History /

Biographical:

The Brandon Ladies Auxiliary #112 of the United Commercial Travelers of America received its charter on October 30, 1937 at their first meeting, which took place in the Rose Room of the Prince Edward Hotel in Brandon, Manitoba. At this time the membership of the Ladies Auxiliary #112 consisted of 27 Sisters. Brother Ernie Tatton, Grand Counselor at the time, presented the Ladies Auxiliary with their Bible in May 1938. Winnipeg Auxiliary #48 gave the Brandon Auxiliary their Bible Book Mark and Saskatoon Auxiliary #23 gave them their gavel.

Initial meetings were held in the Rose Room of the Prince Edward Hotel on Saturday evenings, when the Brothers would meet after their weekly travels. Meetings were then moved to the Kelly

Block on 8th Street. Here the Sisters would meet downstairs and the Brothers upstairs. Meetings were usually followed by dancing, singing, and lunch downstairs. Meetings were held in the Masonic Temple, the Knights of Columbus Hall, the Orange Hall, the Oddfellows Hall, and eventually in the UCT Hall. Throughout all the location changes, a social hour was still held with the Brothers.

The Brandon Auxiliary always performed the ritualistic and floor drill work. Originally, patrols only joined the Officers when Brandon Auxiliary was hosting a Grand Session. Patrols, with matching outfits, soon became a part of the floor work at every meeting. Officers were required to wear the proper attire. Capes were introduced in 1940 and white shoes, stockings, and dresses in 1941. Membership swelled over the years and 50 years after being inaugurated the Brandon Auxiliary could claim 136 Sisters.

The Brandon Ladies Auxiliary #112 was always very active within the larger community, especially with fundraising and charitable donation. Initially the Brandon Auxiliary supported the Red Cross by sewing and knitting. The Brandon Auxiliary also supported the Canadian Cancer Society at this time by making dressings. Rummage sales and teas were used to fundraise at the time. Teas were used in conjunction with the wives of the Steam Plant to purchase equipment for the first school in Brandon that taught developmentally delayed children. The Brandon Auxiliary also did fundraising teas, Walk-a-thons, bazaars, and raffles for the Camroc workshop, which was built for older handicapped students.

Bingo games were used to raise funds as well. Other projects of the Brandon Ladies Auxiliary include:

1. Builders of Women – provides help to needy girls and women and gives a scholarship out at the Festival of the Arts. In 1969 the Ladies Auxiliary refurnished the third floor of the YWCA.
2. Cancer – assistance with the annual canvas, ride and run events, putting on an event with a speaker and film, and a survey of sisters who had their annual pap test.
3. Handicapped Children – purchase of equipment for the handicapped classes at George Fitton School and the COR Enterprises (formerly Camroc) workshop. One sister was a volunteer for their swimming and bowling classes, among other things.
4. The Three Benevolent Funds
5. May E. Tisdale Educational Fund – donated to this fund every year, usually in memory of deceased sisters.
6. Brandon General Hospital Special Equipment Fund – every year a sum was included in the Ladies Auxiliary budget to purchase special equipment for the Brandon Hospital.

Civic Service donations included the Mental Health Centre Christmas gifts, three Christmas hampers for needy families, Canadian Diabetes Association, Manitoba Heart Fund, and Brandon Figure Skating Club.

In 1962, the Auxiliary's 25th birthday, their first Dessert Party and Bake Sale was held. This had the stated objectives of growing and working together as a group and raising money for the organization. This became an annual event. Sisters who had attended for 25 years were honoured at the Auxiliary's 36th birthday celebration. Every birthday after that, sisters who had attended for 25 years were guests at the dinner and presented with a corsage and a gift. Sick and bereaved were also remembered at these functions. In the 1980s the Ladies Auxiliary continued to support the UCT Brandon Council #448 in the Annual Travellers Day Parade, Grand Sessions, and other functions.

In the early 1990s the United Commercial Travelers voted to allow women to join the Councils.

This marked the beginning of the end for the Auxiliaries. However, ladies who had no connection to a Council could join an Auxiliary now whereas before only a wife, sister, or granddaughter of a Council member could join.

The final Grand Auxiliary Sessions were held in Brandon in May 2003. By this point only three auxiliaries were still active across Manitoba, Saskatchewan, and Alberta and all had difficulty recruiting new members. Most of the membership at this time was elderly and unable to take office or work at teas and other such events. Calgary and Regina's Auxiliaries were down to less than twelve members. Brandon still had more than 90 on the membership roll but only about 20 attended meetings regularly and it was becoming difficult to fill Officer positions.

The final Dessert and Bake Sale was held in October 2002 and was the 40th such event. With the demise of the Grand Auxiliary in 2003, it was decided that Brandon would continue to operate; however, after a year it was decided that Brandon would no longer operate as a formal auxiliary. Monthly luncheons would now be held with December being a Christmas Party supper. The last formal meeting was held in the Parkview Seniors complex on March 22, 2004.

The money in the Grand Auxiliary's account was distributed to the three remaining auxiliaries based on how much had been contributed over the preceding ten years. Brandon received \$2,500 and had about \$5,000 in their account. When formal meetings were discontinued it was decided to donate \$5,000 to the "A Bed for You, A Bed for Me" campaign of the Brandon General Hospital. Approximately \$1,100 was given to their Chairs from Mentally Challenged and Builders of Women to use as they pleased.

All members on the membership roll were contacted and asked if they wished to remain members. Several decided not to but 50 members remained. Each member under 80 paid a \$5 membership fee in April or October. Beginning in 2004, \$1 was collected from every member that attended a luncheon to pay for stamps and cards sent to those who were ill, lost a loved one, turned 80, etc. Fundraising is limited to selling Riverview Curling Club Lottery Calendars for which the Ladies Auxiliary #112 received \$4. In 2005 \$128 was collected and \$25 donated to five different charities.

In 2006, sisters of the Auxiliary still worked at the Fairview Daffodil Tea for Cancer, put on the January birthday party at Hillcrest Place, worked the Big Craft Sale at the Keystone Centre in October, worked with the Salvation Army Kettles at Christmas, and sold carnations for multiple sclerosis and daffodils for the Cancer Society. Luncheons held averaged about 20 members and 25 at Christmas.

#### Custodial History:

Records were created and collected by the members of the Brandon United Commercial Travelers Ladies Auxiliary #112. The collection was donated to the S.J. McKee Archives in March 2007.

#### Scope and Content:

Collection consists of records that document the origin, activities, and ultimately the disbandment of the Brandon Ladies Auxiliary #112 of the Order of the United Commercial Travelers of America. These records were created and accumulated during the nearly 70 year existence of the UCT Ladies Auxiliary #112.

The collection consists of the minutes of their meetings from November 1939 to November 1991, photographs of the members, and sign-in books from October 1937 to March 1991. It also contains the account ledger from April 1972 to March 1997. Several scrapbooks containing photographs and newspaper clippings related to the activities and members of the Ladies Auxiliary and the United Commercial Travelers, spanning the nearly 70 lifespan of the organization, are also included in the collection.

Both the United Commercial Travelers Council #448 and the United Commercial Travelers Ladies Auxiliary #112 were very active in raising funds for various charitable organizations. Money was raised for the Brandon General Hospital, as well as for George Fitton School to assist with their special education program. Organizations such as the Red Cross, the Canadian Cancer Society, special needs organizations, United Way, the Multiple Sclerosis Society, and several other organizations all received the benefits of UCT fundraising. Scholarships were also given out. Teas, dessert and bake sales, sewing and knitting, rummage sales, Walk-a-thons, bazaars, and raffles were all used to raise money for charitable donations.

Collection also contains various artifacts including a gavel, the original charter of the Ladies Auxiliary #112, nomination balls, officer's badges, a Bible, and the cloth used for the draping of a deceased member's charter. Also included is a handbook detailing the rituals carried out by the United Commercial Travelers of America.

### History /

#### Biographical:

Popularly known as the "voice of the prairies," Fred McGuinness was known by many titles and honorifics: wordsmith, apiarist, author, beekeeper, brother, columnist, editor, father, historian, husband, journalist, memoirist, Morse operator, member of the Order of Canada, member of the Order of Manitoba, public speaker, publisher, radio broadcaster, son, telegrapher (CP), telegraphist (Navy), vice-president, and writer.

Frederick George McGuinness (b. 21 January 1921 – d. 22 March 2011) was born in Brandon, Manitoba. He attended Park and Earl Oxford public schools. Upon his father's death in 1933, McGuinness worked as a paper carrier for the Brandon Sun, whose route covered the City's downtown core. In 1937, he quit school and began working for the CP Telegraph Service initially as a telegram messenger and later as a Morse code operator.

In 1939, McGuinness enlisted in the Royal Canadian Navy in Winnipeg and served as a

In 1939, McGuinness enlisted in the Royal Canadian Navy in Winnipeg and served as a wireless operator on the HMCS Alachassee. On 23 September 1940, McGuinness was seriously injured in a naval accident when his ship ran aground; McGuinness' leg was broken when the ship's tow cable snapped and he spent the next 11 months convalescing at Camp Hill Hospital in Halifax, Nova Scotia. While in hospital McGuinness contracted scarlet fever and diphtheria and developed osteomyelitis as a complication of his femur fracture. McGuinness returned to Winnipeg to continue his convalescence at Deer Lodge Hospital and was ultimately discharged from the navy in 1941.

Fred McGuinness' newspaper, public speaking, and broadcasting career began after he enrolled at St. Paul's College in 1941. At St. Paul's, which was affiliated with the University of Manitoba, McGuinness was able to complete his high school equivalency and university preparation courses. Additionally, in 1942, he served as a Sports Editor for St. Paul's College Crusader student newspaper.

In 1943, McGuinness began his undergraduate university career at United College, which was also affiliated with the University of Manitoba. From 1943 to 1946, McGuinness served on the student union's Public Relations Committee; in 1945, he became chairman of the Radio Subcommittee working as the Director of the University Radio Series where he was responsible (i.e., writing, casting, directing) for a half-hour Saturday afternoon radio programme. During this period McGuinness also utilized his previous military experience to work as an Assistant Veterans Counsellor in the university, and, following a recommendation from the President of the University of Manitoba, as a speaker for the War Finance Committee in the Winnipeg Area.

In 1946, McGuinness moved to Port Arthur to work in public relations with the Wartime Prices and Trade Board. He married Christine Thompson (d. 14 August 2009) in Port Arthur, Ontario on 29 June 1946. Married for 61 years, the couple had four children together: Colleen, Fred Jr., Gallagher, and Timothy.

In 1947, the couple returned to Winnipeg when McGuinness took a job as a Public Relations Officer for the National Employment Service's Unemployment Insurance Commission (UIC). During the 1950 Winnipeg Flood the UIC offices served as a communication base between the federal, provincial, and municipal governments and McGuinness received commendation from the military for his assistance during the disaster. While employed with the UIC, McGuinness also travelled the summer fair circuit with displays promoting the UIC and its benefits. During that time, Royal American Shows also hired McGuinness as its Director of Publicity and Exploitation while the show toured with the fairs on the Canadian prairies. As part of his responsibilities McGuinness had to submit weekly reports to Billboard Magazine on the Royal American fairs. McGuinness also sold his first manuscript to the CBC in 1947, recording a 14-minute broadcast titled the "Class A Circuit" about the Royal American tour, after his summer fair schedule concluded.

McGuinness continued his work with Royal American and the UIC until he accepted a position with the Saskatchewan government in 1952 to promote its upcoming 1955 golden jubilee. McGuinness worked closely with Tommy Douglas during the jubilee preparations, driving the premier to sites throughout the province. His experience with the Saskatchewan Jubilee preparations lead to McGuinness being appointed as a provincial representative to the Canadian Centennial Commission in 1963.

Fred McGuinness worked with The Medicine Hat News for 10 years, starting in 1955, when he was hired as an assistant to the paper's publisher. In 1958, he was promoted to publisher of the newspaper. At the same time McGuinness was also appointed vice-president of Southam Company Limited. In addition to his administrative and editorial work, McGuinness also authored a column titled, "The Lighthouse" while employed by The Medicine Hat News. During his time in Medicine Hat, McGuinness was heavily involved with the Chamber of Commerce and community service organizations. His position within the community had him delivering talks to many local groups and media interviews with the Chamber's activities.

talks to many local groups and working in tandem with the Chamber to actively solicit businesses to the City.

In November of 1965, McGuinness resigned as publisher of The Medicine Hat News and moved with his family to Winnipeg where he was appointed manager of the New Personnel and Information Division with James Richardson and Sons. At that time McGuinness began developing broadcast scripts for the CBC in earnest.

In November 1966, McGuinness was hired as associate editor and vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During that time McGuinness also had an extensive career as a freelance writer and journalist for the CBC, Reader's Digest, and prairie weekly newspapers, as well as authoring several books. By the 1970s, McGuinness was writing copy for CBC's Radio Noon and Information Radio, as well as producing Ashgrove Farm, a CBC radio drama.

During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. Rosser. The F.A. stood for "Fifth and," and referenced the fact that the Brandon Sun offices and publication plant occupies the city block between 6th Street and 5th Street along Rosser Avenue, and McGuinness' office overlooked the intersection at 5th Street and Rosser Avenue. The Sunbeams column was similar in style and content to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

In 1979, McGuinness started writing the syndicated weekly news column "Neighorly News." He would write the column for 22 years until his age-related macular degeneration (AMD), diagnosed in 2001, became an impediment to his research, writing, and editing abilities. The column initially began with a dozen subscriptions from prairie weeklies and grew to publication in 55 weeklies.

The "Neighorly News" column evolved from the interest in and the impending cancellation of McGuinness' CBC Radio broadcast "Neighorly News from the Prairies," that he hosted from 1980 to 1983. The show was cancelled in 1983 but was picked up by Altona broadcaster CFAM later that year with McGuinness at the microphone. The radio show ended its run in the summer of 1987. McGuinness continued working with the CBC, however, and is popularly known for his work as the prairie essayist for CBC Radio's Morningside with Peter Gzowski, a position he held for 17 years.

Many of McGuinness' Morningside essays were autobiographical in nature. He often reported about life on Christmas Tree Farm, a section of land where the McGuinnesses built their dream home in the late 1970s. The couple planted a Christmas tree farm on the property and Christine maintained an extensive kitchen garden, while Fred tended honey bees. Life on the farm made its way into radiobroadcasts, Neighorly News columns, and the book Letters from Section 17: A Collection of Morningside Essays.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun called the "Diary." McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

During the 1980s and 1990s, McGuinness co-taught an undergraduate journalism class at Brandon University with English Professor John Blaikie. Around that time, he also partnered with Brandon University History Professor Ken Coates and published a number of popular books on Manitoba social history. McGuinness also delivered community workshops on memoir writing, a past time he continued until shortly before his death.

McGuinness took an active roll in the community and cultivated his interest in local history. Consequently he was invited to guest speak and chair sessions on local history, rural development, and the economy while providing his personal insights as a newspaper publisher. His previous experience with the Saskatchewan Jubilee and Canadian Centennial Commission made him a desirable committee and board member for many local organizations and planning committees. McGuinness' lifelong commitment to prairie social history, earned him numerous awards and recognitions including an honorary doctorate from Brandon University, the Order of Manitoba, and the Order of Canada.

Fred McGuinness died on 22 March 2011 in Brandon, Manitoba.

#### Custodial History:

Records in this collection were acquired by the S.J. McKee Archives in four accruals. Prior to their donation to the Archives the materials were in the possession of Fred McGuinness.

Accession 18-2002 contains records created and collected by Fred McGuinness until the publication of *Only in Canada*, a history of the Kinsmen Club Association in Canada co-authored with BU history professor Ken Coates. During the research and writing process for the book, originals and copies of Kinsmen Club of Canada records were amassed at the McKee Archives. Coates and McGuinness added their research materials to these records circa 1987. The Kinsmen records have since been deaccessioned by the McKee Archives and transferred to Kin Headquarters in Ontario.

Accession 6-2008 contains records created and collected during the writing of the Provincial Exhibition book, *Pride of the Land*. Fred McGuinness, who co-authored the book with Ken Coates, donated these records to the McKee Archives circa 1988. The materials in the accession relating to Souris, Manitoba, were given to McGuinness by Kay Sullivan in August 2007, and were subsequently deposited in the Archives. The material in the accession related to Kemnay, Manitoba, was given to Colleen McGuinness (Fred's daughter) by Mona McKinnon (nee Corkish) in the fall of 2007. Colleen then passed the materials on to her father, who in turn donated them to the S.J. McKee Archives.

Accession 20-2009 contains records created and collected by Fred McGuinness over the course of his career as a newspaper journalist and during the research and writing period of the Brandon history book, *The Wheat City*. Records remained in his possession at his home until their transfer to the McKee Archives on July 28, 2009.

Accession 1-2015 contains records created and collected by Fred McGuinness over the course of his career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the S.J. McKee Archives in March 2011. The Archives accessioned the records in 2015.

#### Scope and Content:

The records in this collection touch on every aspect of Fred McGuinness' life. From his childhood, his education, his war experience, his newspaper and freelance career, his work in radio and public speaking, and his family the collection covers both his personal and professional life. In addition to the records created by McGuinness, there are also records created and collected by a variety of his relatives (on both sides of the family), as well as correspondence from his readers. The collection includes newspaper clippings, research materials, letters, certificates, scrapbooks, photographs, books, periodicals, pamphlets, sound recordings, artifacts, maps, newsletters, magazines, teaching materials, workshop materials, and financial records.

Because of McGuinness' wide-ranging interests, the records include a significant number of subjects, both within his own writing and correspondence, but also within his library. They would be of particular interest to researchers who share McGuinness' passions for local history and rural topics.

The scope and importance of McGuinness' work in the prairies also resulted in a number of noteworthy honors, in particular the Order of Manitoba and the Order of Canada. The collection contains materials related to both.

The Fred McGuinness collection consists of nine (9) series further divided into subseries, including: (McG 1) Personal papers; (McG 2) Newspaper career; (McG 3) Freelance; (McG 4) McGuinness research materials; (McG 5) Monographs; (McG 6) Broadcasts, lectures, workshops; (McG 7) McGuinness artifacts and sound recordings; (McG 8) McGuinness library; and (McG 9) McGuinness photographs.

See the Arrangement Note for a more detailed breakdown of the collection's arrangement.

#### Notes:

The description of the Fred McGuinness collection was made possible by financial assistance from: The Manitoba Government Department of Tourism, Culture, Heritage Sport and Consumer Protection through the Manitoba Heritage Grants Program & The Fred McGuinness Endowment for Rural Archives, Brandon University

Information for the history/biography was compiled by the Archives and can be found in the Fred McGuinness timeline containing footnotes (see the S.J. McKee Archivist). ## Rev. Elijah Daniel Pound collection

Description Level: Collection  
Accession Number: 7-2014  
GMD: multiple media  
Date Range: ca. 1914 – 1931; predominantly 1920s  
Physical Description: approximately 31 digital images (b/w)  
textual records  
Material Details: All records are reproductions. Photographs are digital scans.  
History /  
Biographical:

Reverend Elijah Daniel Pound (1881 – 1931) was a Brandon College alumnus and pioneer Baptist missionary tasked with opening the largest and most northern Baptist mission fields at Swan River and Bowsman, Manitoba.

Elijah D. Pound was born August 16, 1881, in Bayham Elgin County, Ontario, the second son of John and Rhoda Pound. Both Elijah and his brother, Orlo Lydia (b. February 12, 1880 – d. September 11, 1916), were trained in cabinetmaking but Elijah left the trade to enter the ministry, first at Woodstock Baptist College and then at Brandon College.

Pound was a student and boarder at Brandon College from 1910 to 1916 and again in the 1918-19 academic year. Brandon College registration cards identify Pound as an Arts student in 1912-13 and as a Theology student from 1913 onwards. On his Canadian Expeditionary Force (CEF) attestation papers, Pound identified the Brandon College COTC as his prior military experience.

Pound's name was listed in a Brandon Daily Sun article (26 April 1916) about five college students - Wallace Donogh, Norman McDonald, Frank Noble, James Rowell, and Herbert Staines – who withdrew from Brandon College examinations to head to Winnipeg to enlist with the 11th Field Ambulance Corps. Pound was reported to be joining them four days later.

In the interim, Pound married Bessie Lavinia Tolton (b. November 26, 1893 – d. August 11, 1987) on April 27, 1916, at her family home in Oak Lake, Manitoba. They would later have four children: John Henry Pound, Alberta Pound (Stevenson), Norman Elijah Pound, and Ernestine Pound. Pound's best man was Brandon College's COTC officer Sergeant Frederick Julian. Pound and his wife entrained to Winnipeg for a short honeymoon before he departed for service overseas. He formerly enlisted (regimental # 531794) with the 11th Field Ambulance Division in St. Vital, Manitoba, on May 1, 1916.

During the war, Pound's field ambulance cohort remained in contact while overseas and would often submit updates about each other to the Brandon College Quill; it was in The Quill that Pound was reported wounded and later invalided home. Pound was discharged from the CEF in May of 1918 after being deemed medically unfit.

After being invalided home, Elijah Pound was eligible to have his college expenses covered through the Department of Soldiers' Civil Re-Establishment Invalided Soldiers' Commission. He returned to Brandon College to complete his theology degree.

Prior to the war, Pound worked as a student Baptist preacher in the summers between College terms. In 1912, he preached in the district around Emmaville, northwest of North Battleford, Saskatchewan. After graduation, Pound became a travelling Baptist minister and lived in the Bowsman River (now Bowsman, Manitoba) parsonage with his family in the 1920s. He preached in the communities of Swan River, Bowsman River, Birch River, Lady Hubble, and Lenswood and was reported to have four other appointments in the Swan Valley. He also did missionary work north of Bowsman with the fishermen, lumbermen, and Aborigines. This territory was considered the largest and most northern Baptist mission field in Manitoba.

Rev. Elijah D. Pound passed away on February 11, 1931, at Deer Lodge Hospital in Winnipeg following a kidney cancer diagnosis (hypernephroma). The Winnipeg Free Press (14 February 1931) reported his funeral service would be held at the Broadway Baptist Church on February 14th followed by an interment at Brookside Cemetery (Plot D2-0661-0). Another Brandon College alumnus, Reverend Evan McDonald Whidden, was in attendance at Pound's funeral as part of the contingent of Winnipeg Baptist ministers.

After his death, the Pound Memorial Baptist Church was opened in Bowsman, Manitoba. The formal dedication was held on November 8, 1931, with Rev. Dr. Litch, superintendent of the Manitoba Baptist mission, and the Rev. and Mrs. Smith among the 200 participants in attendance. At the opening, Pound's widow gifted the Memorial Church with its communion table.

Custodial History:

The collection of digital images are from the Rev. E.D. Pound's family photo album titled, "1920 to 1930; Rev. E.D. Pound and Family; Bowsman River, Manitoba; Pictures of Family, Local Church Members & Friends, Lumbering, Fishing, & Travel." The photographs are in the possession Rev. E.D. Pound's granddaughter, Patricia Ann Pound Holl of Winnipeg, Manitoba, who is the daughter of Pound's third child Norman Elijah Pound. The records were passed down to her through the family.

Ann Pound Holl visited Brandon on September 9, 2014, to see the exhibition "Brandon College and the Great War" (September 1, 2014 to December 23, 2014) on display in the Tommy McLeod Curve Gallery at Brandon University's John E. Robbins Library. The photographs in this collection were digitized that day. Ann's grandfather, E.D. Pound, was referenced in a letter on display from the Department of Soldiers' Civil Re-Establishment Invalided Soldiers' Commission (dated February 17th, 1919) [RG1 Series 11 Military Training Box 1 File 14] as well as listed in the College's new nominal roll. She brought with her her grandfather's photo album, copies of E.D. Pound's papers, and the Tolton Family self-publication "The Two Who Made Us Tell" written by Lillian Tolton Smith.

#### Scope and Content:

The collection consist of copies of Rev. E.D. Pound's marriage, enlistment, and death records; copies of newspaper clippings pertaining to Pound's marriage and death; and digital copies of photographs originally taken while Rev. Pound worked as a traveling Baptist missionary in the Swan Valley mission field.

#### DIGITAL IMAGES

The digital images were selected from the Rev. E.D. Pound's family photo album titled, "1920 to 1930; Rev. E.D. Pound and Family; Bowsman River, Manitoba; Pictures of Family, Local Church Members & Friends, Lumbering, Fishing, & Travel" and pertain to Rev. Pound's marriage in 1916 before serving overseas with the field ambulance division and his life after the war in northern Manitoba as a travelling Baptist minister in the 1920s. Northern Manitoba images consist of scanned photographs depicting the Bowsman River parsonage and congregation, the Lenswood School congregation, the Birch River Pioneer Store, winter logging and fishing activities, Rev. Pound performing baptisms and open air services, and the Pound Memorial Baptist Church.

Date Range: 1976-2014  
Physical Description: 30 cm textual records

History /

Biographical:

Oriole A. Vane Veldhuis is the great-granddaughter of Percy Criddle and Elise Harrer Vane. She grew up on a farm in southwest Manitoba and received an education at Stockton school, Brandon College and Central Normal School in Winnipeg. Veldhuis balanced teaching at schools in Manitoba, Newfoundland and Ontario, with studying at MacDonal Institute in Guelph, ON and at the Centre for Christian Studies in Toronto for Diaconal ministry. Alongside her husband Art, Veldhuis served in United Church congregations in God's Lake Narrows, Holland and Winnipeg, MB, as well as Elmira, ON. Oriole and Art had four children together, whom they raised while she was working part-time and studying to receive her Bachelor in Education, Post Baccalaureate in Education and Master of Divinity.

Once retired from her teaching and ministry duties, Veldhuis shifted her focus to maintaining a promise to her father that she would try to uncover the mystery of his grandmother. Veldhuis self-published her discoveries regarding the secret life of Elise Vane and Percy Criddle in her book, *For Elise: Unveiling the Forgotten Woman on the Criddle Homestead*.

Veldhuis was awarded the Margaret McWilliams Award by the Manitoba Historical Society for best local history book in 2012. In 2016, her book was a finalist for the Whistler Independent Book Award in the non-fiction category. Three editions of the book have been published (2012, 2013 and 2014), as well as ebook and audio book versions.

Custodial History:

Records were collected and created by Oriole Vane Veldhuis during the research, writing and promotion of her book, *For Elise: Unveiling the Forgotten Woman on the Criddle Homestead*. They were donated to the McKee Archives in two accessions between 2014-2015.

#### Scope and Content:

Collection consists of the research materials that Veldhuis compiled between 2001-2012, in the writing of her book, as well as materials created and collected during the promotion of the book. The records deal with the relationships between different members of the Criddle/Vane family after they had immigrated to Canada and were living at their southwestern Manitoba homestead. The correspondence between Edwy Vane and his fiancée, Emily Steers, provides insight into the relationships between Percy and his illegitimate children. The records containing Elise Vane's homestead material shows Percy's loyalty to his agreement with Elise to provide for their children in his fight to ensure the government's approval of her homestead.

Collection consist of records - diaries, letters, homestead applications and files, and receipts, as well as addressed envelopes and postmarks - related to the Criddle and Vane families. Some of these documents are copies from materials held in the Archives of Manitoba, while others are copies of family records transcribed by Verna Vane Pannycok in 1976, and later given to Veldhuis. Other records were obtained from a private source and prepared by Oriole Vane Veldhuis.

The collection also includes two booklets containing Veldhuis's original and continued research. The first booklet outlines Veldhuis's motivation for beginning research on her great-grandmother's past, information on Elise that she received from relatives in Europe, and an account of Elise and Percy's years together before immigrating to Canada. The second booklet contains documentation of Veldhuis's travels in 2004 to Germany in search of further information on her German ancestors, as well as a general account of Heidelberg's history, and family trees for both the Veldhuis and Harrer families.

The collection also contains an article promoting For Elise in an issue of the Winnipeg Free Press (August 9, 2014), as well as two book reviews by Lois M. Wilson and Greg Pohl, an article regarding the Criddle Homestead by Neil Holiday, an interpretive trail brochure from the Criddle/Vane Homestead Heritage Committee, and a copy of For Elise (2nd edition).

Finally, the collection includes a DVD containing digital copies of Percy Criddle's diary from 1882-1918. The DVD contains 38 Word documents (one document for the London diary years [1876-1882] and one document per diary year for 1882-1918). It also contains the same diary entries broken down into three PDF documents: 1882-1890, 1891-1903 and 1904-1918. The original London diaries were transcribed by typewriter by Alma Criddle and converted into computer file by Myrna Paquette.

Notes:	History/Bio information was taken from the records. The copies of Percy Criddle's diaries in the collection contain minor changes from Percy's original hand-written diaries housed in the Archives of Manitoba. The copies of Elise Vane's Homestead files were obtained from the Archives of Manitoba and copied in the 1970s before they were converted to microfiche. Description by Caroline Stitt (October 2016)

### History /

#### Biographical:

Fleming School, located at 2320 Louise Avenue, Brandon, MB, was a part of the Brandon School Division from its creation in 1914 until its closure in 2005. The school was named to commemorate the life of pioneer Dr. Alexander Fleming. Fleming, who was a Scottish born immigrant, came to Brandon in 1881, where he worked as Brandon's first medical doctor and pharmacist. He also held the role of chairman for the Brandon School Board. Fleming died in Brandon on November 26, 1897.

Rapid population growth in the City of Brandon in the early part of the 20th century resulted in a need for additional school buildings; Fleming School was among the schools established during this period. Designed by W.H. Shillinglaw, the structure was constructed out of concrete, wood and brick, and included a basement. When the school first opened, it was composed of six classrooms; after two renovations in 1953 and 1962, the school expanded with more classrooms and a gymnasium. At the time of its closure, Fleming School could accommodate seven classes, covering grades kindergarten to grade six.

Around 2004, the Brandon School Division decided to close Fleming Elementary School. Prior to the closure a celebration was held on January 14, 2005, to honour the school's 90th Anniversary. Following the school's official closing, students were reallocated to Earl Oxford Elementary School (540 18th Street). Some of the former staff found work in other schools within the Division, while Craig Manson, the last principal of Fleming School, became principle of Green Acres Elementary School.

The building formerly used as Fleming Elementary School became a high school for the Sioux Valley Dakota Nation in late 2006. The Band bought the building in late 2010.

#### Custodial History:

Records were collected and created by Fleming School staff and administration, many for the 90th anniversary and closing of the school. Craig Manson, the last principal of Fleming School, gave the records to David Wilson, who donated them to the S.J. McKee Archives in 2015.

#### Scope and Content:

Collection consists of records that document the history of Fleming School. Many of the records were created and gathered specifically by Craig Manson and others for the school's 90th anniversary; on November 19, 2006 an ad written by Grant Hamilton was placed in the Brandon Sun with Jean Pickard asking for potential archives from Fleming School to be donated by contacting Keith Heide at the Brandon School Division. The archives were to be used in a display on education in Brandon to be located in the Town Centre in June 2007. Other records were collected and created by the school's staff and administration to document the activities and student of their school.

Textual records include newspaper clippings, staff and administration lists (1914-2005), programs, calendars, correspondence, anecdotes, as well as records related to the events surrounding the 90th anniversary and the closure of the school. The 90th anniversary celebration materials include Craig Manson's speech and agenda, the lyrics to the school song, and a list of people in attendance. The newspaper clippings, with capture the experiences of Fleming students, are evidence of the staff's interest in the lives of their current and former students.

Also included in the textual records is in depth genealogical research for the Fleming family. The research includes birth and death dates, photographs of grave sites and residences of Fleming family members, as well as some correspondence around the school's 90th anniversary. The photographs in the album include both originals and photocopies.

Photographs in the collection, like the newspaper clippings, document the activities and events of Fleming School, its students and staff. They include candid's from the classroom, various ceremonies (including the 90th anniversary), and the celebration of holidays (especially Halloween). There are also a number of class and staff portraits.

The collection also includes audio visual materials. The VHS recording entitled "Fleming School 90th Birthday Tea," runs approximately 75 minutes and was videoed by Ian Carkener. The DVD, which runs 42 minutes, was created by the staff and students for the 90th anniversary celebration. It has three components: "Through the Decades" shows students re-enacting school scenes from earlier decades; "Students at Work and Play," shows the 2004-2005 students in their classroom environment during holiday celebrations, school ceremonies and working on assignments; and "Reflections," which includes a slide show of photographs of Fleming School throughout the years set to music.

Finally, the collection includes four artifacts: one 90th anniversary celebration balloon with an image of the school building and the its years of operation printed on it; a school magnet with the school phone number and an image of the brick school building; and two pins. The first pin is circular with a black background and gold details including the school's name, three silhouettes and three maple leaves. The second pin appears to have a hornet or bee emblem with the number 72.

## History /

### Biographical:

Verda Joan McDonald (nee Peden) was born in Brandon, MB on May 2, 1934. She was the middle daughter of Bill, a school principal, and Phyllis Peden. McDonald attended school at King George, Alexandra (now Betty Gibson), Earl Oxford and Brandon Collegiate Institute.

In 1951, McDonald enrolled in the Bachelor of Arts program at Brandon College. A fellowship program from the local YMCA enabled her to teach gym and swim programs after school and on Saturday for a small salary, which enabled her and some other students to finance their education. She graduated in 1955 with a Bachelor of Arts degree. During her graduating year, McDonald served as Lady Stick for Brandon College; the title of Lady Stick was an elected position and an honour, and gave McDonald and the person elected Senior Stick, Frank McKinnon, the responsibility of leading the student council for that year. In 1956, McDonald obtained her Bachelor of Pedagogy degree, also from Brandon College, which allowed her to teach grades 1 to 12 in Manitoba.

Verda married her college sweetheart, Dick McDonald, on August 25, 1956, and the couple moved to Dauphin to teach at the Dauphin Collegiate and Technical Institute for two years. They returned to Brandon in September 1958, and Verda proceeded to teach at Brandon Collegiate, Neelin High School and Vincent Massey until December 1960.

When Dick finished his degree at Brandon College and started teaching, Verda stayed at home to raise their three sons, Rick, Paul and Daren. During this time she began her many years of volunteering within the community. She served seven years on each of the following three boards: The Brandon Schools Instrumental Music Association; The Brandon University Alumni Board; and The Board of Fairview Nursing Home. She became President of each board during her term.

McDonald supported her husband throughout his teaching and financial career, as well as his strong involvement in the Artillery Reserve Army with the 26th Field Regiment where he served as Commander and later Honorary Colonel. Both McDonald and her husband maintained strong ties with Brandon University and have contributed generously to funding campaign and scholarships. The Sports Wall of Fame in the Health Living Centre on the Brandon University campus is named in their honour.

In addition to their involvement with Brandon University, the McDonald's were members of the Kinsmen, K40 service club, golf and bridge clubs and enjoyed many years together in Brandon. They enjoyed going on cruise ship holidays and visited many countries together.

Since Dick's death in September 2015, Verda has tried to maintain her involvement in university activities. She continues to reside in Brandon, MB.

### Custodial History:

Records were created and collected by Verda McDonald during her years as a student and alumna of Brandon College/Brandon University. The records were stored in her home until their donation to the McKee Archives in 2015.

#### Scope and Content:

Collection consists of records dealing with Verda McDonald's experiences as a student and alumna at Brandon College/University. The majority of the collection contains records from the early 1950s during McDonald's college years (1951-1955). These records, which cover the social and athletic aspects of Brandon College in the 1950s, provide a detailed look at college student life during this time period. The collection also contains a small number of records (1955-2005), documenting McDonald's experiences as an alumna of Brandon College/University.

The collection consists of four scrapbooks, which contain photographs, newspaper clippings, graduation cards, lyrics for class songs, and programs for graduation banquets, school dances, graduation ceremonies and drama productions. The scrapbooks also contain ephemera such as sports emblems, table decorations, election paraphernalia. It also includes McDonald's oath of office from when she was sworn in as Lady Stick, as well as her acceptance speech from the same ceremony.

## History /

### Biographical:

Nadia Irene Lewis (nee Chernec) was born in Shoal Lake, MB on December 31, 1926. Shortly after her birth, Nadia was placed in the care of a nurse in Brandon, MB while her parents were attempting to set up a home in the United States. Her mother was a teacher and her father was in training to become a member of the Royal Canadian Mounted Police (RCMP), but because they were unmarried and had a child out of wedlock, they both lost their jobs and felt they needed to start a new life in a different place. As they were driving up the Brandon Hill, they were tragically involved in a three car collision, which killed them both.

The nurse caring for the newborn baby girl and a social worker from the Children's Aid Society assigned to the case decided to place Nadia in an orphanage in Brandon. During her stay at the orphanage, the caretakers named her "Katy" after a popular song of the day and discovered that she really enjoyed music. Nicholas and Maria Chernec adopted "Katy" from the orphanage when she was 3 1/2 years old, and in her brief autobiography, Nadia wrote that she suspected that Nicholas Chernec was her biological uncle (her father's brother). In June 1929, baby "Katy" was christened "Nadia Irene Chernec."

According to Nadia's autobiography, Nicholas Chernec urged his wife Maria to adopt the baby for three years as she remained in the orphanage. Maria had suffered a fall from a ladder during their marriage and as a result, was unable to have children. Maria "was often quite ill" and did not want to raise another person's child, but eventually she agreed.

Both Nicholas and Maria were of Ukrainian descent, and therefore Nadia was raised with a knowledge of Ukrainian traditions and within the Ukrainian community of Brandon, something that she embraced. Nadia grew up in Brandon's North End and graduated from the Normal School in 1945. She immediately began a teaching career that would last for 32 years, though she also worked in an office for three of those years. She married Alexander Mitchell Lewis on July 23, 1971 in Vancouver, BC. Alexander was a contractor and boat builder.

After Maria Chernec's death in September 1984, Nadia began correspondence with Oseredok, the Ukrainian Cultural and Educational Centre in Winnipeg, MB. She ultimately donated many traditional Ukrainian items to the Centre, including a painting much beloved by her father (who died in 1955) and garments handmade by her mother, thus preserving some of her family's cultural heritage.

As noted previously, Nadia loved music as a child and eventually learned to play the violin. She performed with several orchestras throughout her life, including the New Westminster Symphony and the Kitsilano Orchestra. In November 1998, she was diagnosed with trigeminal neuralgia, a neurological disorder that affects the nerves in the head. This disorder, which can cause unexpected and debilitating pain in the affected area, led to Nadia giving up driving, and ultimately, her violin playing. Through prescription drug experimentation under the supervision of her physician and neurologist, Nadia was eventually able to control the effects of the disease. Nadia Irene Lewis died on September 14, 2013 in Richmond, BC at the age of 86.

### Custodial History:

The collection was transferred to Ms. Lewis' lawyer after her death in 2013. The records were then given to Drew Mitchell, a distant cousin who had been named in her will. Mitchell donated the records to the McKee Archives in 2017.

#### Scope and Content:

The collection was created by Nadia Chernec Lewis throughout the course of her adult life and chronicles her activities from her birth in Manitoba, and moves to British Columbia, Nova Scotia, New Brunswick, New Zealand and finally back to British Columbia where she died.

Collection consists of an autobiography, her parents' biographies (written by Nadia), vital records related to her family, correspondence with classmates from the Normal School and Oseredok and many photographs of Nadia, her friends and family. Some of the photograph depict Brandon and Brandon's North End. Also included in the collection is a set of wooden rosary beads and a doll dressed in traditional Ukrainian garments, handmade by Maria Chernec.

#### History /

##### Biographical:

The Westman Oral History collection was a project of the Westman Oral History Association and ran from 1980-84. The Westman Oral History Association was created on August 12, 1980, by a steering committee of the Assiniboine Historical Society. The Oral History Association undertook a project called "Voices of Yesteryear." The project was created in order to record and preserve the lives and experiences of early settlers to the Westman area. Work began in 1981, and included interviews conducted with approximately seventy senior citizens from over twenty communities in western Manitoba. The Association held a training session for committee members on April 11, 1981, where 125 participants learned how to conduct an effective interview and how to operate the recorders used in the interviews. The chairman of the Westman Oral History Association was Effie McPhail, the coordinator was Sally Cunningham, and the secretary was Bob Coates. Some of the interviews recorded were used in the early months of 1982 on a local radio station, CKLQ, as part of a program called "Centennial Memories." The project resulted in the creation of the Westman Oral History Collection.

##### Custodial History:

This collection was accessioned by the McKee Archives in 1998. The original tapes from the Westman Oral History project were deposited in the Brandon Public Library. Copies of these originals were made by Margaret Pollex of the Brandon University Language Lab at the request of Eileen McFadden, University Archivist in the early 1990s. These copies compose the collection held in the McKee Archives.

##### Scope and Content:

The collection includes the audiotapes used to record the interviews, as well as corresponding files for each interview subject. The files contain facts about the interviewees, including date and place of birth, occupations, and marital status. The files also include a summary of the interview heard on each tape.

The interviews were done with men and women pioneers from the Westman area of Manitoba, and describe the daily lives of common people during the late-nineteenth and early-twentieth centuries. The topics covered in the interviews include the following: Agriculture, Associations and Clubs, Churches and Church Life, Cultural Events, Early Politics, Education, Health Services, Immigration, Local Businesses, Native-White Relations, Pioneer Settlements, Pioneer Way of Life, Social Life, Sports, Transportation, and War Brides. This collection includes interviews with residents from the following communities: Brandon, Boissevain, Brookdale, Carberry, Deloraine, Douglas, Elkhorn, Erickson, Forrest, Glenboro, Hamiota, Hartney, Justice, Kenton, Killarney, Melita, Minnedosa, Neepawa, Ninette, Oak Lake, Rapid City, Reston, Rivers, Shoal Lake, Sioux Valley Reserve, Souris, Strathclair, Virden, and Wawanesa. The interviews also disclose the unique experiences of pioneer women in rural areas. Many of the interviewees provide brief family histories during their interviews.

Notes: Some of the files include photocopied pictures of the interviewees.

History /

Biographical:

The Provincial Exhibition of Manitoba has been an institution almost as long as Brandon has been a city, although under the guise of several different names. The idea of an exhibition came from Charles Whitehead, who was the founder and first president of the fair. Whitehead was one of the earliest and most prominent businessmen in Brandon. The first Brandon fair was organized in October of 1882, by the Brandon Agricultural Society (BAS). The Board of Directors of the BAS offered up two hundred dollars in prize money, but poor weather and a subsequently small turnout of people and exhibits to the downtown location caused the fair to do poorly. Undeterred, the Board of Directors began to make plans for the second fair, in what was to become an annual event. This time, due to generous grants from the city, district, and province, the Board of Directors was able to purchase land just south of the city to hold the fair on and built a Crystal Palace to hold exhibits in. In October 1883, there were seven hundred and thirty entries, and the fair, the first to be held on the new fair grounds, was considered successful.

The Brandon Exhibition was not financially sound however, and by 1888, the Directors knew that major changes had to be made if they wanted to continue the fair. It was decided that October was not the best time to hold an agricultural exhibition because most farmers were in the middle of harvesting and did not have time to leave their farms for an exhibition. A decision was made to move the exhibition to the summer, when most farmers could get away for a few days. In July 1889, the first Brandon summer fair was held. The Directors had managed to revamp the fair in order to appeal to the wider public. The fair was a huge success, with both city and rural people attending.

The Board of Directors formally established the Western Agricultural and Arts Association (WAAA) in 1892 to take over management duties of the fair from the BAS. However, the first meeting of the WAAA was not until 1897. There is no explanation for the five year delay. The WAAA received generous donations from the various governments, and the citizens of Brandon. In 1897, the Board of Directors purchased another 42 acres of land from the city that was located beside the fair grounds. They erected a grandstand and new stables. Prize money was increased, there were special prizes offered for the first time, and special exhibition trains were available to transport fair goers at a reduced rate.

The 1897 fair was the major turning point for the Brandon exhibition. The fair appealed to both urban and rural dwellers. The Board wanted to put Brandon on the map, and accordingly, they brought forward events and entertainment that would do so. The first Traveller's Day, still running strong today, was put on in 1912. The parade associated with it was unlike any Brandon had seen before. Despite the attractions, carnivals and midways that were beginning to dominate the fair, organizers insisted that it was still primarily an agricultural event. The promotion of agriculture was still prominent at the exhibition. As local historians have written, "the exhibition symbolized the accomplishments and potential of the region, and encouraged all agriculturists to strive towards higher standards."

By 1912, all outstanding loans had been paid off, and the Board of Directors could boast an eleven thousand dollar surplus in funds. As well, the physical assets available to the summer fair were expanded dramatically in 1913. In 1913, Brandon was granted the honour of hosting the Dominion Exhibition. From the funding that came in for this prestigious event the Board of Directors was able to build a new grandstand, erect new display buildings, replace the racetrack, and generally expand and improve the fair grounds. Another 80 acres of land was bought from the city for the summer fair. The Brandon Dominion Exhibition was declared open on 15 July 1913 by Manitoba Premier Rodmond Roblin. Although it was a resounding success, the Directors ended up having to pay for parts of it out of their own pockets.

Canada entered World War One in the late summer of 1914. The WAAA reached an agreement with the military that the army could use the fairgrounds during the year if they allowed the WAAA use of the grounds for the fair week. Because of limitations put on the fair because of the war, the Brandon exhibition became more involved with the Western Canada Fair Circuit. This organization enabled the summer fair to join in the exhibitions that worked together to bring events like the midway to their exhibitions.

It was also during this time that moral reform became more prevalent in Canadian society. Due to this growing concern with moral purity and the desire for social reform, the Directors had to find ways to ensure that the summer exhibition did not cross the boundaries of good taste. There was a short-lived protest in 1913 against horseracing, but by 1916, then-president of the fair, R.M. Matheson, cast the tie breaking vote in favour of letting both the horseracing and the betting continue. By 1917, the Board had decided against allowing betting, but the horseracing was allowed to continue.

After the war ended, financial stress on the part of the winter fair brought forward a proposal to amalgamate the summer and winter fairs. The provincial government stated that they were interested in supporting an amalgamation, and the two fair boards resolved to consider the option. In spring of 1920, the winter fair backed out the deal because they felt they would lose out to the WAAA in the deal. Not to be deterred, the WAAA applied for incorporation with the provincial government. On 3 April 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba (PEM). In 1920, the official title of the summer fair was changed from the Inter-Provincial Exhibition to the Provincial Exhibition of Manitoba.

After incorporation the Board of Directors was increased to a membership of twenty. The provincial exhibition continued to increase and change with the times. The directors tried to make each fair interesting and stimulating for the people of Brandon and the surrounding areas. A Manitoba Government Building was opened in 1927, by Premier John Bracken, and an Automobile Building opened in 1927. By 1929, the Provincial Exhibition was one of the leading summer exhibitions in Western Canada. Unfortunately, 1929 was also the beginning of a decade-long Depression throughout Canada and the United States. The exhibition continued though, although at a less grandiose level. The exhibition was the site of some work relief programs throughout the thirties, but the grants were generally small.

It was also during the 1930s that people began wanting a change in the management of the Board. For many years, almost since the inception of the fair, the Board had been run by the same group of men who took turns in the various positions. In 1933, there were several men

brought forward to run against the Directors at the annual general meeting. A total of forty four nominations went up for the twenty positions. After the dust had settled, seven new faces took seats around the Directors table.

During World War Two, the Provincial Exhibition managed to continue. The Board made an agreement with the military that while their buildings could be used by the military during the war, the fair would be able to take control of the buildings for fair week. While the fair remained open, its exhibits were hampered by the war. In 1942, for example, the Wartime Prices and Trades Board declared that farm machinery could not be exhibited for the duration. This was one of the fair's bigger draws, and its absence was felt greatly. As another concession to the war, the livestock show had to be reduced from five days to three, although this decision was met by protest from many of the directors. Despite these impediments, the entries into the agricultural exhibits continued to increase. Horse racing, long a bone of contention among members of the Board was almost eliminated in 1942, but a compromise was made and the Directors allowed one day of racing at the 1943 fair.

After the war, the prize money increased by up to twenty-five percent in an effort to increase the number of exhibitors. Many new events were added to the fair roster, including an annual 4-H show and farm camps for children. A Trade Show was added in 1952 and became a large success. The fair always enjoyed support from the City of Brandon, although there were the occasional tensions between the two. In 1955 the Board approved a proposal by R.A. Hodges to sponsor a Dream Home contest. While the attraction was a big success, the Directors evidently did not receive the cut of the proceeds that Hodges had promised them. The fair Board ended up fifty-five hundred dollars in debt.

In 1958 an attempt was made to break the all male hold on the directorate. While no women were elected to the Board itself, a Women's Advisory Committee was created to provide input into fair activities. The original committee was made up of Mrs. D. Elviss, Mrs. D. Graham, Mrs. G. McRae, and Mrs. F. Heeney.

It was also during this time that the Board began to face more direct competition from Winnipeg. The Red River Exhibition had been operating for several years, and its Board of Directors wanted their exhibition to be admitted into the Western Canadian Association of Exhibition. This would not have been particularly good for the Brandon Provincial Exhibition. Partly due to the Brandon Board's vigorous protests, Winnipeg was only granted an associate membership.

By the end of 1958, the Brandon fair was once again facing financial difficulties. The Provincial Exhibition was at its peak at the end of the 1950s. By 1961 the fair recorded a net loss of sixty-five hundred dollars. Because of financial problems, the fair Board had to mortgage its property for \$50 000. As well, the Royal American Shows left Brandon for Winnipeg in 1966, leaving the Directors scrambling to find another midway. It took several years and several different companies before the Directors settled on the Conklin Brothers Shows. To make matters worse, the grandstand was condemned in 1974, leaving the fair without a place to hold its grandstand show. This show was replaced by the Western Canada Rodeo Circuit, in an attempt to regain patrons.

By 1966 both the summer and winter fair Boards had decided that one facility could be used to house both the summer and winter fairs. Both financially and practically, it became an increasingly good idea to merge the two fairs together. In 1969, the Provincial Exhibition of Manitoba and the Manitoba Winter Fair were amalgamated to become the Manitoba Exhibition Association. Ground was broken a few years later on the summer fair grounds, and by 1972, the Keystone Centre was open for business. The official opening was at the 1973 Winter Fair. From then on, the Provincial Exhibition, Royal Manitoba Winter Fair and, later, AgEx, were housed in the same building, and run by the same board of directors.
