History /

Biographical:

James Gordon Lindsay was born June 16, 1925 in Minneapolis, Minnesota where his father, James Lindsay, a Brandon pioneer from Northern Ireland, had been working for the Coca Cola Bottling Company. In November 1925, the Lindsay family moved back to Brandon where they lived at 547 16th Street.

Lindsay attended Park School, Earl Oxford Junior High School and Brandon Collegiate. In September 1943, he entered 2nd Year at Brandon College, joining the Class of 1946. Due to past experience in publishing the BCI yearbook, he was drafted into The Board of Publications and named Co-editor of the Quill along with third year student Genevieve Fuloski. Lindsay and Fuloski held their positions for two years. Because of the war, money and supplies were in short supply and the Quill at one point was reduced to mimeographed pages. While Editor Lindsay wrote The eggshell-Slightly Cracked column.

Lindsay was named Senior Stick in 1945 and graduated from Brandon College with a B.Sc. in 1946. He obtained both his MSc (1948) and PhD (1951) in Physical Chemistry from McMaster University.

During his time in Hamilton, Lindsay met Shirley Woolmer and the couple married on September 2, 1950. They moved to Arvida, Quebec in 1951 where Lindsay accepted an offer from Aluminium Laboratories Limited, the research arm of Alcan Aluminium Ltd. The couple remained in Arvida for twenty-two years, during which time they had four children: Sharon, Heather, Geoffrey and David.

In 1973, Lindsay was transferred to Alcan's head office in Montreal where he spent the next three years co-ordinating alumina research in Alcan plants around the world. In 1976, he accepted a transfer to Alcan Jamaica as Chief Technical Officer and Manager of Technical Development. He and Shirley spent nearly eight years in Jamaica before returning to Canada in 1984. After a year at Alcan's Research Centre in Kingston, ON Lindsay took early retirement.

During their years in Jamaica Lindsay had been introduced to Rotary and he continued his association with the organization in Kingston where for fifteen years he was Bulletin editor of the Kingston-Frontenac Rotary Club. In addition to Rotary, Lindsay (along with his wife) took up genealogy in his retirement and after fifteen years of extensive travel and research he became his Lindsay family's historian and author of The Lindsays of Dundonald.

For three years in the late 1980s Lindsay served as a representative on the Brandon University Alumni Executive for Eastern Canada. Along with his wife he attended two class reunions at Brandon University including his 50th Re-convocation in 1996.

At present (June 2010) Gordon Lindsay continues to live in Kingston, ON with his wife.

History /

Biographical:

Gordon Hume Daly was born on February 1, 1925 in Cartwright, Manitoba. He spent his early years on his parents' farm, taking his primary and high school education in that district. On January 6, 1945 Gordon enlisted in the Infantry Corp, trained at Shilo, Manitoba, and received his discharge in September of the same year. Upon his discharge he registered in second year Arts at Brandon College. He pursued his many interests there - sports (the college hockey team), the literary society, music (the judge in 'Trial by Jury') and was a member of the Honour Society. Upon graduation in Arts in 1947 from Brandon College, Gordon enrolled at United College in Winnipeg and studied Theology. In 1950 he was ordained in the United Church of Canada. His first pastorate was in Brookdale, Manitoba.

Lois Muriel Dickey was born November 4, 1928 to Myrtle and Alvy Dickey who farmed one mile from the town of Crandall, Manitoba. Lois took her primary and high school education (up to Grade XI) in the Consolidated school in Crandall. After graduating from Grade XI with an Isbister Scholarship, Lois registered at Brandon College and for the next four years lived in the residence of Clark Hall. Movies downtown, college hockey excursions, Wheat King games, college dances - all were new and exciting for a young student from a small Manitoba town. Lois registered in the General Science course and in 1948 graduated with a B.Sc. That same year her family sold their farm and moved to Burnaby, B.C.

During the course of the next three years Lois was employed at three firms: Kelly Douglas Ltd., where she worked for a chemist; Canada Rice Mills, where she assisted the engineer and did secretarial work; and finally with Shell Oil Ltd. in Vancouver. During this period she remained in contact with Brandon College, especially with Rev. Gordon Daly, who she married from Burnaby, B.C. on July 12, 1952.

Following her marriage Lois worked with Gordon in the service of the United Church. In 1952, they embarked on a travel and study venture to Edinburgh, Scotland where Gordon furthered his studies in Theology at New College. After two years, Gordon and Lois and their son Bruce returned to Canada to Northwestern Ontario. In this area they ministered to the towns of Balmertown, Cochenour and McKenzie Island. During this time their son Lorne and daughter Marlene were born. In 1963, the family moved to Swan River, Manitoba where son Mark was born. From 1969-1970, the Daly family participated in an exchange ministry to Australia where Gordon served the Australian United Church of Australia in the town of St. Arnaud, Victoria. Most of the 1970's were spent in Thunder Bay, Ontario. The family moved a final time in 1980 when Gordon accepted a call to Calgary, Alberta.

Gordon Hume Daly died on March 7, 1989. Following Gordon's death Lois chose to remain in Calgary, AB.

Custodial History:

Album was in the possession of Gordon Daly until his death in 1989. At that point it passed to his widow Lois Daly. She donated it, along with her own scrapbook, to the McKee Archives on October 18, 2008 while she was visiting Brandon University for Homecoming.

Scope and Content:

Fonds consists of a leather bound photograph album that belonged to Gordon Daly (Class of 1947). It contains approximately 84 black and white photographs of Brandon College students and faculty. A number of the individuals in the photographs have been identified.

Fonds also contains a scrapbook assembled by Lois Daly (nee Dickey), Class of 1948, during her years as a student at Brandon College. The scrapbook contains newspaper clippings, class election paraphernalia, invitations, pressed corsages, graduation documents and cards, invitations, event programmes (hockey, guest speakers, dramatic and musical productions), place cards, exams, chapel programmes, poetry, tickets (hockey, banquet, graduation, movie), a copy of "Trial by Jury" the major production (1946), notices from the Clark Hall boards, 1940 National Registration Certificate, Oscar Peterson's signature, and notes from Sarah Persis Darrach. There are also documents from the 1998 reconocation of the Class of 1948 at Brandon University. The scrapbook is inside a blue fabric folder tied with a yellow ribbon. A Brandon College (U of M) crest is attached to the front of the folder and there are two track and field ribbons attached to the back inside of the folder.

Notes: All pencil marks in the album were made by Christy Henry during the preparation of photograph descriptions in October 2008. Beryl McLeod helped identify individuals in the photograph album. Description by Christy Henry. History/Bio information was provided by Lois Daly in March 2009.
