Hubert Weidenhamer collection

<http://archives.brandonu.ca/en/permalink/descriptions12347>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 6-2011

GMD: multiple media

Date Range: April 11, 1943 - July 4, 1945

Physical Description: 4 cm textual records (48 letters)

2 photographs

press clippings and several facimiles

Physical Condition: Good

History /

Biographical:

Hubert Clayton Weidenhamer was born near Dand, Manitoba in 1926. He was raised in Dand and attended school in the Dand Consolidated School District. Weidenhamer enlisted in the Canadian Army in 1943. He became a member of the Princess Patricia's Canadian Light Infantry. Following training in Canada and England Weidenhamer was sent to Italy. He was badly wounded in battle in mid-September and died of his injuries in November 1944 at age 21. He was buried in the Ancona Military Cemetery, Ancona Italy.

Custodial History:

These records were in the possession of Bea Chapin (née Weidenhamer) following their creation in the 1940s until they were donated to the S. J. McKee Archives in January 2011.

Scope and Content:

Collection consists of correspondence from Hubert Clayton Weidenhamer to his sister Bea. The letters begin in the spring of 1943. Weidenhamer had enlisted in the Canadian Army in January 1943. His letters detail his induction into military life in Fort Garry, Winnipeg and his training experience in Canada, principally at Camp Ipperwash, Lambton County, Ontario. He relates his experience of travels on leave to Detroit. Weidenhamer left Canada from Halifax in late 1943 and arrived in Great Britain in December for additional military training. In England, maintaining his morale, waiting for deployment, and coming to terms with British currency were challenges. Transferred to the Princess Patricia's Canadian Light Infantry, Weidenhamer was deployed to Italy in March 1944. The letters dating from March 1944 to September relate in oblique fashion his experience of military life on the Italian frontier as the Canadian Army fought its way north - "hard fighting" - and the impact of the war on Italian cities and the countryside. He was "proud" of his conduct in action. Weidenhamer's last letter is dated September 11, 1944.

Collection also includes correspondence on Weidenhamer's behalf from his military Chaplain; two press clippings dealing with his military career, and several facimiles of telegrams and correspondence from the Canadian government officials related to Weidenhamer's death and burial in Italy.

Notes: Description by Tom Mitchell.

United Commercial Travelers Ladies Auxiliary #112 collection

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 1-2013

GMD: multiple media

Date Range: October 30, 1937 – October 2006

Physical Description: 51cm of textual records
141 photographs
6 artifacts

History /

Biographical:

The Brandon Ladies Auxiliary #112 of the United Commercial Travelers of America received its charter on October 30, 1937 at their first meeting, which took place in the Rose Room of the Prince Edward Hotel in Brandon, Manitoba. At this time the membership of the Ladies Auxiliary #112 consisted of 27 Sisters. Brother Ernie Tatton, Grand Counselor at the time, presented the Ladies Auxiliary with their Bible in May 1938. Winnipeg Auxiliary #48 gave the Brandon Auxiliary their Bible Book Mark and Saskatoon Auxiliary #23 gave them their gavel.

Initial meetings were held in the Rose Room of the Prince Edward Hotel on Saturday evenings, when the Brothers would meet after their weekly travels. Meetings were then moved to the Kelly Block on 8th Street. Here the Sisters would meet downstairs and the Brothers upstairs. Meetings were usually followed by dancing, singing, and lunch downstairs. Meetings were held in the Masonic Temple, the Knights of Columbus Hall, the Orange Hall, the Oddfellows Hall, and eventually in the UCT Hall. Throughout all the location changes, a social hour was still held with the Brothers.

The Brandon Auxiliary always performed the ritualistic and floor drill work. Originally, patrols only joined the Officers when Brandon Auxiliary was hosting a Grand Session. Patrols, with matching outfits, soon became a part of the floor work at every meeting. Officers were required

matching caps, soon became a part of the meet work at every meeting. Sisters were required to wear the proper attire. Capes were introduced in 1940 and white shoes, stockings, and dresses in 1941. Membership swelled over the years and 50 years after being inaugurated the Brandon Auxiliary could claim 136 Sisters.

The Brandon Ladies Auxiliary #112 was always very active within the larger community, especially with fundraising and charitable donation. Initially the Brandon Auxiliary supported the Red Cross by sewing and knitting. The Brandon Auxiliary also supported the Canadian Cancer Society at this time by making dressings. Rummage sales and teas were used to fundraise at the time. Teas were used in conjunction with the wives of the Steam Plant to purchase equipment for the first school in Brandon that taught developmentally delayed children. The Brandon Auxiliary also did fundraising teas, Walk-a-thons, bazaars, and raffles for the Camroc workshop, which was built for older handicapped students.

Bingo games were used to raise funds as well. Other projects of the Brandon Ladies Auxiliary include:

1. Builders of Women – provides help to needy girls and women and gives a scholarship out at the Festival of the Arts. In 1969 the Ladies Auxiliary refurnished the third floor of the YWCA.
2. Cancer – assistance with the annual canvas, ride and run events, putting on an event with a speaker and film, and a survey of sisters who had their annual pap test.
3. Handicapped Children – purchase of equipment for the handicapped classes at George Fitton School and the COR Enterprises (formerly Camroc) workshop. One sister was a volunteer for their swimming and bowling classes, among other things.
4. The Three Benevolent Funds
5. May E. Tisdale Educational Fund – donated to this fund every year, usually in memory of deceased sisters.
6. Brandon General Hospital Special Equipment Fund – every year a sum was included in the Ladies Auxiliary budget to purchase special equipment for the Brandon Hospital.

Civic Service donations included the Mental Health Centre Christmas gifts, three Christmas hampers for needy families, Canadian Diabetes Association, Manitoba Heart Fund, and Brandon Figure Skating Club.

In 1962, the Auxiliary's 25th birthday, their first Dessert Party and Bake Sale was held. This had the stated objectives of growing and working together as a group and raising money for the organization. This became an annual event. Sisters who had attended for 25 years were honoured at the Auxiliary's 36th birthday celebration. Every birthday after that, sisters who had attended for 25 years were guests at the dinner and presented with a corsage and a gift. Sick and bereaved were also remembered at these functions. In the 1980s the Ladies Auxiliary continued to support the UCT Brandon Council #448 in the Annual Travellers Day Parade, Grand Sessions, and other functions.

In the early 1990s the United Commercial Travelers voted to allow women to join the Councils. This marked the beginning of the end for the Auxiliaries. However, ladies who had no connection to a Council could join an Auxiliary now whereas before only a wife, sister, or granddaughter of a Council member could join.

The final Grand Auxiliary Sessions were held in Brandon in May 2003. By this point only three auxiliaries were still active across Manitoba, Saskatchewan, and Alberta and all had difficulty recruiting new members. Most of the membership at this time was elderly and unable to take office or work at teas and other such events. Calgary and Regina's Auxiliaries were down to less than twelve members. Brandon still had more than 20 on the membership roll but only

less than twelve members. Brandon still had more than 90 on the membership roll but only about 20 attended meetings regularly and it was becoming difficult to fill Officer positions.

The final Dessert and Bake Sale was held in October 2002 and was the 40th such event. With the demise of the Grand Auxiliary in 2003, it was decided that Brandon would continue to operate; however, after a year it was decided that Brandon would no longer operate as a formal auxiliary. Monthly luncheons would now be held with December being a Christmas Party supper. The last formal meeting was held in the Parkview Seniors complex on March 22, 2004.

The money in the Grand Auxiliary's account was distributed to the three remaining auxiliaries based on how much had been contributed over the preceding ten years. Brandon received \$2,500 and had about \$5,000 in their account. When formal meetings were discontinued it was decided to donate \$5,000 to the "A Bed for You, A Bed for Me" campaign of the Brandon General Hospital. Approximately \$1,100 was given to their Chairs from Mentally Challenged and Builders of Women to use as they pleased.

All members on the membership roll were contacted and asked if they wished to remain members. Several decided not to but 50 members remained. Each member under 80 paid a \$5 membership fee in April or October. Beginning in 2004, \$1 was collected from every member that attended a luncheon to pay for stamps and cards sent to those who were ill, lost a loved one, turned 80, etc. Fundraising is limited to selling Riverview Curling Club Lottery Calendars for which the Ladies Auxiliary #112 received \$4. In 2005 \$128 was collected and \$25 donated to five different charities.

In 2006, sisters of the Auxiliary still worked at the Fairview Daffodil Tea for Cancer, put on the January birthday party at Hillcrest Place, worked the Big Craft Sale at the Keystone Centre in October, worked with the Salvation Army Kettles at Christmas, and sold carnations for multiple sclerosis and daffodils for the Cancer Society. Luncheons held averaged about 20 members and 25 at Christmas.

Custodial History:

Records were created and collected by the members of the Brandon United Commercial Travelers Ladies Auxiliary #112. The collection was donated to the S.J. McKee Archives in March 2007.

Scope and Content:

Collection consists of records that document the origin, activities, and ultimately the disbandment of the Brandon Ladies Auxiliary #112 of the Order of the United Commercial Travelers of America. These records were created and accumulated during the nearly 70 year existence of the UCT Ladies Auxiliary #112.

The collection consists of the minutes of their meetings from November 1939 to November 1991, photographs of the members, and sign-in books from October 1937 to March 1991. It also contains the account ledger from April 1972 to March 1997. Several scrapbooks containing photographs and newspaper clippings related to the activities and members of the Ladies Auxiliary and the United Commercial Travelers, spanning the nearly 70 lifespan of the organization, are also included in the collection.

Both the United Commercial Travelers Council #448 and the United Commercial Travelers Ladies Auxiliary #112 were very active in raising funds for various charitable organizations. Money was raised for the Brandon General Hospital, as well as for George Fitton School to assist with their special education program. Organizations such as the Red Cross, the Canadian Cancer Society, special needs organizations, United Way, the Multiple Sclerosis Society, and several other organizations all received the benefits of UCT fundraising. Scholarships were also given out. Teas, dessert and bake sales, sewing and knitting, rummage sales, Walk-a-thons, bazaars, and raffles were all used to raise money for charitable donations.

Collection also contains various artifacts including a gavel, the original charter of the Ladies Auxiliary #112, nomination balls, officer's badges, a Bible, and the cloth used for the draping of a deceased member's charter. Also included is a handbook detailing the rituals carried out by the United Commercial Travelers of America.

Notes: History/biographical information provided by Sister Bernice Nerbas of the UCT Ladies Auxiliary #112. Copies of their history are found in the collection. Description by Joseph Dauphinais (October 2013).

History /

Biographical:

See RG 6 Brandon University fonds, Series 7 Faculties and Schools, Sub-series 7.1 Faculty of Arts, Sub sub series 7.1.1 Dean of Arts for biographical information for Michael Blonar.

Custodial History:

Collection was in the possession of Dr. Michael Blonar until he donated the records to the S.J. McKee Archives in May 2002.

Scope and Content:

Collection consists of textual records and five microfilm reels related to Dr. Blanar's post-graduate research. It is assumed that the records were collected during the course of Blanar's research for his dissertation entitled "Early British Travellers in French Canada (1960)."

Textual records include three Dominion of Canada notebooks containing handwritten Saulteaux verbs, and animate nouns. Included is a dark red booklet titled "Ojibwe." The book contains Ojibwa translations of English words. The book comes from St. Peter Clavers Industrial School in Spanish, Ontario, and may have acted as an instructional book as it also contains French and English. Collection also contains a transcript of an Ojibwa dictionary and three file folders titled "Manuscripts," "John Long Research," and "Maps" which contain additional research material. Contents of "Manuscript" folder are original typed manuscripts. "John Long" and "Maps" file folders contain copies of materials held at Library and Archives Canada, as well as hand drawn documents and hand written documents detailing contents of folders.

In addition to the textual records there are five microfilm reels. Three microfilm cases are labeled "The British Reference Division," one case labeled "Public Archives Canada, central microfilm operations," and the last case is from an unidentified source labeled "Longs voyages and travels". Four of the five microfilm cases are also numbered. The British Reference Division microfilm case numbered "1346 i 43" contains a copy of a book titled "The Cacique of Ontario." British Reference Division microfilm case numbered "104706640" contains a copy of a book titled "The Four Kings of Canada." British Reference Division microfilm case numbered "9073279" contains a copy of a book titled "The Indians." The Public Archives Canada microfilm case numbered "c-3006" contains copies of original documents in French and English. Documents include letters, diary pages, maps, and business ledgers. Microfilm case labeled "Longs voyages and travels" contains a copy of a book written by John Long titled "Voyages and Travels of Indian Interpreter and Trader."

Notes: Description by Aaron McKay (October 2013). The Ojibwa language dictionary and notebook make references to Fredric Baraga (1797-1868), a missionary priest from Slovenia who recorded the Lake Superior Ojibwa language dialect. Baraga's findings were published into an Ojibwa language dictionary.

History /

Biographical:

Popularly known as the "voice of the prairies," Fred McGuinness was known by many titles and honorifics: wordsmith, apiarist, author, beekeeper, brother, columnist, editor, father, historian, husband, journalist, memoirist, Morse operator, member of the Order of Canada, member of the Order of Manitoba, public speaker, publisher, radio broadcaster, son, telegrapher (CP), telegraphist (Navy), vice-president, and writer.

Frederick George McGuinness (b. 21 January 1921 – d. 22 March 2011) was born in Brandon, Manitoba. He attended Park and Earl Oxford public schools. Upon his father's death in 1933, McGuinness worked as a paper carrier for the Brandon Sun, whose route covered the City's downtown core. In 1937, he quit school and began working for the CP Telegraph Service initially as a telegram messenger and later as a Morse code operator.

In 1939 McGuinness enlisted in the Royal Canadian Navy in Winnipeg and served as a

In 1939, McGuinness enlisted in the Royal Canadian Navy in Winnipeg and served as a wireless operator on the HMCS Alachassee. On 23 September 1940, McGuinness was seriously injured in a naval accident when his ship ran aground; McGuinness' leg was broken when the ship's tow cable snapped and he spent the next 11 months convalescing at Camp Hill Hospital in Halifax, Nova Scotia. While in hospital McGuinness contracted scarlet fever and diphtheria and developed osteomyelitis as a complication of his femur fracture. McGuinness returned to Winnipeg to continue his convalescence at Deer Lodge Hospital and was ultimately discharged from the navy in 1941.

Fred McGuinness' newspaper, public speaking, and broadcasting career began after he enrolled at St. Paul's College in 1941. At St. Paul's, which was affiliated with the University of Manitoba, McGuinness was able to complete his high school equivalency and university preparation courses. Additionally, in 1942, he served as a Sports Editor for St. Paul's College Crusader student newspaper.

In 1943, McGuinness began his undergraduate university career at United College, which was also affiliated with the University of Manitoba. From 1943 to 1946, McGuinness served on the student union's Public Relations Committee; in 1945, he became chairman of the Radio Subcommittee working as the Director of the University Radio Series where he was responsible (i.e., writing, casting, directing) for a half-hour Saturday afternoon radio programme. During this period McGuinness also utilized his previous military experience to work as an Assistant Veterans Counsellor in the university, and, following a recommendation from the President of the University of Manitoba, as a speaker for the War Finance Committee in the Winnipeg Area.

In 1946, McGuinness moved to Port Arthur to work in public relations with the Wartime Prices and Trade Board. He married Christine Thompson (d. 14 August 2009) in Port Arthur, Ontario on 29 June 1946. Married for 61 years, the couple had four children together: Colleen, Fred Jr., Gallagher, and Timothy.

In 1947, the couple returned to Winnipeg when McGuinness took a job as a Public Relations Officer for the National Employment Service's Unemployment Insurance Commission (UIC). During the 1950 Winnipeg Flood the UIC offices served as a communication base between the federal, provincial, and municipal governments and McGuinness received commendation from the military for his assistance during the disaster. While employed with the UIC, McGuinness also travelled the summer fair circuit with displays promoting the UIC and its benefits. During that time, Royal American Shows also hired McGuinness as its Director of Publicity and Exploitation while the show toured with the fairs on the Canadian prairies. As part of his responsibilities McGuinness had to submit weekly reports to Billboard Magazine on the Royal American fairs. McGuinness also sold his first manuscript to the CBC in 1947, recording a 14-minute broadcast titled the "Class A Circuit" about the Royal American tour, after his summer fair schedule concluded.

McGuinness continued his work with Royal American and the UIC until he accepted a position with the Saskatchewan government in 1952 to promote its upcoming 1955 golden jubilee. McGuinness worked closely with Tommy Douglas during the jubilee preparations, driving the premier to sites throughout the province. His experience with the Saskatchewan Jubilee preparations lead to McGuinness being appointed as a provincial representative to the Canadian Centennial Commission in 1963.

Fred McGuinness worked with The Medicine Hat News for 10 years, starting in 1955, when he was hired as an assistant to the paper's publisher. In 1958, he was promoted to publisher of the newspaper. At the same time McGuinness was also appointed vice-president of Southam Company Limited. In addition to his administrative and editorial work, McGuinness also authored a column titled, "The Lighthouse" while employed by The Medicine Hat News. During his time in Medicine Hat, McGuinness was heavily involved with the Chamber of Commerce and community service organizations. His position within the community had him delivering talks to many local groups and meeting in tandem with the Chamber to actively promote

talks to many local groups and working in tandem with the Chamber to actively solicit businesses to the City.

In November of 1965, McGuinness resigned as publisher of The Medicine Hat News and moved with his family to Winnipeg where he was appointed manager of the New Personnel and Information Division with James Richardson and Sons. At that time McGuinness began developing broadcast scripts for the CBC in earnest.

In November 1966, McGuinness was hired as associate editor and vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During that time McGuinness also had an extensive career as a freelance writer and journalist for the CBC, Reader's Digest, and prairie weekly newspapers, as well as authoring several books. By the 1970s, McGuinness was writing copy for CBC's Radio Noon and Information Radio, as well as producing Ashgrove Farm, a CBC radio drama.

During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. Rosser. The F.A. stood for "Fifth and," and referenced the fact that the Brandon Sun offices and publication plant occupies the city block between 6th Street and 5th Street along Rosser Avenue, and McGuinness' office overlooked the intersection at 5th Street and Rosser Avenue. The Sunbeams column was similar in style and content to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

In 1979, McGuinness started writing the syndicated weekly news column "Neighorly News." He would write the column for 22 years until his age-related macular degeneration (AMD), diagnosed in 2001, became an impediment to his research, writing, and editing abilities. The column initially began with a dozen subscriptions from prairie weeklies and grew to publication in 55 weeklies.

The "Neighorly News" column evolved from the interest in and the impending cancellation of McGuinness' CBC Radio broadcast "Neighorly News from the Prairies," that he hosted from 1980 to 1983. The show was cancelled in 1983 but was picked up by Altona broadcaster CFAM later that year with McGuinness at the microphone. The radio show ended its run in the summer of 1987. McGuinness continued working with the CBC, however, and is popularly known for his work as the prairie essayist for CBC Radio's Morningside with Peter Gzowski, a position he held for 17 years.

Many of McGuinness' Morningside essays were autobiographical in nature. He often reported about life on Christmas Tree Farm, a section of land where the McGuinnesses built their dream home in the late 1970s. The couple planted a Christmas tree farm on the property and Christine maintained an extensive kitchen garden, while Fred tended honey bees. Life on the farm made its way into radiobroadcasts, Neighorly News columns, and the book Letters from Section 17: A Collection of Morningside Essays.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun called the "Diary." McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

During the 1980s and 1990s, McGuinness co-taught an undergraduate journalism class at Brandon University with English Professor John Blaikie. Around that time, he also partnered with Brandon University History Professor Ken Coates and published a number of popular books on Manitoba social history. McGuinness also delivered community workshops on memoir writing, a past time he continued until shortly before his death.

McGuinness took an active roll in the community and cultivated his interest in local history. Consequently he was invited to guest speak and chair sessions on local history, rural development, and the economy while providing his personal insights as a newspaper publisher. His previous experience with the Saskatchewan Jubilee and Canadian Centennial Commission made him a desirable committee and board member for many local organizations and planning committees. McGuinness' lifelong commitment to prairie social history, earned him numerous awards and recognitions including an honorary doctorate from Brandon University, the Order of Manitoba, and the Order of Canada.

Fred McGuinness died on 22 March 2011 in Brandon, Manitoba.

Custodial History:

Records in this collection were acquired by the S.J. McKee Archives in four accruals. Prior to their donation to the Archives the materials were in the possession of Fred McGuinness.

Accession 18-2002 contains records created and collected by Fred McGuinness until the publication of *Only in Canada*, a history of the Kinsmen Club Association in Canada co-authored with BU history professor Ken Coates. During the research and writing process for the book, originals and copies of Kinsmen Club of Canada records were amassed at the McKee Archives. Coates and McGuinness added their research materials to these records circa 1987. The Kinsmen records have since been deaccessioned by the McKee Archives and transferred to Kin Headquarters in Ontario.

Accession 6-2008 contains records created and collected during the writing of the Provincial Exhibition book, *Pride of the Land*. Fred McGuinness, who co-authored the book with Ken Coates, donated these records to the McKee Archives circa 1988. The materials in the accession relating to Souris, Manitoba, were given to McGuinness by Kay Sullivan in August 2007, and were subsequently deposited in the Archives. The material in the accession related to Kemnay, Manitoba, was given to Colleen McGuinness (Fred's daughter) by Mona McKinnon (nee Corkish) in the fall of 2007. Colleen then passed the materials on to her father, who in turn donated them to the S.J. McKee Archives.

Accession 20-2009 contains records created and collected by Fred McGuinness over the course of his career as a newspaper journalist and during the research and writing period of the Brandon history book, *The Wheat City*. Records remained in his possession at his home until their transfer to the McKee Archives on July 28, 2009.

Accession 1-2015 contains records created and collected by Fred McGuinness over the course of his career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the S.J. McKee Archives in March 2011. The Archives accessioned the records in 2015.

Scope and Content:

The records in this collection touch on every aspect of Fred McGuinness' life. From his childhood, his education, his war experience, his newspaper and freelance career, his work in radio and public speaking, and his family the collection covers both his personal and professional life. In addition to the records created by McGuinness, there are also records created and collected by a variety of his relatives (on both sides of the family), as well as correspondence from his readers. The collection includes newspaper clippings, research materials, letters, certificates, scrapbooks, photographs, books, periodicals, pamphlets, sound recordings, artifacts, maps, newsletters, magazines, teaching materials, workshop materials, and financial records.

Because of McGuinness' wide-ranging interests, the records include a significant number of subjects, both within his own writing and correspondence, but also within his library. They would be of particular interest to researchers who share McGuinness' passions for local history and rural topics.

The scope and importance of McGuinness' work in the prairies also resulted in a number of noteworthy honors, in particular the Order of Manitoba and the Order of Canada. The collection contains materials related to both.

The Fred McGuinness collection consists of nine (9) series further divided into subseries, including: (McG 1) Personal papers; (McG 2) Newspaper career; (McG 3) Freelance; (McG 4) McGuinness research materials; (McG 5) Monographs; (McG 6) Broadcasts, lectures, workshops; (McG 7) McGuinness artifacts and sound recordings; (McG 8) McGuinness library; and (McG 9) McGuinness photographs.

See the Arrangement Note for a more detailed breakdown of the collection's arrangement.
