History /

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of *The Lindsays of Dundonald*.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

History /

Biographical:

Dr. Evans was born in Nanaimo, B.C. on March 15, 1891. In the fall of 1907, at the age of sixteen, Dr. Evans entered the Academic Department of Brandon College. He played an integral part at the College, participating in academics, sports, and various other college functions and organizations. In his final year he was Senior Stick, the highest position in the Student Government. In 1913, Dr. Evans graduated from Brandon College. Immediately after graduation he was hired to teach Science and Academic Mathematics. In 1917, he became Principal of the Academic Department, while continuing to teach Mathematics and Science. Dr. Evans took leave in 1920 to study post graduate work at the University of Chicago. During the summers, he was the Acting Dean of the Department of Geology in Chicago. He received his Ph.D. in Geology in 1923, and returned to Brandon College. His new positions at the college were of Professor of Geology and Resident Master. He also taught some Chemistry.

On August 1, 1927, Dr. Evans married Adelene M. Bailey (Class of 1921, Music 1924) at the Joseph Bond Chapel in Chicago. He took over as College Dean in 1928 after the position became vacant. In September of 1928, Dr. Evans accepted the position of President of Brandon College, thus becoming its fifth president since the college's inception. Dr. Evans was head of the college at a very difficult time. He guided the College through the Depression and repeated threats of closure from the Baptists. Dr. Evans resurrected the Department of Theology in the mid-1930's. He helped with the reorganization of Brandon College as a non-denominational college in 1938, and its new affiliation with the University of Manitoba. During World War II, Dr. Evans started a War Emergency Fund, aimed at keeping the College from sinking into debt during the war years as enrollment shrank. With increased financial support from the government, Dr. Evans began expansion plans for the College. In 1958, he created the Dr. J.R.C. Evans Student Loan Fund in conjunction with the Alumni Association in order to provide worthy students with interest-free loans. It was also in 1958 that Dr. Evans was awarded the Queen Elizabeth Coronation Medal for his outstanding contribution to education in the British Commonwealth.

On July 29, 1959, Dr. Evans died suddenly at his summer home in Robson, B.C.. On his desk was the programme for the sod-turning ceremony for the new Arts and Library Building and Lecture Theatre. When it was completed, the Lecture Theatre was christened the Dr. J.R.C. Evans Lecture Theatre on behalf of the man who had made sure that it would be built. The Theatre had been his dream, a place to hold Chapel and Assemblies, as the student body grew in number.

Scope and Content:

Dr. Evans collection is quite substantial, owing to the fact that he was President of Brandon College for thirty one years. His collection is primarily made up of correspondence between Dr. Evans and various people. The letters deal with students, teachers, finances, fundraising, the Bursar, the Registrar, and legal matters. The collection also includes the minutes from various meetings, including Board of Director meetings and National Conference on Canadian Universities. There are accounts dealing with World War II, its affect on campus, the C.O.T.C, and the lending of part of Brandon College to the R.C.A.F. during the war. The complete withdrawal of Baptist support for Brandon College is well documented in this collection, as is the ensuing affiliation of the College with the University of Manitoba. The Brandon College Campaign and other fundraising endeavors are documented in Evans' papers as well. Evans was bent on the expansion of Brandon College, and there is a lot of correspondence dealing with this topic. There are various financial accounts and financial histories of Brandon College in Evans' collection.
