History /

Biographical:

The Brandon Sun transferred the original copies of the Brandon Daily Sun, 1900-1917 to the McKee Archives for the purpose of having them preserved and microfilmed.

Money provided by the Manitoba Council on Post-secondary Education for the development of Manitoba, a website created by the Manitoba Libraries Consortium, included funds for the microfilming and digitization of the Brandon Daily Sun held at the S.J. McKee Archives.

In the summer of 2009, the hard copy edition of the Brandon Daily Sun were sent to the offices of OCLC Preservation Service Center, now Backstage Library Works, in Bethlehem, Pennsylvania. Backstage undertook to cut the bindings of the paper and prepare master and service microfilm copies of the entire run of the publication.

The microfilm copies were shipped from Backstage to the University of Manitoba and subsequently to the McKee Archives, arriving the week of January 18, 2010. The original hard copies of the Brandon Daily Sun will also be returned to the McKee Archives.

A digital version of the microfilm will appear of the Manitoba website.

Custodial History:

Microfilm was created by Backstage Library Works in Pennsylvania from hard copies of the Brandon Daily Sun held by the McKee Archives during the winter of 2009-2010. The master and service copies of the microfilm were delivered to the McKee Archives in January 2010.
