Brandon - Great Depression research project

<http://archives.brandonu.ca/en/permalink/descriptions4056>

Part Of: RG 6 Brandon University fonds

Description Level: sub sub sub series

Series Number: 7.1.4.1

Accession Number: 15-1997

GMD: textual records

Date Range: 1913-1987 (predominant 1929-1939)

Physical Description: 1.2 m

Physical Condition: The records are in excellent condition, but the extensive use of photocopying of available records occasionally leads to difficulty in clarity of content.

History /

Biographical:

The project originated in the summer of 1987 at Brandon University. It was undertaken by several Brandon University students under the guidance of Dr. William R. Morrison and Dr. Ken Coates, both professors in the Department of History. From the perspective of all involved, research and future publication were the original aims of the project. The intention was to produce a combination of documentary and oral history of the Brandon region during the Great Depression, including an extensive study of Brandon College. Initially, an outline and project summary was presented to Manitoba Heritage Grants Program for consideration and after being chosen as a recipient for the grant, regular reports on research progress were submitted. The project was discontinued at the end of the summer due to a lack of funding and availability of the researchers.

Custodial History:

The records were held in the custody of Dr. Morrison until his departure from Brandon University in 1989. At this time, the records were given to Tom Mitchell, who donated the entire project to the McKee Archives, where they were accessioned in 1997.

Scope and Content:

The sub sub sub series consists of textual records relating to Brandon and the surrounding area during the years of the Great Depression, predominantly 1929-1939. The material in the sub sub sub series falls generally into the following categories: city, provincial, and federal government documents and correspondence; newspaper articles and other publications, and statistical data. Of particular interest are four papers written by Brandon University students and six years of the Henderson Directory. Also included is a folder containing documents associated with the research project undertaken by Dr. Morrison et al. during the summer of 1987.

The sub sub sub series has been divided into four boxes:

Box 1 - Brandon City Council file index, City Council membership and minutes, relief regulations, proposals for burials and children's shelters, relief work projects reports, Brandon-Cornwallis Health Unit reports, correspondence between the City of Brandon and numerous levels of government, Brandon Public Health Nurse reports, farm reports, Brandon bank clearings, Provincial Election results, Employment Service of Canada documents, various published articles, Brandon University student papers.

Box 2 - Civic, provincial and federal documents related to various features of the Great depression and its impact on Brandon including lists of relief recipients and personal letters to the City, Brandon General Hospital reports. Some of these documents remain unsorted but clearly identified by title and archival institution of origin.

Box 3 - Censuses of Canada, Henderson Directory for Brandon, City of Brandon Property Address Listing, United Farmers of Manitoba documents, rural rehabilitation programs, Brandon by-law voting, Archives of Manitoba documents, Westman Municipal News articles, Economic Survey Board provincial data, project documents.

Box 4 - Brandon Sun articles including a file index to articles of interest.

Notes: The description for this sub sub sub series was taken from the Brandon - Great Depression research project fonds written by Codee Lorrain (2005). Part of RG 6, 7.1.4 (Department of History).

Name Access:	William R. Morrison Ken Coates History Department Brandon Sun

Access Restriction:	Because of privacy issues, correspondence relating to the recipients of relief is restricted. They are still available in the sub sub sub series, however, and discretion on the part of the examiner is necessary.
Location Original:	Provincial document originals are available at the Archives of Manitoba in Winnipeg. Federal document originals can be found at Library and Archives Canada in Ottawa, Ontario. City of Brandon document originals can be obtained through City Hall. The original Brandon Sun papers are located at the Brandon Sun office in Brandon.
Storage Location:	RG 6 Brandon University fonds Series 7: Faculties and Schools 7.1 Faculty of Arts 7.1.4 Department of History

Other records specifically relating to the Great Dpression in Brandon can be found in the Errol Black fonds and the Manitoba Pool Elevators fonds. All fonds are available at the McKee Archives.

Arrangement:

Each subject of information has been compiled into separate folders. The first three boxes are composed of various documents sorted by the archivist. The fourth box is entirely composed of Brandon Sun articles arranged by the researchers. If there is one subject that covers a number of years, each year will typically have a folder; however, in some cases, like the Brandon Sun articles, more than one folder was needed per year.

R.B. Inch collection

<http://archives.brandonu.ca/en/permalink/descriptions180>

Part Of:	RG 6 Brandon University fonds
Description Level:	Sub-series
Series Number:	MG 3 1.10
Accession Number:	35-1997
GMD:	textual records
Date Range:	1937-1980 (predominant 1940-1970)
Physical Description:	2.08 m
Physical Condition:	Generally good
History / Biographical:	

See RG 6, series 9 (Department of Extension) for biographical information on R.B. Inch.

Custodial History:

R.B. Inch's records were passed on to the McKee Archives following his death. It is presumed that the executor of his estate donated the collection after his passing in 1983.

Scope and Content:

This collection is heavily influenced by Inch's professional and organizational life. Most heavily represented is literature associated with Inch's involvement with the League of Nations Society in Canada during the 1930s. It also appears that Inch paid close attention to United Nations' policy following World War II, from ca. 1945-1970. There are numerous items devoted to both Canadian and international political and diplomatic issues, with particular emphasis on British politics in the immediate post-war period. As one would expect from his involvement in the National Research Council and League of Nations Society, the core of the fonds is a study in two major themes. The first theme is of the post-WWII policy pursued by Canada and Britain and, secondly, the growth and development of United Nations' policy following the collapse of the League of Nations. There is some periphery material of general interest to Canadian history and Canadian university publications, but for the most part the material can be classified into one of the two preceding themes.

The collection includes a manuscript prepared by R.B. Inch entitled "Parliament Will Decide: A Chronicle of the Drift to War and of an Effort to Help Avert it" (1947). The manuscript is edited but out of order.

The balance of the collection consists of accumulated documents gathered over the course of Inch's lifetime from outside sources. These include: newspaper clippings and whole newspapers from publications in Winnipeg, Brandon, Toronto, Calgary and London; United Nations' pamphlets concerning a broad range of issues, ranging from the question of East Indian independence to annual policy directives of the organization; various magazines including copies of "Interdependence," which Inch once edited; articles taken from the publication "Life" concerning important figures of the time period; numerous books and textbooks concerning the political formation of post-war Europe; quarterlies from academic institutions, such as the University of Toronto; some material, primarily pamphlets, concerning R.B. Inch's involvement in Amnesty International after his retirement; and documents relating to post-war reconstruction in Britain.

Notes:	Finding aid for the R.B. Inch fonds was prepared for the McKee Archives by Matthew Palmer (2003). The majority of the boxes in the collection contain a typewritten inventory detailing the contents of each container. As well, the preponderance of the files within the boxes are further subdivided by either a typewritten inventory itemizing the material contained within each dossier or a handwritten note on the outside of the folder describing the contents.

Related Material: Additional materials related to R.B. Inch may be found in RG 6, Series 9 (Department of Extension). There is also a related group of records from R.B. Inch that can be found in the Library and Archives of Canada under the heading Rober Boyer Inch fonds. This fonds consists of 4.05 m of textual records dating from ca. 1923-1981.

History /

See RG 6 Brandon University fonds, Series 7 Faculties and Schools, Sub-series 7.1 Faculty of Arts, Sub sub series 7.1.1 Dean of Arts for biographical information for Michael Blonar.

Custodial History:

Collection was in the possession of Dr. Michael Blonar until he donated the records to the S.J. McKee Archives in May 2002.

Scope and Content:

Collection consists of textual records and five microfilm reels related to Dr. Blanar's post-graduate research. It is assumed that the records were collected during the course of Blanar's research for his dissertation entitled "Early British Travellers in French Canada (1960)."

Textual records include three Dominion of Canada notebooks containing handwritten Saulteaux verbs, and animate nouns. Included is a dark red booklet titled "Ojibwe." The book contains Ojibwa translations of English words. The book comes from St. Peter Clavers Industrial School in Spanish, Ontario, and may have acted as an instructional book as it also contains French and English. Collection also contains a transcript of an Ojibwa dictionary and three file folders titled "Manuscripts," "John Long Research," and "Maps" which contain additional research material. Contents of "Manuscript" folder are original typed manuscripts. "John Long" and "Maps" file folders contain copies of materials held at Library and Archives Canada, as well as hand drawn documents and hand written documents detailing contents of folders.

In addition to the textual records there are five microfilm reels. Three microfilm cases are labeled "The British Reference Division," one case labeled "Public Archives Canada, central microfilm operations," and the last case is from an unidentified source labeled "Longs voyages and travels". Four of the five microfilm cases are also numbered. The British Reference Division microfilm case numbered "1346 i 43" contains a copy of a book titled "The Cacique of Ontario." Notes: Description by Aaron McKay (October 2013). The Ojibwa language dictionary and notebook make references to Fredric Baraga (1797-1868), a missionary priest from Slovenia who recorded the Lake Superior Ojibwa language dialect. Baraga's findings were published into an Ojibwa language dictionary.

History /

Biographical:

George F. MacDowell was born in 1913, in Prince Edward Island. He studied at Dalhousie University from 1930 to 1933, but did not complete a degree. During WWII, MacDowell served in Canada and Europe as a member of the Royal Canadian Signals Corps. After the war, he returned to Dalhousie University, graduating with a B.A. in 1947. Subsequently, he graduated with a Masters Degree in Economics from Clark University in Worcester, Massachusetts. George MacDowell taught at both Mount Allison University and the University of Alberta before coming to Brandon in 1957 to teach at Brandon College. He remained as a professor in the Economic Department until his retirement in 1979.

MacDowell's work was published in the Canadian Journal of Economics and Political Science. In 1971, McClelland & Stewart published his account of the Brandon Packers strike of 1960 titled "The Brandon Packer's Strike: A Tragedy of Errors." In Brandon, MacDowell maintained a relationship with the local Association of Fire Fighters, aiding them with collective bargaining procedures. He also served as Chairman for the MacKenzie Seeds Board, and was a member of the Manitoba Development Corporation Board.

MacDowell never married and had no known children. He passed away on February 26th, 1986.

Custodial History:

This collection was in the possession of George MacDowell until his death. It was then held by the Brandon University Department of Economics until 1997, at which time it was transferred to the McKee Archives at Brandon University.

Scope and Content:

The bulk of this fonds falls into five main categories:

1. Records dealing with the Brandon Packers Strike of 1960 and the subsequent legal actions against the owners, including all 2215 pages of the Brandon Packers Strike Commission;
2. Records dealing with the Commission of Inquiry into The Pas Forestry and Industrial Complex, including the complete transcript of the inquiry measuring approximately 5m. This Commission dealt with the conduct of Churchill Forest Industries, a company owned by a Swiss financial firm, which, in the 1960's, was given approximately 93 million dollars by the Roblin Provincial Government to develop The Pas Forestry and Industrial Complex. Churchill Forest Industries and its parent company subsequently came under suspicion of fraud and accused of fraudulently transferring The Pas Forestry funds into other foreign business interests;

Accession Number: 1-2002
GMD: graphic
Date Range: [between 1904 and 1920]
Physical Description: 3 1/2" x 5"
Material Details: Negative

History /

Biographical:

Brandon Sand & Brick Co. was better known as "Samson's Brick" for owner-proprietor Samson.

Plant located at 29th Street & Princess Avenue; Offices located in Smith Block.

Used Huennekes (German) system, whereby dried sand was mixed and ground with lime in a tube mill as water was added to slake the lime. The mixture was formed into bricks in a press, then steamed in a cylinder 6 ft. in diameter and 62 ft. long for 10 hours, under pressure of 120 psi, to form a compound like cement. Bricks were ready for use when taken from cylinder. (Ritchie, T. Canada Builds. pp. 219)

In addition to the Belvedere Apartments, many houses are faced with this brick. The rear of the 9th St. MTS building and others downtown buildings were also formed of it. Also used in interior walls of Prince Edward Hotel, Alexander School and many other buildings that were faced with more expensive brick. The product was so good, the plant's demise was likely caused by the post-WWI depression.(LAS)

Gerry Beaubier collection

<http://archives.brandonu.ca/en/permalink/descriptions13541>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 11-2013

GMD: electronic records

Date Range: 1916-1917

Physical Description: 35 digital photographs

Material Details: JPEGs

History /

Biographical:

Gerry Beaubier was born in Wainwright, Alberta to Beatty and Babe Beaubier. He completed his high school in Saskatoon, before receiving a BSc in Geography from Brandon University.

Before attending university Gerry served in the army as a special reserve, while working as a night clerk at the Bessborough Hotel in Saskatoon. His post-graduate career consisted primarily of work for Canada Agriculture, under the PFRA Branch (Prairie Farm Rehabilitation Administration). Later he would work as an Executive Manager, helping develop forage and range management programs for several post secondary schools, including, Assiniboine Community College, as well as schools in Red Deer, Lethbridge, and Saskatoon.

Gerry Beaubier married Joyce Abercrombie, of Saskatoon. Together they had two sons: Neil and Dean. Neil, an Account Advisor for the Royal Bank, was born in Regina, and currently works in Swift Current. Dean was born in Swift Current, received his PhD in Education and currently lives in Forrest working at Elton Collegiate.

The Beaubiers, who were originally from Ireland, emigrated to the Canadian West, making Gerry part of the fourth generation of his family to call the region home. His great-grandfather, along with his grandfather and great uncle were amongst the first one hundred settlers in Brandon. Together they first built the Beaubier House, a boarding house for early settlers and travellers. After it burnt down they began construction on the Beaubier Hotel, which stood at the corner of 8th Street and Princess Avenue in Brandon until August 17th, 2008. His grandfather, David Wilson Beaubier, continued to build and operate hotels throughout the prairies, including the Empire Hotels (of Brandon and Saskatoon) and The Park (Moose Jaw).

David Wilson Beaubier served as a secretary of the Orange Lodge of Manitoba. As an Orange Lodge Colonel, he worked with other Orange Lodge members, to recruit throughout the prairies for the purpose of World War One. For his efforts, David was promoted to Lieutenant Colonel, and later Captain of the 99th Manitoba Rangers. David's sons (Gerry's father, at University of Manitoba, and uncle at McGill), were both working towards undergraduate degrees when war broke out in 1914, and each would leave school to join their father at Camp Hughes.

Custodial History:

Gerry Beaubier collected these photos primarily in the years 2000-2011, largely from family and friends who knew of his interest in the topic. They were donated to the S.J. McKee Archives in 2011.

Scope and Content:

Collection consists of digital photographs of those who trained for battle in World War I at Camp Hughes and in Brandon, Manitoba. It also includes a digital copy of the cover of the Nominal Roll of Officers, Non-Commissioned Officers and Men, who departed from Brandon in 1917.

The photos, taken primarily at Camp Hughes, are of a number of battalions, including the 34th, 100th, 108th, 181st and 214th. The photo, PT in England, is a postcard sent home from Beaty Beaubier. The Massey Harris building seen on the right side of, WW1 B parade0001, was used to house troops throughout the war. The man standing alone at the front of the parade in, 181 Parade, is David Wilson Beaubier.

Notes: Information for the biographical and custodial histories was provided by Gerry Beaubier on September 25, 2013. Description by Dustin Lane (October 2013).
