History /

Biographical:

See RG 6 Brandon University fonds, Series 7 Faculties and Schools, Sub-series 7.1 Faculty of Arts, Sub sub series 7.1.1 Dean of Arts for biographical information for Michael Blonar.

Custodial History:

Collection was in the possession of Dr. Michael Blonar until he donated the records to the S.J. McKee Archives in May 2002.

Scope and Content:

Collection consists of textual records and five microfilm reels related to Dr. Blanar's post-graduate research. It is assumed that the records were collected during the course of Blanar's research for his dissertation entitled "Early British Travellers in French Canada (1960)."

Textual records include three Dominion of Canada notebooks containing handwritten Saulteaux verbs, and animate nouns. Included is a dark red booklet titled "Ojibwe." The book contains Ojibwa translations of English words. The book comes from St. Peter Clavers Industrial School in Spanish, Ontario, and may have acted as an instructional book as it also contains French and English. Collection also contains a transcript of an Ojibwa dictionary and three file folders titled "Manuscripts," "John Long Research," and "Maps" which contain additional research material. Contents of "Manuscript" folder are original typed manuscripts. "John Long" and "Maps" file folders contain copies of materials held at Library and Archives Canada, as well as hand drawn documents and hand written documents detailing contents of folders.

In addition to the textual records there are five microfilm reels. Three microfilm cases are labeled "The British Reference Division," one case labeled "Public Archives Canada, central microfilm operations," and the last case is from an unidentified source labeled "Longs voyages and travels". Four of the five microfilm cases are also numbered. The British Reference Division microfilm case numbered "1346 i 43" contains a copy of a book titled "The Cacique of Ontario." British Reference Division microfilm case numbered "104706640" contains a copy of a book titled "The Four Kings of Canada." British Reference Division microfilm case numbered "9073279" contains a copy of a book titled "The Indians." The Public Archives Canada microfilm case numbered "c-3006" contains copies of original documents in French and English. Documents include letters, diary pages, maps, and business ledgers. Microfilm case labeled "Longs voyages and travels" contains a copy of a book written by John Long titled "Voyages and Travels of Indian Interpreter and Trader."

Notes: Description by Aaron McKay (October 2013). The Ojibwa language dictionary and notebook make references to Fredric Baraga (1797-1868), a missionary priest from Slovenia who recorded the Lake Superior Ojibwa language dialect. Baraga's findings were published into an Ojibwa language dictionary.

History /

Biographical:

Fleming School, located at 2320 Louise Avenue, Brandon, MB, was a part of the Brandon School Division from its creation in 1914 until its closure in 2005. The school was named to commemorate the life of pioneer Dr. Alexander Fleming. Fleming, who was a Scottish born immigrant, came to Brandon in 1881, where he worked as Brandon's first medical doctor and pharmacist. He also held the role of chairman for the Brandon School Board. Fleming died in Brandon on November 26, 1897.

Rapid population growth in the City of Brandon in the early part of the 20th century resulted in a need for additional school buildings; Fleming School was among the schools established during this period. Designed by W.H. Shillinglaw, the structure was constructed out of concrete, wood and brick, and included a basement. When the school first opened, it was composed of six classrooms; after two renovations in 1953 and 1962, the school expanded with more classrooms and a gymnasium. At the time of its closure, Fleming School could accommodate seven classes, covering grades kindergarten to grade six.

Around 2004, the Brandon School Division decided to close Fleming Elementary School. Prior to the closure a celebration was held on January 14, 2005, to honour the school's 90th Anniversary. Following the school's official closing, students were reallocated to Earl Oxford Elementary School (540 18th Street). Some of the former staff found work in other schools within the Division, while Craig Manson, the last principal of Fleming School, became principle of Green Acres Elementary School.

The building formerly used as Fleming Elementary School became a high school for the Sioux Valley Dakota Nation in late 2006. The Band bought the building in late 2010.

Custodial History:

Records were collected and created by Fleming School staff and administration, many for the 90th anniversary and closing of the school. Craig Manson, the last principal of Fleming School, gave the records to David Wilson, who donated them to the S.J. McKee Archives in 2015.

Scope and Content:

Collection consists of records that document the history of Fleming School. Many of the records were created and gathered specifically by Craig Manson and others for the school's 90th anniversary; on November 19, 2006 an ad written by Grant Hamilton was placed in the Brandon Sun with Jean Pickard asking for potential archives from Fleming School to be donated by contacting Keith Heide at the Brandon School Division. The archives were to be used in a display on education in Brandon to be located in the Town Centre in June 2007. Other records were collected and created by the school's staff and administration to document the activities and student of their school.

Textual records include newspaper clippings, staff and administration lists (1914-2005), programs, calendars, correspondence, anecdotes, as well as records related to the events surrounding the 90th anniversary and the closure of the school. The 90th anniversary celebration materials include Craig Manson's speech and agenda, the lyrics to the school song, and a list of people in attendance. The newspaper clippings, with capture the experiences of Fleming students, are evidence of the staff's interest in the lives of their current and former students.

Also included in the textual records is in depth genealogical research for the Fleming family. The research includes birth and death dates, photographs of grave sites and residences of Fleming family members, as well as some correspondence around the school's 90th anniversary. The photographs in the album include both originals and photocopies.

Photographs in the collection, like the newspaper clippings, document the activities and events of Fleming School, its students and staff. They include candid's from the classroom, various ceremonies (including the 90th anniversary), and the celebration of holidays (especially Halloween). There are also a number of class and staff portraits.

The collection also includes audio visual materials. The VHS recording entitled "Fleming School 90th Birthday Tea," runs approximately 75 minutes and was videoed by Ian Carkener. The DVD, which runs 42 minutes, was created by the staff and students for the 90th anniversary celebration. It has three components: "Through the Decades" shows students re-enacting school scenes from earlier decades; "Students at Work and Play," shows the 2004-2005 students in their classroom environment during holiday celebrations, school ceremonies and working on assignments; and "Reflections," which includes a slide show of photographs of Fleming School throughout the years set to music.

Finally, the collection includes four artifacts: one 90th anniversary celebration balloon with an image of the school building and the its years of operation printed on it; a school magnet with the school phone number and an image of the brick school building; and two pins. The first pin is circular with a black background and gold details including the school's name, three silhouettes and three maple leaves. The second pin appears to have a hornet or bee emblem with the number 72.

Notes:

History/bio information was taken from the records, as well as the Manitoba Historical Society's website (Alexander Fleming, Fleming School - accessed on September 30, 2016), the Brandon School Division website (Fleming School - accessed on September 30, 2016) and Grant Hamilton's article "Gathering school archives while they can" (Brandon Sun, November 19, 2006). School of psychiatric nursing (BMHC)

<http://archives.brandonu.ca/en/permalink/descriptions4066>

Part Of: School of Health Studies

Description Level: Sub sub series

Series Number: 7.5.4

Accession Number: 9-2000

GMD: multiple media

Date Range: 1900-1989; predominant 1920-1980

Physical Description: 3.85 m textual records; 880 photographs (220 negatives); 26 slides

Physical Condition: Good

History /

Biographical:

The Brandon School of Nursing was established in 1921, at the Brandon Hospital for Mental Diseases (hereafter B.H.M.D.). It was first alluded to in 1913, when the Superintendent of the B.H.M.D., J.J. McFadden, recommended it as a means of enhancing the reputation of the hospital. In 1919, the Canadian National Committee for Mental Hygiene released a highly critical report on the state of custodial institutions for the mentally ill in Canada that paved the way for reforms such as the establishment of psychiatric nursing schools. In 1920, the new superintendent, Dr. Charles A. Baragar, in his first annual report, again mentioned the need for trained nurses and instructional facilities in which to train them. Lectures began at B.H.M.D. in October of 1920 for attendants and nurses, but they were not compulsory and were not part of a formal program of studies. This was followed in 1921 with the establishment of the School of Nursing through which courses were offered beginning in 1922. The program consisted of a two year Mental Nurses Diploma Course, and a shorter "demonstrative" course that was required for all employees of the B.H.M.D. who elected not to enroll in the diploma course. The Class of 1923 was the first class of graduates from the Brandon School of Nursing. They were, by all accounts, the first graduates in all of Western Canada with a diploma in Mental Nursing. In 1924, wages at the B.H.M.D. were adjusted to take into account the completion of formal training in psychiatric nursing. In 1925, a short lived affiliation with the St. Boniface General Hospital in Winnipeg, that ended in 1927, was begun. That year also saw the beginning of a graduate studies course. In 1930, the diploma course grew to a three year program. In 1986, as many aspects of the B.H.M.D. - now referred to as the B.M.H.C. (Brandon Mental Health Center) - were phased out in favor of community based care, the B.M.H.C. School of Nursing was incorporated into Brandon University's School of Nursing, which began to offer a 2 year Post-Diploma Degree in Nursing and Mental Health.

Custodial History:

This fonds was accessioned by the McKee Archives in 2000. Prior custodial history is unknown.

Scope and Content:

Sub sub series consists of a collection of records dealing with the history of the School of Nursing at the Brandon Mental Health Centre. The records consist primarily of administrative documentation created by the school dealing with various internal issues, such as student recruitment, graduation services - including an almost complete collection of graduation programs - and records dealing with the behavior of the students. Administrative records also refer to external issues faced by the B.H.M.D. as a whole, such as its burgeoning patient population and the constant problem of adequate accommodations for patients, staff, and student nurses. The collection also includes staff recollections, and correspondence from within and from outside of the B.H.M.D. Also included are documents relating directly to the history of the School of Nursing and of the B.H.M.D. as a whole. A smaller amount of curriculum materials, including instruction manuals, notebooks, and hand-written lecture notes are also included. Publications from within the B.H.M.D., including "The Opinion" from 1970-1990, and the "The Ego" 1956 - 76 (seven editions) are also included, as well as a collection of outside publications dealing with psychiatric nursing, mental diseases, medical ethics, and heredity. Fonds also includes medical dictionaries and handbooks of different nursing institutions such as the Victorian Order of Canadian Nurses. Lastly, the collection includes approximately 880 photographs, 220 negatives, and 26 slides, that provide a graphic portrayal of the history of the Brandon Mental Health Centre.

Notes:

A detailed inventory for the textual records exists. An inventory for the photo collection is also available. The description for this sub sub series was written by Mike White (2002).
