Date Range: 1973-2003

Physical Description: 73 cm textual records; approx. 70 photographs with negatives

History /

Biographical:

The first conference of Western Canadian Registrars was held in January, 1952, at the University of Alberta. The four western Canadian Universities were represented by G.B. Taylor (Registrar, University of Alberta), C.B. Wood (Registrar, University of Saskatchewan) and A.D. Cairns (Assistant Registrar, University of Alberta). No attempt was made at this meeting to set up a formal organization or to plan regular meetings.

It was not until the University of Alberta and The University of British Columbia jointly hosted the "Second Triennial Conference of Registrars of Canadian Universities and Colleges" at the Banff School of Fine Arts in January 1962, that plans were made to establish a western regional organization of registrars of degree granting universities and colleges. Since the national group would meet every two years, it was agreed that the western group would meet in the intervening year.

The first official meeting of the Western Universities Registrars was held at the University of Saskatchewan, Saskatoon, in 1963. The Association was established as a regional component of the Association of Registrars of the Universities of Canada (ARUC). The second meeting was held in January, 1965 at the University of Manitoba, Winnipeg.

Since the national group chose to forego its regular meeting in 1966 in order to hold it in Montreal during Expo 1967, the University of Calgary hosted the third western conference in June, 1966. This was the first conference to which delegates from non-degree granting colleges were invited.

The fourth western regional conference was hosted by the University of British Columbia in Vancouver, 1968; the fifth at the University of Saskatchewan, Regina Campus, 1970; and the sixth, hosted by the University of Alberta at Jasper, Alberta, 1972.

During the 1972 conference a steering committee was formed to develop a structure and constitution for a formal organization. The committee consisted of Barry Browning (Registrar, The University of Manitoba), Jerry Della Mattia (Director of Admissions, Douglas College, Vancouver), Len Semrau (Registrar, NAIT, Edmonton) and John Dorgan (Registrar, University of Saskatchewan).

The next meeting was held the following year in Brandon, Manitoba. At this time the

constitution was approved and the name Western Canadian Association of Registrars of Institutions of Post-Secondary Education (WCARIPSE) was adopted for the newly formalized organization. Fred Bennett, Registrar of Camosun College, Victoria, BC was selected to serve as the first chair of WCARIPSE, serving a two year term.

Institutional membership was open to all provincial and federal institutions of post-secondary education located in the four western provinces of Canada. The 1973 membership roster consisted of 42 institutional members and 94 individual members.

The western association was originally established as a regional component of the Association of Registrars of the Universities of Canada (ARUC). However, a rather serious problem arose in 1966 when the western group agreed to include non-degree granting institutions in its membership even though ARUC membership was restricted to degree granting institutions. The issue, and some other problems closely related to it, was not settled until the ARUC Conference of 1974. At that time, the motion to extend membership to include non-university registrars was moved, subsequently carried and ARUC became the Association of the Registrars of Universities and Colleges of Canada (ARUCC).

The University of Saskatchewan hosted the 1979 WARUCC conference in Saskatoon. In 1981, at the conference in Winnipeg, the four founding members, Alex Cairns, Douglas Chevrier, Norm Cram and Jack Parnall were presented with honorary memberships in WARUCC.

Vancouver was the site for the 1983 conference, at which time Doug Burns, Edith Allen and Alan Wallis were honored as life members of the association.

Subsequent meetings were held in Lethbridge, 1985, and in Regina, 1987. By 1987 membership had grown to 65 institutional members and 225 individual members. The constitution was amended to extend membership boundaries from the four western provinces to 88 degrees (W) longitude, providing for participation by Lakehead University and colleges of the Northwest Territories and Yukon.

The 1989 conference was hosted by The University of Manitoba in Winnipeg. In 1991 Capilano College hosted the conference at Whistler in British Columbia. In 1993 the University of Calgary hosted the conference in Calgary. In 1995 the University of Saskatchewan hosted the conference in Saskatoon. In 1997 The University of Manitoba hosted the conference in Winnipeg. In 1999 the University of Northern British Columbia hosted the conference in Prince George, British Columbia.

## William Wallace fonds

<http://archives.brandonu.ca/en/permalink/descriptions4801>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 47-1997

GMD: textual records

Date Range: 1881-1904

Physical Description: 30 cm

## History /

### Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

### Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

### Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

The Constitution of the Subordinate Lodges in Manitoba, 1899, notes that OddFellows Lodges were obliged to teach the importance of fraternity. Under the organization's constitution, lodge members assumed five obligations: to visit the sick, to relieve the distressed, to bury the dead, to educate the orphan, and to aid the widow. The Progress Lodge of the Basswood OddFellows was created in 1910; it continued as a group until early 1955, when it amalgamated with the Minnedosa OddFellows. ## Kodaly in Manitoba fonds

<http://archives.brandonu.ca/en/permalink/descriptions4882>

Part Of: RG 5 Western Manitoba Manuscript Collection  
Description Level: Collection  
Accession Number: 7-2006  
GMD: textual records  
Date Range: 1982-2004  
Physical Description: 25 cm  
History /  
Biographical:

Zoltan Kodaly was a philosopher and musicologist who introduced new ideas about teaching music in his native Hungary during the 1950's. In 1964 in Budapest, Kodaly addressed the International Symposium of Music Educators and his ideas were introduced to the world

Canadian music educators were made aware of the Kodaly approach primarily through the work of Richard Johnson who taught music theory at the University of Toronto. He brought method classed to the Royal Conservatory of Music, Toronto, summer school in 1965 and also integrated principles from the method into sight-singing class at the Faculty of Music there.

Edna Knock, an Associate Professor of music education and musicianship, brought the Kodakly approach to Brandon University music educators in the 1980's. She was introduced to Kodaly methods in her studies at the University of Toronto and the Royal Conservatory of Music, Toronto and also trained at the Kodaly Musical Training Institute in Wellesley, Mass., and in Hungary.

The Kodaly approach to teaching music presents concepts of rhythm, melody and written symbols in structured, developmental sequence using familiar, quality music from the folk culture of the students being taught.

In the early 80's a group of music education students at Brandon University were studying classroom methods with Edna Knock. These musicians quickly realized how well the new ideas worked for their classrooms and for their own musicianship.

The first meeting of these nine enthusiasts was held in September, 1982, at Edna's home. They decided to become a formal group to promote Kodaly in Manitoba in five ways:

1.Lobby MMEA to include Kodaly clinicians at the Provincial Music Educators Conference, SAG. They accomplished this in 1983, and there has been a Kodaly clinician at SAG ever

since.

2. Sponsor regular Kodaly workshops based on practical demonstrations for classroom teachers, private music teachers, and specialists. A yearly workshop in January was established in Brandon and continued until the mid 90's.

3. Initiate study sessions for Professional Development and musicianship. The first meetings of the group included solfege exercises, canon singing and sight-singing. Later, KIM was active in promoting Summer School classes at BU and offered scholarships to students in these classes.

4. Share pedagogical material with all music educators in the province. A NEWSLETTER was produced twice a year for distribution to members, and articles were placed in other music education publications.

5. Provide a connection to the national Kodaly organization, Kodaly in Canada (now called Kodaly Society of Canada) to advertise national and provincial meetings, courses and events. The group was accepted as a branch of Kodaly in Canada in 1985 and went on to host the National Kodaly Convention in Winnipeg called SPECTRUM in 1988.

By February, 1984, at the first Annual General Meeting, the founding group had a constitution, eighteen members, and an executive elected to a two year term. By the second AGM in 1985, eight students had completed Level III training at Summer School, and KIM membership totaled 28 music educators across the province. Membership continued to increase to 36 by 1990.

During its 22 years of operation, KIM continued to sponsor highly trained clinicians at SAG in October and in Brandon in January. A Kodaly for Kids day was introduced to have a more direct reach into classrooms and give experience to students as well as teachers. KIM actively promoted Summer School courses and provided scholarships to students attending these sessions. The last Level III graduating class of 1992 formed the core of KIM executive for the last 10 years of operation.

In the new millenium, plagued by budget cutbacks in arts education and devaluation of music as an essential component of public education, declining membership and executive burnout, KIM had to face the reality of disbanding the organization.

On August 24, 2004, the executive voted to end the organization on October 31, 2004, the end of the membership year. Financial assets from the organization were placed in a designated fund at Brandon University School of Music to be used to promote Kodaly course in education and provide seed money to reinstate the organization. Historical documents were placed in the Brandon University archives and working files were left with Brandon Kodaly advocate and past president of KIM, Elizabeth Grant. It is thus hoped that the strong and vibrant role of KIM in music education in Manitoba will be remembered and available for future generations.

#### Custodial History:

Records were in the possession of Kodaly in Manitoba until their donation to the McKee Archives in December 2005.

#### Scope and Content:

Fonds consists of minutes, reports, correspondence, membership lists, financial statements, the KIM constitution, newsletters, Spectrum '88, teacher workshops and Kodaly for Kids.

#### Notes:

All descriptive information and inventories provided by Carolyn Durston, Archivist and Past President of KIM. Various faculty members, particularly Edna Knock and Shelia Scott, in the Brandon University School of Music had a close association with Kodaly in Manitoba, teaching kodaly methods and sponsoring kodaly workshops.

## Stephen Adolph Magnacca fonds

Part Of: RG 5 Western Manitoba Manuscript Collection

Creator: Stephen Adolph Magnacca

Description Level: Collection

Accession Number: 5-1998

Date Range: 1884-1981; predominant 1955-1975

Physical Description: 32.5 cm of textual records  
21 photographs, various sizes

Material Details: Includes 5 audiocassettes, 1 scrapbook, 2 maps, 2 theatre programs, ca. 40 postcards, ca. 25 brochures and programs, ca. 20 posters

Physical Condition: Very good

History /  
Biographical:

Stephen Adolph Magnacca was born in Winnipeg, Manitoba, on 12 October 1902. He joined the Winnipeg Highland Cadets at the age of twelve. In 1940 he was posted to Brandon, Manitoba, where he opened the A4 Training Camp. After the Second World War, Magnacca was transferred to the militia from active service and became a hospital manager with the Department of Veteran Affairs. He resigned in 1947.

Although he left the service, Magnacca remained interested in military matters. For the next three decades, he attended functions at CFB Rivers and CFB Shilo. He also collected clippings about the activities of the Canadian militia. As well, Magnacca was interested in civic affairs. In 1961 he was elected mayor of Brandon, a position he held until 1969. Many of his mayoral projects were connected with the military, including an attempt to build a new road to CFB Shilo, an effort to prevent the closure of CFB Rivers, and the coordination of a Freedom of the City Ceremony. In 1967, Magnacca was made honorary colonel of the 26th Field Regiment of the Royal Canadian Artillery.

A construction boom in the city marked Magnacca's term as mayor. Throughout the sixties, Magnacca was instrumental in the building of the Keystone Centre, the Western Manitoba Centennial Auditorium, a new city hall, and the residential subdivisions of Riverheights and Kirkcaldy Heights. Magnacca's business interests aided the development of these subdivisions—during this time he was president of Magnacca Real Estate and general manager of the Magnacca Housing Project.

Besides being a colonel, a mayor, and a president of a real estate company, Magnacca held numerous other titles. These included at different times president of the Brandon Lions Club, president of the Royal Canadian Legion Brandon Branch No. 3, treasurer of the Brandon Progressive Conservative Association, and director of the Canadian National Institute for the Blind in Brandon. In recognition of these efforts, Magnacca was named a member of the Order of Canada in 1973. In the middle of the seventies, Magnacca was active in historical pursuits. He became president of the Assiniboine Historical Society and helped to establish the Brandon Daly House Museum. To prevent Brandon's Prince Edward Hotel from being demolished, he formed a protest group called "Save the Eddy." In his spare time, he wrote unpublished accounts of local political figures and collected various artifacts.

A member of St. Matthew's Cathedral, religion was important to Magnacca. Also important to him were hard work, efficiency, and hierarchy. He was a British loyalist and was devoted to public service and political life. As mayor, he prized industrial and urban development. Much of his public life was dedicated to furthering awareness of governmental and industrial activities.

Magnacca's wife, Grace, played an integral role in her husband's career, attending numerous networking and volunteer functions, and often organizing his activities. They had two children, Patricia (Coleman) and Allan. On 4 August 1980, at the age of seventy-seven, Stephen Adolph Magnacca passed away due to heart failure.

Custodial History:

Little is known of the custodial history of the fonds. On 1 May 1995 Magnacca's Thomas Mayne Daly collection and Magnacca's Manitoba Historical Society papers were deposited in the Archives.

#### Scope and Content:

The fonds consists of minutes of meetings; correspondence with politicians and military officials; newspaper clippings of military affairs; documents about governmental and military celebrations; notes on Louis Riel; a manuscript about Thomas Mayne Daly and other local politicians; papers of the Daly House museum; issues of nineteenth-century Brandon newspapers, and various historical artifacts.

The fonds is valuable for researchers interested in Brandon city council history 1882-1969, regional military history 1955-1975, and general Manitoba history 1882-1981. For social historians, this fonds is important because it demonstrates which actions and which beliefs gave Magnacca access to his many esteemed positions. Historians of gender will discover that Magnacca had a specific definition of masculinity that permeated all his activities in the public realm.

The fonds is divided into four series, including: (1) mayoral papers; (2) historical interests; (3) military interests; and (4) photographs.

**Notes:** Description by Tom Mitchell. Biographical information about Stephen Adolph Magnacca is located in the Biography Files of the McKee Archives.
