A commission to inquire into the formation and operation of the Manitoba Pool up until 1931. Charges were brought against the Pool by J.R. Murray, then Assistant General Manager of UGG. The four charges were, briefly: (1) producers had been misled into forming elevator associations, (2) members are bound by contract to the association, (3) financial statements sent out to associations are inaccurate, (4) Pool members are not getting as good a deal as they would on the free market.

The first two charges were deemed provable by the commission, while the last two were not. It was noted by the commissioner that no pool members had come forward with complaints.
