History /

Biographical:

From the very beginning, Brandon College has maintained library services for its students. A professor was put in charge of the library, although in the beginning it was little more than an empty shelf in a cabinet. As it grew, there became more of a need for an administrative body. A Library Committee was created in order to keep the library running smoothly. With the construction of the A.E. McKenzie Building in 1960 came a permanent resting place for the Brandon College Library.

Scope and Content:

The records include a 3 cm book of Library of Congress Card Orders of Recent Publications from 1957 to 1960. As well, there are applications for employment, minutes from the Library Committee and Sub Committees. There is also correspondence from the Director of Library Services and accession records.

Series has been divided into three sub-series, including: (1) Minutes; (2) Director of Library Services; and (3) Library Accession Records.
