FORWARD-ALL TOGETHER

16

It is longer now the Manitoba farmer complains that he has nothing to say in the price which he receives for the products of his farm.

Operating in this Province since 1920 he has the Manitoba Co-operative Elevator with 2,110 farmer members, The Grain Pool operating the two great wheat & flax elevators, The Manitoba Co-operative Poultry Marketing Association operating since 1922, now having 1,000 members. The Co-operative Elevator Company, which owns and will own 100 Manitoba elevators out of 1,000 elevators in Manitoba, The Wheat Pool with 2,110 members, operating now in other hands other grain.

Every one of these co-operative organizations has been successful in getting the farmer more for the products which he has produced. They all stand more united to make sure that they are able to give him all better service. It is better that the Wheat Pool Elevator will be a better co-operative, a better service and a better return of the money he needs, under public, open and need through his own organization. It is better enough co-operative theory. Let's have more co-operative action.
