History /

Biographical:

Dr. Evans was born in Nanaimo, B.C. on March 15, 1891. In the fall of 1907, at the age of sixteen, Dr. Evans entered the Academic Department of Brandon College. He played an integral part at the College, participating in academics, sports, and various other college functions and organizations. In his final year he was Senior Stick, the highest position in the Student Government. In 1913, Dr. Evans graduated from Brandon College. Immediately after graduation he was hired to teach Science and Academic Mathematics. In 1917, he became Principal of the Academic Department, while continuing to teach Mathematics and Science. Dr. Evans took leave in 1920 to study post graduate work at the University of Chicago. During the summers, he was the Acting Dean of the Department of Geology in Chicago. He received his Ph.D. in Geology in 1923, and returned to Brandon College. His new positions at the college were of Professor of Geology and Resident Master. He also taught some Chemistry.

On August 1, 1927, Dr. Evans married Adelene M. Bailey (Class of 1921, Music 1924) at the Joseph Bond Chapel in Chicago. He took over as College Dean in 1928 after the position became vacant. In September of 1928, Dr. Evans accepted the position of President of Brandon College, thus becoming its fifth president since the college's inception. Dr. Evans was head of the college at a very difficult time. He guided the College through the Depression and repeated threats of closure from the Baptists. Dr. Evans resurrected the Department of Theology in the mid-1930's. He helped with the reorganization of Brandon College as a non-denominational college in 1938, and its new affiliation with the University of Manitoba. During World War II, Dr. Evans started a War Emergency Fund, aimed at keeping the College from sinking into debt during the war years as enrollment shrank. With increased financial support from the government, Dr. Evans began expansion plans for the College. In 1958, he created the Dr. J.R.C. Evans Student Loan Fund in conjunction with the Alumni Association in order to provide worthy students with interest-free loans. It was also in 1958 that Dr. Evans was awarded the Queen Elizabeth Coronation Medal for his outstanding contribution to education in the British Commonwealth.

On July 29, 1959, Dr. Evans died suddenly at his summer home in Robson, B.C.. On his desk was the programme for the sod-turning ceremony for the new Arts and Library Building and Lecture Theatre. When it was completed, the Lecture Theatre was christened the Dr. J.R.C. Evans Lecture Theatre on behalf of the man who had made sure that it would be built. The Theatre had been his dream, a place to hold Chapel and Assemblies, as the student body grew in number.

Scope and Content:

Dr. Evans collection is quite substantial, owing to the fact that he was President of Brandon College for thirty one years. His collection is primarily made up of correspondence between Dr. Evans and various people. The letters deal with students, teachers, finances, fundraising, the Bursar, the Registrar, and legal matters. The collection also includes the minutes from various meetings, including Board of Director meetings and National Conference on Canadian Universities. There are accounts dealing with World War II, its affect on campus, the C.O.T.C, and the lending of part of Brandon College to the R.C.A.F. during the war. The complete withdrawal of Baptist support for Brandon College is well documented in this collection, as is the ensuing affiliation of the College with the University of Manitoba. The Brandon College Campaign and other fundraising endeavors are documented in Evans' papers as well. Evans was bent on the expansion of Brandon College, and there is a lot of correspondence dealing with this topic. There are various financial accounts and financial histories of Brandon College in Evans' collection.

History /

Biographical:

Dr. Robert Dudley Howland was born June 1, 1909 in Bexley, Kent, England. He attended Queen Elizabeth Grammar School Faversham, Kent. In 1926, he came to Canada where he attended Brandon College, graduating in Arts in 1935. He subsequently attended the London School of Economics where he obtained a doctorate in Economics.

During his years at Brandon College, Howland participated in debating and drama. He also acted as a student minister for the Baptist Church.

Howland spent his working years in various positions in the federal and provincial governments. Energy was an important focus of his work. His introduction to energy problems came in 1944, when he was appointed Secretary of the Carroll Commission on coal. From this experience he accepted appointments in Nova Scotia as Vice-President of their Research Foundation; Deputy Minister of Trade and Industry and Economic Advisor to the Nova Scotia government.

In addition to the Carroll Royal Commission on Coal, Howland was associated with the Royal Commission on Saskatchewan's Coal Mining Industry, was an economist on Canada's Economic Prospects from 1955-1957, and a member of the Royal Commission on Energy.

In 1959, Howland was appointed Vice-President of the National Energy Board and Chairman from July 1, 1968, until his retirement in August 1973. Howland was granted an honorary LL.D. by Brandon University in May 1974.

Howland had a lifelong interest in the Fabian Society and Fabian Socialism, assembling a rich collection of original edition Fabian publications.

Custodial History:

Dr. Howland presented his collection of Fabian publications to Brandon University sometime in the 1970s. The collection remained in the John E. Robbins Library until it was placed in the Archives in 1997.

Scope and Content:

The Howland Collection includes a wide range of books, pamphlets, and assorted publications of the Fabian Society assembled by Dr. Howland.

The Fabian Society, a socialist society, was founded in 1883-1884, in London. The Fabian Society was created with the goal of fostering the creation of democratic socialism in Great Britain. Unlike revolutionary Marxists, the Fabians placed their hopes for change in evolutionary socialism not revolution.

The creation of the Fabian Society is generally attributed to Thomas Davidson, a Scottish philosopher. Its charter members included George Bernard Shaw, Sidney Webb, Annie Besant, Edward Pease, and Graham Wallas. Shaw and Webb, later joined by Webb's wife, Beatrice, were the outstanding leaders of the Society for many years. In 1889, the Society published its best-known tract, "Fabian Essays in Socialism," edited by Shaw. The Fabian Society played an integral role in the creation of the British Labour Party.

Notes: The items in the collection have been added to the Brandon University Library catalogue. Description by Mike White.
