General Hospital Special Equipment Fund – every year a sum was included in the Ladies Auxiliary budget to purchase special equipment for the Brandon Hospital.

Civic Service donations included the Mental Health Centre Christmas gifts, three Christmas hampers for needy families, Canadian Diabetes Association, Manitoba Heart Fund, and Brandon Figure Skating Club.

In 1962, the Auxiliary's 25th birthday, their first Dessert Party and Bake Sale was held. This had the stated objectives of growing and working together as a group and raising money for the organization. This became an annual event. Sisters who had attended for 25 years were honoured at the Auxiliary's 36th birthday celebration. Every birthday after that, sisters who had attended for 25 years were guests at the dinner and presented with a corsage and a gift. Sick and bereaved were also remembered at these functions. In the 1980s the Ladies Auxiliary continued to support the UCT Brandon Council #448 in the Annual Travellers Day Parade, Grand Sessions, and other functions.

In the early 1990s the United Commercial Travelers voted to allow women to join the Councils. This marked the beginning of the end for the Auxiliaries. However, ladies who had no connection to a Council could join an Auxiliary now whereas before only a wife, sister, or granddaughter of a Council member could join.

The final Grand Auxiliary Sessions were held in Brandon in May 2003. By this point only three auxiliaries were still active across Manitoba, Saskatchewan, and Alberta and all had difficulty recruiting new members. Most of the membership at this time was elderly and unable to take office or work at teas and other such events. Calgary and Regina's Auxiliaries were down to less than twelve members. Brandon still had more than 90 on the membership roll but only about 20 attended meetings regularly and it was becoming difficult to fill Officer positions.

The final Dessert and Bake Sale was held in October 2002 and was the 40th such event. With the demise of the Grand Auxiliary in 2003, it was decided that Brandon would continue to operate; however, after a year it was decided that Brandon would no longer operate as a formal auxiliary. Monthly luncheons would now be held with December being a Christmas Party supper. The last formal meeting was held in the Parkview Seniors complex on March 22, 2004.

The money in the Grand Auxiliary's account was distributed to the three remaining auxiliaries based on how much had been contributed over the preceding ten years. Brandon received

based on how much had been contributed over the preceding ten years. Brandon received \$2,500 and had about \$5,000 in their account. When formal meetings were discontinued it was decided to donate \$5,000 to the "A Bed for You, A Bed for Me" campaign of the Brandon General Hospital. Approximately \$1,100 was given to their Chairs from Mentally Challenged and Builders of Women to use as they pleased.

All members on the membership roll were contacted and asked if they wished to remain members. Several decided not to but 50 members remained. Each member under 80 paid a \$5 membership fee in April or October. Beginning in 2004, \$1 was collected from every member that attended a luncheon to pay for stamps and cards sent to those who were ill, lost a loved one, turned 80, etc. Fundraising is limited to selling Riverview Curling Club Lottery Calendars for which the Ladies Auxiliary #112 received \$4. In 2005 \$128 was collected and \$25 donated to five different charities.

In 2006, sisters of the Auxiliary still worked at the Fairview Daffodil Tea for Cancer, put on the January birthday party at Hillcrest Place, worked the Big Craft Sale at the Keystone Centre in October, worked with the Salvation Army Kettles at Christmas, and sold carnations for multiple sclerosis and daffodils for the Cancer Society. Luncheons held averaged about 20 members and 25 at Christmas.

Custodial History:

Records were created and collected by the members of the Brandon United Commercial Travelers Ladies Auxiliary #112. The collection was donated to the S.J. McKee Archives in March 2007.

Scope and Content:

Collection consists of records that document the origin, activities, and ultimately the disbandment of the Brandon Ladies Auxiliary #112 of the Order of the United Commercial Travelers of America. These records were created and accumulated during the nearly 70 year existence of the UCT Ladies Auxiliary #112.

The collection consists of the minutes of their meetings from November 1939 to November 1991, photographs of the members, and sign-in books from October 1937 to March 1991. It also contains the account ledger from April 1972 to March 1997. Several scrapbooks containing photographs and newspaper clippings related to the activities and members of the Ladies Auxiliary and the United Commercial Travelers, spanning the nearly 70 lifespan of the organization, are also included in the collection.

Both the United Commercial Travelers Council #448 and the United Commercial Travelers Ladies Auxiliary #112 were very active in raising funds for various charitable organizations. Money was raised for the Brandon General Hospital, as well as for George Fitton School to assist with their special education program. Organizations such as the Red Cross, the Canadian Cancer Society, special needs organizations, United Way, the Multiple Sclerosis Society, and several other organizations all received the benefits of UCT fundraising. Scholarships were also given out. Teas, dessert and bake sales, sewing and knitting, rummage sales, Walk-a-thons, bazaars, and raffles were all used to raise money for charitable donations.

Collection also contains various artifacts including a gavel, the original charter of the Ladies Auxiliary #112, nomination balls, officer's badges, a Bible, and the cloth used for the draping of a deceased member's charter. Also included is a handbook detailing the rituals carried out by the United Commercial Travelers of America.

Notes: History/biographical information provided by Sister Bernice Nerbas of the UCT Ladies Auxiliary #112. Copies of their history are found in the collection. Description by Joseph Dauphinais (October 2013).

History /

Biographical:

The Brandon College/Brandon University Women's Auxiliary was founded on February 17, 1955, with the purpose of a) foster[ing] good public relations between the university and the community, and to stress the importance of Brandon University to Western Manitoba; b) to gain a better knowledge of the functioning of Brandon University and; c) to improve the surroundings of the College/University's students and the university at large. They were to hold four regular meetings per annum, with an annual meeting in April, and one fund-raising tea a year. The organization raised money through these teas, as well as through receptions, with the intention of donating to the college/university and surrounding community, contributing to the furnishing of residences and offices at the college/ university, as well as facilitating an annual community visitation day for the public to tour the university. The organization's name was change from the Brandon College Women's Auxiliary to the Brandon University Women's Auxiliary along with the renaming of the school itself on July 1, 1967. The organization was sometimes referred to simply as the Women's Auxiliary.

The Auxiliary was run by an elected President and Board of Executives. Its members, who were all mothers of Brandon College/Brandon University students, paid an annual membership fee. Subcommittees within the organization included those in charge of social organization, membership management, program management, phoning management, press and publicity management and project management; all of these were fronted by their own individual leaders from within the members, under the board of executives. The organization ceased meeting in 1975; the minutes from the final meeting reference difficulties filling executive offices before a motion was carried to disband.

Custodial History:

Records were created and held by the Brandon College/Brandon University Women's Auxiliary until their dissolution on October 23, 1975, when a motion was passed to move the records to the McKee Archives.

History /

Biographical:

The A.E. McKenzie Seed Co. Ltd. originated with the McKenzie family Flour, Grain and Seed business, started by F. B. McKenzie in the early 1880's. When F. B. McKenzie passed away in 1896, his son, Albert Edward McKenzie, assumed control of the company, and renamed it The Brandon Seed House. With its main office and plant in Brandon, Manitoba, the company specialized in the production and sale of field seeds and service exclusively to seed buyers in the prairie provinces and British Columbia. In later years, a complete line of products including garden seeds, lawn grass, and other allied lines was developed for sale across Canada.

In 1906, the company underwent a change of name when A. E. McKenzie determined that the growth of the country demanded a larger seed institute than could be managed by one man. As a result, the company was incorporated under provincial statutes and the federal Joint Stock Companies Act as A. E. McKenzie Seed Co. Ltd., and new personnel were hired.

Under the Joint Stock Companies Act, A.E. McKenzie Seed Co. Ltd. was required to elect a Board of Directors of not less than three, and not more than nine individuals. Only shareholders of the company were eligible for election, and election was to take place yearly with each shareholder entitled to as many votes as shares owned in the company. The Act also dictated that the directors were, from time to time, to elect from among themselves, a president of the company. They were also able to appoint and remove all other officers of the company and to create company by-laws. The directors were not obliged to pay any dividend on shares if the company should become insolvent. Under the Act, the stock of the company was deemed a personal estate and was only transferable as such. In addition, the company could acquire, hold, and transfer real estate, and was required to submit annual statements.

A. E. McKenzie was elected President of the newly constituted company. For the remainder of his natural life he remained in this position and supervised the operation of the company. S. A. Bradford, who was given responsibility for various company departments, filled the position of General Manager. H. L. Patmore became the Vice-President, overseeing the nursery business, while W. A. McCracken was put in charge of the warehouse stock, and shipping department. McCracken also supervised the mail order department.

The Company was initially comprised of three divisions: The Brandon Seed House, Brandon Nurseries, and Brandon Greenhouses. Each division was registered under Dominion Patents. Later, the company was divided into Retail Mail Order, Wholesale and Commission Packet Trade divisions. It also undertook some export business.

By registering the divisions of the company under federal legislation affecting trademarks and industrial designs, McKenzie and the Board, were able to register both the company's trademarks and to protect the company's industrial techniques. The company could thus patent the methods and processes of its operations so that no other individual or business could duplicate them.

Located at 30 9th Street, the head office and plant of A.E. McKenzie Seed Co. Ltd. housed all the facilities and staff of the company, with the exception of the regional sales offices and warehouses. The business of the A. E. McKenzie Co. Ltd. was conducted from a frame warehouse until the current McKenzie building was constructed on the same site after a fire destroyed the original premises. Designed by architect Thomas Sinclair, and built by the Brandon Construction Company, the new building opened in 1911. In time, The A. E. McKenzie Co. Ltd. came to be known as Western Canada's Greatest Seed House.

During the 1930's, before a new building was erected in 1945, the A. E. McKenzie Co.

occupied space at five different locations in Brandon, including the Massey Harris Building, the International Harvester Building and the Security Building. The last of these premises was destroyed by fire in 1972. As a result of its proximity to the Security Building, the main McKenzie Building also suffered heavy fire and water damage. A. E.

McKenzie Co. Ltd. also utilized a warehouse on the north side of Pacific Avenue alongside the Canadian Pacific Railway tracks between 5th and 6th streets. This building and its contents were destroyed by fire (1946). In May of 1949, the company purchased and erected a Quonset structure on the west side of 15th Street between Rosser and Pacific Avenues.

In 1908, the first branch of the A. E. McKenzie Seed Co. Ltd. was established at Calgary. In the following sixteen years, additional branches were established in Edmonton and Saskatoon (1923), Moose Jaw, Toronto (1934) and Winnipeg (1935). Both the Edmonton and Saskatoon branches were seasonal, operating for a four-month period, March to June inclusive. Business in the Maritime Provinces of Prince Edward Island, Nova Scotia and New Brunswick further extended the company's operations by the mid 1940's. In 1946, the company purchased property in Gilbert Plains, Manitoba, 120 miles north of Brandon. This purchase enabled the company to handle larger quantities of Sweet Clover, a popular crop that was grown in the surrounding area. Additional offices were opened in Vancouver and Quebec City in rented premises by the early 1960's.

In the years 1944-1945, the McKenzie Foundation was created. Through the Foundation, arrangements were put in place to transfer shares of the company to the Manitoba Government for the benefit of higher education, specifically Brandon College. In return for this gift, which included 90% of all capital resources of the company together with all of the income earned each year, except for the amount retained annually to ensure sufficient operating capital, the A.E. McKenzie Co. Ltd. received exemption from paying Corporate Tax.

Prior to the establishment of the McKenzie Foundation, in 1945, the National Trust for the benefit of the College held the shares of McKenzie Seeds. On April 7, 1945 the Manitoba Legislature passed legislation whereby A. E. McKenzie retained effective management control of his company, but 1031 shares out of 1145 issued shares were gifted to the Provincial Government. In return, the government agreed that all financial benefits from the shares would go to Brandon College through the A. E. McKenzie Foundation. When Mr. McKenzie passed away in 1964, the primary responsibility of appointing the Board of Directors for McKenzie Seeds passed to the Provincial government.

The remaining 114 shares of the Company were turned over to the Crown on July 16, 1975 in accordance with an agreement between Brandon University, A. E. McKenzie Co. Ltd. and the Manitoba government. The same agreement also turned the McKenzie Foundation over to Brandon University. Therefore, since 1975 the crown has held all shares of the McKenzie Co. through the Province of Manitoba.

A.E. McKenzie died on September 25, 1964 at the age of 94 and was succeeded as President of the company by J. Lasby Lowes. When Mr. Lowes retired in 1968, A. R. Swanson was appointed by the government to fill the position and was responsible for all operations of the company under a Board of Directors comprised mainly of appointees of the government. It has proven impossible to establish a complete list of those individuals who held the positions of President/General Manager of McKenzie Seeds after 1964. A partial account is as follows: Anthony J. Maruca became President of A. E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore General Manager, creating a new position to relieve the President of the company from management of plant operations. At the same time, Pat Kelleher was named new interim President. Following the resignation of Kelleher, William Moore assumed the role of President as well. Moore left the company in the early 1980's. He was later convicted of criminal misconduct as President of the company. Keith Guelpa became President/General Manager in the mid 1980's; Raymond West was his successor.

Beginning in 1969, the A. E. McKenzie Seed Co. Ltd. began phasing out the Field Seed

division of their company, including business related to forage crops and cereals. Seed cleaning equipment located in Brandon and the company's Calgary and Toronto cleaning plants was sold. The Company concentrated its resources on the production and sale of vegetable and flower seeds, and lawn and turf grasses. It acted as a wholesaler and conducted business through chain stores, grocery, hardware and general stores.

Late in 1971, A. E. McKenzie Co. Ltd. purchased its largest competition in packaged seeds - Steele Briggs Seed Co. from Maple Leaf Mills Inc. for two million dollars. At the time of the acquisition the company changed its name to A. E. McKenzie Co. - Steele Briggs Seeds, in order to benefit from the favorable reputation held by Steele Briggs Seeds across Canada. In the early 1970s, the acquisition of Brett-Young Seeds Ltd., a Winnipeg company that dealt exclusively in the production and sale of field seed, brought the A. E. McKenzie Co. back into the field seed market.

In 1994 the Manitoba Government sold the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, Canada's largest non-retail mail-order catalogue company, which is owned by MDC Corporation of Toronto.

In 2001, McKenzie Seeds is Canada's leading supplier of packaged seeds and related gardening products. It is divided into a Retail Consumer Products division which features well known seed brands including McKenzie Seeds, Pike Seeds and Thompson & Morgan Seeds from England. As well, this division also carries a complete range of lawn seeds and perishables. It also continues to ship the seed racks invented by A.E. McKenzie to numerous retail stores. The second division, Direct Mail, consists of the McFayden and McConnell catalogues which reach over 500,000 Canadian homes each year.

Custodial History:

Following the sale of the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, the records of McKenzie Seeds and its subsidiaries were retained in the McKenzie Plant on 9th Street. In April of 1997, the records were transferred to the McKee Archives at Brandon University. Because the company was a crown corporation, the records of McKenzie Seeds belonged to the Province of Manitoba and might have been placed in the Provincial Archives. However, Provincial Archivist Gordon Dodds permitted the retention of the records in Brandon at the S. J. McKee Archives. The minutes of the Board of Directors, previously transferred to the Provincial Archives, remain in Winnipeg. Until 1960 these minutes, by-laws of the Company, and the letters patent of incorporation (April 7, 1906) were in the possession of the Company's lawyers, Johnson, Garson, Forrester, Davidson, & Steen.

Scope and Content:

The fonds consists of textual records, photographs and artifacts from A.E. McKenzie Seed Co. Ltd. The textual records include minutes, documents, financial records, administrative records, by-laws, legal records, catalogues, sales literature, seed packets, newspaper clippings, appraisals, publications, scrapbooks and miscellaneous sections.

In addition, some of the records within the fonds relate to the operations of McKenzie subsidiaries -- Brett-Young Seeds, Steele-Briggs Seeds, Pike & Co. and McFayden Seeds -- and various properties owned by McKenzie Seeds.

Fonds contains approximately 500 photographs. These depict the operations and employees of McKenzie Seeds and the seed industry in general. Artifacts contained in the fonds include blueprints, newspaper clippings, copper printing plates, seed bags and plaques.

Fonds also includes an artificially created series of records dealing with Brandon College Inc., the A.E. McKenzie Foundation, the Brandon Allied Arts Council and the Brandon Board of Trade. These records stand outside the provenance of the McKenzie Seed Co.

Of particular interest within the textual records are the transcripts of various features of the company's history as dictated, researched and recalled by its second President/General Manager, J. Lasby Lowes. The fonds also contains a collection of company catalogue which is almost complete. Outside of the seed industry, the records dealing with both Brandon College Inc. and the McKenzie Foundation are significant records relating to the history of Brandon College/University and the City of Brandon.

History /

Biographical:

The Women's Institute was founded in 1897 in Stoney Creek, Ontario, by Adelaide Hoodless. By 1913, institutes had been established in every Canadian province. In 1919, provincial representatives met in Winnipeg to form the Federated Women's Institute of Canada. The Women's Institute was designed to promote quality of life in rural Canada and to foster the advancement of rural women. The first Women's Institute in Manitoba was organized in 1910, in Morris, Manitoba. The Crocus Women's Institute was created in the fall of 1946. The charter for the group was issued on November 25, 1946. One of the first projects of the group included sending food parcels to Britain until war rationing was discontinued. The main focus of the Institute was the local school: the Institute sponsored essay contests and provided furniture for the school. The Institute also sponsored a garden club and held a garden show for many years. Finally, the group had an annual Christmas Cheer project. The Crocus WI disbanded in 1984.

Biographical:

The International Toastmistress Club was officially organized in October of 1938, in California by Ernestine White. White thought that communication was the key to success in government, business, and community service. The purpose of the club was to help women gain communication and leadership skills. The North Central Region of the International Toastmistress Club began with the formation of the Winnipeg Toastmistress Club in 1946-47. This club was the first Toastmistress Club in Manitoba and the second club in Canada. The idea of forming a Toastmistress Club in Winnipeg came partly from some members of the Toastmaster Club in the city who had heard of the women's club formed in California. Other North Central Toastmistress Clubs soon followed, including more clubs in Winnipeg, and others throughout southern and central Manitoba, such as the Yellow Quill (Portage), Fort La Bosse (Virden), Colleen (Killarney), Cornucopia (Neepawa), Dauphin, Prairie Horizons (Brandon), Valley Echoes (Swan River), Urban Acres (Brandon), and Kinrossie (Souris) Toastmistress Clubs. The North Central Region was renamed the Land O'Lakes Region in 1966. In 1985, the International Toastmistress Club became the International Training in Communication organization.

Guest speakers at the meeting were Miss Hilda Hesson, the Vice President of the Federation of Canadian Business and Professional Women's Clubs, and Miss F. The club also put on exhibitions, participated in drama festivals, held rummage sales and an annual Christmas party. During the Second World War, it established a War Effort Department. This department organized activities such as sewing and knitting in support of the war effort. The War Effort Department also raised money for charities such as the Red Cross. During its meetings, the club often heard local and national speakers or watched films. Women of many different vocations joined the club including florists, teachers, salesclerks, nurses, and housewives. History /

Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.
