According to "The Brandon University Act 1998," there is to be a chancellor of the university elected by the senate for a term of three years; the chancellor continues to hold office after his or her term expires until re-elected or until a successor is elected; the chancellor is eligible for re-election; and if a vacancy occurs in the office of chancellor before the end of the term, the successor elected to replace the incumbent chancellor is to hold office for the remainder of the incumbent's term.

### BRANDON UNIVERSITY CHANCELLORS:

#### MAITLAND B. STEINKOPF (1967-1970)

Maitland B. Steinkopf (September 10, 1912 - 1970) was born in Winnipeg, Manitoba. He was educated at the University of Manitoba, and was called to the Manitoba Bar in December 1936. He served in the Canadian armed forces in World War Two, as a Private in the Queen's Own Cameron Highlanders and a Lieutenant Colonel with the R.C.O.C. He later founded the Canada West Shoe Manufacturing Company, and was a president of several companies including Bonded Investments Ltd., L.H. Packard Co. Ltd., Dayton Shoe Mfg. Co. Ltd., and the Tel Aviv Hilton Hotel. Steinkopf was a member of the Canada Israel Development Corporation, and served as chairman of State of Israel bonds in Manitoba. He was also an honorary counsel with the government of Czechoslovakia until 1948. Prior to his election, he assisted the Roblin government in land-development for cultural projects.

Steinkopf was elected to the Manitoba legislature in the 1962 provincial election as a member of Dufferin Roblin's Progressive Conservative government and was appointed to cabinet on June 12, 1963, as Provincial Secretary and Minister of Public Utilities. He later resigned his position and his seat in the legislature as a result of being implicated in a controversial land assembly payment. He was re-elected and re-appointed to the Cabinet in 1964. Steinkopf did not run for re-election in 1966. He later served as chair of the Manitoba Centennial Centre Corporation, which established a Maitland Steinkopf Youth Fund in 1972 for students in the arts.

Steinkopf married Helen Katz of Chicago and they had six children. He died suddenly in 1970 of a heart attack.

Until 1940, he was a minister in Winnipeg churches. He organized public forums and created radio programs on social themes. He spoke for the Co-operative Commonwealth Federation (CCF), becoming its chairman, then provincial secretary, for Manitoba.

In 1942, Knowles was elected to the House of Commons as MP for Winnipeg North Centre. He was an MP from 1942 until 1958, was re-elected in 1962 and served until 1984. Throughout his political career, he struggled for a decent life and income for older people. He was instrumental in amending the industrial relations bill so that legal strikes did not interfere with employee pension rights, eliminating the "means test" from the Old Age Security Act and indexing the Canadian Pension Plan and Civil Security Pensions. He played a major role in creating the New Democratic Party in 1961, presiding over the founding convention. He was the Deputy Leader of that party from 1962-84.

In 1970, Knowles became Chancellor of Brandon University and in 1990, was designated Chancellor emeritus. He became an honorary member of Canada's Privy Council in 1979, and was awarded the Order of Canada in 1984.

He was appointed Queen's Counsel in 1976, and in 1978, he formed Bell Felesky Flynn, a law practice focusing on taxation. In 1991, Bell was appointed Judge of the Tax Court of Canada.

Throughout his distinguished career, Bell has continued to support Brandon University. In addition to his duties as Chancellor, he has also served on various BU boards and worked tirelessly to promote the institution. He also made significant financial contributions to improve physical structures, programs and student scholarships, including the establishment of the R.D. Bell Scholarship and the R.D. Bell String Scholarships. The R.D. Bell Hall in the Queen Elizabeth II music building was named in his honour, as was the Bell Tower atop the original Brandon College building, which is now part of Clark Hall. During his career, Kavanagh has also served on various provincial and national boards, including the Royal Winnipeg Ballet, National Leasing Group, Winnipeg Airports authority, the Conference Board of Canada, the Crown Corporations Council and the Canadian Life and Health Insurance Association Inc. Kavanagh was also a member of the Roblin Commission. In 1996, he was named the fourth Chancellor of Brandon University, and in addition to his duties as Chancellor, he has been involved with the university as a member of the Brandon University Foundation and as a member of the Corporate Challenge Campaign. In 1965 he resigned to run successfully for the House of Commons. In 1969, Schreyer returned to provincial politics as leader of the New Democratic Party of Manitoba. He led his party to victory in the 1969 provincial election, and served as Premier of Manitoba from 1969 until 1977.

Schreyer was appointed Governor General in 1979 by Pierre Trudeau. That same year, he was made a Companion of the Order of Canada along with his wife Lily Schreyer. As Governor General, Schreyer championed women's issues, the environment, and official bilingualism. Schreyer retired as Governor General in 1984.

Later in 1984, Schreyer was sworn into the Privy Council and was subsequently appointed Canadian High Commissioner to Australia, Papua New Guinea, and the Solomon Islands, and as ambassador to Vanuatu. In June 1926, the Calgary Herald, then known as the Calgary Albertan, hired Inch as a regular journalist. He stayed in that position in Calgary for two years. Inch later accepted a job with the Winnipeg Free Press, where he worked from 1928-1929.

Between 1929 and 1933 he also volunteered as editor of the magazine "Interdependence," the official publication of the League of Nations Society in Canada. In 1935, Inch resigned his post at the National Research Council to become the National Secretary of the League of Nations Society in Canada. There he served until the collapse of the League at the outbreak of World War II in 1939.

In 1942, Inch was commissioned by the Canadian Broadcasting Corporation (CBC) to prepare a series of programs entitled "Of Things to Come - Inquiry on the Post-War World." In 1943, Inch joined the Royal Canadian Army Service Corps, but never saw action in Europe. After the war, Inch was hired by his alma mater, Mount Allison University, to serve as Director of Alumni and Public Relations. He remained in Sackville from July 1945 through to 1967. In July 1967, Inch was hired by Brandon University as the Director of Extension and as a political science lecturer.

History /  
Biographical:  
When the Department of Music was founded in 1906, it offered only conservatory-type instruction under the direction of Abbie Helmer Vining (1906-07). W.L. Wright, after four years' study in Berlin with Leopold Godowsky, took over in 1907 and remained director until 1947. During the 1920s and 1930s, the department attracted students from across Canada to work with Wright, Esther Maqdalene Moore, Kathleen Moffat Fairbairn (piano), and Ruth Morgan

(voice) towards graduate and post-graduate diplomas. During the Depression and the Second World War, music education at Brandon College declined as a result of financial woes facing the College and the departure of students to the war.

Under directors Peggy A. Sharpe (acting director 1947-48), and Lorne Watson (1948-1981), most instruction was given to elementary and high school students from Brandon. Through the encouragement and support of successive university presidents, the music faculty and university music credit courses were expanded to make possible a music minor within a B.A. or B.Sc. degree. By 1963, the college offered the first B.Mus. program (music education and applied) in Manitoba. In the same year, the Department of Music became the School of Music with two areas of activity: one continuing the conservatory tradition, the other leading to university degrees. Watson continued as director while Sharpe assumed the new position of supervisor of the conservatory. She was succeeded by Watson in 1981.

When Brandon attained university status, the School of Music became a member of the Western Board of Music (WBM), now Conservatory Canada. Later a B.Mus. (general) was added and, in 1980, the M.Mus. (music education and applied). In 1981, Watson was succeeded as director by Gordon Macpherson (1981-87), during whose tenure the position was re-named dean. In 1987 Lawrence Jones became dean. Jones was followed by Patrick Carrabre and Glen Carruthers.

Originally housed in Clark Hall, in 1963 the School of Music moved into a new building, officially opened by Sir Ernest MacMillan, on 28 October 1963. It housed a music library, electronic music studio, classrooms, rehearsal hall and studios. Increased enrolment in the 1970s necessitated the acquisition of three adjacent houses. On 5 October 1984, Queen Elizabeth II opened the present music building, which is named after her.

The school's reputation as a centre of string pedagogy dates from Albert Pratz' appointment to the faculty in 1964 and the engagement of the Halifax Trio (Brandon University Trio) as artists-in-residence in 1966. The Wawanesa Insurance Co. in 1964 established a string scholarship program, which has since been carried on through the Carl and Lyle Sanders Grant and the R.D. Bell String Scholarships. A Suzuki string program was set up in 1977, directed by Alison Ryles (B.Mus. Brandon, 1978) who was followed in 1981 by Gerhard Ginader.

Besides the Brandon University Trio, school ensembles have included the Brandon University Orchestra, Concert Band, Chorale, Jazz Bands and Guitar Ensemble. The Collegium Musicum, formed in 1973 by James Mendenhall, has a collection of replicas of early instruments. The school frequently produces an opera (or musical theatre work) directed by Sylvia Richardson.

Student pursuing a major in music education have founded an active organization known as the Brandon University Student Music Educators' Association (BUSMEA), which is, in effect, a student branch of Manitoba Music Educators Association (MMEA). Annual summer schools enhance the program. In the 1960s, under the direction of Peggy A. Sharpe, recitals and workshops were given by visiting artists. In the 1980s, the emphasis was on graduate courses, including the offering of a Kodaly specialist diploma.

In the conservatory, music for children classes, the Suzuki string program, and classes in the Alexander technique are offered. The conservatory offers courses for gifted students. It also sponsored annual workshops for teachers. Clinicians have included Lawrence Jones, Lorne Watson, Gordon Macpherson, Sydney Young McInnis, Shirley Yip, Elizabeth Grant and Irma Toews.

The School of Music acts as a musical focus for southwestern Manitoba. Beginning in the 1960s, it co-sponsored (with the MMEA) an annual choral/orchestral workshop in January attracting up to 300 music educators and students from Manitoba and beyond. Rehearsals of the Brandon Community Chorus and Community Orchestra take place at the school, as do

the Brandon Community Chorus and Community Orchestra take place at the school, as do most events of the Brandon Festival of the Arts. It is also the home of the annual S.C. Eckhardt-Grammatte competition for the Performance of Canadian Music and the annual Brandon Jazz Festival. One reason for such constant activity is the excellence of the Queen Elizabeth II Music Building, which includes an advanced electronic studio, rehearsal halls for orchestras, bands and choirs and a 200-seat hall with recording facilities and ideal acoustics. On the occasion of Lorne Watson's 40th anniversary at Brandon that hall was named the Lorne Watson Recital Hall in his honour.

The music school's first graduate (1966) was Jack Spalding. Honourary doctorates in music have been awarded to W.L. Wright (1969), S.C. Eckhardt-Grammatte (1970), Murray Adaskin (1972), Jon Vickers (1976), Kenneth Winters (1989), the Guess Who and Tom Cochrane.

Scope and Content:

History /

Biographical:

Fleming School, located at 2320 Louise Avenue, Brandon, MB, was a part of the Brandon School Division from its creation in 1914 until its closure in 2005. The school was named to commemorate the life of pioneer Dr. Alexander Fleming. Fleming, who was a Scottish born immigrant, came to Brandon in 1881, where he worked as Brandon's first medical doctor and pharmacist. He also held the role of chairman for the Brandon School Board. Fleming died in Brandon on November 26, 1897.

Rapid population growth in the City of Brandon in the early part of the 20th century resulted in a need for additional school buildings; Fleming School was among the schools established during this period. Designed by W.H. Shillinglaw, the structure was constructed out of concrete, wood and brick, and included a basement. When the school first opened, it was composed of six classrooms; after two renovations in 1953 and 1962, the school expanded with more classrooms and a gymnasium. At the time of its closure, Fleming School could accommodate seven classes, covering grades kindergarten to grade six.

Around 2004, the Brandon School Division decided to close Fleming Elementary School. Prior to the closure a celebration was held on January 14, 2005, to honour the school's 90th Anniversary. Following the school's official closing, students were reallocated to Earl Oxford Elementary School (540 18th Street). Some of the former staff found work in other schools within the Division, while Craig Manson, the last principal of Fleming School, became principle of Green Acres Elementary School.

The building formerly used as Fleming Elementary School became a high school for the Sioux Valley Dakota Nation in late 2006. The Band bought the building in late 2010.

Custodial History:

Records were collected and created by Fleming School staff and administration, many for the 90th anniversary and closing of the school. Craig Manson, the last principal of Fleming School, gave the records to David Wilson, who donated them to the S.J. McKee Archives in 2015.

#### Scope and Content:

Collection consists of records that document the history of Fleming School. Many of the records were created and gathered specifically by Craig Manson and others for the school's 90th anniversary; on November 19, 2006 an ad written by Grant Hamilton was placed in the Brandon Sun with Jean Pickard asking for potential archives from Fleming School to be donated by contacting Keith Heide at the Brandon School Division. The archives were to be used in a display on education in Brandon to be located in the Town Centre in June 2007. Other records were collected and created by the school's staff and administration to document the activities and student of their school.

Textual records include newspaper clippings, staff and administration lists (1914-2005), programs, calendars, correspondence, anecdotes, as well as records related to the events surrounding the 90th anniversary and the closure of the school. The 90th anniversary celebration materials include Craig Manson's speech and agenda, the lyrics to the school song, and a list of people in attendance. The newspaper clippings, with capture the experiences of Fleming students, are evidence of the staff's interest in the lives of their current and former students.

Also included in the textual records is in depth genealogical research for the Fleming family. The research includes birth and death dates, photographs of grave sites and residences of Fleming family members, as well as some correspondence around the school's 90th anniversary. The photographs in the album include both originals and photocopies.

Photographs in the collection, like the newspaper clippings, document the activities and events of Fleming School, its students and staff. They include candid's from the classroom, various ceremonies (including the 90th anniversary), and the celebration of holidays (especially Halloween). There are also a number of class and staff portraits.

The collection also includes audio visual materials. The VHS recording entitled "Fleming School 90th Birthday Tea," runs approximately 75 minutes and was videoed by Ian Carkener. The DVD, which runs 42 minutes, was created by the staff and students for the 90th anniversary celebration. It has three components: "Through the Decades" shows students re-enacting school scenes from earlier decades; "Students at Work and Play," shows the 2004-2005 students in their classroom environment during holiday celebrations, school ceremonies and working on assignments; and "Reflections," which includes a slide show of photographs of Fleming School throughout the years set to music.

Finally, the collection includes four artifacts: one 90th anniversary celebration balloon with an image of the school building and the its years of operation printed on it; a school magnet with the school phone number and an image of the brick school building; and two pins. The first pin is circular with a black background and gold details including the school's name, three silhouettes and three maple leaves. The second pin appears to have a hornet or bee emblem with the number 72.

## History /

### Biographical:

The Brandon School of Nursing was established in 1921, at the Brandon Hospital for Mental Diseases (hereafter B.H.M.D.). It was first alluded to in 1913, when the Superintendent of the B.H.M.D., J.J. McFadden, recommended it as a means of enhancing the reputation of the hospital. In 1919, the Canadian National Committee for Mental Hygiene released a highly critical report on the state of custodial institutions for the mentally ill in Canada that paved the way for reforms such as the establishment of psychiatric nursing schools. In 1920, the new superintendent, Dr. Charles A. Baragar, in his first annual report, again mentioned the need for trained nurses and instructional facilities in which to train them. Lectures began at B.H.M.D. in October of 1920 for attendants and nurses, but they were not compulsory and were not part of a formal program of studies. This was followed in 1921 with the establishment of the School of Nursing through which courses were offered beginning in 1922. The program consisted of a two year Mental Nurses Diploma Course, and a shorter "demonstrative" course that was required for all employees of the B.H.M.D. who elected not to enroll in the diploma course. The Class of 1923 was the first class of graduates from the Brandon School of Nursing. They were, by all accounts, the first graduates in all of Western Canada with a diploma in Mental Nursing. In 1924, wages at the B.H.M.D. were adjusted to take into account the completion of formal training in psychiatric nursing. In 1925, a short lived affiliation with the St. Boniface General Hospital in Winnipeg, that ended in 1927, was begun. That year also saw the beginning of a graduate studies course. In 1930, the diploma course grew to a three year program. In 1986, as many aspects of the B.H.M.D. - now referred to as the B.M.H.C. (Brandon Mental Health Center) - were phased out in favor of community based care, the B.M.H.C. School of Nursing was incorporated into Brandon University's School of Nursing, which began to offer a 2 year Post-Diploma Degree in Nursing and Mental Health.

### Custodial History:

This fonds was accessioned by the McKee Archives in 2000. Prior custodial history is unknown.

### Scope and Content:

Sub sub series consists of a collection of records dealing with the history of the School of Nursing at the Brandon Mental Health Centre. The records consist primarily of administrative documentation created by the school dealing with various internal issues, such as student recruitment, graduation services - including an almost complete collection of graduation programs - and records dealing with the behavior of the students. Administrative records also refer to external issues faced by the B.H.M.D. as a whole, such as its burgeoning patient population and the constant problem of adequate accommodations for patients, staff, and student nurses. The collection also includes staff recollections, and correspondence from within and from outside of the B.H.M.D. Also included are documents relating directly to the history of the School of Nursing and of the B.H.M.D. as a whole. A smaller amount of curriculum materials, including instruction manuals, notebooks, and hand-written lecture notes are also included. Publications from within the B.H.M.D., including "The Opinion" from 1970-1990, and the "The Ego" 1956 - 76 (seven editions) are also included, as well as a collection of outside publications dealing with psychiatric nursing, mental diseases, medical ethics, and heredity. Fonds also includes medical dictionaries and handbooks of different nursing institutions such as the Victorian Order of Canadian Nurses. Lastly, the collection includes approximately 880 photographs, 220 negatives, and 26 slides, that provide a graphic portrayal of the history of the Brandon Mental Health Centre.
