History /

Biographical:

A.E. McKenzie was born in Wilcox Lake, York County, Ontario in 1870 to F.B. and Maria (Carley) McKenzie. His family came to Manitoba in 1883. He was educated in Brandon, Manitoba and graduated from the Collegiate Institute at age 21. In 1897 he founded the Brandon Seed House. McKenzie was present at the cornerstone-laying ceremony of Brandon College on July 13, 1900. From that moment on, he was very involved in the College, first as an interested businessman, and later as a member of its Board of Directors. In 1902, McKenzie married Laura Bell in Port Arthur. They had two daughters, Marjorie Bell and Kathleen. In 1906 the Brandon Seed House was incorporated and from then on was known as the "A.E. McKenzie Co. Ltd.."

McKenzie became a member of the Brandon College Endowment Committee in 1918. The following year he was on the Finance Committee. By 1925, McKenzie was a member of the Board of Directors. In 1928, he was part of a syndicate that advised the Baptist Union that they were developing an endowment plan to provide continuing financial support to the College and talked the Union into providing \$10 000 towards the accumulated deficit.

In 1931, McKenzie organized the Brandon Board of Trade to help save Brandon College when the Baptists said they could no longer afford to keep the College. After the By-law failed, he helped to organize the Brandon Citizen's Campaign to raise enough money so that the College could open the following year.

When the Baptists withdrew support in 1938, McKenzie was one of the central figures on the Brandon Board of Trade that decided to save the College from closure. A representative delegation from Southwestern Manitoba of over 60 men descended upon Premier Bracken's office to try and convince him to help the College. On June 12, 1938 McKenzie said he would set up a \$100 000 endowment to Brandon College. He subsequently raised this amount to \$300 000. On August 1, 1938 the Board of Trade launched a campaign to raise \$15 000 to match what the government was prepared to offer the College. McKenzie was asked to provide Brandon College with \$3000 personally. In September of 1938, McKenzie upped his endowment once more to \$500 000. The fund raising worked however, and the charter establishing Brandon College Incorporated was assented to on April 17, 1939. On June 6, 1939 a by-law was again presented to the citizens of Brandon, and fortunately it passed.

In 1941, McKenzie received an honorary L.L.D. from the University of Manitoba. The A.E. McKenzie Foundation was created in 1945 by the provincial government, who had assumed 90% of the A.E. McKenzie Co. Ltd. stock.

On September 25, 1964 McKenzie died at the age of 94. He never retired, but worked full time until two weeks before his death. The funeral was held in the J.R.C. Evans Lecture Theatre. The Arts and Library Building at Brandon College was completed in 1960, and is known as the A.E. McKenzie building, in honour of the man who contributed so much time, effort and financial help to the College during a crucial period in its history.

Custodial History:

Records were accessioned by the McKee Archives in 1998. Prior custodial history is unknown.

Scope and Content:

A.E. McKenzie's records in the Brandon College fonds are very useful from an administrative point of view. Because McKenzie was so involved in Brandon College from the very beginning until his death in 1964, it is easy to understand how the College Administration arrived at decisions. There is correspondence between McKenzie and various regarding College and Board of Director business. There are Brandon College financial statements and letters regarding the A.E. McKenzie Foundation. The records contain newspaper clippings, pamphlets and lists of names of members of various Brandon organizations. As well, McKenzie has letters regarding Building Expansion in the 1940's and minutes of Board of Director meetings. There are also several photographs. One photograph is the 1919 graduation picture of Zoe Hough. Another is tentatively identified as Frances Wolverton, also of the Class of 1919. There are two more photographs of unidentified young women.

George E. Thorman was born in Vancouver, British Columbia on September 17, 1913. His public school education began in Rivers, Manitoba and was completed, along with his high school and part of his university education in Brandon, Manitoba. After completing his Bachelor of Arts General at Brandon College, Thorman attended the College of Education in Toronto for one year before beginning his teaching career at Essex High School, Essex, Ontario in 1935. After four years in Essex, Thorman transferred to the St. Thomas Collegiate Institute (STCI) in St. Thomas, Ontario.

In 1941, Thorman joined the Canadian Army at Brandon as a gunner in the 59th Field Battery and after five years, having served in England, Italy and Western Europe, he retired with the rank of Captain. Following the Second World War, in 1945, Thorman taught in a high school for Fifth Division in Gronigen, Netherlands before moving on to teach first year university English at Kahki College in England in 1946. That same year he returned to Canada and rejoined the staff at STCI. Two years after his return George Thorman married the former Margaret Gliddon of St. Thomas and in 1953 returned to Europe where he taught in Scotland for one year on a teacher's exchange.

During the 1960's, Thorman's career reached its peak. In 1964, he became the Vice-Principal of STCI and in 1967, he attained the same position at Parkside Collegiate Institute before becoming its Principal in 1969. Three years later in 1972, Thorman retired as Principal of PCI and from his teaching career. Throughout his career Thorman's primary interests were in English and History, however he also taught Mathematics, Geography and Science. In addition to his classes following WWII, Thorman was an active instructor of the Cadet Corps, as well as a coach for various volleyball, basketball and track and field teams during his years at STCI.

Aside from being an educator, George Thorman had many other interests. He and his wife Margaret were active in the formation of the Elgin Theatre Guild in 1948 and together and separately they performed and directed several productions in the early years of that organization. Thorman was also largely responsible for the development of a local history course in the Elgin Secondary Schools in the early 1960's. In 1966, with his fellow history teacher Ralph Parker, he published a booklet to serve as an outline for teachers on the history

teacher Ralph Hunter, he published a booklet to serve as an outline for teachers on the history of Elgin County.

That same year, 1966, Thorman, as the prime instigator in the re-formation of the Elgin Historical Society, became its first president and in 1971, he was elected Honorary President of the Society for life. This was followed by a further two-year term as elected president. The re-organization marked the beginning of Thorman's continuous active involvement with the EHS, including several lectures he presented to its members and many years as a Trustee. In 1985, he received the Ontario Volunteer Service Award for over 15 years of continuous service to the Society before retiring from the EHS in 1995.

In addition to the EHS, Thorman served on the St. Thomas Public Library Board from 1979 until 1991, and was a Chairman of the Board's Personnel Committee. He was also a member of the Ontario Historical Society. From 1975 to 1978, Thorman served as an elected member of the Elgin County Board of Education and in 1979, he received from the City of St. Thomas the St. Thomas Civic Award for outstanding citizens. George Thorman was also a life member (1936) of Central Lodge No. 402, A.F. and A.M. (Masonry) of Essex, Ontario and had been an active member of the St. Thomas Duplicate Bridge Club since 1985.

As an authority on historical research relating to The Hudson's Bay Company, Thorman gave lectures and printed articles on the topic in "The Beaver" publication of The Hudson's Bay Company. In regards to the HBC he also did excavation work at Fort Albany with Walter Kenyon during several summers in the 1960's and 1970's.

As well, George Thorman was a founding member and served on the executive committee of the Elgin Military Museum since its inception in 1982 until the late 1990's. He contributed greatly to the library and files of this museum, particularly in the field of the War of 1812 and the Fenian Raid. The reference library of this small museum rates high in this country, largely through the efforts of George Thorman. Thorman's book collection was one of the finest and most extensive in Western Ontario. His personal library contained a wealth of information with particular emphasis on material relating to Elgin County, the City of St. Thomas and The Hudson's Bay company. His G.A. Henty collectio was nearly complete.

As an author Thorman contributed ten entries in The Dictionary of Canadian Biography on Aboriginal and Metis peoples, co-authored "St. Thomas 100 Years a City," the centennial history of the city of St. Thomas. In 1989, he edited "Frank Hunt, Essays on Elgin County" as well as wrote and privately printed "A Brief History of Secondary Education in St. Thomas" as his contribution to the STCI Reunion, at which he was one fo the honorees. In th early 1990's, Thorman co-edited "Garret Oakes, Tales of a Pioneer," authored and privalely printed "Letters and Petitions and other Papers Concerning the Mllitia Companies of Middlesex for 1839" and "The Chisholm Family in Elgin County: Myth and Reality."

For serveral years, ca. 1975 to the mid 1990's, Thorman hosted a TV talk show on local television interviewing persons connected to the history of St. Thomas and Elgin County. Many older residents, who have since passed away, were interviewed and the resulting tapes are an invaluable source of historical information.

Thorman and his wife lived in the historic section of St. Thomas and in the summer months spent their time in Port Stanley. In addition, for several years in the early 1990's, Thorman traveled annually to England - each time visiting a different area of the country. As well, Thorman was also interested in the lives and activities of his former students and was available and eager to assist any student or former student who asked for his guidance. George E. Thorman passed away on January 11, 1997.

Lawrence Stuckey photograph collection - Brandon history

<http://archives.brandonu.ca/en/permalink/descriptions9030>

Part Of: RG 11 Lawrence Stuckey fonds
Creator: Many of the images presented were captured by Mr. Stuckey himself. However being a well known and accomplished photographer and amateur historian, he also bought, sold and traded negatives with other collectors. Therefore the viewer is reminded that many images, although part of his collection, were created and/or provided for Mr. Stuckey by other collectors. In addition, it is believed that some images contained within his collection were created by photographing a pre-existing negative or print. We have attempted to note the authorship of all images when possible.

Description Level: Sub-series
Series Number: 3.1

Accession Number: 1-2002

History /

Biographical:

For history/bio information see the collection level description of the Lawrence Stuckey collection.

Custodial History:

For custodial history see the collection level description of the Lawrence Stuckey collection.

Scope and Content:

This sub-series consists of photographic negatives related to the history of Brandon, Manitoba.

All of the images contained within this sub-series were part of Mr. Stuckey's lifelong personal collection of photographic negatives and prints. Images include those related to people, street scapes, buildings, various city departments and so forth.

Notes:

All of the images from Mr. Stuckey's collection of negatives and prints were reproduced and digitized using an Epson scanner and software suite. All attempts have been made to reproduce the images in such a manner that balances our desire to portray the negatives and photographs as they originally appear, with the need to create an optimal digital image for viewing. Therefore it is noted that minor alterations to image size and contrast have occurred.

With few exceptions, all digitizing and database entry of images and descriptions was conducted during the summer of 2009 at Brandon University by Patrick Elves.

Repro Restriction:

The McKee Archives is the copyright holder for the Stuckey materials.

Storage Location:

Lawrence Stuckey collection

Arrangement:

Unless otherwise noted, the arrangement of these images was drawn from the original classification scheme used by Mr. Stuckey.

The information specific to each image, for the most part, was gained from Mr. Stuckey's personal notes regarding that particular photograph or similar photograph. Observations or notes contained within square brackets are explanatory or missing materials that have been added by someone other than Mr. Stuckey.

We have attempted to present the information that accompanies each image in the same format as was used by Mr. Stuckey himself.
