BRANDON COLLEGE BUILDING

The construction of the Brandon College Building, also known as the Original Building, was primarily financed by Mr. and Mrs. William Davies, a Toronto based Baptist meat packer, and his sister Mrs. Emily Davies, also of Toronto, who pledged \$5,000 a year for five years to the new Baptist College. Four city blocks between 18th and 20th streets were purchased for the College campus and the tender of Messrs. T.M. Harrington of Winnipeg was accepted in the spring of 1900; Mr. Hugh McCowan of Winnipeg appointed as architect. Mrs. Davies laid the cornerstone for the Brandon College Building on July 13, 1900.

The Brandon College Building was conceived as a substantial five story brick structure with a stone basement. The Tyndall Manitoba quarries, located thirty miles northeast of Winnipeg, supplied the stone and presented the College with the stone steps at the main entrance. The basement contained the dining room, kitchen, laundry, furnace room, a science laboratory, and maids' rooms. The first floor housed the reception room, office, library, four classrooms and the teachers' cloak rooms. The second floor had five classrooms, a reading room, five rooms for resident students and a resident teacher. Teachers' rooms and seventeen rooms for students comprised the third floor; and additional thirteen rooms for residents took up the fourth floor. The residence was to house 70 men. The total cost of the building and furnishings was \$44,000. The Brandon College Building was ready for occupancy by October 1, 1901.

CLARK HALL

The cornerstone of Clark Hall was laid by Mrs. A.P. McDiarmid, wife of the Principal of Brandon College, on May 24, 1906. The residence was officially opened on Thanksgiving Day, October 18, of the same year. The construction of the building grew out of a demand for a ladies' college. A canvass made in Eastern Canada had resulted in subscriptions totaling \$10,000. When Dr. McDiarmid reported the results of the canvass to the Chairman of the Board, Dr. C.W. Clark of Winnipeg, Clark proposed that he and his wife be allowed to provide the balance of the funds, some \$30,000. While presenting the building at the opening ceremony, Clark stated that the reason for his donation was his belief in the power of cultured womanhood - he believed "that refined and Christian mothers were the strength of a nation and that he wished to see in Brandon a school of learning for women in which every Christian virtue and grace might be illustrated."

Clark Hall was built immediately north of the Brandon College Building and was connected to it by classrooms and the iron door with its door bell, which was rung by gentlemen before being admitted. It is a five story brick building, with fittings of imported Georgia pine. In the basement was the gymnasium, studios and maids' rooms. On the main floor was a spacious reception room furnished by the Honorable A.C. Rutherford, the Premier of Alberta and the Lady Principal's suite, furnished by Mrs. N. Wolverston, wife of the treasurer of the College Board. Music studios and the offices of the resident matron were also on the main floor. The second and third floors were dormitories. The fourth floor was meant to be art studios, but due to registration demands, it was divided into students' rooms. The residence was designed to

house fifty students and seven teachers. Piano practice areas were also designated on the west side of the building and on the groundlevel half way between the basement and the first floor.

BRANDON COLLEGE BUILDING AND CLARK HALL RESTORATION PROJECT

By the early 1990s, it was clear that major reconstruction work on the Brandon College Building and Clark Hall was necessary if the buildings were to remain in use. The alternative was to demolish both buildings and construct a new central administrative structure for the campus. Because of the historic character of the two original campus buildings, the decision was taken to mount a complete restoration of the structures that involved a complete removal of everything except for the surrounding brick facade and the construction of new buildings within the old external walls. This project was financed by the Provincial government of Manitoba, who granted the University approximately 10 million dollars. The Chief Architect for the restoration was George Cibinal. Work began in 1996 and was completed by the fall of 1997. In addition to the restoration of the Brandon College Building and Clark Hall, a new entrance was built on the west side of the buildings, as well as an addition to Clark Hall, which included a skywalk connecting it to the A.E. McKenzie Building.

Scope and Content:

Sub-series consists of photographs of the Brandon College Building and Clark Hall.

Notes: History/Bio information was taken from Brandon College: A History, 1899-1967 by C.G. Stone and F. Joan Garnett (Brandon, Manitoba: Brandon University, 1969), chapters 2 and 3. Tom Mitchell provided history/bio information on the restoration project.

Robert Troy Blair fonds

Part Of: RG 1 Brandon College fonds

Description Level: Sub-series

GMD: multiple media

Physical Description: 2 scrapbooks (7.5 cm)

Physical Condition: Excellent

Robert (Bob) Troy Blair was born on March 11, 1930 in Brandon, MB. His first six years were spent in Alexander, MB, where his father and uncle operated a grocery store. In 1936, his family moved to Souris, MB, where his father ran a grocery store. Blair received his primary and high school education, with the exception of Grade 12, in Souris.

Blair remembers his school years in Souris as mainly happy years. He was involved with both piano and organ music lessons. He was never interested in physical sports with the exception of golf. World War II broke out in September of 1939. Souris became the site of #17 SFTS and home base for the British Commonwealth Air Training Plan. Many of the service men came from England, Australia and New Zealand. Blair's mother always entertained at least two for dinner every Sunday. Rationing of sugar, tea and coffee, butter and meat became a way of life. Blair had the job every Saturday of pasting the ration coupons into booklets. It was also when he was in Grade 6, that Blair realized he was more attracted to boys than to girls. Perhaps it was because so many attractive airmen surrounded him!

In November of 1947, the Blair family relocated to Alexander where Bob Blair finished his Grade 11. This was not a good year due to bullying. In September of 1948, Blair moved to Winnipeg to attend United College for his Grade 12. Upon completion of Grade 12, Blair remained in Winnipeg until June 1950. He worked at a number of businesses - Gestetner, Eaton's Mail Order shoe department, Maple Leaf Milling, and the drug store in the Medical Arts Building. In September 1950, he entered Brandon College. Blair was very active in extra-curricular affairs while at Brandon College; particularly drama. Following his B.A. he enrolled in the Education Faculty, having decided to become a teacher.

Blair's teaching career spanned 34 years. All but one year was spent in the Brandon School Division. On his first day of teaching in the Division he met the man with whom he would spend the next 46 years. He was primarily a teacher of English and Music. A highlight of his career was exchange teaching in Sacramento, California in 1961. Orientation for exchange took place in August in Washington, D.C., where Blair had the opportunity to meet President J.F. Kennedy. He vividly recalls the morning that JFK was assassinated on November 22, 1963. In September 1965, Blair assumed the principalship of Park School and in September of 1969, the same position at George Fitton School where he remained until his retirement in 1989. He was a member of the Brandon Principals' Association, the National Association of Elementary School Principals, and served as President of the Brandon Teachers' Association. Among his major accomplishments during his time as principal were the introduction of a centralized school library in both Park and George Fitton Schools and the integration of special needs students into regular classroom situations wherever possible. He was made a Life Member of the Manitoba Teachers' Society (Brandon) in June 1990. Following his retirement Blair worked as a Library Automation Consultant (1989-1993).

Blair also had numerous community involvements during his time in Brandon. He was active in the Brandon Little Theatre (Best Actor Award, Manitoba Drama Festival for One Act Plays in 1963), the Brandon Festival of the Arts, the Eckhardt-Gramatte National Music Competition, and Arm Industries to name a few.

Following the death of his partner in 2001, Blair moved to Saskatoon to live with a younger gay couple. He has been active in volunteerism: as an Ambassador for the Saskatoon Airport Authority, assistant with the Saskatoon Health Region's Immunization Clinics, information clerk for the Festival of Trees, data entry clerk for the Saskatoon Music Festival, on the Board of the Saskatoon Jazz Society, and Hospitality Coordinator for the Saskatoon Jazz Festival.

As of October 2013, Bob Blair continues to live in Saskatoon, SK.

Custodial History:

Records were in Blair's possession until he donated them to the McKee Archives on Homecoming weekend October 2013.

Scope and Content:

Fonds consists of two scrapbooks containing 145 photographs and ephemera (play and graduation programs, tickets, pins, newspaper clippings) documenting Bob Blair's days at Brandon College. Social events and extra-curricular activities are heavily featured in the two scrapbooks. Also included are graduation portraits for the Classes of 1951, 1952 and 1953. Of the 145 photographs all are black and white except for two photos of the Class of '53 reconconvocation (May 1993), and one from the Class of '53 reunion (2003).

History /

Biographical:

In November 1966, McGuinness was hired as vice-president to the Brandon Sun. He moved to Brandon with his family and had a career with the paper until his death in 2011. During his years with the Sun, McGuinness wrote a tri-weekly "Sunbeams" (sometimes spelled "Sun Beams") column using the nom-de-plume F.A. [Fifth And] Rosser. Sunbeams was similar to McGuinness' "Lighthouse" column for The Medicine Hat News; commenting on a variety of current events, Sunbeams also included book reviews, local events, and reminiscences.

Upon his retirement in January 1987, McGuinness was made publisher emeritus of the Brandon Sun. A week after his retirement, he began writing a new column for the Sun, called the "Diary." Initially a bi-weekly column, which was made into a weekly column in 2009, McGuinness continued writing the "Diary" until his hospitalization in 2010. The Diary column was primarily a historical retrospective of Brandon, although it also touched on broader topics of interest to McGuinness during the time period.

Custodial History:

Accession 1-2015 contains records created and collected over the course of McGuinness' career as a newspaper journalist and freelance writer. The Estate of Fred McGuinness donated the materials to the SJ McKee Archives circa 2011. The Archives accessioned the records in 2015.

Scope and Content:

The subseries contains records created and collected by Fred McGuinness during his time as a journalist, editor, and freelance writer with the Brandon Sun. The records consist of scrapbooks of Sunbeams columns, Sunbeam drafts, Diary drafts, article proofs, column research, and correspondence.

Physical Description: Approximately 6 cm of textual records
History /
Biographical:

These records were produced between 1987 and 1988, the researching and writing period for *The Wheat City: A Pictorial History of Brandon* monograph. Published in 1988 by Western Producer Books (Saskatoon, Saskatchewan), *The Wheat City* is a 117-page soft cover book, containing black and white images.

Western Producer Books pitched the book's concept to Fred McGuinness in the fall of 1987. This book was part of the publisher's "city series" which focused on smaller cities such as Medicine Hat and Prince Albert. It was estimated that the book would contain a 6,000-word introduction followed by approximately 80 archival photographs of Brandon spanning from early settlement to the late 1950s/early 1960s.

Brandon University history major Pam Svistovski worked as McGuinness' research assistant and McGuinness obtained images for the book from his own personal collection, the Brandon Sun, Lawrence Stuckey, the Archives of Manitoba, and the Western Pictorial Index.

Custodial History:

Records were collected and created by McGuinness during the writing phase of the monograph *The Wheat City*. The materials were donated to the SJ McKee Archives by the Estate of Fred McGuinness circa 2011. The Archives accessioned the records in 2015.

Scope and Content:

The subseries consists of textual records and photographs created and collected during the production of the monograph *The Wheat City*. It includes correspondence, newspapers articles, drafts and black and white photographs from the Archives of Manitoba, Western Canada Pictorial Index, and *Illustrated Souvenir of Brandon*.

History /

Biographical:

Thomas Hector MacDonald McLeod (Tommy) was born in Weyburn, Saskatchewan in August 1918. During his youth in Weyburn, McLeod was a member of Tommy Douglas' Baptist congregation; it was Douglas who encouraged McLeod to attend Brandon College. McLeod attended Brandon College from 1937 to 1940. While there, he received scholarships in Bible, Economics, and General Efficiency, as well as receiving the Medal in Sociology during his final year. Following graduation in 1940, McLeod studied economics at the University of Indiana, receiving his M.A. in 1941. Later that year he returned to Brandon College to teach economics and sociology. From 1941 until 1944, he also acted as the Resident Master. He remained at Brandon College for three years. McLeod married Beryl (Pentland) Thompson c. 1943 and together they had five children: Beth, Ellen, Ian, Brian and Morna.

Following the election of Tommy Douglas as Premier of Saskatchewan, McLeod was employed in a variety of senior positions in the Saskatchewan civil service. In 1952, McLeod was named the Dean of Commerce at the University of Saskatchewan, Regina Campus.

In 1961, he served as the Chief Consultant (Ford Foundation) to the Turkish Government. In 1962, McLeod was the supervisor of an eight man team advising the Iranian government on Economic Planning Activities. He has also served as a Special Advisor in Public Administration and Higher Education for the Canadian Development Agency.

In 1963, he became the chairman of the Saskatchewan Royal Commission on Taxation. McLeod accepted the position of Dean of the College of Arts and Science, Regina Campus at the University of Saskatchewan on May 15, 1964. In May 1965, he became Vice-Principal of the University of Saskatchewan, Regina Campus.

McLeod had a Ph.D. in Government and Economics from Harvard. As well, he was a past recipient of the Vanier Medal (1971) for outstanding contribution to public administration in Canada. In 1987, McLeod wrote a book entitled "Tommy Douglas: the Road to Jerusalem." Also in 1987, McLeod was awarded an honorary degree from Brandon University. In 2003, McLeod was awarded the Order of Canada.

Thomas Hector MacDonald McLeod died on January 1, 2008 in Victoria, BC.

Custodial History:

McLeod donated a copy of the paper, subsequently published in Manitoba History, to the McKee Archives c. 1995.

Scope and Content:

Thomas McLeod's records consist of a paper written in 1995, entitled "S.J. McKee of Brandon College: A Biographical Note on a Man and an Institution." This paper is a brief history of Brandon College and S.J. McKee's role in the formation of it. Beginning with the foundation of the short-lived Canada Baptist College, as well as the foundation of the Canadian Literary Institute, McLeod traces the history of Baptists and higher education. The paper is a fairly good guide to researchers wanting to know a bit of the background behind Brandon College. The bibliography in the back also gives researchers several ideas on where to look for additional information.

Notes:

Obituary is in the January 5, 2008 Globe and Mail. H. Clare Pentland and Tommy McLeod studied economics together at Brandon College under W.T. Easterbrook, who later taught at the University of Toronto.
