History /

Biographical:

Joseph Henry Hughes was born in London, Ontario on April 14, 1857, son of Joseph C. Hughes and Jane McAndless. His family farmed in Middlesex County until they retired to Brandon, MB. Hughes received his education in Middlesex County then went on to attend the Toronto Normal School in 1874. He taught for only a short time in 1875 before going into business as a general merchant in Iderton, Ontario.

Hughes moved to Brandon, MB in 1882 and from 1882 to 1906 was engaged in the lumber business with yards in Rat Portage and Brandon and later with mills on Rainy River. His business partner was T.H. Patrick from 1882-1896. T.T. Atkinson was a partner in the business from 1882 until early 1888, running the company's lumber camp in the Rainy River Valley. Atkinson was replaced by a Mr. Kennedy in 1888. After disposing of the mills in 1901, Hughes & Company operated as a lumber dealer until 1908 when the lumber business was sold to Rat Portage Lumber Co., whose operations in Brandon were located on 10th Street between Rosser and Princess Avenues.

Thereafter, Hughes & Company focused on real estate, owning most of the property between 10th and 11th Streets, Rosser and Princess Avenues. The company built rental property and residences in Brandon, including the Strathcona Block on 10th Street and Hughes (Lorne) Terrace on Lorne Avenue. During this period Hughes & Company was also involved in insurance and farming, buying farmland in south eastern Saskatchewan and Manitoba for lease and sale.

Hughes was a city alderman for four years, dedicating himself mostly towards improvements to the city pertaining to electrical generation, water supply and the development of the streetcar franchise. In 1911, he resigned from City Council to stand as a successful candidate for mayor. He held this position for only one year, 1913-1914. During this period Hughes, along with other prominent citizens, set up the Patriotic Fund to help look after the dependents of those going off to fight in World War I. Hughes served as chairman of the project until his death in late 1917.

In addition to his role as a prominent city businessman, Hughes was also deeply involved in the First Methodist Church, and a member of the Independent Order of OddFellows (I.O.O.F.) and the Masonic Lodge.

Joseph Henry Hughes was survived by his wife Anna Maria Hughes, whom he married in 1893, and their daughters: Alma and May (Mrs. Wilfred C. Hughes and Mrs. Charles Leemnnis) and Ruth, and their sons Percy and Harley.

Upon J.H. Hughes' death in 1917, management of the company was taken over by Willard C. Hughes, who died in 1964. Following his death the company was administered on behalf of Alma Hughes by Barry Hughes, a Winnipeg lawyer and distant relative. The company remained active in real estate and property management, as well as farming and oil, until the early 1990s when following the death of Alma Hughes and her daughter Anna, the company was liquidated.

Custodial History:

The records in the Joseph H. Hughes fonds were held in two locations prior to their donation to the McKee Archives. Family related records, including paintings by Anna Hughes, music scores, photographs and various parchments, were stored at the family residence, Lorne Terrace (133-137 Lorne Avenue Brandon, MB). The balance of the records, being the records of Hughes & Co. as the firm came to be known, were stored on the fourth floor of the Alexander Block, also known as the Hughes Block, on the west side of 10th Street just south of Princess Avenue. In the early 1990s a decision was taken by Barry Hughes, who had succeeded Willard Hughes as the President of the company, to sell Hughes & Co. Hughes directed Joe Perry, the Brandon manager of Hughes & Co. to donate the records of the Hughes family and Hughes & Co. to Brandon University. Perry supervised the transfer of the records from Lorne Terrace and the Alexander Block to Brandon University. Initially the records were located in the Physical Plant H-Hut, they were then transferred to the Brandon University Steam Plant. The family records were transferred to the Archives in 1997, while the company records remained in the Steam Plant until January 2007 when some of the records were transferred to the Archives. The remainder of the records were moved to a storage facility on 20th Street.

Scope and Content:

The Joseph H. Hughes collection is divided into three series, including: (1) Photographs; (2) Edwardian music sheets; and (3) Hughes & Co. business records.

R.B. Inch collection

<http://archives.brandonu.ca/en/permalink/descriptions180>

Part Of: RG 6 Brandon University fonds
Description Level: Sub-series
Series Number: MG 3 1.10
Accession Number: 35-1997
GMD: textual records
Date Range: 1937-1980 (predominant 1940-1970)
Physical Description: 2.08 m
Physical Condition: Generally good
History /
Biographical:

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes:	Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.

Inch that can be found in the Library and Archives of Canada under the heading Rober Boyer Inch fonds. This fonds consists of 4.05 m of textual records dating from ca. 1923-1981.

Hubert Weidenhamer collection

<http://archives.brandonu.ca/en/permalink/descriptions12347>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 6-2011

GMD: multiple media

Date Range: April 11, 1943 - July 4, 1945

Physical Description: 4 cm textual records (48 letters)
2 photographs
press clippings and several facimiles

Physical Condition: Good

History /

Biographical:

Hubert Clayton Weidenhamer was born near Dand, Manitoba in 1926. He was raised in Dand and attended school in the Dand Consolidated School District. Weidenhamer enlisted in the Canadian Army in 1943. He became a member of the Princess Patricia's Canadian Light Infantry. Following training in Canada and England Weidenhamer was sent to Italy. He was badly wounded in battle in mid-September and died of his injuries in November 1944 at age 21. He was buried in the Ancona Military Cemetery, Ancona Italy.

Custodial History:

These records were in the possession of Bea Chapin (née Weidenhamer) following their creation in the 1940s until they were donated to the S. J. McKee Archives in January 2011.

Scope and Content:

Collection consists of correspondence from Hubert Clayton Weidenhamer to his sister Bea. The letters begin in the spring of 1943. Weidenhamer had enlisted in the Canadian Army in January 1943. His letters detail his induction into military life in Fort Garry, Winnipeg and his training experience in Canada, principally at Camp Ipperwash, Lambton County, Ontario. He relates his experience of travels on leave to Detroit. Weidenhamer left Canada from Halifax in late 1943 and arrived in Great Britain in December for additional military training. In England, maintaining his morale, waiting for deployment, and coming to terms with British currency were challenges. Transferred to the Princess Patricia's Canadian Light Infantry, Weidenhamer was deployed to Italy in March 1944. The letters dating from March 1944 to September relate in oblique fashion his's experience of military life on the Italian frontier as the Canadian Army fought its way north - "hard fighting" - and the impact of the war on Italian cities and the countryside. He was "proud" of his conduct in action. Weidenhamer's last letter is dated September 11, 1944.

Collection also includes correspondence on Weidenhamer's behalf from his military Chaplain; two press clippings dealing with his military career, and several facimiles of telegrams and correspondence from the Canadian government officials related to Weidenhamer's death and burial in Italy.

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of The Lindsays of Dundonald.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

History /

Biographical:

Fleming School, located at 2320 Louise Avenue, Brandon, MB, was a part of the Brandon School Division from its creation in 1914 until its closure in 2005. The school was named to commemorate the life of pioneer Dr. Alexander Fleming. Fleming, who was a Scottish born immigrant, came to Brandon in 1881, where he worked as Brandon's first medical doctor and pharmacist. He also held the role of chairman for the Brandon School Board. Fleming died in Brandon on November 26, 1897.

Rapid population growth in the City of Brandon in the early part of the 20th century resulted in a need for additional school buildings; Fleming School was among the schools established during this period. Designed by W.H. Shillinglaw, the structure was constructed out of concrete, wood and brick, and included a basement. When the school first opened, it was composed of six classrooms; after two renovations in 1953 and 1962, the school expanded with more classrooms and a gymnasium. At the time of its closure, Fleming School could accommodate seven classes, covering grades kindergarten to grade six.

Around 2004, the Brandon School Division decided to close Fleming Elementary School. Prior to the closure a celebration was held on January 14, 2005, to honour the school's 90th Anniversary. Following the school's official closing, students were reallocated to Earl Oxford Elementary School (540 18th Street). Some of the former staff found work in other schools within the Division, while Craig Manson, the last principal of Fleming School, became principle of Green Acres Elementary School.

The building formerly used as Fleming Elementary School became a high school for the Sioux Valley Dakota Nation in late 2006. The Band bought the building in late 2010.

Custodial History:

Records were collected and created by Fleming School staff and administration, many for the 90th anniversary and closing of the school. Craig Manson, the last principal of Fleming School, gave the records to David Wilson, who donated them to the S.J. McKee Archives in 2015.

Scope and Content:

Collection consists of records that document the history of Fleming School. Many of the records were created and gathered specifically by Craig Manson and others for the school's 90th anniversary; on November 19, 2006 an ad written by Grant Hamilton was placed in the Brandon Sun with Jean Pickard asking for potential archives from Fleming School to be donated by contacting Keith Heide at the Brandon School Division. The archives were to be used in a display on education in Brandon to be located in the Town Centre in June 2007. Other records were collected and created by the school's staff and administration to document the activities and student of their school.

Textual records include newspaper clippings, staff and administration lists (1914-2005), programs, calendars, correspondence, anecdotes, as well as records related to the events surrounding the 90th anniversary and the closure of the school. The 90th anniversary celebration materials include Craig Manson's speech and agenda, the lyrics to the school song, and a list of people in attendance. The newspaper clippings, with capture the experiences of Fleming students, are evidence of the staff's interest in the lives of their current and former students.

Also included in the textual records is in depth genealogical research for the Fleming family. The research includes birth and death dates, photographs of grave sites and residences of Fleming family members, as well as some correspondence around the school's 90th anniversary. The photographs in the album include both originals and photocopies.

Photographs in the collection, like the newspaper clippings, document the activities and events of Fleming School, its students and staff. They include candid's from the classroom, various ceremonies (including the 90th anniversary), and the celebration of holidays (especially Halloween). There are also a number of class and staff portraits.

The collection also includes audio visual materials. The VHS recording entitled "Fleming School 90th Birthday Tea," runs approximately 75 minutes and was videoed by Ian Carkener. The DVD, which runs 42 minutes, was created by the staff and students for the 90th anniversary celebration. It has three components: "Through the Decades" shows students re-enacting school scenes from earlier decades; "Students at Work and Play," shows the 2004-2005 students in their classroom environment during holiday celebrations, school ceremonies and working on assignments; and "Reflections," which includes a slide show of photographs of Fleming School throughout the years set to music.

Finally, the collection includes four artifacts: one 90th anniversary celebration balloon with an image of the school building and the its years of operation printed on it; a school magnet with the school phone number and an image of the brick school building; and two pins. The first pin is circular with a black background and gold details including the school's name, three silhouettes and three maple leaves. The second pin appears to have a hornet or bee emblem with the number 72.

History /

Biographical:

Verda Joan McDonald (nee Peden) was born in Brandon, MB on May 2, 1934. She was the middle daughter of Bill, a school principal, and Phyllis Peden. McDonald attended school at King George, Alexandra (now Betty Gibson), Earl Oxford and Brandon Collegiate Institute.

In 1951, McDonald enrolled in the Bachelor of Arts program at Brandon College. A fellowship program from the local YMCA enabled her to teach gym and swim programs after school and on Saturday for a small salary, which enabled her and some other students to finance their education. She graduated in 1955 with a Bachelor of Arts degree. During her graduating year, McDonald served as Lady Stick for Brandon College; the title of Lady Stick was an elected position and an honour, and gave McDonald and the person elected Senior Stick, Frank McKinnon, the responsibility of leading the student council for that year. In 1956, McDonald obtained her Bachelor of Pedagogy degree, also from Brandon College, which allowed her to teach grades 1 to 12 in Manitoba.

Verda married her college sweetheart, Dick McDonald, on August 25, 1956, and the couple moved to Dauphin to teach at the Dauphin Collegiate and Technical Institute for two years. They returned to Brandon in September 1958, and Verda proceeded to teach at Brandon Collegiate, Neelin High School and Vincent Massey until December 1960.

When Dick finished his degree at Brandon College and started teaching, Verda stayed at home to raise their three sons, Rick, Paul and Daren. During this time she began her many years of volunteering within the community. She served seven years on each of the following three boards: The Brandon Schools Instrumental Music Association; The Brandon University Alumni Board; and The Board of Fairview Nursing Home. She became President of each board during her term.

McDonald supported her husband throughout his teaching and financial career, as well as his strong involvement in the Artillery Reserve Army with the 26th Field Regiment where he served as Commander and later Honorary Colonel. Both McDonald and her husband maintained strong ties with Brandon University and have contributed generously to funding campaign and scholarships. The Sports Wall of Fame in the Health Living Centre on the Brandon University campus is named in their honour.

In addition to their involvement with Brandon University, the McDonald's were members of the Kinsmen, K40 service club, golf and bridge clubs and enjoyed many years together in Brandon. They enjoyed going on cruise ship holidays and visited many countries together.

Since Dick's death in September 2015, Verda has tried to maintain her involvement in university activities. She continues to reside in Brandon, MB.

Custodial History:

Records were created and collected by Verda McDonald during her years as a student and alumna of Brandon College/Brandon University. The records were stored in her home until their donation to the McKee Archives in 2015.

Scope and Content:

Collection consists of records dealing with Verda McDonald's experiences as a student and alumna at Brandon College/University. The majority of the collection contains records from the early 1950s during McDonald's college years (1951-1955). These records, which cover the social and athletic aspects of Brandon College in the 1950s, provide a detailed look at college student life during this time period. The collection also contains a small number of records (1955-2005), documenting McDonald's experiences as an alumna of Brandon College/University.

The collection consists of four scrapbooks, which contain photographs, newspaper clippings, graduation cards, lyrics for class songs, and programs for graduation banquets, school dances, graduation ceremonies and drama productions. The scrapbooks also contain ephemera such as sports emblems, table decorations, election paraphernalia. It also includes McDonald's oath of office from when she was sworn in as Lady Stick, as well as her acceptance speech from the same ceremony.

The three file folders in the collection include: a list written by Frank McKinnon, a classmate of McDonald's, outlining his reasons for coming to Brandon College and his recollections of being a student at Brandon College; the rules of Clark Hall residence hall; and pamphlets for various celebrations and events at Brandon University (Homecoming 2009, Homecoming 2006, Reunion Weekend 2005, Reunion Weekend 2004, Homecoming 1995 and 1995 Reconovocation program, Homecoming 1980, 1975 Open House).

Finally, the collection contains 18 loose photographs. A number of the photos document important reunions for the Class of 1955 (40th Anniversary in 1995, 50th Anniversary in 2005), while others were taken at alumni events over the years (1988-1997). History /

Biographical:

Nadia Irene Lewis (nee Chernec) was born in Shoal Lake, MB on December 31, 1926. Shortly after her birth, Nadia was placed in the care of a nurse in Brandon, MB while her parents were attempting to set up a home in the United States. Her mother was a teacher and her father was in training to become a member of the Royal Canadian Mounted Police (RCMP), but because they were unmarried and had a child out of wedlock, they both lost their jobs and felt they needed to start a new life in a different place. As they were driving up the Brandon Hill, they were tragically involved in a three car collision, which killed them both.

The nurse caring for the newborn baby girl and a social worker from the Children's Aid Society assigned to the case decided to place Nadia in an orphanage in Brandon. During her stay at the orphanage, the caretakers named her "Katy" after a popular song of the day and discovered that she really enjoyed music. Nicholas and Maria Chernec adopted "Katy" from the orphanage when she was 3 1/2 years old, and in her brief autobiography, Nadia wrote that she suspected that Nicholas Chernec was her biological uncle (her father's brother). In June 1929, baby "Katy" was christened "Nadia Irene Chernec."

According to Nadia's autobiography, Nicholas Chernec urged his wife Maria to adopt the baby for three years as she remained in the orphanage. Maria had suffered a fall from a ladder during their marriage and as a result, was unable to have children. Maria "was often quite ill" and did not want to raise another person's child, but eventually she agreed.

Both Nicholas and Maria were of Ukrainian descent, and therefore Nadia was raised with a knowledge of Ukrainian traditions and within the Ukrainian community of Brandon, something that she embraced. Nadia grew up in Brandon's North End and graduated from the Normal School in 1945. She immediately began a teaching career that would last for 32 years, though she also worked in an office for three of those years. She married Alexander Mitchell Lewis on July 23, 1971 in Vancouver, BC. Alexander was a contractor and boat builder.

After Maria Chernec's death in September 1984, Nadia began correspondence with Oseredok, the Ukrainian Cultural and Educational Centre in Winnipeg, MB. She ultimately donated many traditional Ukrainian items to the Centre, including a painting much beloved by her father (who died in 1955) and garments handmade by her mother, thus preserving some of her family's cultural heritage.

As noted previously, Nadia loved music as a child and eventually learned to play the violin. She performed with several orchestras throughout her life, including the New Westminster Symphony and the Kitsilano Orchestra. In November 1998, she was diagnosed with trigeminal neuralgia, a neurological disorder that affects the nerves in the head. This disorder, which can cause unexpected and debilitating pain in the affected area, led to Nadia giving up driving, and ultimately, her violin playing. Through prescription drug experimentation under the supervision of her physician and neurologist, Nadia was eventually able to control the effects of the disease. Nadia Irene Lewis died on September 14, 2013 in Richmond, BC at the age of 86.

History /

Biographical:

Thomas Russell Wilkins was born in Toronto in 1891. He received his B.A. from McMaster University in 1912, and became the Science Master at Woodstock College the following year. In 1916, he and his wife Olive moved to Chicago, where Wilkins was an instructor of Physics at the University of Chicago. The next year he served as a master signal electrician in the U.S. Signal Corps. During World War I, Wilkins completed pioneer research for the United States Navy, which led to the development of pulse sonar devices in the 1920s. He had also been researching the possibilities of a wireless telephone.

Wilkins and his wife moved to Brandon in 1918, where he took up the position of Professor of Physics. During his time at Brandon College, Wilkins introduced the latest technology to classrooms, designed the original Science Building, and along with the Brandon Citizen's Committee, secured building funds for the Citizen's Science Building.

Receiving his Ph.D. from the University of Chicago in 1921, Wilkins resigned from Brandon College in 1925 to pursue postgraduate study at Cambridge University. In 1926, he began research at the University of Rochester, where he also took up the position of Professor of Physics. From 1930 to 1938, he acted as the Director of the Institute of Optics.

Widely known for his work in the fields of cosmic rays and atomic disintegration, in April 1939, Wilkins announced the perfection of a camera that was able to record the "footprints" of invisible atoms after they collide. In October 1939, he received a medal from the Royal Photographic Society of Great Britain recognizing his work regarding the use of photographic emulsions in the study of radium. The following year, Wilkins perfected a camera that could determine the energy levels inside the nuclei of stable chemical elements. He received a grant from Sigma Xi, the National Society for the Promotion of Scientific Research, in November of 1940.

Wilkins married twice. The first marriage, to Olive Angles Cross took place on June 17, 1913. Olive Wilkins died suddenly on May 13, 1937, at the age of 45. Wilkins married Susan Gwendolyn Whidden, the daughter of former Brandon College president Dr. H.P. Whidden, in 1938.

Thomas Russell Wilkins died suddenly of a heart attack on December 10, 1940, on his way back to his laboratory after a faculty meeting. He was 49 years old.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

T. Russell Wilkins' records contain correspondence between himself and Mrs. Wilkins and Dr. Whidden concerning their employment with Brandon College. There are letters between the two men regarding the building of the Science Building in 1920. There is also a copy of the Canadian Baptist. Besides programmes and a picture, there is also correspondence between various people. Dr. Wilkins kept the papers he had written for various classes at McMaster University in the years 1911 and 1912. There is a "toast to the ladies" that he delivered at a banquet of some sort, that gives an interesting view on how Wilkins, and possibly other men of his time, viewed women. There are numerous newspapers clippings, and several pages taken from journals such as Popular Mechanics, Popular Electricity and others. Dr. Wilkins was at the top of his field of study. He was an extremely bright man who managed to create some very useful tools of science. His papers are interesting and informative to read.
