William Wallace fonds

<http://archives.brandonu.ca/en/permalink/descriptions4801>

Part Of: RG 5 Western Manitoba Manuscript Collection
Description Level: Collection
Accession Number: 47-1997
GMD: textual records
Date Range: 1881-1904
Physical Description: 30 cm

History /

Biographical:

William Wallace was born in Scotland around 1859. In 1881, when William was twenty-two, he emigrated to Canada with his father and brother. Once here they settled near what is today Forrest, Manitoba. The following spring they moved to the northwest margin of settlement in Manitoba, homesteading in the Shellmouth area. Wallace remained a resident of the region for the rest of his life. William Wallace was active in community affairs. He was appointed to the post of Secretary-Treasurer of the Shellmouth Municipality in 1887, and he held the position until 1904. In 1909, Wallace was injured in a railway accident, and he had to give up farming. He moved to Shellmouth and took up the position of postmaster, which he held for twenty-seven years. He died in 1945, and is buried at Shellmouth cemetery, Manitoba.

Custodial History:

The letters contained in the fonds remained in the possession of Margaret Wallace, who was the original recipient of the correspondence. She emigrated to Canada in 1904. At some point the letters passed to William Wallace who kept them in his possession in Shellmouth. In 1941, William contacted Professor E. J. Westcott of Brandon College regarding the fonds. He offered it to the College for safekeeping. Westcott accepted the letters. Westcott passed the letters on to various officers and staff at Brandon College and then Brandon University. Since 1982, the collection has resided in the S. J. McKee Archives at Brandon University.

Scope and Content:

Fonds consists of hundreds of letters that William Wallace and his brother, Andrew, wrote to their sister, Maggie, from 1881 until 1904. The first letter, dated 22 March 1881, was written by both William and Andrew aboard the S.S. Prussia as they sailed to North America from Scotland. The last letter was written on 4 January 1904 by William. It was written to inform Maggie and her husband that William had reserved a homestead in their name. This letter marks the end of the fonds. Later that spring Maggie and John emigrated to Canada to be with her family.

William was keenly interested in everything going on around him; his letters and Andrew's reveal what life was like for inexperienced settlers on the Canadian agricultural frontier in the last years of the nineteenth century. Fonds touches on a variety of social, political and economic themes.

Keystone Centre development and construction fonds

<http://archives.brandonu.ca/en/permalink/descriptions4854>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 22-1998

GMD: textual records

Date Range: 1957-1974; predominant 1970-1974

Physical Description: 36 cm

History /

Biographical:

The idea of the Keystone Centre was first mentioned in 1958, at a meeting of the board of directors of the Manitoba Winter Fair. The Manitoba Winter Fair wanted a new facility because the old Wheat City Arena had a leaking roof and a deteriorating west wall. The old facility also had limited space and the Winter Fair felt it needed more space for expansion. The Provincial Exhibition of Manitoba also had problems with their facilities, such as old barns and poor display areas. The idea of the Keystone Centre was put on hold until 1969, when the boards of the Provincial Exhibition and the Manitoba Winter Fair joined together as the Provincial Exhibition Association of Manitoba and the Wheat City Arena was sold and demolished. The original estimate for the cost of the Keystone Centre facilities was \$4.5 million and funding would be proportioned so that the federal and provincial governments would each put in one-third of the money, with the rest coming from local donations. The financial campaign for the Keystone Centre began in 1970, and construction began in November 1970. The grand opening of the Centre was in March 1973, and coincided with the Royal Manitoba Winter Fair of that year.

Custodial History:

This fonds was accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

Fonds contains many folders full of correspondence, financial statements, meeting minutes and other documents relating to the development and construction of the Keystone Centre from 1970-1974, including those from the Keystone Executive Committee, as well as the Building Committee. Fonds also contains one folder that pertains to the Brandon Area Agricultural Development Survey from 1959. This folder contains the names and locations of all farmers in the Brandon area in 1959. The Brandon Area Agricultural Development Survey was created in 1959, in order to make farming in the Brandon area more profitable. The survey was aided by Doane Agricultural Service from St. Louis, Missouri, who had success creating agricultural development programs in the United States. Fonds also contains folders from the Provincial Exhibition with correspondence, pamphlets, estimates, and studies from the 1960's. There is also one folder belonging to the Manitoba Winter Fair, which contains correspondence and financial statements relating to the Wheat City Arena. Fonds also contains information pertaining to the proposals made in the 1960's, for the building of the Keystone Centre, as well as one folder about the Keystone campaign from 1970-73. There is also one folder about the opening of the Keystone Centre, which contains newspaper clippings and guest lists. Finally, the fonds contains information about a court case involving Albert Bobyk and Robert Stewart. Stewart was the project manager for the Building Committee and Bobyk worked on the Keystone Center. The fonds includes a report about the trial of the two men who were charged with fraud involving their work on the Keystone Centre.

History /

Biographical:

Fleming School, located at 2320 Louise Avenue, Brandon, MB, was a part of the Brandon School Division from its creation in 1914 until its closure in 2005. The school was named to commemorate the life of pioneer Dr. Alexander Fleming. Fleming, who was a Scottish born immigrant, came to Brandon in 1881, where he worked as Brandon's first medical doctor and pharmacist. He also held the role of chairman for the Brandon School Board. Fleming died in Brandon on November 26, 1897.

Rapid population growth in the City of Brandon in the early part of the 20th century resulted in a need for additional school buildings; Fleming School was among the schools established during this period. Designed by W.H. Shillinglaw, the structure was constructed out of concrete, wood and brick, and included a basement. When the school first opened, it was composed of six classrooms; after two renovations in 1953 and 1962, the school expanded with more classrooms and a gymnasium. At the time of its closure, Fleming School could accommodate seven classes, covering grades kindergarten to grade six.

Around 2004, the Brandon School Division decided to close Fleming Elementary School. Prior to the closure a celebration was held on January 14, 2005, to honour the school's 90th Anniversary. Following the school's official closing, students were reallocated to Earl Oxford Elementary School (540 18th Street). Some of the former staff found work in other schools within the Division, while Craig Manson, the last principal of Fleming School, became principle of Green Acres Elementary School.

The building formerly used as Fleming Elementary School became a high school for the Sioux Valley Dakota Nation in late 2006. The Band bought the building in late 2010.

Custodial History:

Records were collected and created by Fleming School staff and administration, many for the 90th anniversary and closing of the school. Craig Manson, the last principal of Fleming School, gave the records to David Wilson, who donated them to the S.J. McKee Archives in 2015.

Scope and Content:

Collection consists of records that document the history of Fleming School. Many of the records were created and gathered specifically by Craig Manson and others for the school's 90th anniversary; on November 19, 2006 an ad written by Grant Hamilton was placed in the Brandon Sun with Jean Pickard asking for potential archives from Fleming School to be donated by contacting Keith Heide at the Brandon School Division. The archives were to be used in a display on education in Brandon to be located in the Town Centre in June 2007. Other records were collected and created by the school's staff and administration to document the activities and student of their school.

Textual records include newspaper clippings, staff and administration lists (1914-2005), programs, calendars, correspondence, anecdotes, as well as records related to the events surrounding the 90th anniversary and the closure of the school. The 90th anniversary celebration materials include Craig Manson's speech and agenda, the lyrics to the school song, and a list of people in attendance. The newspaper clippings, with capture the experiences of Fleming students, are evidence of the staff's interest in the lives of their current and former students.

Also included in the textual records is in depth genealogical research for the Fleming family. The research includes birth and death dates, photographs of grave sites and residences of Fleming family members, as well as some correspondence around the school's 90th anniversary. The photographs in the album include both originals and photocopies.

Photographs in the collection, like the newspaper clippings, document the activities and events of Fleming School, its students and staff. They include candid's from the classroom, various ceremonies (including the 90th anniversary), and the celebration of holidays (especially Halloween). There are also a number of class and staff portraits.

The collection also includes audio visual materials. The VHS recording entitled "Fleming School 90th Birthday Tea," runs approximately 75 minutes and was videoed by Ian Carkener. The DVD, which runs 42 minutes, was created by the staff and students for the 90th anniversary celebration. It has three components: "Through the Decades" shows students re-enacting school scenes from earlier decades; "Students at Work and Play," shows the 2004-2005 students in their classroom environment during holiday celebrations, school ceremonies and working on assignments; and "Reflections," which includes a slide show of photographs of Fleming School throughout the years set to music.

Finally, the collection includes four artifacts: one 90th anniversary celebration balloon with an image of the school building and the its years of operation printed on it; a school magnet with the school phone number and an image of the brick school building; and two pins. The first pin is circular with a black background and gold details including the school's name, three silhouettes and three maple leaves. The second pin appears to have a hornet or bee emblem with the number 72.
