

S. J. McKee Archives

125th exhibit

<http://archives.brandonu.ca/en/permalink/descriptions7985>

Part Of: RG 6 Brandon University fonds

Description Level: Sub sub series

Series Number: 8.2.4

File Number: 4

GMD: textual records

Date Range: 2007

Physical Description: 1 file

History /

Biographical:

In celebration of Brandon's 125th Birthday, the McKee Archives organized the photo exhibit "Wonder City of the Northwest," on display from June 28 until the end of August 2007 in the Curve Gallery, located on the second level of BU's John E. Robbins Library. The photographs in the exhibit marked various passages in the history of Brandon from 1882 to the beginning of the Great War in 1914. A special opening for "Wonder City of the Northwest," sponsored by the President's Office, was held on Thursday, June 28 at 2:00 p.m. in the Curve Gallery.

Custodial History:

Contents of the file were created during the process of organizing and curating the Wonder City of the Northwest exhibit.

Scope and Content:

File consists of all bids made on the photographic prints in the exhibit, the silent auction form, research gathered for the information boards (including sections of Steen and Boyce's book on Brandon)

Notes: Correspondence and budget records related to the exhibit are held in the annual correspondence and budget files.

Storage Location: RG 6 Brandon University fonds
Series 8: Library Services
8.2 S.J. McKee Archives

A.C. Miller fonds

<http://archives.brandonu.ca/en/permalink/descriptions4842>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 19-1997

GMD: textual records

Date Range: 1916-1938

Physical Description: 5 cm

History /

Biographical:

Archie Cleveland Miller owned and operated a farm near Roland, Manitoba from 1918 to 1938. Miller was engaged principally in a commercial grain operation.

Custodial History:

This fonds was accessioned in 1997 by the McKee Archives. Prior custodial history is unknown. .

Scope and Content:

Fonds contains legal documents from A.C. Miller's farm near Roland, Manitoba from 1916 to 1938. They include mortgage documents, lease agreements, and bank receipts.

Notes: CAIN No. 202603

Alexander MacPhail collection

<http://archives.brandonu.ca/en/permalink/descriptions4541>

Part Of: RG 5 Western Manitoba Manuscript Collection

Description Level: Collection

Accession Number: 26-2006

GMD: textual records

Date Range: 1901-1963

History /

Biographical:

ALEXANDER MACPHAIL (14 July 1900 - 29 July 1986)

Alex was born in Vista, MB on July 14, 1900, son of John and Catherine MacPhail. He married Florence Turner (d. 1977) at Winnipeg on December 22, 1948 and together they farmed the family farm at Vista. In 1965 they purchased a house in Shoal Lake but continued to farm in Vista until Alex's retirement in 1973, when he sold the farm.

Alex was involved in the 4-H Club at Vista and was a member of the Grain Growers Association. He was also very interested in Wildlife Conservation, an interest which led him to donate a 1/4 section of land to them. Alex also started a museum in Shoal Lake, which in time he turned over to the Village. He was a school trustee for Islay School Board at Vista from 1937-1939 and took the position of Chairman from 1939, until the school closed on 1968. During his years of farming he was a registered Seed Grower and in 1957 was awarded the Robertson Certificate. As a hobby he was a beekeeper. Alexander MacMillan MacPhail passed away at the Shoal Lake-Strathclair Health Centre on Tuesday, July 29, 1986 at the age of 86 years.

MARION (MACPHAIL) MCCORMACK (1903 - 10 February 1988)

Marion attended Islay School and Rosburn Collegiate. Upon graduation, she attended Manitoba Normal School, and became a teacher. She worked at Perth, Islay (1927-1934), Plumas, Strathclair and Minnedosa.

She met and married Coll McCormack (d. 1973) in 1952, and they lived in Minnedosa. She retired from teaching in 1967. Marion McCormack passed away on February 10, 1988.

IAIN MACPHAIL (1912-1937)

Iain MacPhail was born in Vista, MB in 1912. During the years that he was attending high school, he took a keen interest in farming. After he completed his Grande XII, some of the farm projects were expanded, including bee keeping. It was while attending a Bee-Keepers Course at the University of Manitoba that Iain took ill and passed away in 1937.

JOHN ARMSTRONG (6 May 1930 - 21 June 2005)

John Armstrong was born May 6, 1930, the second son of Kate (McKinnon) and William Armstrong. He attended Perth school for his elementary grades, then Vista and Rosburn where he finished high school. John farmed with his dad and brother Hugh, except for one year of permit teaching on the Daupin River Reserve, which was accessible by canoe.

John lived at home with his parents and cared for them until his dad's passing in 1972 and his mother's in 1982. At one time John was a leader of the 4-H Seed Club and was able to help members with his weed and plant identification skills. He did some secretarial work for 4-H and the Argyle Presbyterian Church. John William Armstrong of Rosburn passed away June 21, 2005 at the Shoal Lake-Strathclair Health Centre.

Custodial History:

The records in this collection were accumulated in the residence of Alexander MacPhail from various family members. The materials were discovered in the attic of MacPhail's house on the MacPhail land in Vista, MB in 2005. Subsequently they were given to Gerald R. Brown by the family living in the MacPhail house. They resided in Brown's home until their donation to the McKee Archives in September 2006.

Scope and Content:

The collection consists of teaching materials and textbooks used by members of the MacPhail family - Alex, Marion and Iain. It has been divided into two sub-series, including: (1) Textbooks; and (2) Teaching materials.

Notes:	Biographical notes were written by Gerald R. Brown and were taken from his "Vista Tales . . . from Islay School District No. 733 in Vista, Manitoba." Description by Christy Henry.

Alfred Angus Murray McPherson collection

<http://archives.brandonu.ca/en/permalink/descriptions4523>

Part Of:	RG 5 Western Manitoba Manuscript Collection
Description Level:	Collection
Accession Number:	21-2006
Other Numbers:	Formerly the Margaret McPherson family fonds
GMD:	multiple media
Date Range:	1862-1978
Physical Description:	4 m
Physical Condition:	Some of the older materials are fragile.
History / Biographical:	

Alfred Angus Murray McPherson was born February 15, 1923 in Brandon, MB. The middle son of Angus and Annie Ethel (Pentland) McPherson, Murray grew up on the family farm in the Brandon Hills District. Following high school he obtained a B.Sc. degree from Brandon College, before enrolling in the Faculty of Education at the University of Manitoba in 1947 where he received his B.Ed. and M.Ed. Murray completed his Ph.D. in Educational Curriculum in 1975 at Michigan State University.

Murray's teaching career began at Brandon College as a chemistry instructor. After the year of teacher training he taught in Daupin Collegiate, then Luxton Junior High School and St. Johns High School in Winnipeg. In 1962, Murray joined the University of Manitoba Faculty of Education where he taught methods in mathematics and served as Head of the Department of Curriculum: Mathematics and Natural Sciences for sixteen years, before assuming the position of Co-ordinator of Student Teaching. During his career Murray co-edited a series of textbooks for elementary grades and was a strong supporter of the Manitoba Association of Mathematics Teachers. Following his retirement in 1988, Murray volunteered with Creative Retirement, Mentors Club and Habitat for Humanity. He also remained active in the United Church.

Murray McPherson married Margaret Elinore Raven on July 14, 1951 in Winnipeg. Margaret Elinore (Raven) McPherson was born in Winnipeg, MB on March 11, 1927. Educated at the University of Manitoba, where she earned a B.Sc. (1947), a Dip. Education (1948) and a B.Ed. (1966), Margaret taught school in Dauphin (1948-1953) and the Winnipeg School Division (Spring 1954). Together they had two children: John Angus Murray McPherson (b. March 19, 1955), an orthopedic surgeon in Winnipeg, and Kathryn May McPherson (b. November 20, 1957), a professor of history at York University, Toronto. Alfred Angus Murray McPherson died on November 25, 2001 at the Charleswood Care Centre in Winnipeg, MB. Margaret continues to live in Winnipeg, MB.

The MacPherson family originally came from the County of Sutherlandshire in the north of Scotland. The need for wool during the Napoleonic Wars resulted in the "Highland Clearances" of the early 1800's, which forced the small farmers or "crofters" to leave their farms and to move to the villages, such as Kildonan, Helmsdale and Golspie along the east coast.

In 1814, Hugh MacPherson (1779-1843) with his wife Anne Sutherland (1783-1857) and their family, immigrated to Nova Scotia and acquired a farm at Watervale, a community on the West River at Pictou. Following the issue of the land title, the "Mac" spelling of MacPherson became "Mc."

Alexander McPherson, the son of Hugh and Anne, married Elizabeth Murray at West River on April 10, 1840. They lived on the family farm at Watervale where they had a family of eleven children, a number of whom died in infancy. Their oldest son Hugh (1845-1916) and their youngest, Johnston (1857-1944), later came to Brandon Hills, MB.

Angus Sellars McPherson, a son of Hugh and Margaret (Sellars) McPherson, was born in Brandon Hills, MB on March 1, 1884. A farmer in the area his whole life, Angus married Annie Ethel Pentland in 1913. Together they had three sons: Howard, Murray and Kenneth. Angus died at Brandon General Hospital on September 5, 1953.

Alfred Angus Murray McPherson's mother, Annie Ethel (Pentland) McPherson, was born into a family that originally came from the ancient Scottish Midlothian or the more modern County of Edinburgh, from the Pentland Hills County, and in and around the towns of Pentland and Carrington. Around the year 1700, at the time of the large movement of immigrants from Scotland and England into Northern Ireland, several families of the clan settled in counties Down and Arnaugh in Ireland.

Between 1790 and 1820, a number from both Scotland and Ireland immigrated to Canada settling mainly in Eastern Ontario in the Counties of Hastings, Lennox and Addington and on Amherst Island. Around 1860, some moved to Huron County in Western Ontario to carve homes out of the bush. In 1881, Thomas James Pentland came from Goderich to Manitoba and settled near Douglas. He had learned the trade of a blacksmith and found one was needed so badly he gave up the intention to homestead and built a shop northwest of Douglas, on the South East quarter of Section 17-11-17. He later added a store and house there.

On July 22, 1885, Thomas James Pentland and Annie Isobel McVety were married at the home of the bride's parents at High Bluff and lived northwest of Douglas until 1890, when he made a deal with Isaac and Fred Lewis. Thomas took their homesteads on Section 14-12-18 and they took over the store, which they moved to Oakenside. T.J. Pentland continued to farm there until his death in June of 1919. T.J. Pentland was elected to the Council of the RM of Elton for Ward 1 in the fall of 1884 and served three years as councilor and fourteen years as Reeve.

The McVety and Owens families both came from County Fernanagh, Northern Ireland to Ontario during the first half of the nineteenth century. Henry McVety and Elizabeth Owens were married March 11, 1856, at Belgrave and lived at Morris until the spring of 1882, when they

moved to High Bluff, Manitoba and fifteen years later to Bagot. In 1882, their daughter Annie Isobel came to Douglas to teach at the first Elton School situated 2.5 miles north and 1 mile east of present Douglas.

The family of Thomas and Annie Pentland consisted of three sons and three daughters. Fred, who served overseas in the 78th Battalion in the First World War and was killed in September 1917; Harry, who farmed in Justice until 1922, then lived in Brandon until his death in 1948; Ethel (Mrs. Angus McPherson), now living in Brandon; Evelyn (Mrs. N.C. Thompson) now living in Brandon; Wesley, living at Justice on the home farm; and Grace who died in 1908.

Harry Pentland's son, H. Clare Pentland, was born October 17, 1914, on a farm near Justice, MB, where Harry had taken up farming. Clare graduated from Brandon College in 1940, with an Economics degree and attended the University of Oregon, where he completed a Master's degree in 1942. He obtained his Ph.D. from the University of Toronto in 1961. His dissertation was later published as "Labour and Capital in Canada 1650-1860." A noted economist and a founder of the history of labour in Canada, H. Clare Pentland died on October 13, 1978.

Custodial History:

Prior to the death of Murray McPherson, Margaret McPherson's husband, he and his daughter Katherine McPherson, professor of history at York University, searched through various farm houses previously occupied by members of the McPherson family and gathered together family archival materials to safeguard them from destruction. These materials were transferred to the McPherson residence in Winnipeg and upon the death of Murry McPherson, Margaret became the sole custodian of the records. The decision to place the records at the McKee Archives was arrived at for two reasons. First, the records relate to the Brandon Hills and the history of this region. Second, Murray McPherson attended Brandon College in the 1940s, and felt kinship with the institution. The records came to the McKee Archives courtesy of the good offices of Diane Hageland of the Association for Manitoba Archives. Margaret McPherson donated the records to the McKee Archives on May 4, 2006.

Scope and Content:

Fonds consists of personal and business records for various members of the McPherson and Pentland families. These were generated in the course of settlement in the Brandon Hills, travel, participation in the First World War and various forms of associational life, in particular the Orange Lodge. The fonds includes correspondence, financial records/ledgers, legal documents, postcards, photographs, scrapbooks, greeting cards, livestock records, Brandon College Sickles, school records, electoral records, diaries, membership records, certificates, income tax records, ration cards, notebooks, newsclippings, autograph albums, poetry, receipts and speeches.

Notes: Biographical information for the fonds was provided by Margaret McPherson. Processing done by Deidra Wallace and Christy Henry summer/fall 2006. Description by Christy Henry. Numerous spellings of the surname "McVety" appear in the fonds, including McVetie and McVitie. The oldest documented spelling in documents of a legal nature is McVety. This spelling therefore will appear throughout the finding aid.

Accruals: Further accruals expected.

Storage Location: 2006 accessions

Storage Range: 2006 accessions

Arrangement:

Original file order has been maintained, while some boxes have been combined to provide a more suitable environment for the preservation of print materials. The boxes have been renumbered accordingly. Due to the original file order, however, the file numbers in the database have been prefaced by their original box numbers. For example, File 3.5 refers to the fifth file of the original third box.

Date Range: 1904-1993; predominant 1960-1970

Physical Description: 1.2 m

History /

Biographical:

The Brandon Art Club was founded in November 1907, and operated in an art studio on the top floor of the Brandon College Women's Residence. The club appears to have been the creation of Miss. H. Hancock, who became the Director of the Department of Art at Brandon College c. 1907. The club moved to larger facilities made available at the First Methodist Church; the organization remained there until sometime during the Great War when the club relocated to St. Paul's Presbyterian Church and then in 1921, to the Prince Edward Hotel. The club's first public art exhibitions were held at the Prince Edward Hotel. Art classes were held for the first time in 1928. In 1968, the Brandon Art Club merged with the Allied Arts Center, which had been formed in 1959. The Allied Arts Center was located at 1036 Louise Avenue. In April 1984, the Allied Arts Center was moved to new facilities at the Arts Center of Western Manitoba located at 638 Princess Avenue. In 1989, it was renamed the Art Gallery of Southwestern Manitoba, and began to function as a "professional, regional art gallery." The Art Gallery of Southwestern Manitoba relocated to 2-710 Rosser Ave. c. 2001.

Custodial History:

These records were created at different times between 1907 and 1993, and remained in the possession of the administration of the above mentioned organizations until May 2001, when they were donated to the McKee Archives.

Scope and Content:

Fonds contains administrative records, minutes, personal files, correspondence, newsletters, photographs, summaries of collections and exhibits, scrapbooks, programs, submitted papers, and other miscellaneous records. All are a record of the growth and evolution of the Art Club, its administration, and of the art community in Brandon.

Athletic Directorate

<http://archives.brandonu.ca/en/permalink/descriptions3333>

Part Of: RG 6 Brandon University fonds

Description Level: Sub sub series

Series Number: 2.5.6

Accession Number: 7-2005

GMD: textual records

Date Range: 1972-1985

Physical Description: 4.5 cm

History /

Biographical:

The Brandon College Athletic Directorate was formed in the spring of 1964. It consisted of the College President or his nominee (Chairman); the Head of the Department of Physical Education; two representatives of the Faculty or Administration to be appointed by the Board of Directors; one representative of the Brandon College Alumni Association, appointed by that Association; the Senior Stick; one male and one female representative from the Brandon College Students' Association, appointed by the Executive of the Association.

Under the authority of the Board of Directors and subject to the approval of the President, the Directorate controlled and administered all competitive and recreational athletics available to members of the student body of Brandon College. The Directorate had full control and direction over all facilities of Brandon College available for athletics and recreation.

Prior to the creation of the Athletic Directorate students had been responsible for that organization of athletic activities.

At the January 18, 2001 open meeting of the Board of Governors a motion was carried that the Athletic Directorate Committee no longer fall under the umbrella of the Brandon University Board of Directors.

Scope and Content:

Sub sub series consists of Bobcat programs, correspondence, minutes, participation in sport survey results, budget information, development plans, constitutions for various athletic awards, Bobcat schedules, Intramural Sports council and Intramural Athletic Board records, Hoop Classic records, reference materials, and a copy of "Intercollegiate Athletics at Brandon University - a Deepening Crisis."

Atkinson II site DiMe-27 2004

<http://archives.brandonu.ca/en/permalink/descriptions12223>

Part Of: RG 7 Beverley Nicholson fonds

Description Level: Sub sub series

Series Number: 2.1.3

Accession Number: 1-2010

GMD: multiple media
Date Range: 2004
Material Details: Field journals have been scanned in multi-page PDF files. Artifact catalogues are PDF files in spreadsheet format. Photographs are in jpeg format.

History /

Biographical:

After the flooding of the Souris River in 2004 receded, Tomasin Playford and her crew of Andrea Richards, Sarah Graham and Shane Kolesar returned to the Atkinson site and commenced cleaning up the earlier excavation of Atkinson.

An area east of the Atkinson excavations was also opened for testing in 2004. This area was designated as Atkinson II. In some of the field notes it is referred to as Atkinson East. A test block was opened and fenced off from the cattle with snow fence. A 4m2 block was surveyed in (units 13 - 16) and two partial units that were truncated by the riverbank (units 11 & 12) were also placed to the south of the 4m2 block.

Three of the students who had completed the recent field school were hired as crew. Jessica McKenzie, Evie Fevez and Emily Ansell joined the crew at the Atkinson II site.

Recoveries from XU 13 - 16:

Large bison bone was recovered from units 11 and 12 and a metal tobacco box seal was recovered from unit 12. More small pieces of metal found in levels 2 and three together with small bone fragments. A bone fragment with butchering marks from a metal tool was recovered from level 6 and pottery was found in level 9. A few lithic flakes were found in level 13 and in a trench at the bottom of unit 13 above a calcite cemented layer. Recoveries from these tests were sparse and diminished as the excavation series became more distant from the river. It is likely that the remains that were recovered represent the northern edge of these occupations.

The upper occupation at Atkinson II appears to be an early historic occupation with a sparse scatter of bone and a few pieces of metal. The lower layers, below level 7 are likely precontact. Units 9 and 10 were dug as test pits and produced very little in the way of cultural materials.

Scope and Content:

Sub-sub-sub series contains: Summary information of field methodology, number and co-ordinates of excavations, personnel and their staff position; Field journals are daily records of recoveries, features and activities at the site; Site records include excavation level and unit summaries, feature sheets, profiles; sample records and maps; Artifact catalogues are lists and identifications of all artifacts recovered; Photographs are of excavation units, features, the landscape and personnel.

Series Number: 2.1.1.1
Date Range: 2003
Material Details: Field journals have been scanned in multi-page PDF files. Artifact catalogues are PDF files in spreadsheet format. Photographs are in jpeg format

History /

Biographical:

Based on the results of the testing in 2002 and the radiocarbon date of 6,400 years before present, further excavation was warranted at the Atkinson I site. In 2003 Field Chief Holly Alston and crew Shayne Kolesar and Andrea Richards opened a 42m test excavation (units 1 - 4) that included the hearth area.

The unit co-ordinates and excavator are listed on the attached pdf file.

History /

Biographical:

Based on the results of the 2003 excavation, and the radiocarbon date of 6,200 years before present, further excavation was warranted at the Atkinson I site.

In 2004 four units (5, 6, 7, & 8) were surveyed in adjacent to the 2003 units. The unit co-ordinates and excavator are listed on the attached pdf file.

History /

Biographical:

Based on the results of the testing in 2002 and the radiocarbon date of 6,500 years before present, further excavation was warranted at the Atkinson site. In 2003 Field Chief Holly Alston and crew Shayne Kolesar and Andrea Richards opened a 42m test excavation (units 1 - 4) that included the hearth area.

The site area was covered with a huge sand dune that was slowly sliding into the river as the supporting bank eroded away. As the dune was removed a late woodland camp was found at the dune interface and a large chunk of charcoal dated this occupation to 440+/-60 B.P. cal.1440A.D. This indicated that the dune was a relatively late incursion over the site. This occupation is likely connected to subsequent testing to the east in 2005 that came to be known as Atkinson II.

Methodology:

The crew began shovel shaving the upper strata with the intention of establishing an arbitrary datum when artifacts were encountered or when a level 25cm above the hearth was reached. At 25cm above the hearth an arbitrary surface datum was established and excavation in 5cm levels began. The overbank deposited matrix was a dense, compacted silt clay and it was necessary to soak the excavated materials in buckets and then water screen the material with a high pressure pump over ¼ inch hardware cloth.

Lithic flakes were found at 10cm below datum, above the hearth level. In the next level, large bone, a broken projectile point and additional flakes were found. Increasing amounts of bone and lithic flakes were found as the excavation continued through levels 3 to 5. The top of the hearth was identified at 28cm below datum, below a 2cm layer of well-sorted sand. This sand layer was confined to a small area directly overlying the hearth. It was considered to be a deliberate quenching of the hearth.

After the conclusion of excavating level 6 the hearth was profiled and photographed. The charcoal and ash layer of the hearth was shown to be directly below the sand layer. Levels 6 and 7 revealed a bison bone bed that was consistent with primary and secondary butchering including elements from the vertebral column and appendicular skeleton. Two additional Gowen (Mummy Cave Series) projectile points were also recovered adjacent to the hearth. Level 8 continued to produce larger amounts of bone and many lithic flakes. Level 9 produced a few bone fragments and a small number of lithic flakes. At the conclusion of the excavations, the crew shoveled sand down from the dune to protect the site over winter and through any subsequent spring flooding.

Scope and Content:

Sub-sub-sub series contains: Summary information of field methodology, number and co-ordinates of excavations, personnel and their staff position; Field journals are daily records of recoveries, features and activities at the site; Site records include excavation level and unit summaries, feature sheets, profiles; sample records and maps; Artifact catalogues are lists and identifications of all artifacts recovered; Photographs are of excavation units, features, the landscape and personnel.
