History /

Biographical:

The Office of the Bursar was created in 1910. As head of financial affairs, a Bursar was more compatible to the administrative framework of other universities in Canada. The initial duties of the Bursar were the collection of all fees, control of funds and disbursements, donations, purchasing, supervision of grounds, and progressive measures in the investment of funds and the enlargement of finances. By 1913, the Bursar was also in charge of the book department, boarding, grounds and gardens, buildings and heating plant.

By 1924, the Bursar had become so involved in the management of College affairs that the Board established a committee to examine the functions of the President and the Bursar "with a view to readjustment for efficiency." The committee presented its report later that year, clearly defining nine functions of the Bursar. These functions were the keeping of books, banking, general handling of student fees and accounts, general handling of all trade accounts, handling of maintenance and extension movement pledge cards and receipts, general responsibility for the purchase of all supplies, supervision of fireman and janitor, supervision of buildings and grounds and the submission of a monthly report to the Secretary of the Executive. In 1929, the Bursar took on the role of Secretary to the Executive.

At several times during the history of Brandon College the Bursar and the Registrar were combined into one job.

History /

Biographical:

The A. E. McKenzie Seed Co. Ltd. has had a Board of Directors since its incorporation in 1906. The first Board consisted of A. E. McKenzie, S. A. Bedford, the director of the Experimental Farm, H. L. Patmore and W. A. McCracken. Following A.E. McKenzie's death, the government of Manitoba appointed the members of the Board under the arrangements made with the establishment of the A.E. McKenzie Foundation.

According to the general by-laws (c. 1960) of A. E. McKenzie Seed Co. Ltd., the Board of Directors annually, or more often if required, elected from among themselves a President, a Vice-President and a General Manager. They were also responsible for appointing an Assistant General Manager, and a Secretary and a Treasurer. If needed, they would also appoint an Assistant Secretary and an Assistant Treasurer. A majority vote of the Board was required for the election or appointment of the above officers. Those individuals elected or appointed to their offices by the Board could be removed at the pleasure of the Board. The Board also had the power to fix the salaries of all of the officers of the Company. By resolution, it could pass this responsibility to the General Manager.

History /

Biographical:

The offices of the President and General Manager were established in 1896 with the creation of A. E. McKenzie Seed Co. Ltd. These positions were held jointly by the one officer of company until 1975, when the Board of Directors of the Company divided the two positions, thereby relieving the President from management of plant operations.

Under the General By-Laws of the Company, the President, when present, presided over all Board of Directors meetings. He also signed all documents that may have required his signature and performed any other duties assigned to him by the board. The President exercised general supervision and control over the business of the Company and performed such duties as are usually associated with the office of President or Chief Executive officer of a company.

The General Manager had full power and authority to manage and direct the business and affairs of the Company. He was also responsible for employing and discharging agents and employees of the Company. After A.E. McKenzie gifted the majority of his company shares to the Government of Manitoba in 1945, the General Manager remained responsible for all operations of the Company. However, the General Manager found himself accountable to a Board of Directors comprised mainly of government appointees.

A. E. McKenzie held the offices of President/General Manager from 1896 until his death in 1964, at which time J. Lasby Lowes succeeded him. Following Lowes' retirement in 1968, A.R. Swanson was appointed by the government to fill the positions. Anthony J. Maruca became President of A.E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore the first individual to hold the position of General Manager without also occupying the President's office. At the same time, Mr. Pat Kelleher was named the new interim President. Following Kelleher's resignation, Moore was appointed President of the company. Keith Guelpa became President around 1984 following Moore's departure from the company to face criminal charges arising from his activities as an officer of the company. Raymond West assumed the position after Guelpa's departure.

McS 4 Seed Marketing Co.

Physical Description:	7 cm

The Seed Marketing Company Ltd. was located at P. O. Drawer 1885, Winnipeg, Manitoba, and, later, at 382 Maryland Street, Winnipeg. Created by the A. E. McKenzie Co. Ltd., this company was incorporated under Dominion Charter by Federal Letters Patent, dated March 18, 1930. As well, the company was registered only in Manitoba under the provisions of the Manitoba Companies Act.

A. E. McKenzie made the application for the charter under the name A. E. McKenzie Co. Ltd. and, from 1933, the Board of Directors was made up of employees of A. E. McKenzie Co. Ltd. Although the authorized capital stock of the company was 500 no par value shares, only 50 of these were issued and allotted at a price of \$10 per share.

According to a letter written by A. E. McKenzie to the Acting Director, Department of the Secretary of State, Companies Division, Ottawa, Ontario, the company was created with a specific purpose in mind. During the years 1930-1933, A. E. McKenzie Co. Ltd. accumulated a large quantity of oats for seeding purposes, at a time when crops were generally poor due to extended drought. These seeds, as well as wheat, barley and flax were supplied to farmers on a signed order in the name of Seed Marketing Co. Ltd. Parties, either individuals or municipalities, took a "Seed Grain Mortgage" from the Seed Marketing Co. as a method of payment. This enabled the farmers, who had little or no money, to plant crops. Presumably following harvest the mortgage was paid off.

On the whole the idea of supplying distressed farmers with seed through a Seed Grain Mortgage was fairly successful. In addition to selling the seed directly to the farmers, seed was also sold to rural municipalities, from whom payments were assured. The municipalities, in turn, assumed responsibility for payment from the farmers to whom they had supplied the seed purchased from the Seed Marketing Company.

The original Board of Directors was as follows: A. B. Downing, J. L. Lowes, F. B. Roberts, F. C. Thompson, and J.A. Young. Each received 1 share each in the company. H. J. Morden, a former member of the Corporation, held the other 45 shares from Winnipeg.

From 1933-1936, J. A. Young was President of the company. Following his death in 1936, the position was given to A. B. Downing, who acted as President of the Seed Marketing Company until illness forced him to step down in 1959. In 1960, J. L. Lowes became President, and the following members of A. E. McKenzie Co. Ltd. became Directors: R. R. West, Miss E. A. Yeo and J. R. McPhail.

The Seed Marketing Company had been kept alive under its original charter in case A. E. McKenzie Co. Ltd. might have cause to use it for some other purpose. Eventually, the company was considered in default by the federal government for neglecting to fill Annual Returns for the year 1962. At that time, the company was informed that it was no longer considered a subsisting corporation, and, as such, was no longer entitled to the sole use of its corporate name. That same year, A.E. McKenzie Co. Ltd. relinquished interest in the Seed Marketing Company Ltd., and the remaining Directors resigned their positions.

The name "Seed Marketing Co. Ltd." was also used by A. E. McKenzie Co. Ltd. on two other occasions. Around 1948, the name was used in Ontario under authority of an Extra Provincial License from the Province of Ontario, especially in labeling cartons of a Lawn Grass mixture to meet price competition in Quebec, the Maritimes and Towers Discount Department Stores.

Prior to 1948 the name was used to in the purchase of Forage Crop Seeds in northern Manitoba, Saskatchewan and Alberta.

Custodial History:

See fonds level description of custodial history of A. E. McKenzie Seed Co. Ltd.

Scope and Content:

This series includes minutes from meetings of the Board of Directors and shareholders of the company. It also includes correspondence between McKenzie, Lowes, Wm. Johnson, the Department of the Secretary of State, W.E. Chiswell - Comptroller for McKenzie Seeds, Robert Steen and various other individuals dealing with the incorporation of the company, its charter and letters of patent. Some of the records deal with the failure of the company to file annual returns for the years 1963 and 1964. The series also contains financial records including annual summaries/reports, corporation income tax returns, and return of information and particulars under the Manitoba Companies Act.

Also included within the series is a book (27.5 x 38 x 3 cm) containing the letters of patent incorporating the Seed Marketing Co., the general by-laws of the company, and minutes from meetings of its Board of Directors.
