Biographical:

Laurence Overton "Laurie" East was born in the municipality of Odanah on the west half of 29-13-18, on March 13, 1911. He attended Tremaine and Roseneath schools and worked on the family farm, eventually leaving school to work due to his father's ill health and then taking over the operation in 1936, after his father died. Laurie retired from farming in 1976. Laurie married Bernice McDonald (1916-2006), a teacher, on July 4, 1942. They had no children. Laurie's hobbies were music, dancing and travel; he took part in local entertainment and taught square dancing classes. He was a member of the Hunterville United Church, serving on the board and volunteering as Sunday School Superintendent or teacher. In the 1940s, Laurie was part of local committees to secure telephone and postal service. From 1970-1983, he was a member of Elton Municipal Council. Shortly after joining the council, Laurie was appointed as a representative to the library board; he joined representatives from Minnedosa and Minto councils, as there was support in the region for the organization and establishment of a regional library. Laurie East died on April 18, 2003 in Brandon, MB and is buried at the Rapid City Cemetery.

Physical Description: 64 cm

History /

Biographical:

The first Women's Institute in Canada was created by Mrs. Adelaide Hunter Hoodless in Stoney Creek, Ontario, on February 19, 1897. The Women's Institute was created to unite rural women with the hopes that this would help women improve their homes and communities. The motto of the Women's Institute became, "a nation could not rise above the level of its homes." The group was to be non-partisan and non-sectarian to allow for maximum participation. The Women's Institute became one of the very few ways for rural women to meet and share ideas and problems with others. The Women's Institute spread throughout Canada and reached Manitoba in 1910, when Morris and Valley River, Manitoba, formed Women's Institute branches. The Women's Institute branches in Manitoba were known as Home Economics Societies until 1919, when they became branches of the Manitoba Women's Institute. The Home Economics Societies specialized in community service work. At first, the groups concentrated on home management and child care, and eventually they became involved with social and political issues. In addition to community work, the Women's Institute branches also invited many guest speakers to their meetings and promoted education and the dissemination of information to rural women on subjects such as canning, growing fruits and vegetables, dental hygiene and rural electrification. The Manitoba Women's Institute continues its work today.

History /

Biographical:

The Toal Commission was a Commission of Inquiry conducted by James Toal at the Prince Edward Hotel in Brandon, MB from 1971-1972. The purpose of this inquiry was to investigate a report published by the Brandon Police Department entitled, "Problem Metis Families, City of Brandon," as well as allegations of police harassment in the City of Brandon from January 1, 1970, onward. The report was prepared by the Brandon Police Department following a petition submitted to Mayor Wilton. The petition, signed by approximately thirty residents of Brandon's East End, requested that the city prohibit the sale of homes in their neighborhood to Native families. A copy of the report was obtained by the Brandon Sun, which generated a considerable public response that resulted in the investigation in question.

Custodial History:

Records were ordered from the Archives of Manitoba by Brandon University Archivist Tom Mitchell and Brandon University history professor Jim Naylor in 2013.

Scope and Content:

Fonds consists of records created over the course of the Toal Commission. It includes copies of verbatim transcripts of the Toal Commission hearings, as well as a commission of inquiry, a report on the commission, and indexes, which list the witnesses and evidence presented for each day of the hearings.
