History /

Biographical:

H-Huts refer to structures built to house military personnel at the Commonwealth Air Training Program just north of Brandon during World War II. The name H-Hut derives from the layout of the structures, which were built in an "H" formation. The original H-Huts were moved onto the Brandon College campus in 1956 to house the library and arts classrooms.. Additional H-Huts have been located in various places and used for various departments and services on campus including Student Services, Continuing Education, and the carpenter's workshop. Only the Physical Plant H-Huts, located to the west of the Knowles-Douglas Student Union Centre, remain on campus in 2007.

Scope and Content:

Sub-series consists of photographs of various H-Huts on campus.
