History /

Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

A.E. McKenzie's records in the Brandon College fonds are very useful from an administrative point of view. Because McKenzie was so involved in Brandon College from the very beginning until his death in 1964, it is easy to understand how the College Administration arrived at decisions. There is correspondence between McKenzie and various regarding College and Board of Director business. There are Brandon College financial statements and letters regarding the A.E. McKenzie Foundation. The records contain newspaper clippings, pamphlets and lists of names of members of various Brandon organizations. As well, McKenzie has letters regarding Building Expansion in the 1940's and minutes of Board of Director meetings. There are also several photographs. One photograph is the 1919 graduation picture of Zoe Hough. Another is tentatively identified as Frances Wolverton, also of the Class of 1919. There are two more photographs of unidentified young women.

History /

Biographical:

The "Act to Incorporate Brandon College" was assented to on June 1, 1900 and specified that the Board of Directors would consist of 21 members. The Board was to control all financial matters of the College, though all decisions had to meet the approval of the Baptist Convention.

The first officers of the Board were a Chairman, a Treasurer and a Secretary. The minutes also refer to a "President," separate from the Principal, but does not define the President's duties. The Principal was a member ex-officio of the Board. The first duty of the Board was to create an executive consisting of all Brandon members of the Board. The main function of the executive was the operation of the College and transaction of all business arising between Board meetings.

In pursuit of a separate university charter, the Board reorganized its affairs in 1910, appointing an investment committee, a Bursar and a Registrar. The Principal was renamed "President," and was appointed Chairman of the Executive. The university charter was denied, leading the Board to seek affiliation with McMaster University. The Board of Directors during this time was forced to take a more active role in directing college affairs. In November 1910, the Board moved: ...that the officers of the Board be authorized to make such application for such amendments to the Charter as seem necessary and advisable.

This decision led the Board to draw up the Act to Amend An Act to Incorporate Brandon College which, by 1915, granted the Board authority over all College affairs, following the stated direction of the Baptist Convention.

On May 5, 1916 a nominating committee was struck to name the persons and mandate of all new committees.

During the existence of the Board prior to 1967 the following committees were created:

EXECUTIVE COMMITTEE

In 1918, the Board defined the functions of the Executive Committee as:

The Board of Brandon College shall at its organization meeting each year appoint from among its members an Executive of not less than seven in number. The Executive shall be responsible to the Board and shall exercise all the powers usually incidental to an Executive other than those delegated to the Finance Committee and Endowment Fund Committee, which two Committees shall also be responsible to the Board direct.

FINANCE COMMITTEE, 1918-1926

The Finance Committee was to consist of no fewer than seven members which:

...shall be responsible to the Board and shall under the Board have the general oversight and control of the financial policy of the College insofar as the raising of funds is concerned. The Finance Committee shall not have the power to make any expenditures except such as it may deem necessary to incur in connection with its efforts in raising funds. The Finance Committee shall report to the Board of the College at each meeting of the Board and for the purpose of keeping the Executive in close touch with its activities and of enabling the two committees to work in closest cooperation shall transmit to the Executive a copy of the minutes of each of its meetings to be read at the regular meetings of the Executive and shall give account of the progress made by the Finance Committee and generally of its plans for the future. Members of the Finance Committee shall not all necessarily be members of the Board.

ENDOWMENT FUND COMMITTEE, 1918-1926

The Endowment Fund Committee was created by the following resolution:

The Board of Brandon College shall at its Organization Meeting each year appoint an Endowment Fund Committee which shall under the Board manage the Endowment Fund and direct the re-investment of its principal. The Endowment Fund Committee shall consist of not less than three members who shall not all necessarily be members of the Board.

The creation of the latter two committees was significant because it was the first time that Brandon citizens, not necessarily Baptists, were brought into the administration.

HOUSE AND GROUNDS COMMITTEE, 1923-1926

NEW INSTRUCTORS COMMITTEE, 1923-1936

ADVERTISING COMMITTEE, 1923-1936

BUSINESS ADMINISTRATION AND ENDOWMENT COMMITTEE, 1926-1936

TEACHERS COMMITTEE, 1929-1936

GENERAL PUBLICITY COMMITTEE, 1930-1936

By 1936, however, all Committees were abandoned as Brandon College struggled for its financial survival. After the Baptist Convention withdrew all of its support in 1938, a Provisional Board was established through the Brandon Board of Trade to negotiate with the government for the transfer of Brandon College to the Government of Manitoba. The provisional board succeeded in gathering the needed support for government intervention, and resurrected the College under "An Act to Incorporate Brandon College Incorporated."

The new Board of Directors was appointed October 11, 1939 during a general shareholders meeting. The officers of the Board were a Chairman, a Secretary and a Treasurer. There were also six new standing committees appointed, with mandates listed under clause 16 of by-law 1:

FINANCE COMMITTEE, 1939-1967

... whose duty it shall be to oversee the finances of the Corporation and make recommendations to the Board as to investments of Monies received for endowment or scholarship purposes, and to prepare and submit the annual budget.

PROPERTY COMMITTEE, 1939-1967

... who shall have general supervision of the real and personal property of the Corporation.

ENROLLMENT COMMITTEE, 1939-1967

... whose duty shall be to obtain a student body for the College, to co-operate with the President and Faculty for such purpose and report to the Board as may be required from time to time.

FACULTY COMMITTEE, 1939-1967

... whose duty shall be to make preliminary arrangements for the engagement of teachers and who shall make recommendations to the Board for consideration in the engagement of such teachers.

MEMBERSHIP COMMITTEE, 1939-1967

... whose duty shall be to maintain the membership of the Corporation and see that proper records of the same are maintained.

ENDOWMENT COMMITTEE, 1939-1967

... whose duty shall be to obtain endowments for the future operation of the College and to obtain gifts for scholarship purposes.

In 1942 the Public Relations and Progress Committee was established and a Public Relations Officer was hired. A Consultant Committee was appointed in 1948 with the sole purpose of overseeing the transfer of McKenzie Seeds to the provincial government for financial support through the McKenzie Foundation.

History /

Biographical:

The Office of the President of Brandon College was established in 1899 under the title of Principal. The Principal was the head of the Academic Department and the Administrative body. In 1910, the position of Principal was changed to the position of President. There is no documented reason given for this change, but it was consistent with other universities and colleges at the time. When the institution was first organized in 1899, the role of the Principal was quite varied. It was the Principal who acted as both Registrar and Bursar, in addition to his duties as head of administration. The Principal also acted as a professor. It was the Principal who kept the college in contact with the Baptist Union. The Principal also acted as the liaison between the Board of Directors and the Senate, being an ex-officio member of both. In 1910, the roles of Registrar and Bursar were no longer the responsibility of the President. In the 1920's the President became increasingly involved with fundraising and traveled extensively in search of financial support.

In 1938, following the "Act to Incorporate Brandon College Incorporated," the Board of Directors, under by-law #1, assigned the President with "the internal management of the business of the Corporation insofar as it relates to the students, teaching and office staff shall be under the direct supervision of the President, subject to the order of the Board." In 1965 the President's Office was created, consisting of the President, Executive Assistant to the President (later Deputy to the President), and Secretary to the President who was also the Public Relations Assistant. From 1899 until 1967 the Office of the President was administered by six different men.

The Office of the Bursar was created in 1910. As head of financial affairs, a Bursar was more compatible to the administrative framework of other universities in Canada. The initial duties of the Bursar were the collection of all fees, control of funds and disbursements, donations, purchasing, supervision of grounds, and progressive measures in the investment of funds and the enlargement of finances. By 1913, the Bursar was also in charge of the book department, boarding, grounds and gardens, buildings and heating plant.

By 1924, the Bursar had become so involved in the management of College affairs that the Board established a committee to examine the functions of the President and the Bursar "with a view to readjustment for efficiency." The committee presented its report later that year, clearly defining nine functions of the Bursar. These functions were the keeping of books, banking, general handling of student fees and accounts, general handling of all trade accounts, handling of maintenance and extension movement pledge cards and receipts, general responsibility for the purchase of all supplies, supervision of fireman and janitor, supervision of buildings and grounds and the submission of a monthly report to the Secretary of the Executive. In 1929, the Bursar took on the role of Secretary to the Executive.

At several times during the history of Brandon College the Bursar and the Registrar were combined into one job.

The Office of the Registrar was created in 1910. The person in the Registrar's position was in charge of many aspects of administration. The Registrar was to be drawn from the united departments of Arts and Theology and had four main functions:

The Brandon College Senate was created in 1900 under "An Act to Incorporate Brandon College." At the time, however, the Senate was not given a clear policy mandate. The Act stated: The Professors in said College, together with three members of the Board of Directors nominated by the said Board for that purpose, shall constitute the Senate, to whom shall be entrusted the reception, academical superintendence and discipline of the students and of all other persons within the said College.

Despite general authority over the discipline of students, measures to enforce discipline and the power to appoint or remove professors rested with the Baptist Convention. As a result, the Senate remained largely ineffective until 1910 when the Board re-defined their function as follows: The Senate be composed of the Council of the College together with three members appointed by the Board of Directors. That this body shall be responsible for all matters that concern the determination of the curriculum, the recommendations to the Board regarding appointments of instructors in subjects otherwise specifically assigned to individual members of the several faculties.

These new powers provided the Senate with a rational boundary of authority including some control over the curriculum, but its main function was still recommendations to the Board on matters concerning faculty. There are no known documents regarding the Brandon College Council, which existed from 1910 to 1915. Affiliation with McMaster was a contentious issue with faculty. Courses had to correspond with those in McMaster, effectively eliminating the Brandon College Senate from its authority over academic matters.

In 1915 the Senate was re-organized following the "Act to Amend An Act to Incorporate Brandon College." With this reorganization the Senate assumed a more direct role in the selection of faculty and tutors. As well, the Senate became a stronger advisory body of the faculty.

The Brandon College Senate remained relatively unchanged until 1939 when, under by-law 1, the Board defined the Senate functions as:

Power to regulate instructions and to determine the methods and limits of instructors.

To prepare a calendar of the College for publication.

To recommend to the Board the establishment or abolition of, or any changes in departments, chairs, lecture-ships, bursaries, scholarships and prizes, and generally have charge of all matters of an academic character, but shall not have any power to incur any expenditures or liabilities on behalf of the Corporation until specifically authorized by resolution of the Directors, nor shall their powers be construed as authority to engage teachers for the Corporation.

Along with these functions the Senate was also the body that possessed the binding authority to deal with all academic grievances.

The Senate under the new Charter and by-law 1, consisted of the President, Chairman of the Board, seven members from the faculty (including President and Registrar), and six members from the Alumni. The Registrar was to act as Secretary.

The Senate was changed once more in 1959. This change led to a more significant role in the administration of Brandon College.

While the Lady Principal and the Resident Master are responsible for the detailed administration and discipline of the College life and activities of Clark Hall and Brandon College respectively, the College Dean shall have the absent President's responsibility for the general discipline of the College in respect of the students' relation to Courses of Study, Corridor, Campus, etc.

8. That the President when absent may be kept in touch with the work of the Institution it is desirable that the College Dean keep him informed of the more important happenings and problems with College life.

9. Throughout the Session the College Dean shall be Registering Head of the Arts Department.

The position of College Dean continued until 1952. In 1952 the position became known as the Dean of Arts and Science. In 1963, another change occurred, with the two departments going separate ways. From that time on there was both a Dean of Arts and a Dean of Science.

Dr. MacNeill was Acting President of Brandon College after Dr. Sweet died for the period from January 1925 until Dr. Bovington was hired in August 1925. Dr. MacNeill taught Latin and Greek for two more years then retired from Brandon College in 1930. He accepted a position at Fairview Church in Vancouver, B.C. where he remained until 1932. The Brandon College Alumni Association was created in the spring of 1912. The Arts Class of 1912, the Theological graduates and also the Ad Eundem graduates met together with old graduates who were in the city. It was decided to form an Alumni Association of Brandon College open to all Arts and Theological graduates, past, present and future, as well as those admitted Ad Eundem. An executive was elected, Reverend J.C. Bowen of Winnipeg being appointed President, and J. Dempsey, Class of 1912, Secretary. The matter of drawing up a constitution was left to the executive.

A meeting was held by the executive on November 21, 1912 in order to discuss membership into the Association. A resolution was eventually passed that approved the basis set down the previous spring: All Arts, Theological and Ad Eundem graduates were to be admitted into the Association.

The Alumni Association was created by students in order for graduates and former students of Brandon College to maintain contact with the College and each other and to promote the College's interests.

The Alumni Association's activities included: publication of the quarterly Alumni News, mailed to all members and associate members; administration of the Alumni-contributed \$17 000 J.R.C. Evans (Memorial) Student Loan Fund, providing interest free loans to worthy students; representation on Brandon College Board of Directors; contributions to College expansion; organization of Association branches in major cities and of social events for Alumni members.

History /

Biographical:

The first organization involving the students of Brandon College was created in 1899 or 1900. It was entitled the Literary Society. This society was run by students and faculty to cultivate literary and musical gifts and to provide training in public speaking and in the transaction of business. In 1901, a College branch of the Y.W.C.A. was formed as well as a Students' Missionary organization. A College branch of the Y.M.C.A. followed in 1902. The Brandon College Athletic Association was created in 1904 to direct the affairs of the various athletic games.

The first idea of a Student Council-type organization began in 1906 with the creation of the Students' Committee. This committee was created in order to develop a worthy College spirit and to promote a worthy College life.

"A committee of five students shall be appointed annually early in the college session whose office it shall be to confer with the Resident Master on matters pertaining to residential life, and with the Faculty on matters pertaining to the general life of the College. This committee shall consist of five members, three resident and two non-resident. In matters relating to the residence the three resident students alone shall act. This committee shall represent the Student Body in any matters in which that body may wish to confer with the Faculty, or may of its own motion confer with the faculty on any subject thought to be of interest in promoting proper College life."

In 1909 the Debating Society was created for training in public speaking. A Publications Committee was created in 1910 to publish the new student magazine, *The Quill*. The Students' Committee became known as the Student Council in 1915. Also in 1915, a Committee on College Activities was formed. This consisted of the President, two faculty members and two students. It was appointed by arrangement of the College Council each year to regulate the various activities of College life. It became known as the Functions Committee in 1921.

The 1920-1921 College Calendar is the first calendar that mentions the Brandon College Students Association. It states under the heading of Student Organizations that:

"The Literary and Debating Societies, the Athletic Association, the Y.M.C.A. and the Y.W.C.A. are integral parts of the Brandon College Students' Association, and are managed by committees appointed by the Association."

1921 saw the formation of the Students' Christian Movement which replaced the Y.M.C.A. and the Y.W.C.A. Under the Students' Christian Movement group, students held weekly devotional and educational services, and conducted Bible and mission study classes.

The 1936-1937 College Calendar shows that a change took place that year in the student council. Instead of just five students of the College being elected to the Council, there are now two separate councils. The calendar states that:

"The students of the men's and of the womens' residences appoint annually a representative committee of five, whose function it is to consider the interests of College life from the point of view of the residence body, conferring with the Faculty when necessary."

Although these groups of five were known as the student council, there was a Student Executive of the Brandon College Students Association that was a separate entity. It consisted of the Senior Stick, the Lady Stick (since 1923), the heads of various boards, and the class presidents. This governing student body continued until 1966 when it underwent an extensive reorganization. During that year, the positions of Senior and Lady Sticks were abolished so that the elected student president could be a man or a woman. This president would be assisted by elected 'sticks' from each faculty of Arts, Science, Education and Music. This form of government continued until 1967, when Brandon College became Brandon University.

Scope and Content:

The Student Association files cover a wide variety of topics and consist mainly of minutes from various student groups and clubs on the Brandon College campus. The records are a first hand look at how student governments were run during the Brandon College era.

History /

Biographical:

The Ministerial Committee was created with the purpose of discovering prospective students for the Baptist ministry. To become recognized as a student in Theology, a student had to be examined by the Ministerial Committee. The committee looked at the student's intellectual, moral and spiritual fitness for the work of the ministry. He was then graded on his chances at entering the ministry. The committee could tell him that he was not suitable for ministerial work, or they could put him on the "encouraged" list. After repeated meetings with the Committee, a student could be voted as "accepted" as a prospective Baptist ministerial student.

Scope and Content:

These records consist of a book from the Ministerial Committee. It contains the records of prospective theological students, including comments on their spirituality, morality and intellect. It records which students were rejected, encouraged and accepted into the program. Some notable students interviewed in this collection are: J.R.C. Evans, John Hart, Charles Stone, H. Friend, J. Church, and Tommy Douglas.

In 1914 World War I broke out in Europe. As soon as Britain became involved in the war, Canada, as part of the British Empire, was involved. As soon as Canada became involved in the war, Brandon College became involved. In keeping with the patriotism of the time, Brandon College organized a Canadian Officers Training Corps in 1915. It was soon a common sight to see students drilling several times a week in every type of weather. Often the women of the college would offer food and drink after the more grueling experiences. In 1916, a Brandon College platoon was organized under J.R.C. Evans. When he was declared medically unfit to go overseas, the command went to Lieutenant William Carey McKee. Carey was the son of S.J. McKee. He had graduated from Brandon College in 1914, and secured his M.A. in 1915. The Brandon College platoon joined up with the Western Universities Battalion, the 196th. The men went overseas in 1916, most remained there until after the war. Sadly, their admired leader, Carey McKee, was killed on August 26th, 1918 at Arras, just months before the end of the war.

Over thirty other Brandon College men failed to return home from the war. Remaining students immediately began planning for a memorial gymnasium to honour their fallen friends. They eventually raised over \$20 000 towards the gym, but the money was given as a gift to the administration during the late 1920's and early 1930's when the College was in dire need of money. Although the Students' Memorial Gymnasium Fund went on for several years, due to lack of money and rising building costs, the memorial gymnasium was never built.

The C.O.T.C. remained on the campus, but it was not as integral a part of daily routine until the late 1930s. Once again, hostilities broke out in Europe. This time, however, Canada did not automatically become involved in the war when Britain did. In an attempt to show the world its independence, Canada waited five days before officially declaring war. By 1940, the C.O.T.C. was in full swing again. As well, part of Brandon College was given to the Royal Canadian Air Force for use as classrooms and accommodations.

After the cessation of World War II, the C.O.T.C. remained on campus. The S.J. McKee Archives has records of the organization up until 1960. The 1951 Brandon College Calendar describes the University of Manitoba contingent of the C.O.T.C., so at some point the two organizations were amalgamated. The 1954 Brandon College Calendar describes the R.C.A.F. (Reserve) University of Manitoba Squadron that students can apply for. Finally, the 1957 Brandon College Calendar contains a description on the Regular Officers Training Plan, which students could apply for. All of these programs were still in effect when the College was granted its University Charter in 1967.

Scope and Content:

The first member of Brandon College to join up was a professor, Philippe Louys. He happened to be visiting his father in France when hostilities broke out. He joined the French Army, and was almost immediately taken prisoner. For several years he tried to escape, finally being successful on his fourth try. Louys immediately began retraining in the French Army, but as soon as he was ready to fight again, the war ended. Philippe Louys' story is not uncommon in the history of Brandon College. The professors and students felt it was their duty to join the ranks and fight along with the rest of the British Empire. Most of them left the halls of the College, and many never returned.

The records consist mainly of correspondence having to do with the Canadian Officers Training Corps. There are also letters referring to Brandon College students who served in the World Wars. As well, there are lists of Unit Orders and Syllabii for the instructors of the C.O.T.C. There are also files regarding the War Maintenance Fund from 1918 and 1919. These records are a good source of material for studying how Brandon College viewed the outbreak of hostilities in Europe, and how the College responded to the crisis. Also, they show how attitudes changed about war and the college's role in it from the period of 1915 to 1960. The Presidents' files also have information on the role the military played at Brandon College. Finally, the series contains attestation and application for military training forms (1941-1943).

BC 13: Brandon College ledger and minute books

Part Of: RG 1 Brandon College fonds

Description Level: Series

Series Number: 13

GMD: textual records

Date Range: 1899-1967

Physical Description: 1.89 m

History /

Biographical:

These files were created from 1899-1967. They include almost all of the financial records from this time. Before the creation of the Bursar position in 1910, the files were probably created by Dr. McDiarmid and Dr. McKee. After 1910, it is assumed that it was primarily the Bursar's responsibility to update the ledgers. As well, various committees were involved in the creation of these ledgers, such as the Refund Committee and the Library Committee.

Scope and Content:

Many of the Ledgers in this collection contain clear information about how Brandon College raised and spent its money. There are General Accounts Ledgers that give an overall view of the College's finances, as well as Financial Reports from 1910 through to 1969. There are several ledgers entitled Cash Receipts and Disbursements and Petty Cash.

Some interesting files from a researcher's point of view are the Student Accounts Ledgers. Dating from 1899, these ledgers contain information regarding each student that attended Brandon College. The ledgers record the tuition, board and other students expenses, how it was paid and who it was for. There are also Book Accounts. These two books describe the books students had to buy for their classes. There is a book of room deposits, as well as a list of students by their hometown and denomination.

The Miscellaneous file is probably the most interesting one in the collection. There is a ledger created by Sadie Northam in 1898. The book contains expenses from what was possibly the Dining Room, as the purchases are mainly large amounts of groceries. The collection also includes the minute book from the Refunds Committee from 1914 to 1923. This committee heard appeals from students who desired some or all of their money back from the College. A very intriguing article in the miscellaneous file is that of the COTC Day Sheets. This ledger runs from March through April of an unknown year, although it most likely was 1915 or 1916. It has a list of students that were in the COTC and has columns for each day that they had drill practice. They COTC drilled twice a day, and the Day Sheets mark if the student was present for drill, and if he was not, what his reason for being absent was. It also contains a list of duties for the duty officer, as well as some memorandums.

There are two books in this series that record the Staff salaries from 1918 to 1921 and 1926 to 1928. There is also a ledger from the Brandon College Institute, Session 08. There is no date on this ledger, and it is not quite certain what the Institute was, as there is no other mention of it. Although the collection has been divided under various headings, it must be noted that there is considerable overlap, especially between the General Accounts, Cash Receipts and Disbursements, and the Student Accounts Ledgers.

The series has been divided into six sub-series, including: (1) General accounts ledgers; (2) Financial reports; (3) Cash receipts and disbursements ledgers; (4) Petty cash ledgers; (5) Student accounts ledgers; and (6) Miscellaneous ledgers and minute books.

History /

Biographical:

The Brandon College Expansion Fund was created by the Board of Directors in the late 1950s in order to raise money for Brandon College. This money would help with the much needed expansion of Brandon College. The school's physical facilities had become inadequate for the number of students enrolled and the variety of courses offered. The Expansion Fund, with the initial goal of raising one million dollars, would enable Brandon College to provide students with adequate space to learn. The Fund was very successful, as the 1960s were defined by the sound of construction at Brandon College. In 1960, a new Arts and Library Building and Lecture Theatre were built. A Men's Residence and Dining Hall arrived soon after. A Gymnasium was built, as well as a Women's Residence and Music Building. By the time that Brandon College received its university charter an Education Building was just being completed.

Scope and Content:

The Expansion Fund records contain information regarding the Fund raising campaign during the late 1950s and early 1960s. There are Daily Reports, Situation Reports, and Purchase Orders. As well, there are mailing lists, canvasser lists and division lists. The records contain several Canvasser's Kits, as well as a booklet entitled "Brandon College Looks Ahead". There are various reports from 1958 and 1959. The files include Corporate Donor cards, Alumni Addresses, Reference cards, Eastern Canada business contacts, lists of former students, and obituaries of alumni. There are official receipts, newsletters and some correspondence. There is also correspondence dealing with the fundraising campaign for a Centennial Auditorium.

From the very beginning, Brandon College has maintained library services for its students. History /

Biographical:

The Brandon Allied Arts Council was established in the fall of 1959 and spring of 1960. At that time a Foundation was set up, consisting of six men 'of affairs' in Brandon, who were to act as Trustees and administer gifts, bequests and all capital expenditures. The men asked to serve were: Judge Buckingham, Roy Armstrong (Manager of the Royal Bank), Lasby Lowes, R.A. Clement, Victor Sharpe and D.R. Doig.

From the beginning A.E. McKenzie was a great supporter of the Allied Arts Council. Shortly before his death in 1964 McKenzie proposed leaving his home at 436 Victoria Ave. to the Arts Council to be used as an art gallery. Following a great deal of debate it was finally decided, sometime after McKenzie's death, to decline the offer.

BRANDON COLLEGE BUILDING

The construction of the Brandon College Building, also known as the Original Building, was primarily financed by Mr. and Mrs. William Davies, a Toronto based Baptist meat packer, and his sister Mrs. Emily Davies, also of Toronto, who pledged \$5,000 a year for five years to the new Baptist College. Four city blocks between 18th and 20th streets were purchased for the College campus and the tender of Messrs. T.M. Harrington of Winnipeg was accepted in the spring of 1900; Mr. Hugh McCowan of Winnipeg appointed as architect. Mrs. Davies laid the cornerstone for the Brandon College Building on July 13, 1900.

The Brandon College Building was conceived as a substantial five story brick structure with a stone basement. The Tyndall Manitoba quarries, located thirty miles northeast of Winnipeg, supplied the stone and presented the College with the stone steps at the main entrance. The basement contained the dining room, kitchen, laundry, furnace room, a science laboratory, and

maids' rooms. The first floor housed the reception room, office, library, four classrooms and the teachers' cloak rooms. The second floor had five classrooms, a reading room, five rooms for resident students and a resident teacher. Teachers' rooms and seventeen rooms for students comprised the third floor; and additional thirteen rooms for residents took up the fourth floor. The residence was to house 70 men. The total cost of the building and furnishings was \$44,000. The Brandon College Building was ready for occupancy by October 1, 1901.

CLARK HALL

The cornerstone of Clark Hall was laid by Mrs. A.P. McDiarmid, wife of the Principal of Brandon College, on May 24, 1906. The residence was officially opened on Thanksgiving Day, October 18, of the same year. The construction of the building grew out of a demand for a ladies' college. A canvass made in Eastern Canada had resulted in subscriptions totaling \$10,000. When Dr. McDiarmid reported the results of the canvass to the Chairman of the Board, Dr. C.W. Clark of Winnipeg, Clark proposed that he and his wife be allowed to provide the balance of the funds, some \$30,000. While presenting the building at the opening ceremony, Clark stated that the reason for his donation was his belief in the power of cultured womanhood - he believed "that refined and Christian mothers were the strength of a nation and that he wished to see in Brandon a school of learning for women in which every Christian virtue and grace might be illustrated."

Clark Hall was built immediately north of the Brandon College Building and was connected to it by classrooms and the iron door with its door bell, which was rung by gentlemen before being admitted. It is a five story brick building, with fittings of imported Georgia pine. In the basement was the gymnasium, studios and maids' rooms. On the main floor was a spacious reception room furnished by the Honorable A.C. Rutherford, the Premier of Alberta and the Lady Principal's suite, furnished by Mrs. N. Wolverston, wife of the treasurer of the College Board. Music studios and the offices of the resident matron were also on the main floor. The second and third floors were dormitories. The fourth floor was meant to be art studios, but due to registration demands, it was divided into students' rooms. The residence was designed to house fifty students and seven teachers. Piano practice areas were also designated on the west side of the building and on the groundlevel half way between the basement and the first floor.

BRANDON COLLEGE BUILDING AND CLARK HALL RESTORATION PROJECT

By the early 1990s, it was clear that major reconstruction work on the Brandon College Building and Clark Hall was necessary if the buildings were to remain in use. The alternative was to demolish both buildings and construct a new central administrative structure for the campus. Because of the historic character of the two original campus buildings, the decision was taken to mount a complete restoration of the structures that involved a complete removal of everything except for the surrounding brick facade and the construction of new buildings within the old external walls. This project was financed by the Provincial government of Manitoba, who granted the University approximately 10 million dollars. The Chief Architect for the restoration was George Cibinal. Work began in 1996 and was completed by the fall of 1997. In addition to the restoration of the Brandon College Building and Clark Hall, a new entrance was built on the west side of the buildings, as well as an addition to Clark Hall, which included a skywalk connecting it to the A.E. McKenzie Building.

Scope and Content:

Sub-series consists of photographs of the Brandon College Building and Clark Hall.
