Date Range: 1928-1932, others undated

Physical Description: 4 cm scrapbook

Material Details: 142 photographs (b&w)

33 clippings

Physical Condition: Many pages within the scrapbook are in fragile condition and some have come loose from the bindings. Several individual photographs have also become loose.

History /

Biographical:

Born Daniel Milton Kaufman in the Chicago area and a veteran of the Second World War, Kingsley completed his undergraduate degree at the University of Chicago and later his M. Sc. from Northwestern University before coming to Brandon College for the 1928-1929 academic year. Hired on a temporary basis to teach chemistry to replace a Mr Elsey, Kingsley came with good recommendations from Northwestern University in both teaching and laboratory management (The Quill, Sept. 27th, 1928).

In May 1929, Kingsley returned to the University of Chicago to continue his graduate studies (Brandon Daily Sun, May 21st, 1929). Following the completion of his M.D., Kingsley taught at LSU Medical School, Tulane University Medical School and Columbia-Presbyterian Medical Centre, New York City.

Moving to Alexandria, Louisiana in 1939, Kingsley's practice thrived as he was the only bone doctor in Central Louisiana at the time. Kingsley was known for operating free clinics at Huey P. Long Hospital and served as the orthopaedist for 35 years for the Louisiana Special Education Centre. For almost 50 years, Kingsley operated on children without charging for his services.

Kingsley helped found a non-profit rehabilitation centre for post-operative therapy for children with disabilities, called the Rapides Rehabilitation Centre, and served on its board for several years. He also served as president of the Rapides Parish Medical Society, chairman of the Rapides Parish Medical Society Medico-Legal Committee for 30 years, second vice-president of the Louisiana State Medical Society and president of the Louisiana Orthopaedic Association. Other organizations Kingsley was involved with include the American Academy of Orthopaedic Surgeons, Clinical Orthopaedic Society, American Association of Anatomists, American Academy for Cerebral Palsy, American Medical Association, Louisiana Orthopaedic Association, Rapides Parish Medical Society, the Southern Medical Association and as a founding member of the International Arthroscopy Association.

Dr. Daniel Kingsley passed away in June 1992 in Alexandria, Louisiana, and was survived by his wife, Mrs. Helen Wilson Kingsley, their two daughters Ann Lange and Katherine Kingsley, and their son Lawrence Kingsley.

Custodial History:

Records were created and collected by Dr. Daniel Kingsley during his time at Brandon University and then later during his travels, and subsequently stored by him after their completion. Following his death, the records were stored by his daughter Ann Lange at her home near Dallas until their donation to the McKee Archives in 2017.

Scope and Content:

Fonds consists of one scrapbook which contains photographs of Dr. Daniel Kingsley's time as a temporary faculty member during the 1928-1929 academic year at Brandon College. Many of the photos are labelled; They depict many events at Brandon College, including activities at the Brandon College Rink (outdoor) and a faculty hike. Others records show images of the City of Brandon at this time, including various street images, Dr. Kingsley's accommodations, the Brandon Mental Hospital and the Assiniboine River. The photographs provide insight into the life of a temporary faculty member at Brandon College during this period.

The scrapbook also contains many assorted photographs and clippings from his travels and life following his departure from the College. The majority of the fonds contains photographs and clippings from 1928-1932, with others being undated.

Notes:

History information provided by Ann Lange, daughter of Dr. Daniel Kingsley. Supplementary information provided by The Brandon Daily Sun and The Quill. Description by William Grant Jackson (September 2018).
