History /

Biographical:

The Pool livestock advisory boards and livestock markets were organized under the MPE when MPE merged with the Manitoba Co-operative Livestock Producers Ltd in 1948. The livestock pools operated in much the same way the grain pools did. The MPE Livestock Division was overseen by the Canadian Livestock Co-operative (Western) Limited (known as the C.L.C.). Local shipping associations shipped livestock to a central selling agency in St. Boniface, although this changed with the development of the rural highway system in Manitoba and the founding of Pool Packers.

R.B. Inch collection

Part Of: RG 6 Brandon University fonds

Description Level: Sub-series

Series Number: MG 3 1.10

Accession Number: 35-1997

GMD: textual records

Date Range: 1937-1980 (predominant 1940-1970)

Physical Description: 2.08 m

Physical Condition: Generally good

History /

Biographical:

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes:	Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.

Inch that can be found in the Library and Archives of Canada under the heading Rober Boyer Inch fonds. This fonds consists of 4.05 m of textual records dating from ca. 1923-1981.

Steele Briggs Seed Co. Ltd.

<http://archives.brandonu.ca/en/permalink/descriptions4327>

Part Of: RG 3 A.E. McKenzie Company fonds

Description Level: Sub-series

Series Number: McS 3 3.2

GMD: textual records

Date Range: 1893, 1931-1979

Physical Description: 25.7 cm

History /

Biographical:

On November 11, 1971, A. E. McKenzie Co. Ltd. acquired Steele Briggs Seed Co. Ltd., Rennie Seeds, and the Canada Seed Co. from Maple Leaf Mills Limited of Toronto, Ontario. The purchase included the packet seed business and most of the brand names and

trademarks of the above companies as well as the Steele Briggs properties in Winnipeg and Regina, and all of the equipment in their Toronto location. This same location was leased by A. E. McKenzie Co. for a number of years. As a result of the acquisition of Steele Briggs, the name of A. E. McKenzie Co. was modified to A.E. McKenzie Co. Ltd. - Steele Briggs Ltd; each company continued to operate under its respective trade names in the marketing of Garden Seeds, Lawn Grass and other product lines across Canada.

The Steele Briggs Seed Co. was founded in 1873 in Toronto, although at the time of its inception, the company, which was a small retail seed store, was known as Steele Brothers and Company. Two of the company's founders, Mr. R. C. Steele and Mr. S. E. Briggs, were already involved in a grocery and produce business in Oshawa, Ontario together.

From the first store at 23 East Market Street, Toronto, Steele Briggs moved into a new warehouse at the Southeast corner of Front and Jarvis Streets in 1887. However, by 1888, new premises were required due to the rapid growth of the company, and a warehouse was leased at 107 Front Street East. Five years later, a separate store was opened to manage the local retail and mail order sections of the business at 132 King Street East. The annual increase in trade, however, made the construction of a new five-story building necessary in 1911-1912.

By 1902, the volume of business the company was receiving from Western Canada led to the establishment of a branch house in Winnipeg. Further expansion occurred in 1922, when Steele Briggs purchased a large warehouse and Seed Cleaning elevator at Regina in order to more adequately deal with the demands of the Western Provinces of Alberta and Saskatchewan. In 1933, a branch house was opened in Edmonton, and in 1956 one was established in Vancouver.

In its formative years, prior to the 1930's, the management group was comprised of a number of well-known businessmen. These included: Mr. J.S. Steele, Mr. E. F. Crossland, second Vice-President and General Manager, Mr. W. D. Steele, first Vice-President and Manager of the List Seeds Department, Mr. C. J. Turnbull, General Manager of the Western houses and Seed Grain supplies, Mr. R. S. Ferguson, Assistant Manager of the Catalogue and Wholesale trade located in Winnipeg, and L. B. Robinson, Assistant Manager and Accountant at Regina.

Sometime between 1944-1948, Mr. W. D. Dack was appointed President of Steele Briggs, and, in 1951, he announced new executive appointments to the company. Mr. George F. Boyd was appointed Manager of Steele Briggs' Regina branch and later supervisor of all Western branches as Vice-President in charge of Western Canada Operations. Mr. C. S. Beattie was appointed Secretary Treasurer of the company. In June of 1964, D. H. MacKay, E. R. Seede of Regina and Tom Gray of Edmonton, were named to the Company's Board of Directors.

For many years Steele Briggs published and distributed a retail catalogue, the first was published in 1875.

Rennie Seeds Ltd. was founded by William Rennie in 1870 and incorporated in 1905. It was located in a small store at Adelaide and Jarvis Streets in Toronto. Following the death of Mr. Rennie, the business carried on under the leadership of his son Thomas Rennie, and subsequently under Thomas Rennie's son-in-law K. J. Harrison. Steele Briggs acquired Rennie Seeds in 1961.

The Ferry Seed Company, which operated primarily in Eastern Canada, was bought by the Steele Briggs Seed Co. in 1926, effectively ceasing all operations under the Ferry name.

Custodial History:

See fonds level description of custodial history of A. E. McKenzie Seed Co. Ltd.

BU faculty members Dr. Kenneth "Ken" Stephen Coates, Assistant Professor of History, and Mr. Fred McGuinness, Lecturer in Journalism, authored the book. All three students were former research assistants for *The Pride of the Land* monograph.

The authors cover 117 years of Manitoba social history, starting with the Red River Settlement and the Dominion of Canada expansion in the 1870s, followed by the war years, and the emergence of modern, contemporary Manitoba.

Custodial History:
