Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Fonds

Accession Number: 14-2011

GMD: textual records

Date Range: November 15, 1989 - March 26, 2009

Physical Description: 90 cm

History /

Biographical:

The Westman Recycling Council was started by a small group of avid recyclers with financial and volunteer help from the Kiwanis Club of Brandon, among others. Volunteers organized the first outdoor recycling depots in June and October 1989. The first event with recorded minutes was the first annual meeting, November 15, 1989.

The organization was incorporated in February 1990, and became a registered charity in 1995. The Mission Statement was: "to support and promote the reduction, re-use, and recycling of material resources for the benefit of Westman's environment and future generations."

The major partner in the work of the organization was the City of Brandon. In 2003, Westman Recycling, in partnership with the City, built a Material Recovery Facility (MRF) at the Brandon Landfill; Westman Recycling owned the building on the City-owned land. It was a \$4 million structure - financed by federal and provincial grants (about one-quarter of the total) and a mortgage (about three-quarters). Details are in the Board and other Committee minutes and agreements.

In late 2005, Westman Recycling faced a severe cash crunch - as a result of poor markets for recyclables, changes in support funding from the Manitoba Product Stewardship Corporation (MPSC), and a drop in public recycling levels. In February 2006, the City decided to sign a contract with another organization to operate the MRF; after that there appeared to be no role for Westman Recycling.

A general meeting on September 22, 2008 voted to dissolve the organization. At that meeting, the suggestion was made (agreed to by consensus) that the files of the organization be donated to Brandon University to be made available for researchers. A Board of Directors meeting on the same date voted to donate all remaining funds to a perpetual "Westman Recycling" fund with the Brandon Area Community Foundation.

A final wind-up meeting was held on March 26, 2009

Custodial History:

The organization was overseen by volunteers / volunteer Board of Directors. The files were first held by volunteers / Board members in their homes. In May 1991, the organization hired David McConkey as Coordinator / General Manager, who was directed by the Board to manage the files on a daily basis from that date forward.

The files were kept in the organization's rented office space in the 1300 block of Pacific Avenue from May 1991 to September 1992, and then in the rented space in the Massey building at 6th Street and Pacific Avenue. The files were kept at the new facility at the landfill from April 2003 to February 2006. They were then stored in the basement of the Marquis Project, 912 Rosser Avenue, until August 2011 when they were donated to the S.J. McKee Archives, Brandon University.

Some files (e.g. minutes from 1995-96) were found to be missing entirely. Other files were disposed of by recycling and/or shredding as they were judged to be confidential (e.g. personnel), of an ordinary business nature only (e.g. invoices), or not useful for future research (e.g. extra copies, routine correspondence, building and equipment plans and other arrangements).

Scope and Content:

Fonds consists of records that document the origin, activities, demise, and legacy of the Westman Recycling Council. Records include minutes, financial summaries, scrapbooks, newsletters, brochures, media clippings, photographs and miscellaneous documents related to the construction in collaboration with the City of Brandon of Brandon's principal recycling facility.

History /

Biographical:

In 1965, Chris Verhoef, member of the Overture Concert Association, Allied Arts Centre, and Brandon Citizens' Committee for the Performing Arts, called for a meeting of Western Manitoba citizens interested in the prospect of a Philharmonic Choir for the region. The meeting took place on 26 May 1965; the steering committee that gathered, led by Margaret Goodman, undertook the formation of the Choir. The Choir would have an Executive consisting of at least four members, and a committee consisting of a minimum seven members. Each

executive member would be elected on an annual basis. The Choir's executive, in collaboration with the conductor, would determine the choir's repertoire for the year. The establishment of the Western Manitoba Philharmonic Choir (WMPC) sought to encourage amateurs to sing for enjoyment, provide the opportunity for a choir to perform choral compositions in collaboration with a symphony orchestra and promote and sponsor the musical arts in the Western Manitoba region. Membership to the choir would be open to all citizens of the region, and members would be accepted based on the discretion of the conductor. The first meeting of prospective members took place on 27 September 1965 in St. Matthews Cathedral parish Hall where more than 90 people gathered and registered to become a member of the WMPC.

Chris Verhoef led the Western Manitoba Philharmonic Choir into its first season as President of the choir's Executive Committee. For the organization's first season, the WMPC hired two members of the Brandon College School of Music: Lucien Needham for the position of conductor and Louise Chapman for the position of accompanist. Brandon College, as well as other donors sponsored the choir for its first season. The Choir held its debut performance in collaboration with the Winnipeg Symphny Orchestra (WSO) on 12 March 1966, and the Choir's performance of Vivaldi's Gloria and Handel's Dettingen te Deum attracted an audience of more than 1400 people. The performance was well received by the public. The debut performance's asuccess earned the CHoir a rcommendation for a grant from the Manitoba Centennial Corporation that would sponsor a special concert during the centennial year. Furthermore, the Canada Council supported the Winnipeg Symphony Orchestra, by the means of special funds, to make the Symphony's appearance witht he Philharmonic Choir possible.

For the WMPC's second season, membership rose to 111 amateur singers. Verhoef remained as President of the Executive, while the Brandon Citizens' Committee for the Performing Arts provided sponsorship. Following the Choir's performance of Schubert's Mass in Eb Major on 17 November 1966, the membership increased to 132 singers. On 20 January 1967, the WMPC's first taped broadcast was released over CBC and CKX. The broadcast's success resulted in an offer from CBC to record another broadcast for a similar release. The Kiwanis Club of Rivers invited the Choir to perform in Rivers on 25 January 1967. On 7 April 1967, the Choir performed Haydn's oratorio, The Creation, in the Brandon College Gymnasium.

The choir elected Murray Ames as President to lead it through its thrid and fourth seasons. In its third season, the WMPC, conducted by Leonard Mayoh, performed Handel's Messiah on 22 November 1967 in the Brandon University Gymnasium. The Choir's spring concert, name the "Chris Verhoef Memorial Concert," in honour of Chris Verhoef who had passed away December 1967, featured works by Bach, Brahms and Perry. Held on 9 March 1968, in the Brandon University Gymansium, the concert featured Brandon university student James Stewart as soloist and was received with great praise. In addition to the memorial concert, the WMPC also established a \$500 scholarship for a Brandon University music student to honour Verhoef's substantial contribution to the community.

The first concert of the Western Manitoba Philharmonic Choir's fourth season was held on 10 December 1968, in the J.R.C. Evans Lecture Theatre at Brandon University and featured selections from Handel's Messiah. A piano trio comprised of Francis Chaplin (violin), Malcom Tait (cello) and Gordon Macpherson (piano), as well as a brass trio, also performed at the chori's winter concert. In its fourth season, the WMPC performed two concerts in the second half of its season. On 15 FEbruary 1969, in cooperation with CKX Radio and Television, the choir performed works by Mozart, Hindemith, and Mahler in collaboration with the Winnipeg Sympony Orchestra conducted by George Cleve. Later in the season, the choir performed Brahms' Requiem Mass, once again in collaboration with the Winnipeg Symphony Orchestra.

Dr. R. Parker filled the position of President of the Executive for the duration of the Choir's fifth, sixth and seventh seasons. The fifth season saw the WMPC performing four concerts. Conducted by Leonard Mayoh, it opened its season on 11 october 1969 with a performance at

the Grand Finale of the Grand Opening of the Western Manitoba Centennial Auditorium, performing the overture to Mozart's *The Magic Flute* and Beethoven's *Symphony No. 9*. Their Christmas concert, also conducted by Mayoh, took place on 10 December 1969. The Choir's third concert of its fifth season was held on 31 January 1970, in cooperation with CKX Radio and Television, and featured works by Mendelssohn, Ravel, and Schubert, in collaboration with the WSO under the direction of conductor George Cleve. The season concluded with another concert in collaboration with the WSO on 7 March 1970, conducted by Leonard Mayoh. This concert featured works by Vaughan Williams, Handel and Poulenc.

Seasons six and seven consisted of two concerts each. The Choir held its fifth annual Christmas Concert on 5 December 1970. Led by Leonard Mayoh, it performed its spring concert on 10 April 1971 in collaboration with members from the Winnipeg Symphony, featuring selections by Bach and Mozart in the Western Manitoba Centennial Auditorium. In its seventh season, the Choir performed Bach's Christmas Oratorio on 4 December 1971 in the Central United Church. For its final concert of the year, the WMPC revisited a piece that had been the main focus of its second season: Haydn's oratorio, *The Creation*. The Choir performed this Haydn masterwork on 8 April 1972 under the direction of Piero Gamba.

Helen Riesberry led the choir through its eighth and ninth seasons as President of the Executive. In its eighth season, the WMPC held its annual Christmas concert on 12 December 1972 in collaboration with the Winnipeg Symphony Orchestra in the style of a sing-along led by Mitch Miller. The choir's spring concert featured another masterwork, Beethoven's *Missa Solemnis*, conducted by Piero Gamba. The WMPC and members of the WSO performed the Requiem Mass on 28 April 1973 at the Western Manitoba Centennial Auditorium. Despite the lack of attendance at rehearsals since the Christmas concert, the WMPC presented an overall effective performance of the challenging Requiem Mass.

In its ninth season, Derek Morphy took over the position of conductor from Leonard Mayoh. Morphy had his debut performance as conductor with the WMPC at the annual Christmas concert on 17 December 1973. In March 1974, in collaboration with members from the WSO, Morphy led the Choir in its performance of Mendelssohn's oratorio, *Elijah*, in the Western Manitoba Centennial Auditorium. Later in the season, the choir performed a concert entitled "Reflections," a choral programme for Lent and Easter, accompanied by organist Arthur Bower.

Nearing the end of its ninth season, the Philharmonic Choir encountered severe financial challenges. The Choir released a notice in the newspaper that the anticipated \$3000 grant from the Manitoba Arts Council had been cut to \$1000, leaving the Choir \$3100 in debt. The notice explained that the Choir needed funds in order to enable operation and continue hiring the WSO for concerts. The WMPC executive and committee held a Leonard Mayoh Night in an attempt to gain funds and donations. Although the Manitoba Arts Council raised the grant to \$2000 and the City of Brandon contributed \$500, the Choir's financial situation remained in a dire state as its ninth season came to a close.

The Choir elected Edith Hayden to lead it through its tenth and eleventh seasons as President of the Executive. The opening of the tenth season challenged the WMPC. In addition to its financial woes, the Choir's Executive struggled to overcome the lack of attendance at rehearsals and the shortage of male voices. The WMPC had experienced membership issues in earlier seasons as well. In its third season, despite a membership of 130 individuals, the choir had struggled to create a balanced sound due to a lack of male membership and therefore a lack of lower voices. In its sixth season, the Choir opened their concert year with an appeal for members. In an effort to improve the choir's financial affairs, the Choir Executive and conductor decided against hiring the Winnipeg Symphony Orchestra for the time being. In an attempt to improve the situation, Derek Morphy wrote a letter to the members of the Choir outlining his concern that he may not be meeting their expectations as a conductor but hoped to generate positive and hopeful prospects for the future of music-making together.

The Choir's annual Christmas concert featured a collaboration with the Brandon School Division Music Department and Brandon School Orchestra and Band Association, as well as dancers choreographed by Barbra Enhes. The WMPC performed Haydn's Mass in D minor at its spring concert on 27 April 1975, accompanied by Arthur Bower. By the end of the season, the Western Manitoba Philharmonic Choir's financial situation had begun to improve.

The WMPC hired conductor Peter Allen to lead the Choir through its final season of operation. The Choir held its annual Christmas concert in the Central United Church on 7 December 1975, and featured Vivaldi's Gloria, accompanied by pianist Barry Anderson. The choir performed Deller's Psalm 148, Telemann's Cantata for the Fourth Sunday after the Feast of the Three Kings, and Dvorak's Stabat Mater at its spring concert held at the Central United Church on 25 April 1976.

Despite its best efforts, the Western Manitoba Philharmonic Choir's first rehearsal of its twelfth season saw just 26 members in attendance. As a result of lack of membership, the Choir Executive decided to disband the WMPC for its 1976/1977 season, with plans to reassess the situation in September of 1977 for the prospect of a 1977/1978 season. Matters were further complicated by financial considerations; by June 1977 the choir's financial situation had worsened as a result of the administrative fees that the WMPC covered for the duration of its unexpected inactive 1976/1977 season. Unlike past years, there were not any ticket sales to cover such expenses.

Following its year off, membership interest in the Western Manitoba Philharmonic Choir did not increase and the decision was made not to return for another season. In 1980, the WMPC revoked its registration as an organization and officially ceased to exist.

Custodial History:

Records in the 8-2001 accession were donated to the McKee Archives in 2001, by three representatives of the Philharmonic Choir: Dr. Bill Paton, Botany Department, Brandon University; Mrs. Edith Hayden, WMPC President; and Mary Davidson WMPC Archives Committee. Records in accession 13-2016 were given to Terry Stamper in the School of Music by Marilyn Hayden and then transferred to the McKee Archives on September 21, 2015.

Scope and Content:

Fonds consists of records that document the origin, activities, and ultimate disbandment of the Western Manitoba Philharmonic Choir. These records were created and accumulated during the eleven year existence of the WMPC.

Records include: the organization's constitution and history from 1965-1968; financial records, which include grants received from the Manitoba Arts Council, Canada Council, and City of Brandon, as well as materials documenting the organization's financial struggles from 1974-1976; minutes from executive and committee meetings from 18 June 1973 to 24 June 1974; correspondence in the form of letters between the president of the executive and the choir members, and between the conductor of the choir and its members; membership lists from each season of the WMPC; and concert programmes from every major Christmas and Spring concert that the organization performed. Fonds also contains newspaper notices, advertisements and reviews of various performances, as well as posters advertising performances of the WMPC in the 1967/68, 1970/71, 1971/72 and 1973/74 seasons; the posters advertise the choir, collaborators, patrons and featured works.

Also included in the fonds is a scrapbook detailing the choir's history. Each page of the scrapbook is decorated with hand painted images of plants native to the southwestern Manitoba region. The scrapbook includes concert programs and photographs of the choir from all years of the organization's operation. The scrapbook also contains an assortment of informal photographs from various WMPC events. There are also six black and white group photos of the WMPC from various seasons.

Finally, the fonds contains one artifact, a leather bag/zippered file folder with "WMPC" printed on it.

History /

Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.

Custodial History:

Records were ordered from the Archives of Manitoba by Brandon University Archivist Tom Mitchell and Brandon University history professor Jim Naylor in 2013.

Scope and Content:

Fonds consists of records created over the course of the Toal Commission. It includes copies of verbatim transcripts of the Toal Commission hearings, as well as a commission of inquiry, a report on the commission, and indexes, which list the witnesses and evidence presented for each day of the hearings.

History /

Biographical:

Valleyview Leisure Club (VLC) began in April 1978 as a senior's activity group in conjunction with Valleyview Community Centre. The impetus for the creation of the group was a meeting between John Svenson, Regional Director for Westman Seniors, and seniors in the Valleyview area who met to discuss the organization of a seniors club. At the time the club was established, space was limited at the Community Centre because some school classes were held there during the construction of Riverheights School. However, a New Horizons grant enabled the VLC to remodel and furnish the basement area of the Valleyview Community Centre for the Leisure Club. A Grand Opening of the space was held in May of 1980; there was a special luncheon and the official ribbon was cut by Hon. Ed McGill.

The Valleyview Leisure Club was run by a board and its associated committees and governed by a constitution. Members were charged an annual membership fee, as well as user fees for the various activities. In the early years, the Club had monthly membership business meetings in conjunction with an evening meal and entertainment. The use of the basement area was varied and included: cards; shuffleboard and other games; craft activities; fundraisers; raffles; dances; and luncheons, dinners and potlucks. The space was also rented out for private functions, particularly special birthdays and anniversary's of community members. The Club made annual contributions to the parent Community Centre, as well as helping the Community Centre functions (winter carnival etc.)

In the course of time, the activities of the VLC became more focused on cribbage and bridge, with several regular groups scheduled at regular weekly time slots. At the time of the organization's disbanding, the following groups were active: Friday afternoon contract bridge - the "original" bridge group at the Centre; Tuesday afternoon cribbage; Thursday afternoon "Retired Educators" contract bridge - this group had played in vacant space at Neelin School up until around 1989. Its membership was eventually opened up to anyone who wanted to play in that time slot; Wheat City Duplicate Bridge Club - formed in the City as a sanctioned club and had a number of locations around town. When it moved to the Leisure Club, it came as a renter only, but chose in 2012 to join as VLC members; and Monday afternoon duplicate

bridge - in an effort to increase the number of duplicate bridge plays, a "beginners" duplicate group was established with lessons, which proved to be a popular decision. The group thrived and most of the Thursday evening playser began to paly at this time also/or instead.

The VLC hosted a Spring and a Fall Bridge Tournament each year, open to anyone, with invitations going to surrounding areas. As well as cash prizes, a cash donation was given to a local charity. In latter years these donations were \$500 per tournament. An annual Christmas Dinner was another popular event. It was a catered event, at least in the later years, and was offered at a subsidized price to members. The club also made a donation to Christmas Cheer at this time.

At some point in the organization's history the VLC came to be seen as a tenant of the Valleyview Community Centre, paying a rent of \$3000 per year for its use of the basement space, as well as some maintenance expenses. When the Valleyview Community Centre voted to raise the rent to \$12,000 per year within two years, the VLC sought other options.

The VLC settled on Prairie Oasis Senior Centre for a nubmer of reasons. First, it offered to provide space for each of the club's existing card groups at the same time slots with no membership fees. Second, the move would also eliminate the increasingly difficult task of fielding a board of directors to run the club. Finally, the Prairie Oasis location offered the advantage of level access; the basement location of the VLC had excluded several of the club's former members with mobility issues.

Effective September 1, 2014, the Valleyview Leisure Club was dissolved. The club disposed of equipment either by donating it to Prairie Oasis or to Valleyview Community Centre. Once all debts were cleared the Board voted to distribute the cash assets to the following local charities: Big Brothers and Sisters; Food For Thought; Humane Society; Prairie Oasis Senior Centre/Meals on Wheels; Salvation Army; Samaritan House; Seniors For Seniors Co-op Inc.; The Soup Kitchen; Westman Regional Hospital; Westman Hospice; and Y Kids.

History /

Biographical:

Beverley Clare Hicks (nee Williams) was born in New Zealand in 1938. At the age of sixteen she began working as a nurse's aide at the Mater Misericordiae Hospital in Auckland. From here, she began training at the same hospital and attained her Registered Nurse Diploma, after which she obtained her maternity nursing diploma from the National Women's Hospital in Auckland.

Hicks came to Canada in 1962, and began to work at the Toronto General Hospital in the cardiac care unit. After returning to New Zealand to complete her midwifery training at St. Helens Hospital, she returned to Canada in 1964. She then completed Canadian university entrance equivalency courses in Vancouver while working at the Vancouver General Hospital emergency department. Because her nursing transcript included no psychiatric nursing, she travelled to Brandon in 1967 to participate in a six-month post-diploma course in psychiatric nursing.

Hicks' passion was teaching, and after her six-month course was completed, she spent her time at the School of Nursing at the Brandon Mental Health Centre (BMHC), after which she was offered the opportunity to attend McGill University to obtain a Bachelor of Nursing degree with a psychiatric nursing specialty. Upon her return to Brandon, Hicks developed an in-service education program at the Brandon Mental Health Centre and began training psychiatric nurses to upgrade their skills, particularly in group therapy. She was also the first in Manitoba to train new community health workers. This community education sector of her career lasted nearly 20 years; she was responsible for travelling around Westman to deliver programs in suicide prevention, stress management along with other mental health topics.

As an educator, Hicks taught Family Life Education at Brandon University, Gerontology courses at Assiniboine Community College (ACC), and Counselling for the University of Manitoba Extension Department.

In the later part of her career, Hicks was responsible for resource and housing development for the final phase of the closure of the BMHC. While doing this, Hicks obtained a Masters Degree in Health Education in 1986 from the University of Manitoba.

The final stage of her education career consisted of being hired by Brandon University to teach in Canada's first baccalaureate psychiatric nursing education program. Being in the education setting allowed Hicks to pursue further education at the doctorate level. Once she completed the required courses, Hicks retired from Brandon University to write her dissertation, "From Barnyards, to Bedsides to Books and Beyond: The Evolution and Professionalization of Psychiatric Nursing in Manitoba 1955-1980."

In 2020, with Lesley Peterson, Hicks published "Politics, Personalities, and Persistence: One Hundred Years of Psychiatric Nursing Education in Manitoba."

Beverley Hicks continues to live in Brandon, MB.

Custodial History:

These records were in the possession of Beverley Hicks until she donated them to the S.J. McKee Archives at Brandon University in December 2013.

Scope and Content:

Collection consists of transcripts of interviews conducted by Hicks as part of the research for her PhD dissertation. The interviews were conducted with a variety of former psychiatric nurses, directors, educators and other ward staff regarding their experiences working at the Brandon Mental Health Centre and related groups and organizations. All of the interviews took place between March 2002 and October 2007, and all of the participants were over 65 years of age and had worked or trained between the 1940s and 1980s. The interviews conducted were not formal in nature, rather they were intended to be a casual conversation between

were not formal in nature, rather they were intended to be a casual conversation between Hicks and the interviewee. Each interview begins with a brief biography of the interviewee written by Hicks.

Each interviewee was interviewed once, except for Jack Holleman and Elinor Samuels. Hicks interviewed Hollman three times over the course of approximately a year. Samuels was interviewed twice.

Below is a brief account of specific topics and subjects discussed during each interview. This does not include the standard topics discussed in each interview (schooling, experiences, etc.):

Myrtle Barnett – Barnett was the wife of the first president of the Registered Psychiatric Nurses Association of Manitoba, Alf Barnett. During the interview, she discusses when the association began, and how Alf went to war from 1942 to 1945. It was during this time, Barnett claims, that her husband began to question why men could not be formally trained as psychiatric nurses. Barnett comments on how her husband treated the patients like human beings and discusses his relationship with the Association. She also talks about her husband's time in World War II as well as their relationship.

Remi Beaudette – Beaudette was a long-time attendant/psychiatric nurse at the Brandon Mental Health Centre. His interview describes his participation in the association as well as what duties he conducted through his many years working at the centre. Beaudette goes into detail about the various wards he worked on and what his duties were on each specific ward.

Marlene Brichon – Brichon was one of the first psychiatric nurses to graduate under the first legislation of 1960. During her interview, she discusses the changes in medication and treatments during her time working as a psychiatric nurse, some of the incidents that occurred between nurses and patients, patients with schizophrenia (and what the nurses did to treat it), and her feelings towards the textbooks used in her schooling.

Jack Holleman – During Holleman's interview, they discuss the association, his presidency, how he commissioned the Breen Report and how much he paid for it, as well as the report itself.

John Martyniw – During his interview he discussed his presidency of the Registered Psychiatric Nurses Association of Manitoba, the different locations he worked at (Selkirk Mental Hospital, Misericordia Hospital) as well as his teaching jobs (Selkirk as per the Province of Manitoba). Martyniw discussed his displeasure with how they treated him when he first came to Canada – as an attendant rather than a registered psychiatric nurse, as he was trained. They also discussed the textbooks used during his time as a teacher.

Annette Osted – During Osted's interview, they discuss the Breen Report, a quote from Dr. Tavener, what patients should be called, Challenge and Change, The Task Force, and changes in legislation.

Shirley-Jo Paine – During Paine's interview, they discuss her role in proposing the program for registered nurses and registered psychiatric nurses to Brandon University. They also discuss how supportive surrounding universities and colleges were of the new program at Brandon University.

Gerald Pronyk – Pronyk did not actively practice clinical psychiatric nursing, he focused his attention on the administrative and education side of nursing. The interview discusses his positions as the Director of Nursing Education in Selkirk, the Senior Nursing Administrative Officer, and a mental health program specialist in the mental health directorate in Winnipeg.

Janissa Read – During her interview, they discuss how she became interested in psychiatric

nursing, how spirituality relates to psychiatric nursing, the distinction between a Registered Nurse and a Registered Psychiatric Nurse, and how others felt about the profession of a registered psychiatric nurse.

Elinor Samels – The interview begins with them discussing her achievements at the beginning of her career, after she finished school post-World War II. They follow up by discussing some of the patients she had to deal with, her participation in the Association, her coworkers and how they treated her, and how the new changes affected their day-to-day work.

Walter Tetzlaff – In addition to being a psychiatric nurse, Tetzlaff was also a vocational rehabilitation counselor. He discusses how much he got paid at the beginning of his career, how much his room and board cost during school, what school was like for him, the kinds of things he did after he got his degree, and the textbooks he needed for class. They also discussed what he did as a vocational counselor.

Tom Street – Street was the fifth president of the Registered Psychiatric Nurses Association of Manitoba and graduated from the Portage la Prairie School of Psychiatric Nursing in 1967. During his interview they talk about how he became interested into psychiatric nursing, where he did his schooling, how he was involved with the union and how he didn't like it.

History /
Biographical:

Brandon, Manitoba was incorporated as a city in 1881. In 1882, led by Charles Whitehead and a small Board of Directors that included J.W. Vantassel, Charles Pilling, George Halse, J.E. Smith, William Johnson, R.T. Evans, and Thomas Lockhart, it was decided to hold an agricultural exhibition. These men were all involved in the farm business in one way or another, and they wanted an opportunity to help residents realize the agricultural potential of the region. In October of that year, the fledgling community held its first agricultural exhibition. The fair was held in downtown Brandon at what was known as "Market Square." Market Square was two acres of land located on Princess Avenue between Eighth and Ninth Streets. Due to poor weather, and the fact that not many people were ready to show animals and grain, there was a relatively small turnout. The following year was much improved. There were 730 entries into the exhibition. By 1884, the Board of Directors of the Brandon Agricultural Society, which was in charge of the exhibition, realized that they were in poor financial shape, to the point of being personally out of pocket. It was realized that October was not the best time for farmers to be leaving their farms to go to an exhibition. In 1888, it was decided to move the exhibition to the summer time, when it was much easier for people to attend.

The first Brandon Summer Fair was held in July 1889, and it was a resounding success. The Board of Directors had added many items of interest to appeal to the entire public, not just agricultural people. In 1892, the Western Agricultural and Arts Association (WAAA) was formally established to take over duties from the Brandon Agricultural Society. However, it was not until 1897 that the WAAA held its first meeting. There is no explanation as to why there is a five year gap between the formation and the first meeting of this organization. 1897 was the turning point of the Brandon Exhibition. The fair was now firmly established in Brandon, and the Board of Directors was instrumental in ensuring that it remained so. This was done by petitioning to both the municipal and provincial governments for grant money. As well, the Board booked midway and grandstand acts that would bring the city dwellers to the agricultural exhibition.

There were also early attempts at holding an agricultural exhibition in the winter. The first such attempt was in 1884. There was also a Spring Stallion show held in 1891. By 1904, however, a petition by J.D. McGregor had gone out to formally establish a winter exhibition. This effort also failed, but by 1906, it was decided by businessmen, politicians, and farm representatives in Brandon, including McGregor, to organize a winter fair. Rather than seeing this new fair as competition, the Board of Directors of the summer fair felt that it would complement their exhibition. The new fair would remain primarily agricultural. The first winter fair was held in 1906. While the two fairs were not amalgamated, they did share the same secretary-manager. The secretary-manager was responsible for the day to day management of the fair, as well as keeping track of meetings and decisions reached by the various fair boards and committees. In 1907, the Brandon Winter Fair and Livestock Association (BWFLA) was formed to act primarily as a land-holding joint stock company. The following year the Provincial Winter Fair and Fat Stock Association (PWFFSA), an entirely separate organization from the BWFLA, was formed to manage the activities of the winter fair. The PWFFSA name was soon changed to the Manitoba Winter Fair and Fat Stock Association (MWFFSA).

By 1906, Brandon could boast two full size exhibitions, one in the summer and one in the late winter, both of which were considered to be premiere events. In 1908, the Brandon summer fair was renamed the Inter-Provincial Exhibition, and in 1912 it held its first Traveller's Day, an event which would soon become an important addition to the fair and is still in existence today. It is thought that the name "Traveller's Day" came from the fact that it was held on a Saturday, a day when many people could travel to Brandon for the exhibition.

day when many people could travel to Brandon for the exhibition.

In 1913, Brandon was bestowed with the honour of hosting the Dominion Exhibition. This was a national exhibition sponsored by the federal government. It was held in a different city every year. There were several cities vying for the 1913 Dominion Exhibition, but it was Brandon that impressed the sponsors the most. With the government funds received for this honour, the Board of Directors supervised the building of a new grandstand, display buildings, and racetrack, as well as the general expansion and improvements to the fairgrounds.

In the spring of 1912, it was decided by the Board of Directors of the winter fair that the facilities they were currently housed in were inadequate for their needs. The mayor and city clerk of Brandon went to the provincial legislature in order to request that there be an amendment added to the Brandon city charter. This amendment would allow the city to guarantee bonds issued by the winter fair board to help pay for the construction of a new facility. This request was granted, and a \$70 000 addition was built next to the original winter fair building. The new building was opened in 1913.

Throughout the First World War, both the winter fair and Provincial Exhibition buildings were used for the war effort. There was one distinct difference however. The summer fair Board was able to negotiate a deal with the army that enabled it to reclaim the fair buildings during fair week. The winter fair, however, had to give up the idea of holding fairs in 1915 and 1916. It was not until 1917, that the winter fair was able to resume.

During this time, due to the financial problems that had beset the winter fair, the two exhibitions considered amalgamation. The Board of Directors of the winter fair felt that because they were the smaller of the two fairs, their interests would be swallowed up by the summer fair. The winter fair withdrew from the negotiations to amalgamate. With this rather sudden turn of events, the Board of Directors of the summer fair petitioned the government to be allowed to incorporate. This was granted, and in 1920, the WAAA was incorporated as the Provincial Exhibition of Manitoba. From 1920, the summer fair was officially known as the Provincial Exhibition of Manitoba. This was the first time that the summer fair was incorporated, and received the "status and financial assistance" that came with incorporation.

More problems beset the winter fair in the 1920s. In 1920, a fire burned down the winter fair pavilion, located at the south end of the winter fair buildings, and caused the Board to cancel the 1921 winter fair. It was not until 1922, that a new building was completed. By 1929, both fairs were well regarded throughout Canada. In 1929, a decade long Depression hit the west. While many fairs closed during this time, Brandon struggled to keep its open. The Directors of both fairs felt that the agricultural shows "encouraged excellence at a time when faith and enthusiasm were at a low ebb." The summer fair proved to be quite successful during the Depression, likely as a result of the few moments one was able to forget one's troubles while there. The winter fair was not quite as successful, although both fairs received government grants and work relief projects. There was little new entertainment in these exhibitions.

There were changes about to manifest themselves at the summer fair, however. While the winter fair had representatives from various associations on its Board of Directors, the summer fair Board of Directors was a small close-knit group of men. Citizens saw entry into this elite group as elusive and difficult. To ward off the possibility of the Board becoming a "self-sustaining clique," that only chose Directors from within, it was decided by several citizens to try and elect some new blood into the fair Board. In 1933, there was a general election for the Board. Instead of the usual men shuffling positions, there were forty-four nominations for the twenty positions. When the voting was all over, seven new men sat on the Board. Despite some inner rumblings, especially on the summer fair Board over the next few years, both exhibitions survived the Depression.

During the Second World War the fairs once again were forced to operate under adversity. Once again, the buildings were requisitioned for the army, although they were released during

fair week. The summer fair was forced to make several concessions, and the winter fair was relocated to the summer fair grounds for the duration.

The winter fair did not survive the Second World War intact. Due to financial reasons, in December of 1945, the Board of Directors turned the winter fair buildings over to the City of Brandon. By 1946, the BWFLA, which was the joint-stock land holding company, had ceased operations because the city now controlled the winter fair land and buildings.

The next fifteen years would be a time of rebuilding for both of Brandon's exhibitions. Children especially were more active participants in the agricultural exhibitions. The summer fair continued to diversify and look for new ways of entertaining the public at large. The winter fair remained primarily agricultural. By the end of the 1950s the winter fair, which was used to struggling, was now both successful and stable; and the summer fair, a perennial success, was starting to fade.

By 1969, both the winter and summer fair Boards had realized that amalgamation was the best possible decision, both practically and financially, for the future of the two fairs. On 29 October, 1969, the two exhibitions amalgamated to become the Manitoba Exhibition Association. The reconstituted Provincial Exhibition of Manitoba was now responsible for both the winter and summer fairs. A new building was erected on the summer fair grounds to house both of the exhibitions. On 2 April 1973, the Keystone Centre was officially opened at the winter fair, although it had been in use since October of the preceding year.

In 1970, Manitoba's Centennial, it was decided that an organization in Manitoba would receive the title of "Royal," as a way to celebrate the centennial. Although many organizations applied for the honour, it was the Brandon winter fair that received the accolades. The winter fair was bestowed with the title "Royal", and became known as the Royal Manitoba Winter Fair.

In 1975, a third exhibition was added, this time a purely agricultural fall show known as the Agricultural Exhibition, or AgEx. This fair was partly organized on behalf of the cattle growers, who found that the summer and winter fairs did not give them adequate time and space to properly show their cattle. The return to a fall show, which had not existed since 1888, would be the return to a purely agricultural exhibition. This show was to be primarily a show and sale event. On 3 November 1975, the first AgEx was opened to resounding success.

The Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair and AgEx are all still in existence in Brandon. They are regarded as three of the most important events to take place annually in the city.

Custodial History:

These files were housed with the Manitoba Exhibition Association until c1986 when they were transferred to the S.J. McKee Archives at Brandon University.

Scope and Content:

The fonds consists of textual records and photographs comprised of the records from the three annual exhibitions that are held in Brandon, Manitoba: the Provincial Exhibition of Manitoba, the Royal Manitoba Winter Fair, and the Agricultural Exhibition (Ag-Ex). The textual records include prize lists, programs, minutes, financial, administrative files, original results, scrapbooks, tickets, news releases, contracts, by laws, documents as well as a miscellaneous section. There are approximately 1846 photographs that include scenes from these three exhibitions. These records provide a unique perspective on the development of agriculture and rural life in southwestern Manitoba. Fairs such as these have been and remain prime media of farm improvement, technological and scientific advancement in rural Canada, and the promoters of country living. These fairs also reflected the long tradition inherited from Britain and Europe of country fairs as centers of entertainment, social interchange and diversion. These records are a principal source of information about the most broadly based vocational, entertainment and social events held on an annual basis in southwestern Manitoba over the last century. The records are vital to academic research on agriculture or fairs, individual biography, or community history.

Alf Fowler collection

<http://archives.brandonu.ca/en/permalink/descriptions4794>

Part Of: RG 5 Western Manitoba Manuscript Collection
Creator: Davidson & Gowen
Description Level: Fonds
Accession Number: 6-1999
GMD: graphic
Date Range: 1912
Physical Description: 105 b/w photographs

History /

Biographical:

Alfred Fowler was born in 1903, in Toronto, Ontario. At the age of 23 he began working for Canadian National Railways (C.N.R.) in the company's telegraph accounting department. He remained employed there for 45 years, with the exception of the years 1940-45 when he served with the Royal Canadian Artillery during World War II. During his service he was stationed at Shilo, Manitoba, where he met his future wife, Elsie Bowen. They were married late in 1944, and in 1945 returned to Toronto. Fowler remained in Toronto until his death in 1969. Throughout his life, Mr. Fowler was an ardent amateur photographer.

Custodial History:

All 105 prints in this collection were created by Davidson & Gowen, a photography business located in Brandon. It seems likely that they were created for display and/or for commercial sale as part of the November 7, 1912 "Harvest" edition of The Brandon Sun. Alfred Fowler acquired a copy of the Davidson and Gowen prints during his stay at C.F.B. Shilo during the Second World War. In 1946 Alfred Fowler left Brandon returning to his home in Toronto. With the death of Alfred in 1969 the collection passed to his wife, Elsie Fowler. Elsie died in 1987, also in Toronto. Her estate passed to her nephew, Byron Forsyth, a Brandon resident. Byron brought the collection back to Brandon and in 1999 donated it to the McKee Archives.

Scope and Content:

The prints concern various subjects in Brandon, Manitoba c. 1911-1912 including Brandon residences, store fronts/businesses, streetscapes, churches, the Brandon Fair, parks, hotels, institutional structures (ie hospitals, City Hall) and rail yards (both Canadian Northern and Canadian Pacific) in the city. History /

Biographical:

In 1988, Sheila Doig was the Rural Liaison Coordinator for the Manitoba Action Committee on the Status of Women. That winter, she travelled to Crystal City, Manitoba, to meet with a group of women that included Verna Menzies. At the meeting, the women were concerned about the efforts of Prime Minister Brian Mulroney to amend the Constitution so that Quebec would sign on. They believed that the amending document, The Meech Lake Accord, would jeopardize women's rights under the Charter of Rights and Freedoms.

Thus began a chain of events that resulted in the formation of The Westman Coalition for Equality Rights under The 1987 Meech Lake Accord. The group became known simply as The Westman Coalition. During the years 1988-1990, these women—almost all grassroots rural women with no special training in things constitutional—met with and lobbied politicians, other feminists, and the public in order to change Meech Lake or defeat it.

There were many high points to this campaign. Sheila conducted an extensive tour of rural and northern Manitoba, recruiting women to express their concerns in writing to Ottawa. The Coalition presented briefs to the Manitoba hearings and to the Charest Commission. They were only permitted to appear at the latter after they picketed the hearings in Winnipeg and demanded that women be heard. They were courted by the national media for comments, and became adept at handling interviews and public appearances.

After much turmoil, in June 1990, Meech Lake was defeated in the Manitoba legislature by Elijah Harper on behalf of Aboriginal peoples, who had largely been left out of the constitutional debate. The Coalition was there to support him and to show the face of women, who also felt that they had not been heard.

This should have been the end of Canada's constitutional debate, but Prime Minister Mulroney was determined to succeed where others had failed, and so a new process (the Charlottetown Accord, as it became known) was soon under way to bring Quebec into the fold by amending the Constitution. This time there was endless consultation with the public, and the women scrambled to respond to the many commissions and hearings. There were the Spicer Commission, the Manitoba hearings, the Dobbie/Beaudoin committee and so on. Finally, there were five (and later, six) constitutional conferences to be held around the country. Ordinary Canadians would be invited to apply to attend, and they would be chosen randomly.

The women were invited to 5 of the 6 conferences. Just a coincidence of random selection? Or a consequence of their high profile in the debate? They thought the latter. In any event, Terri Deller, Kady Denton, Paula Mallea and Sheila Doig all attended at various venues and advanced the position of women on equality rights and on the other issues on the table.

A high point of this second campaign was the visit to Brandon of Marcelle Dolment from Quebec City. As one of the few vocal feminists in Quebec who opposed the new Charlottetown proposal, she was a precious ally. She came to meet with the women, forge solidarity, and show that French and English, Quebec and The Rest of Canada, were capable of meeting and coming to agreement.

Sheila conducted another rural tour in 1992, and also attended the Annual General Meeting of the National Action Committee on the Status of Women, where she felt she was given short

shift.

The women were discouraged on many fronts during this campaign. They were out of pocket many thousands of dollars, and the promised funding from the Secretary of State for the Status of Women was finally denied. As well, despite herculean efforts to put their position to politicians and the media, the women felt again as though they were not being heard.

By this time, the Coalition had developed a position on all of the salient issues under the Charlottetown process: property rights, distinct society, an interpretative clause, equal representation of women in the Senate, the economic agenda and the Canada Clause. In the summer of 1992, Canadians were finally shown the text of the Charlottetown Accord and were told that they would be voting on it in a referendum, even though the text was not in its final form.

The women waged a final campaign asking people to vote "No" to the Charlottetown proposals. Politicians, business leaders, many academics and constitutional experts were saying that "No" would mean immediate Quebec separation and the breakdown of the country. The same had been said of Meech Lake. The women of the Coalition did not believe that the country was so frail, and they were proved right. On October 26, 1992, the country voted "No".

Secretary of State finally came through with funding to cover the Coalition's many expenses, thanks largely to the efforts of M.P. Lee Clark.

Sheila Doig was awarded the prestigious Governor General's Award in Commemoration of the Person's Case for her work on behalf of rural women. Paula was given the Manitoba Human Rights Award for her work on the constitution.

All of the women who were involved in the Meech and Charlottetown campaigns felt that their lives had been changed by the experience. Like ordinary Canadians everywhere, they did not believe that they could have any real influence over constitutional affairs, much less national politics. They knew nothing about constitutions or the law of the Charter, but they educated themselves on the issues, and became articulate and incisive advocates. They were fearless in front of Prime Ministers and news anchors. They entered corridors of power that they had never thought possible. They were, then and now, a force to be reckoned with.

The Westman Coalition became Women for Equality (WE) after the Charlottetown campaign. They met for many years every week to discuss the issues of the day. Then, as various members dispersed, the group waned. A new crisis threatening the equality rights of women, however, would surely revive what was once a powerful grassroots lobby.

Custodial History:

Paula Mallea was using the records in accession 9-2004 to write a book on the Westman Coalition on Equality Rights ("The Fight for Women's Rights: Meech, Charlottetown and Manitoba women" published 2005). A small number of photographs were donated later.

The records in accession 4-2011 were originally in the possession of Shiela (Doig) Kingham. They were given to Terri Deller who donated them to the McKee Archives in 2011.

Edward Walker fonds

<http://archives.brandonu.ca/en/permalink/descriptions4888>

Part Of:	RG 5 Western Manitoba Manuscript Collection
Description Level:	Fonds
Accession Number:	24-2006
GMD:	graphic
Date Range:	1896-1920; predominant 1896-1910
Physical Description:	55 glass plate negatives (52 at 5x7; 3 at 3X5)

History /

Biographical:

Edward Walker was born in Lymm, Cheshire, England in 1836. He emigrated to Canada at age 59 in 1895, from Stockport, England. Walker came to Canada with three of his children - Dora, Daisy and Theo - and settled in Millwood, Manitoba. In childhood, Walker was a victim of polio and walked with the aid of two canes throughout his adult life. Walker was a professional photographer. Once in Canada, he also took out a homestead at N.W. 18-19-229, though it appears that his son Theo did most of the work required to gain title to the property. In addition to his work as a photographer, Walker was appointed post-master for Millwood in 1901, and operated a small store. Edward Walker retired as postmaster in 1920. He died in 1923.

Custodial History:

The Walker fonds arrived at the S.J. McKee Archives as part of the Lawrence Stuckey Collection in 2001. While the circumstances are not known, it seems evident that Stuckey acquired the Walker negatives in the course of his professional career as a photographer and collector.

Scope and Content:

Fonds contains a variety of images of Millwood, Manitoba and the surrounding agricultural community, its people, and life produced by Edward Walker in the course of his work as a professional photographer. These images were produced from gelatin dry plate negatives, a process introduced around 1880, to replace the wet collodion process in which a photographic solution was applied to a glass plate just prior to exposure. Edward Walker's pictorial account of life in and around Millwood Manitoba circa 1900, is an important photographic legacy of pioneer life on the upper reaches of the Assiniboine Valley.

The village of Millwood was located in the Assiniboine River valley close to the Manitoba-Saskatchewan border just a few miles northwest of Binscarth and a similar distance southwest of Russell. It came into existence in 1887, with the construction of the Manitoba and North-Western Railway, a road that ran diagonally through the new West from Prince Albert, North West Territories to Portage la Prairie Manitoba.
