Description Level: Collection
Accession Number: 8-1999
GMD: textual records
Date Range: 1918; 1941; 1944

Physical Description: 2 cm

History /

Biographical:

Mildred (Mollie) Norton Kellet was born April 5, 1914, in Birmingham, England to Mr. and Mrs. Stanley Travers. At the age of 18, she joined the Cadbury Brothers Co. as a contometer. In 1942, she married George Crawford Kellet Jr. Mollie and George Kellet had two children together: Patricia (b. 1944) and Ian (b. 1949). In February of 1944, Mollie and her husband relocated to Manchester where George Kellet worked as an accountant.

Following World War II, the Kellets emigrated to Winnipeg, Canada. Mollie remained a mother and homekeeper until 1954, when she was hired as a secretary for Mitchell, Green, and Menouk Lawyers. She was also employed by The Bay and in the securities department of Montreal Trust Co, where she was the manager until 1966. She retired at age 65, but was recalled by the company to work until 1984, when she was 70 years old. In 1990, Mollie moved to Brandon to be closer to her daughter, Pat Alvested. Due to complications from surgery and a weak heart, Mollie Kellet passed away on January 31, 1999.

George Crawford Kellet Jr. was born to George Crawford Kellet Sr. and Lizzie Auld Halliday Kellet on July 16, 1911, in Glasgow, Scotland. An only child, he attended private school, and in 1933, at the age of 21, he was the youngest Chartered Accountant graduate in Britain. At some point between 1933 and his marriage to Mildred (Mollie) Norton in 1942, George joined the British army; while with the army his job was to receive the orders concerning army accounting and process them for soldiers in the field.

George left the army after the war and sailed with his wife and daughter on the Mauretania for Canada. Upon settling in Winnipeg he worked for Family Fair. In 1956 and 1957, he continued to work while setting up his own accounting firm, Kellet & Co. He was also diagnosed with Multiple Sclerosis in 1956. In 1971, George's health forced him to retire. Mollie continued to work at this time. Five years later she was unable to care for him adequately and he moved to a nursing home. In 1985, at age 74, George Kellet passed away.

Custodial History:

In January 2000, Pat Alvestad, the Kellets' daughter, donated this fonds to the McKee Archives.

Scope and Content:

The records contained within the Mollie Kellet fonds are contributions from both Mollie and her husband George. Included are: a collection of handwritten recollections by Mollie Kellet concerning her experiences during the Second World War (Mollie had been living in London and experienced life under German bombing); a document from WWI, presumably from her father, who was a veteran of this war; and records acquired by George Kellet during his service in the Second World War concerning the practical arrangements made to support troops following the 1944 D-day invasion of Nazi Europe. Marked "top secret," these records set out procedures for paying and provisioning the invading army.

George F. MacDowell was born in 1913, in Prince Edward Island. He studied at Dalhousie University from 1930 to 1933, but did not complete a degree. During WWII, MacDowell served in Canada and Europe as a member of the Royal Canadian Signals Corps. After the war, he returned to Dalhousie University, graduating with a B.A. in 1947. Subsequently, he graduated with a Masters Degree in Economics from Clark University in Worcester, Massachusetts. George McDowell taught at both Mount Allison University and the University of Alberta before coming to Brandon in 1957 to teach at Brandon College. R.B. Inch collection

<http://archives.brandonu.ca/en/permalink/descriptions180>

Part Of: RG 6 Brandon University fonds

Description Level: Sub-series

Series Number: MG 3 1.10

Accession Number: 35-1997

GMD: textual records

Date Range: 1937-1980 (predominant 1940-1970)

Physical Description: 2.08 m
Physical Condition: Generally good
History /
Biographical:

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes: Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.

Material Details: Photocopies of originals

History /
Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.

History /

Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.

Scope and Content:

History /

Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.

The International Toastmistress Club was officially organized in October of 1938, in California by Ernestine White. The North Central Region of the International Toastmistress Club began with the formation of the Winnipeg Toastmistress Club in 1946-47. This club was the first Toastmistress Club in Manitoba and the second club in Canada. The idea of forming a Toastmistress Club in Winnipeg came partly from some members of the Toastmaster Club in the city who had heard of the women's club formed in California. Other North Central Toastmistress Clubs soon followed, including more clubs in Winnipeg, and others throughout southern and central Manitoba, such as the Yellow Quill (Portage), Fort La Bosse (Virden), Colleen (Killarney), Cornucopia (Neepawa), Dauphin, Prairie Horizons (Brandon), Valley Echoes (Swan River), Urban Acres (Brandon), and Kinrossie (Souris) Toastmistress Clubs. Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection
Accession Number: 22-1998
GMD: textual records
Date Range: 1957-1974; predominant 1970-1974
Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.
