Westman Recycling Council fonds

<http://archives.brandonu.ca/en/permalink/descriptions12346>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Fonds

Accession Number: 14-2011

GMD: textual records

Date Range: November 15, 1989 - March 26, 2009

Physical Description: 90 cm

History /

Biographical:

The Westman Recycling Council was started by a small group of avid recyclers with financial and volunteer help from the Kiwanis Club of Brandon, among others. Volunteers organized the first outdoor recycling depots in June and October 1989. The first event with recorded minutes was the first annual meeting, November 15, 1989.

The organization was incorporated in February 1990, and became a registered charity in 1995. The Mission Statement was: "to support and promote the reduction, re-use, and recycling of material resources for the benefit of Westman's environment and future generations."

The major partner in the work of the organization was the City of Brandon. In 2003, Westman Recycling, in partnership with the City, built a Material Recovery Facility (MRF) at the Brandon Landfill; Westman Recycling owned the building on the City-owned land. It was a \$4 million structure - financed by federal and provincial grants (about one-quarter of the total) and a mortgage (about three-quarters). Details are in the Board and other Committee minutes and agreements.

In late 2005, Westman Recycling faced a severe cash crunch - as a result of poor markets for recyclables, changes in support funding from the Manitoba Product Stewardship Corporation (MPSC), and a drop in public recycling levels. In February 2006, the City decided to sign a contract with another organization to operate the MRF; after that there appeared to be no role for Westman Recycling.

A general meeting on September 22, 2008 voted to dissolve the organization. At that meeting, the suggestion was made (agreed to by consensus) that the files of the organization be donated to Brandon University to be made available for researchers. A Board of Directors meeting on the same date voted to donate all remaining funds to a perpetual "Westman Recycling" fund with the Brandon Area Community Foundation.

A final wind-up meeting was held on March 26, 2009

Custodial History:

The organization was overseen by volunteers / volunteer Board of Directors. The files were first held by volunteers / Board members in their homes. In May 1991, the organization hired David McConkey as Coordinator / General Manager, who was directed by the Board to manage the files on a daily basis from that date forward.

The files were kept in the organization's rented office space in the 1300 block of Pacific Avenue from May 1991 to September 1992, and then in the rented space in the Massey building at 6th Street and Pacific Avenue. The files were kept at the new facility at the landfill from April 2003 to February 2006. They were then stored in the basement of the Marquis Project, 912 Rosser Avenue, until August 2011 when they were donated to the S.J. McKee Archives, Brandon University.

Some files (e.g. minutes from 1995-96) were found to be missing entirely. Other files were disposed of by recycling and/or shredding as they were judged to be confidential (e.g. personnel), of an ordinary business nature only (e.g. invoices), or not useful for future research (e.g. extra copies, routine correspondence, building and equipment plans and other arrangements).

Scope and Content:

Fonds consists of records that document the origin, activities, demise, and legacy of the Westman Recycling Council. Records include minutes, financial summaries, scrapbooks, newsletters, brochures, media clippings, photographs and miscellaneous documents related to the construction in collaboration with the City of Brandon of Brandon's principal recycling facility.

History /

Biographical:

The Brandon College/Brandon University Women's Auxiliary was founded on February 17, 1955, with the purpose of a) foster[ing] good public relations between the university and the community, and to stress the importance of Brandon University to Western Manitoba; b) to gain a better knowledge of the functioning of Brandon University and; c) to improve the surroundings of the College/University's students and the university at large. They were to hold four regular meetings per annum, with an annual meeting in April, and one fund-raising tea a year. The organization raised money through these teas, as well as through receptions, with the intention of donating to the college/university and surrounding community, contributing to the furnishing of residences and offices at the college/ university, as well as facilitating an annual community visitation day for the public to tour the university. The organization's name was change from the Brandon College Women's Auxiliary to the Brandon University Women's Auxiliary along with the renaming of the school itself on July 1, 1967. The organization was sometimes referred to simply as the Women's Auxiliary.

The Auxiliary was run by an elected President and Board of Executives. Its members, who were all mothers of Brandon College/Brandon University students, paid an annual membership fee. Subcommittees within the organization included those in charge of social organization, membership management, program management, phoning management, press and publicity management and project management; all of these were fronted by their own individual leaders from within the members, under the board of executives. The organization ceased meeting in 1975; the minutes from the final meeting reference difficulties filling executive offices before a motion was carried to disband.

Custodial History:

Records were created and held by the Brandon College/Brandon University Women's Auxiliary until their dissolution on October 23, 1975, when a motion was passed to move the records to the McKee Archives.

Scope and Content:

Fonds consists of records that relate to the organization of and activities coordinated by the Women's Auxiliary, as well as records detailing the contribution that the organization made to the university and community of and around Brandon. History /

Biographical:

Beverley Clare Hicks (nee Williams) was born in New Zealand in 1938. At the age of sixteen she began working as a nurse's aide at the Mater Misericordiae Hospital in Auckland. From here, she began training at the same hospital and attained her Registered Nurse Diploma, after which she obtained her maternity nursing diploma from the National Women's Hospital in Auckland.

Hicks came to Canada in 1962, and began to work at the Toronto General Hospital in the cardiac care unit. After returning to New Zealand to complete her midwifery training at St. Helens Hospital, she returned to Canada in 1964. She then completed Canadian university entrance equivalency courses in Vancouver while working at the Vancouver General Hospital emergency department. Because her nursing transcript included no psychiatric nursing, she travelled to Brandon in 1967 to participate in a six-month post-diploma course in psychiatric nursing.

Hicks' passion was teaching, and after her six-month course was completed, she spent her time at the School of Nursing at the Brandon Mental Health Centre (BMHC), after which she was offered the opportunity to attend McGill University to obtain a Bachelor of Nursing degree with a psychiatric nursing specialty. Upon her return to Brandon, Hicks developed an in-service education program at the Brandon Mental Health Centre and began training psychiatric nurses to upgrade their skills, particularly in group therapy. She was also the first in Manitoba to train new community health workers. This community education sector of her career lasted nearly 20 years; she was responsible for travelling around Westman to deliver programs in suicide prevention, stress management along with other mental health topics.

As an educator, Hicks taught Family Life Education at Brandon University, Gerontology courses at Assiniboine Community College (ACC), and Counselling for the University of Manitoba Extension Department.

In the later part of her career, Hicks was responsible for resource and housing development for the final phase of the closure of the BMHC. While doing this, Hicks obtained a Masters Degree in Health Education in 1986 from the University of Manitoba.

The final stage of her education career consisted of being hired by Brandon University to teach in Canada's first baccalaureate psychiatric nursing education program. Being in the education setting allowed Hicks to pursue further education at the doctorate level. Once she completed the required courses, Hicks retired from Brandon University to write her dissertation, "From Barnyards, to Bedsides to Books and Beyond: The Evolution and Professionalization of Psychiatric Nursing in Manitoba 1955-1980."

In 2020, with Lesley Peterson, Hicks published "Politics, Personalities, and Persistence: One Hundred Years of Psychiatric Nursing Education in Manitoba."

Beverley Hicks continues to live in Brandon, MB.

Custodial History:

These records were in the possession of Beverley Hicks until she donated them to the S.J. McKee Archives at Brandon University in December 2013.

Scope and Content:

Collection consists of transcripts of interviews conducted by Hicks as part of the research for her PhD dissertation. The interviews were conducted with a variety of former psychiatric nurses, directors, educators and other ward staff regarding their experiences working at the Brandon Mental Health Centre and related groups and organizations. All of the interviews took place between March 2002 and October 2007, and all of the participants were over 65 years

of age and had worked or trained between the 1940s and 1980s. The interviews conducted were not formal in nature, rather they were intended to be a casual conversation between Hicks and the interviewee. Each interview begins with a brief biography of the interviewee written by Hicks.

Each interviewee was interviewed once, except for Jack Holleman and Elinor Samuels. Hicks interviewed Hollman three times over the course of approximately a year. Samuels was interviewed twice.

Below is a brief account of specific topics and subjects discussed during each interview. This does not include the standard topics discussed in each interview (schooling, experiences, etc.):

Myrtle Barnett – Barnett was the wife of the first president of the Registered Psychiatric Nurses Association of Manitoba, Alf Barnett. During the interview, she discusses when the association began, and how Alf went to war from 1942 to 1945. It was during this time, Barnett claims, that her husband began to question why men could not be formally trained as psychiatric nurses. Barnett comments on how her husband treated the patients like human beings and discusses his relationship with the Association. She also talks about her husband's time in World War II as well as their relationship.

Remi Beaudette – Beaudette was a long-time attendant/psychiatric nurse at the Brandon Mental Health Centre. His interview describes his participation in the association as well as what duties he conducted through his many years working at the centre. Beaudette goes into detail about the various wards he worked on and what his duties were on each specific ward.

Marlene Brichon – Brichon was one of the first psychiatric nurses to graduate under the first legislation of 1960. During her interview, she discusses the changes in medication and treatments during her time working as a psychiatric nurse, some of the incidents that occurred between nurses and patients, patients with schizophrenia (and what the nurses did to treat it), and her feelings towards the textbooks used in her schooling.

Jack Holleman – During Holleman's interview, they discuss the association, his presidency, how he commissioned the Breen Report and how much he paid for it, as well as the report itself.

John Martyniw – During his interview he discussed his presidency of the Registered Psychiatric Nurses Association of Manitoba, the different locations he worked at (Selkirk Mental Hospital, Misericordia Hospital) as well as his teaching jobs (Selkirk as per the Province of Manitoba). Martyniw discussed his displeasure with how they treated him when he first came to Canada – as an attendant rather than a registered psychiatric nurse, as he was trained. They also discussed the textbooks used during his time as a teacher.

Annette Osted – During Osted's interview, they discuss the Breen Report, a quote from Dr. Tavener, what patients should be called, Challenge and Change, The Task Force, and changes in legislation.

Shirley-Jo Paine – During Paine's interview, they discuss her role in proposing the program for registered nurses and registered psychiatric nurses to Brandon University. They also discuss how supportive surrounding universities and colleges were of the new program at Brandon University.

Gerald Pronyk – Pronyk did not actively practice clinical psychiatric nursing, he focused his attention on the administrative and education side of nursing. The interview discusses his positions as the Director of Nursing Education in Selkirk, the Senior Nursing Administrative Officer, and a mental health program specialist in the mental health directorate in Winnipeg.

Janissa Read – During her interview, they discuss how she became interested in psychiatric nursing, how spirituality relates to psychiatric nursing, the distinction between a Registered Nurse and a Registered Psychiatric Nurse, and how others felt about the profession of a registered psychiatric nurse.

Elinor Samels – The interview begins with them discussing her achievements at the beginning of her career, after she finished school post-World War II. They follow up by discussing some of the patients she had to deal with, her participation in the Association, her coworkers and how they treated her, and how the new changes affected their day-to-day work.

Walter Tetzlaff – In addition to being a psychiatric nurse, Tetzlaff was also a vocational rehabilitation counselor. He discusses how much he got paid at the beginning of his career, how much his room and board cost during school, what school was like for him, the kinds of things he did after he got his degree, and the textbooks he needed for class. They also discussed what he did as a vocational counselor.

Tom Street – Street was the fifth president of the Registered Psychiatric Nurses Association of Manitoba and graduated from the Portage la Prairie School of Psychiatric Nursing in 1967. During his interview they talk about how he became interested into psychiatric nursing, where he did his schooling, how he was involved with the union and how he didn't like it.

She took her early education in Pierson, then moved to Brandon to take her Grade XI course in 1919. The following year, Kathleen moved to the Clark Hall Annex on Louise and 11th, in order to attend Brandon College (B.C.) as a student in the Music Department. In the fall of 1921, she entered the Arts Department of Brandon College. During her time at the college, Kathleen was very involved with student life. She was elected Lady Stick for the school year 1924-1925, the highest position in student government that a woman could attain. In the spring of 1925, she graduated with her B.A., then began studies in the Faculty of Education at the University of Toronto.

Kathleen taught school in Melfort, Saskatchewan from approximately 1930-1949, and for several years after that was an instructor at the Saskatchewan Government Correspondence School. Sometime during this period, Kathleen left to serve in the Air Force during the Second World War.

Kathleen Kenner married William A. Kennedy in 1950, and through marriage she gained one son, John Kennedy, and two daughters, Mrs. Claire H. A. Still and Mrs. Janet Sheridan. Around the same time, Kathleen and William moved to Winnipeg, Manitoba where Kathleen was very active in the church and the community. Kathleen Kenner Kennedy died suddenly on November 28, 1967 at the age of 61.

There are numerous newspaper clippings. One file contains poetry, mainly from her friend Mary McLaughlin MacDonald, letters from her father and mother, a list of College yells, and a copy of "Hail Our College". Kenner has various excerpts from The Quill, letters from former students, and a grapho-analyst report (1933) that she received.
