### History /

#### Biographical:

See collection level description for history/biography information on Frederick George McGuinness.

Frederick George McGuinness' maternal grandparents were John POPE (b. 28 January 1852 – d. 24 January 1923) and Mary DARROCH (b. 24 May 1861 – d. 18 September 1942). Canadian Census records for 1906 show John was born in England and immigrated to Canada in 1870. Mary was born in Wellington, Ontario.

John and Mary married in Brandon on 11 July 1888. The POPE family was considered one of Brandon's pioneer families and all nine children were born in Brandon: Fred McGUINNESS' mother Isabella Louisa POPE, John "Jack" Stuart/Stewart POPE, Annie Ruby POPE, Alice Jane POPE, George Campbell POPE, Henry Victor James POPE, Roy Clendon POPE, Hugh Edward POPE (b. 23 February 1901 – d. 9 November 1904), and Albert William POPE (b. 1 April 1903 – d. 17 November 1904).

According to the Brandon City Henderson Directories, maternal patriarch John POPE worked as a bartender in the Brunswick Hotel (in 1906), the King Edward Hotel (from 1907-1911), and the Royal George Hotel (by 1913-14). He later became an employee at the Empire Brewing Company (1921). The 1901 Canadian Census records both his brother George (b. 23 October 1843), working as a contractor, and his sister-in-law Ella DARROCH (b. 16 August 1872) as living with the POPE family. It appears George stayed with the family for a decade.

Isabella Louisa POPE (b. 09 July 1889 – 16 December 1966) worked as clerk and stenographer with the Dominion Express Company between 1907 and 1909. It was there that she likely met her future husband, William Frederick McGUINNESS, whom she married in Brandon on 2 November 1910. The 1911 Canadian Census shows William, Louisa and their one-month old daughter Mary Charlotte living with Louisa's parents on 629 9th Street in Brandon. William was working as cashier with Dominion Express Company at the time. [See William Frederick McGuinness below for more information about Louisa and William.]

By 1916, the POPE family was living at 708 10th Street, while Louisa and William McGUINNESS were living at their home at 337 17th Street. All of the Pope brothers listed the Tenth Street address as their home and their military accomplishments are mentioned in Fred McGuinness' popular short story "The Button Bag" that was read on CBC's Morningside radio program and later published in his book *Letters from Section 17* (1999).

John "Jack" Stuart/Stewart POPE (b. 18 March 1891 – 5 March 1971) managed the Empire Hotel's News Stand in 1909. From 1913 to 1914, he was a clerk with the Grand View Hotel. Jack married Helen Frances FINNEGAN on 1 May 1914. On 7 November 1916, Jack enlisted with the Canadian Field Artillery's 76th Depot Battery in Winnipeg (regimental # 12501611). His attestation papers list his occupation as a packer, likely with the Empire Brewing

Company, a company to which he would return after the war. The 1921 Canadian Census lists Jack as single and living at his parent's Tenth Street home. By 1931, Jack was working as a foreman with the Empire Beverage Company. Jack's listings in Henderson's Brandon City Directories are sporadic throughout the 1930s and 1940s but it appears he was an employee with the Empire Beverage Company until 1941. Jack was listed as an engineer working at the Brandon Sanatorium from 1947 to 1949. Jack died on 5 March 1971 and was interred in the Veterans' Section of the Brandon Municipal Cemetery (Section 27, Block C, Plot 124); his grave marker affiliates him with the 181st Battalion.

Anna "Annie" Ruby POPE (3 August 1892 – 26 December 1971) was listed as a dressmaker in Henderson's Brandon City Directory for 1919. Shortly thereafter, she would become a long-term employee with Yaegers Furs (from 1921 onwards) working as an operator and fur finisher. After her father's death in 1923, Annie moved with her mother and brothers to 228 15th Street. She lived at that address until her death on 26 December 1971. She passed away in Yorkton, Saskatchewan (where her surviving sister Mrs. Alice Jane Murray lived), and was interred in the Brandon Municipal Cemetery (Section 6, Block B, Plot 11). The furrier Yaegers Furs Ltd. closed its shop early in her honour.

Alice Jane POPE (MURRAY) (b. 8 May 1894 – d. 11 May 1983) was a binder, folder, and stenographer with Cox Printing Copy from 1914 to 1919. She married Alexander Leo Murray on 8 October 1919 and moved with her husband, a butcher and grocery merchant, to Kenora, Ontario. Alice died in 1983 in Yorkton, Saskatchewan.

George Campbell POPE (b. 13 December 1896 – d. 3 September 1918) was listed as an employee of the Empire Brewing Company from 1913 to 1914 in the Brandon City Henderson Directories. His attestation papers identify him as a chemist's assistant. George had been with 99th Manitoba Rangers for six years prior to enlisting with the 181st Battalion on 12 February 1916 (regimental # 855132). Once overseas, George was transferred to the 44th Battalion. He was killed in action six weeks before the war's end on 3 September 1918. His Commonwealth War Grave is in the Chapel Corner Cemetery (Pas de Calais, France).

Henry "Harry" Victor James POPE (b. 15 February 1897 – d. 18 September 1952) was another Pope brother to work with the Empire Brewing/Beverage Company. Harry became a long-term employee of the brewer, working with the company from 1917 to 1951. During that time, the Brandon City Henderson's Directories list Harry as a bottler (1925-31) and Vice President (1933, 1941-45). He briefly left the company in 1945 to work as a foreman with the Bell Bottling Company, and again in 1952. Harry never married. He lived with his sister in their family home until his death in 1952. He is interred in the Brandon Municipal Cemetery (Section 6, Block B, Plot 63).

Roy Clendon POPE (b. 4 April 1899 – d. 03 March 1966) enlisted with the City of Brandon's 181st Battalion on 3 April 1916 (regimental # 865466). He listed his occupation as bridge builder on his attestation papers. Once overseas, Roy was transferred to the 44th Battalion. He would survive the war and was awarded a Military Medal on 3 July 1919. After the war he became an employee with the Canadian Northern Railway (CNR) (1921-23). Roy became a carpenter by trade (1925-1945). He served as the secretary to the Kinsmen Club from 1931-33 and worked briefly with the RCAF as a laborer in 1943. By 1949 he had a wife, Anne, and moved from his family home to live at 623 23rd Street. He worked as a clerk and caretaker of the Land Titles Office from 1951-54. Roy is buried in the Brandon Municipal Cemetery (Section 6, Block B, Plot 65).

Fred McGuinness' paternal grandparents were Frederick Anthony McGUINNESS (b. August 1857-1862 – d. 5 March 1933) and Anna Charlotte GALLAGHER (b. 19 September 1861/1863/1864 – d. 10 March 1948). Born to Irish parents, Canadian Census records list England (1891, 1901) and Newfoundland (1911) as birthplaces for F.A. McGuinness. He immigrated to Canada in 1864 or 1865 and married Charlotte GALLAGHER in 1882. His wife, Charlotte, was born in Ontario. The couple had four children: William Frederick McGUINNESS,

Ernest Albert McGUINNESS, Annie May McGUINNESS, and Frederick Gallagher McGUINNESS. The family moved to Manitoba in 1900 and while in Brandon, Frederick Anthony worked as a CPR conductor from 1906 to 1924/25. He would die in Brandon two weeks before his eldest son, William, succumbed to illness. He is interred in the Brandon Municipal Cemetery (Section 22, Block D, Plot 46).

William Frederick McGUINNESS (b. 22 August 1884 – d. 18 March 1933) was born in Ottawa and graduated with honors from the Willis School of Accountancy in that city. He moved with his family to Manitoba and worked as a cashier with the CPR Express Office from 1900 to 1905. From 1906 to 1911, he worked as a clerk with the Dominion Express Company. In 1910, William married Isabella Louisa POPE and they would have six children: Mary Charlotte, Dorreene Louise, Kathleen Ruth, Frederick George, Orma Grace, and Carol. From 1914-1919, W.F. McGuinness was the secretary-treasurer of the Hanbury Hardware Company; by 1921, he was the general manager. In 1925, W.F. McGuinness was manager of the Manitoba Hardware Company Limited and by 1927 he was the Company's secretary-treasurer. He was also a member of a number of service clubs and fraternal organizations. From 1919-1923, he served as a director of the Manitoba Winter Fair and Fat Stock Show, representing the Manitoba Poultry Association. He was also a Mason and was involved with Brandon's Council of the Board of Trade, Brandon Curling Club (1927 treasurer), and the Lawn Bowling Club. W.F. McGuinness passed away at the age of 49 after suffering from an infection for eight months, a complication resulting from influenza. He is interred in the Brandon Municipal Cemetery (Section 22, Block D, Plot 48).

While in Brandon, Ernest Albert McGUINNESS (b. 10 July 1886 – d. 30 August 1943) worked as a CPR ticket agent from at least 1906 to 1916. He was also a well-known baritone in the community. Ernest married Evelina G. DOLMAGE in Souris on 7 August 1912. They would have three daughters: Anna Charlotte, Maire, and Mrs. Edward May. Ernest moved to Winnipeg with his family in 1916 and lived there until his death in 1943. He is interred in the McGUINNESS family plot in the Brandon Municipal Cemetery (Section 22, Block D, Plot 48).

Annie May McGUINNESS (b. 23 December 1888 – d. 23 March 1948) was born in Carleton, Ontario. She worked as a laundress at the Brandon Asylum in 1907. She became a stenographer and worked with a number of firms, including George White Sons and Company in 1913, A.G. Buckingham in 1917, Coldwell Coleman and Kerr from 1919-43, and Kerr, McQuarrie & Meighen in 1945. Annie was a member of the First Presbyterian Church and a charter member of the Heather Club. She died in Brandon at the age of 59, and was interred in the Brandon Municipal Cemetery (Section 22, Block D, Plot 22).

Frederick Gallagher McGUINNESS (b. 1891 – d. 23 May 1968) was born in Ottawa, Ontario. While in Brandon, he was a student (1911) and secretary of Boys' Work for the YMCA in 1913. He moved to Winnipeg where he graduated from the Manitoba Medical College in 1917. On 3 December 1917, Lieutenant F.G. McGuinness enlisted with the Canadian Army Medical Corps in Winnipeg. He served in France with the Royal Army Medical Corps and was a Medical Officer attached with the Ninth Royal Irish Fusiliers. Lt. McGuinness survived the war and returned to Winnipeg where he married Myrtle Eva WHITE in Winnipeg on 12 September 1922. They would have a son Jim "Jimmy" and a daughter Elizabeth (SHANNON). Dr. McGuinness practiced in Obstetrics and Gynecology and taught at the University of Manitoba's Medical School from 1923 onwards. He was instrumental in helping his nephew, Frederick George McGUINNESS return to school after he was injured in the Second World War. Dr. McGuinness died in Winnipeg at the Deer Lodge Hospital following a lengthy illness.

Frederick George McGUINNESS had five sisters, three older and two younger. The eldest sister, Mary Charlotte McGuinness (b. 1 May 1911 – d. 02 December 1973), was born in Portage la Prairie. While in Brandon, she worked as a music teacher from 1937 to 1943 and was an organist with Knox United Church from 1941 to 1943. ## History /

### Biographical:

In addition to his personal library, Fred McGuinness maintained extensive files on numerous topics/subjects containing newspapers clippings, magazine and journal articles, letters of correspondence, photographs, pamphlets, etc. He accumulated his local history materials by personally collecting newspaper, books, and magazine articles; by readers' forwarding materials for his interest; and from workshop participants submitting memoirs and personal narratives for his interest, review and feedback. McGuinness continued to add to his "topic" files throughout his lifetime.

Usually McGuinness kept his research materials and communications together for his respective writing assignments, however, he would often use the same research materials to write on similar topics that appeared in a number of different publications. McGuinness likely used his local history research materials for his Brandon Sun Sunbeams and Diary columns, his monographs, and possibly for his Local History Style Guide (1984), as well as in his memoir writing workshops. For his column writing, particularly for Neighborly News, McGuinness created file folders on particular topics. These held newspaper clippings collected from the prairie weeklies and once a folder was full, he wrote about the subject.

Fred McGuinness' public speaking and broadcasting career began after he enrolled at St. Paul's College, which was affiliated with the University of Manitoba. From 1943 to 1946, McGuinness served on the student union's Public Relations Committee; in 1945, he became chairman of the Radio Subcommittee working as the Director of the University Radio Series where he was responsible (i.e., writing, casting, directing) for a half-hour Saturday afternoon radio programme. That same year, the President of the University of Manitoba recommended McGuinness as a speaker for the War Finance Committee in the Winnipeg Area.

In 1946, McGuinness moved to Port Arthur to work in public relations with the Wartime Prices and Trade Board. That same year he married his wife Christine. In 1947, the couple returned to Winnipeg, when McGuinness took a job as a Public Relations Officer for the National Employment Service's Unemployment Insurance Commission (UIC). While employed with the UIC, McGuinness travelled the summer fair circuit with displays promoting the UIC and its benefits. During that time, Royal American Shows also hired McGuinness as its Director of Publicity and Exploitation while the show toured with the fairs on the Canadian prairies. McGuinness also sold his first manuscript to the CBC in 1947, recording a 14-minute broadcast titled the "Class A Circuit" about the Royal American tour, after his summer fair schedule concluded.

McGuinness continued his work with Royal American and the UIC until he accepted a position with the Saskatchewan government in 1952 to promote its upcoming 1955 golden jubilee. His experience with the Saskatchewan Jubilee preparations lead to McGuinness being appointed as a provincial representative to the Canadian Centennial Commission in 1963; an appointment that had McGuinness delivering speeches provincially and internationally.

After the jubilee, McGuinness accepted a position with The Medicine Hat News in Medicine Hat, Alberta. During his decade with that newspaper as a journalist and publisher, McGuinness was heavily involved with the Chamber of Commerce and community service organizations. His position within the community had him delivering talks to many local groups.

At the beginning of 1966, McGuinness started his new appointment as manager of the newly formed personnel and information branch for James Richardson and Sons Ltd. whose head offices were in Winnipeg. At that time McGuinness was developing broadcast scripts for the CBC in earnest. McGuinness left Richardson and Sons in the fall of 1966 to become the publisher and vice-president of the Brandon Sun newspaper in Brandon, Manitoba.

In the 1970s, McGuinness was writing copy for CBC's Radio Noon and Information Radio, as well as producing Ashgrove Farm, a CBC radio drama. By 1980, McGuinness was hosting the CBC Radio broadcast Neighborly News from the Prairies. The radio program was cancelled by the CBC in 1983, but was reincarnated with Altona broadcaster CFAM later that year with McGuinness at the helm. The radio show ended its run in the summer of 1987. McGuinness continued working with the CBC, and is popularly known for his work as the prairie essayist for CBC Radio's Morningside with Peter Gzowski, a position McGuinness held for 17 years.

During his twenty years with the Sun, McGuinness took an active roll in the community and cultivated his interest in local history. Consequently he was invited to guest speak and chair sessions on local history, rural development, and the economy while providing his personal insights as a newspaper publisher.

In the 1980s and 1990s, McGuinness co-taught an undergraduate journalism class at Brandon University with English Professor John Blaikie. McGuinness also delivered community workshops on memoir writing, a past time he continued until shortly before his death in 2011.

History /

Biographical:

#### EARLE PHILIP FORSHAW

Earle Forshaw was born in Brandon, Manitoba, on 26 September 1927. His mother, Maud Ethel Forshaw née Hicklings/Hickling (b. 07 April 1901 – d. 26 October 1927) died one month after Earle's birth at the age of 26 years. His father, Arthur Hugh Forshaw, married Gertrude Ethel Fallis two years later and the family would move to Winnipeg in 1932/33.

In 1944, Earle Forshaw graduated from Gordon Bell High School in Winnipeg, Manitoba. He worked as a meatpacker with Swift Canada, a subsidiary of Swift Meatpacking Company, Chicago. Earle remained with the company until his retirement in 1984, by which time he was a branch manager of the Swift branch in Ottawa, Ontario. Earle moved back to Manitoba in 1985, first living in Winnipeg before settling in the resort community of Matlock, situated in the southernmost part of the Village of Dunnottar on the southwestern shore of Lake Winnipeg.

Earle Forshaw was married three times. He married Elizabeth "Betty" Anne Hamilton on 05 May 1951 in Winnipeg, Manitoba. They had one son, Tom. The Winnipeg Free Press published the couple's divorce decree on 21 December 1970. Earle married Margaret Clara Veale née Cousins (b. 19 August 1928, Winnipeg – d. 10 September 1998) that same year. They would remain married until Margaret's cancer-related death in 1998. The following year, Earle married Joyce Wilson née Mutton in Ontario on 28 December 1999. They currently reside in Matlock, Manitoba.

Like his father and grandfather, Earle Philip Forshaw is a Free Mason. He received a 33rd degree membership in the Ancient and Accepted Scottish Right (honorary degree), a position he has held for more than 50 years. Earle has received two medals from the Free Mason's for his half century of service to the society. Earle is also a Shriner and a member of the Royal Order of Scotland.

#### ARTHUR HUGH FORSHAW

Arthur Hugh "Hughie" Forshaw (b. 09 July 1899, Lancashire, England – d. 02 June 1976, Winnipeg) enlisted with the Canadian Expeditionary Force Overseas 181st Battalion on 21 March 1916 in Brandon, Manitoba. Although he claimed to be 18 years old at the time of enlistment,\* his attestation papers stated he was not to head overseas until he was 19 years of age.

\*It appears Pte. Forshaw may have lied about his age when he enlisted. According to the Lancashire Anglican Parish Registers (Preston, England), Arthur Hugh Forshaw was born 09 July 1899 in the Skelmersdale Parish in Lancashire, England, not on 02 June 1898 as stated on his attestation papers.

At the time of enlistment, Hugh lived with his family in Brandon, Manitoba, residing at 126 – 22nd Street. The 1916 Canadian Census lists his father, John, as a carpenter who had immigrated to Canada in 1905. Arthur and his mother, Sarah Forshaw née Edden, immigrated the following year and the Forshaw's would have at least three more children, Rohda/Rhoda Elizabeth (b. 27 June 1908), Phylip/Philip Roy (b. 24 January 1911), and Irene Margaret (b. 1916).

After the war, Henderson's Brandon City Directories list Arthur Hugh as a clerk at the Union Bank of Canada in Brandon. By 1925, Hugh was working as a clerk with Imperial Oil. According to his obituary, he would remain with the company for 37 years; he was a supervisor before retiring in 1960.

Hugh married Maud Ethel Hickling (b. 07 April 1901 – d. 26 October 1927) in Brandon, Manitoba on 22 November 1922. The couple had two sons, John “Jack” Hugh (b. 05 May 1923, Brandon – d. 17 May 1962, Winnipeg) and Earle Phillip, (b. 26 September 1927, Brandon). A month after Earle’s birth, Maud passed away at the age of 26 and was interred in the Brandon Municipal Cemetery.

Hugh remarried on 10 August 1929 to Gertrude Ethel Fallis (b. 14 July 1908, R.M. Glenwood – d. 04 July 1994, Winnipeg) in Glenwood, Manitoba. The family moved to Winnipeg in 1933, where Hugh and his wife settled.

Hugh, like his father John, was a member of the Free Mason’s society and became a 32nd degree mason. He was a member of the Capitol Lodge AF and AM GRM No.136 and the Ancient and Accepted Scottish Right of Free Masonry Khartum Shrine Temple. He was also one of the five original members of the Khartum Shrine Orchestra.

Arthur “Hughie” Hugh Forshaw passed away on 02 June 1976 in Winnipeg, Manitoba, at the age of 76 years. He is interred alongside his second wife Gertrude in the Thomson in the Park Cemetery, Winnipeg.

The three colour photocopies are reproductions of photographs of the City of Brandon's 181st Battalion Band circa 1916 – 1917. Earle Forshaw's father, Arthur Forshaw (#865277), was a bandsman who played both the violin and trumpet with the 181st Battalion and is pictured in each of the photographs.

The photograph (13-2013.1) is of an 11-member chamber group featuring a female cellist and female vocalist. A.H. Forshaw is on the left-hand side of the back row wearing a military uniform with Canadian general service collar badges and holding a violin under his arm.

The photograph (13-2013.2) is of the 23-member 181st Battalion band. All the members are in uniform and sporting the 181st Battalion Cap badge. A.H. Forshaw is standing second from the right in the second row and holding a trumpet.

The photograph (13-2013.3) is of the 181st Battalion band at the Brandon Exposition in 1916 at the Summer Fair Grounds and grandstand.

Notes: Information in the history/biography was taken from the finding aid course assignment completed by Chris van Meijl for the Brandon University History Department's 54:437 Historical Methods and Historiography course (2013); Manitoba Vital Statistics Database; Canadian Expeditionary Force Attestation Papers for Arthur Forshaw (#865277); Canada 1916 Census; Henderson's Brandon City Directories from 1911 to 1933; City of Brandon GIS: Cemetery Map; FindaGrave.com; Lancashire Anglican Parish Registers. Phylip Forshaw's birth is registered under "Philip Roy Fershaw" in the Manitoba Vital Statistics Database. Maud Ethel Hicklings [sic.] death is registered in Manitoba Vital Statistics Database but her tombstone in the Brandon Municipal Cemetery reads "Hickling." Rohda [sic.] Elizabeth Forshaw's birth is registered in the Manitoba Vital Statistics Database and her name is spelled as such in the 1916 Canadian Census, however, the Winnipeg Free Press obituary (03 June 1976) for Arthur Hugh Forshaw spells her name "Rhoda."

The Brandon Manitoba: The Wheat City, published by Christies Bookstore is assigned a publication date of 1907 based on the construction of the Brandon Collegiate Institute

## History /

### Biographical:

Thomas Russell Wilkins was born in Toronto in 1891. He received his B.A. from McMaster University in 1912, and became the Science Master at Woodstock College the following year. In 1916, he and his wife Olive moved to Chicago, where Wilkins was an instructor of Physics at the University of Chicago. The next year he served as a master signal electrician in the U.S. Signal Corps. During World War I, Wilkins completed pioneer research for the United States Navy, which led to the development of pulse sonar devices in the 1920s. He had also been researching the possibilities of a wireless telephone.

Wilkins and his wife moved to Brandon in 1918, where he took up the position of Professor of Physics. During his time at Brandon College, Wilkins introduced the latest technology to classrooms, designed the original Science Building, and along with the Brandon Citizen's Committee, secured building funds for the Citizen's Science Building.

Receiving his Ph.D. from the University of Chicago in 1921, Wilkins resigned from Brandon College in 1925 to pursue postgraduate study at Cambridge University. In 1926, he began research at the University of Rochester, where he also took up the position of Professor of Physics. From 1930 to 1938, he acted as the Director of the Institute of Optics.

Widely known for his work in the fields of cosmic rays and atomic disintegration, in April 1939, Wilkins announced the perfection of a camera that was able to record the "footprints" of invisible atoms after they collide. In October 1939, he received a medal from the Royal Photographic Society of Great Britain recognizing his work regarding the use of photographic emulsions in the study of radium. The following year, Wilkins perfected a camera that could determine the energy levels inside the nuclei of stable chemical elements. He received a grant from Sigma Xi, the National Society for the Promotion of Scientific Research, in November of 1940.

Wilkins married twice. The first marriage, to Olive Angles Cross took place on June 17, 1913. Olive Wilkins died suddenly on May 13, 1937, at the age of 45. Wilkins married Susan Gwendolyn Whidden, the daughter of former Brandon College president Dr. H.P. Whidden, in 1938.

Thomas Russell Wilkins died suddenly of a heart attack on December 10, 1940, on his way back to his laboratory after a faculty meeting. He was 49 years old.

### Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

### Scope and Content:

T. Russell Wilkins' records contain correspondence between himself and Mrs. Wilkins and Dr. Whidden concerning their employment with Brandon College. There are letters between the two men regarding the building of the Science Building in 1920. There is also a copy of the Canadian Baptist. Besides programmes and a picture, there is also correspondence between various people. Dr. Wilkins kept the papers he had written for various classes at McMaster University in the years 1911 and 1912. There is a "toast to the ladies" that he delivered at a banquet of some sort, that gives an interesting view on how Wilkins, and possibly other men of his time, viewed women. There are numerous newspaper clippings, and several pages taken from journals such as Popular Mechanics, Popular Electricity and others. Dr. Wilkins was at the top of his field of study. He was an extremely bright man who managed to create some very useful tools of science. His papers are interesting and informative to read.
