History /

Biographical:

The A.E. McKenzie Seed Co. Ltd. originated with the McKenzie family Flour, Grain and Seed business, started by F. B. McKenzie in the early 1880's. When F. B. McKenzie passed away in 1896, his son, Albert Edward McKenzie, assumed control of the company, and renamed it The Brandon Seed House. With its main office and plant in Brandon, Manitoba, the company specialized in the production and sale of field seeds and service exclusively to seed buyers in the prairie provinces and British Columbia. In later years, a complete line of products including garden seeds, lawn grass, and other allied lines was developed for sale across Canada.

In 1906, the company underwent a change of name when A. E. McKenzie determined that the growth of the country demanded a larger seed institute than could be managed by one man. As a result, the company was incorporated under provincial statutes and the federal Joint Stock Companies Act as A. E. McKenzie Seed Co. Ltd., and new personnel were hired.

Under the Joint Stock Companies Act, A.E. McKenzie Seed Co. Ltd. was required to elect a Board of Directors of not less than three, and not more than nine individuals. Only shareholders of the company were eligible for election, and election was to take place yearly with each shareholder entitled to as many votes as shares owned in the company. The Act also dictated that the directors were, from time to time, to elect from among themselves, a president of the company. They were also able to appoint and remove all other officers of the company and to create company by-laws. The directors were not obliged to pay any dividend on shares if the company should become insolvent. Under the Act, the stock of the company was deemed a personal estate and was only transferable as such. In addition, the company could acquire, hold, and transfer real estate, and was required to submit annual statements.

A. E. McKenzie was elected President of the newly constituted company. For the remainder of his natural life he remained in this position and supervised the operation of the company. S. A. Bradford, who was given responsibility for various company departments, filled the position of General Manager. H. L. Patmore became the Vice-President, overseeing the nursery business, while W. A. McCracken was put in charge of the warehouse stock, and shipping department. McCracken also supervised the mail order department.

The Company was initially comprised of three divisions: The Brandon Seed House, Brandon Nurseries, and Brandon Greenhouses. Each division was registered under Dominion Patents. Later, the company was divided into Retail Mail Order, Wholesale and Commission Packet Trade divisions. It also undertook some export business.

By registering the divisions of the company under federal legislation affecting trademarks and industrial designs, McKenzie and the Board, were able to register both the company's trademarks and to protect the company's industrial techniques. The company could thus patent the methods and processes of its operations so that no other individual or business could duplicate them.

Located at 30 9th Street, the head office and plant of A.E. McKenzie Seed Co. Ltd. housed all the facilities and staff of the company, with the exception of the regional sales offices and warehouses. The business of the A. E. McKenzie Co. Ltd. was conducted from a frame warehouse until the current McKenzie building was constructed on the same site after a fire destroyed the original premises. Designed by architect Thomas Sinclair, and built by the Brandon Construction Company, the new building opened in 1911. In time, The A. E. McKenzie Co. Ltd. came to be known as Western Canada's Greatest Seed House.

During the 1930's, before a new building was erected in 1945, the A. E. McKenzie Co. occupied space at five different locations in Brandon, including the Massey Harris Building, the

International Harvester Building and the Security Building. The last of these premises was destroyed by fire in 1972. As a result of its proximity to the Security Building, the main McKenzie Building also suffered heavy fire and water damage. A. E. McKenzie Co. Ltd. also utilized a warehouse on the north side of Pacific Avenue alongside the Canadian Pacific Railway tracks between 5th and 6th streets. This building and its contents were destroyed by fire (1946). In May of 1949, the company purchased and erected a Quonset structure on the west side of 15th Street between Rosser and Pacific Avenues.

In 1908, the first branch of the A. E. McKenzie Seed Co. Ltd. was established at Calgary. In the following sixteen years, additional branches were established in Edmonton and Saskatoon (1923), Moose Jaw, Toronto (1934) and Winnipeg (1935). Both the Edmonton and Saskatoon branches were seasonal, operating for a four-month period, March to June inclusive. Business in the Maritime Provinces of Prince Edward Island, Nova Scotia and New Brunswick further extended the company's operations by the mid 1940's. In 1946, the company purchased property in Gilbert Plains, Manitoba, 120 miles north of Brandon. This purchase enabled the company to handle larger quantities of Sweet Clover, a popular crop that was grown in the surrounding area. Additional offices were opened in Vancouver and Quebec City in rented premises by the early 1960's.

In the years 1944-1945, the McKenzie Foundation was created. Through the Foundation, arrangements were put in place to transfer shares of the company to the Manitoba Government for the benefit of higher education, specifically Brandon College. In return for this gift, which included 90% of all capital resources of the company together with all of the income earned each year, except for the amount retained annually to ensure sufficient operating capital, the A.E. McKenzie Co. Ltd. received exemption from paying Corporate Tax.

Prior to the establishment of the McKenzie Foundation, in 1945, the National Trust for the benefit of the College held the shares of McKenzie Seeds. On April 7, 1945 the Manitoba Legislature passed legislation whereby A. E. McKenzie retained effective management control of his company, but 1031 shares out of 1145 issued shares were gifted to the Provincial Government. In return, the government agreed that all financial benefits from the shares would go to Brandon College through the A. E. McKenzie Foundation. When Mr. McKenzie passed away in 1964, the primary responsibility of appointing the Board of Directors for McKenzie Seeds passed to the Provincial government.

The remaining 114 shares of the Company were turned over to the Crown on July 16, 1975 in accordance with an agreement between Brandon University, A. E. McKenzie Co. Ltd. and the Manitoba government. The same agreement also turned the McKenzie Foundation over to Brandon University. Therefore, since 1975 the crown has held all shares of the McKenzie Co. through the Province of Manitoba.

A.E. McKenzie died on September 25, 1964 at the age of 94 and was succeeded as President of the company by J. Lasby Lowes. When Mr. Lowes retired in 1968, A. R. Swanson was appointed by the government to fill the position and was responsible for all operations of the company under a Board of Directors comprised mainly of appointees of the government. It has proven impossible to establish a complete list of those individuals who held the positions of President/General Manager of McKenzie Seeds after 1964. A partial account is as follows: Anthony J. Maruca became President of A. E. McKenzie Co. Ltd. in 1972. In 1975, the Board of Directors appointed William Moore General Manager, creating a new position to relieve the President of the company from management of plant operations. At the same time, Pat Kelleher was named new interim President. Following the resignation of Kelleher, William Moore assumed the role of President as well. Moore left the company in the early 1980s. He was later convicted of criminal misconduct as President of the company. Keith Guelpa became President/General Manager in the mid 1980's; Raymond West was his successor.

Beginning in 1969, the A. E. McKenzie Seed Co. Ltd. began phasing out the Field Seed division of their company, including business related to forage crops and cereals. Seed

cleaning equipment located in Brandon and the company's Calgary and Toronto cleaning plants was sold. The Company concentrated its resources on the production and sale of vegetable and flower seeds, and lawn and turf grasses. It acted as a wholesaler and conducted business through chain stores, grocery, hardware and general stores.

Late in 1971, A. E. McKenzie Co. Ltd. purchased its largest competition in packaged seeds - Steele Briggs Seed Co. from Maple Leaf Mills Inc. for two million dollars. At the time of the acquisition the company changed its name to A. E. McKenzie Co. - Steele Briggs Seeds, in order to benefit from the favorable reputation held by Steele Briggs Seeds across Canada. In the early 1970s, the acquisition of Brett-Young Seeds Ltd., a Winnipeg company that dealt exclusively in the production and sale of field seed, brought the A. E. McKenzie Co. back into the field seed market.

In 1994 the Manitoba Government sold the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, Canada's largest non-retail mail-order catalogue company, which is owned by MDC Corporation of Toronto.

In 2001, McKenzie Seeds is Canada's leading supplier of packaged seeds and related gardening products. It is divided into a Retail Consumer Products division which features well known seed brands including McKenzie Seeds, Pike Seeds and Thompson & Morgan Seeds from England. As well, this division also carries a complete range of lawn seeds and perishables. It also continues to ship the seed racks invented by A.E. McKenzie to numerous retail stores. The second division, Direct Mail, consists of the McFayden and McConnell catalogues which reach over 500,000 Canadian homes each year.

Custodial History:

Following the sale of the A.E. McKenzie Seed Co. Ltd. to Regal Greetings and Gifts, the records of McKenzie Seeds and its subsidiaries were retained in the McKenzie Plant on 9th Street. In April of 1997, the records were transferred to the McKee Archives at Brandon University. Because the company was a crown corporation, the records of McKenzie Seeds belonged to the Province of Manitoba and might have been placed in the Provincial Archives. However, Provincial Archivist Gordon Dodds permitted the retention of the records in Brandon at the S. J. McKee Archives. The minutes of the Board of Directors, previously transferred to the Provincial Archives, remain in Winnipeg. Until 1960 these minutes, by-laws of the Company, and the letters patent of incorporation (April 7, 1906) were in the possession of the Company's lawyers, Johnson, Garson, Forrester, Davidson, & Steen.

Scope and Content:

The fonds consists of textual records, photographs and artifacts from A.E. McKenzie Seed Co. Ltd. The textual records include minutes, documents, financial records, administrative records, by-laws, legal records, catalogues, sales literature, seed packets, newspaper clippings, appraisals, publications, scrapbooks and miscellaneous sections.

In addition, some of the records within the fonds relate to the operations of McKenzie subsidiaries -- Brett-Young Seeds, Steele-Briggs Seeds, Pike & Co. and McFayden Seeds -- and various properties owned by McKenzie Seeds.

Fonds contains approximately 500 photographs. These depict the operations and employees of McKenzie Seeds and the seed industry in general. Artifacts contained in the fonds include blueprints, newspaper clippings, copper printing plates, seed bags and plaques.

Fonds also includes an artificially created series of records dealing with Brandon College Inc., the A.E. McKenzie Foundation, the Brandon Allied Arts Council and the Brandon Board of Trade. These records stand outside the provenance of the McKenzie Seed Co.

Of particular interest within the textual records are the transcripts of various features of the company's history as dictated, researched and recalled by its second President/General Manager, J. Lasby Lowes. The fonds also contains a collection of company catalogue which is almost complete. Outside of the seed industry, the records dealing with both Brandon College Inc. and the McKenzie Foundation are significant records relating to the history of Brandon College/University and the City of Brandon.

History /

Biographical:

ALEXANDER MACPHAIL (14 July 1900 - 29 July 1986)

Alex was born in Vista, MB on July 14, 1900, son of John and Catherine MacPhail. He married Florence Turner (d. 1977) at Winnipeg on December 22, 1948 and together they farmed the family farm at Vista. In 1965 they purchased a house in Shoal Lake but continued to farm in Vista until Alex's retirement in 1973, when he sold the farm.

Alex was involved in the 4-H Club at Vista and was a member of the Grain Growers Association. He was also very interested in Wildlife Conservation, an interest which led him to donate a 1/4 section of land to them. Alex also started a museum in Shoal Lake, which in time he turned over to the Village. He was a school trustee for Islay School Board at Vista from 1937-1939 and took the position of Chairman from 1939, until the school closed on 1968. History /

Biographical:

Alfred Fowler was born in 1903, in Toronto, Ontario. At the age of 23 he began working for Canadian National Railways (C.N.R.) in the company's telegraph accounting department. He remained employed there for 45 years, with the exception of the years 1940-45 when he served with the Royal Canadian Artillery during World War II. During his service he was stationed at Shilo, Manitoba, where he met his future wife, Elsie Bowen. They were married late in 1944, and in 1945 returned to Toronto. Fowler remained in Toronto until his death in 1969. Throughout his life, Mr. Fowler was an ardent amateur photographer.

Custodial History:

All 105 prints in this collection were created by Davidson & Gowen, a photography business located in Brandon. It seems likely that they were created for display and/or for commercial sale as part of the November 7, 1912 "Harvest" edition of The Brandon Sun. Alfred Fowler acquired a copy of the Davidson and Gowen prints during his stay at C.F.B. Shilo during the Second World War. In 1946 Alfred Fowler left Brandon returning to his home in Toronto. With the death of Alfred in 1969 the collection passed to his wife, Elsie Fowler. Elsie died in 1987, also in Toronto. Her estate passed to her nephew, Byron Forsyth, a Brandon resident. Byron brought the collection back to Brandon and in 1999 donated it to the McKee Archives.

The prints concern various subjects in Brandon, Manitoba c. 1911-1912 including Brandon residences, store fronts/businesses, streetscapes, churches, the Brandon Fair, parks, hotels, institutional structures (ie hospitals, City Hall) and rail yards (both Canadian Northern and Canadian Pacific) in the city. These images provide a visual record of Brandon in the years just before the Great War.

History /

Biographical:

Alfred Angus Murray McPherson was born February 15, 1923 in Brandon, MB. The middle son of Angus and Annie Ethel (Pentland) McPherson, Murray grew up on the family farm in the Brandon Hills District. Following high school he obtained a B.Sc. degree from Brandon College, before enrolling in the Faculty of Education at the University of Manitoba in 1947 where he received his B.Ed. and M.Ed. Murray completed his Ph.D. in Educational Curriculum in 1975 at Michigan State University.

Murray's teaching career began at Brandon College as a chemistry instructor. After the year of teacher training he taught in Daupin Collegiate, then Luxton Junior High School and St. Johns High School in Winnipeg. In 1962, Murray joined the University of Manitoba Faculty of Education where he taught methods in mathematics and served as Head of the Department of Curriculum: Mathematics and Natural Sciences for sixteen years, before assuming the position of Co-ordinator of Student Teaching. During his career Murray co-edited a series of textbooks for elementary grades and was a strong supporter of the Manitoba Association of Mathematics Teachers. Following his retirement in 1988, Murray volunteered with Creative Retirement, Mentors Club and Habitat for Humanity. He also remained active in the United Church.

Murray McPherson married Margaret Elinore Raven on July 14, 1951 in Winnipeg. Margaret Elinore (Raven) McPherson was born in Winnipeg, MB on March 11, 1927. Educated at the University of Manitoba, where she earned a B.Sc. (1947), a Dip. Education (1948) and a B.Ed. (1966), Margaret taught school in Dauphin (1948-1953) and the Winnipeg School Division (Spring 1954). Together they had two children: John Angus Murray McPherson (b. March 19, 1955), an orthopedic surgeon in Winnipeg, and Kathryn May McPherson (b. November 20, 1957), a professor of history at York University, Toronto. Alfred Angus Murray McPherson died on November 25, 2001 at the Charleswood Care Centre in Winnipeg, MB. Margaret continues to live in Winnipeg, MB.

The MacPherson family originally came from the County of Sutherlandshire in the north of Scotland. The need for wool during the Napoleonic Wars resulted in the "Highland Clearances" of the early 1800's, which forced the small farmers or "crofters" to leave their farms and to move to the villages, such as Kildonan, Helmsdale and Golspie along the east coast.

In 1814, Hugh MacPherson (1779-1843) with his wife Anne Sutherland (1783-1857) and their family, immigrated to Nova Scotia and acquired a farm at Watervale, a community on the West River at Pictou. Following the issue of the land title, the "Mac" spelling of MacPherson became "Mc."

Alexander McPherson, the son of Hugh and Anne, married Elizabeth Murray at West River on April 10, 1840. They lived on the family farm at Watervale where they had a family of eleven children, a number of whom died in infancy. Their oldest son Hugh (1845-1916) and their youngest, Johnston (1857-1944), later came to Brandon Hills, MB.

Angus Sellars McPherson, a son of Hugh and Margaret (Sellars) McPherson, was born in Brandon Hills, MB on March 1, 1884. A farmer in the area his whole life, Angus married Annie Ethel Pentland in 1913. Together they had three sons: Howard, Murray and Kenneth. Angus died at Brandon General Hospital on September 5, 1953.

Alfred Angus Murray McPherson's mother, Annie Ethel (Pentland) McPherson, was born into a family that originally came from the ancient Scottish Midlothian or the more modern County of Edinburgh, from the Pentland Hills County, and in and around the towns of Pentland and Carrington. Around the year 1700, at the time of the large movement of immigrants from Scotland and England into Northern Ireland, several families of the clan settled in counties Down and Arnaugh in Ireland.

Between 1790 and 1820, a number from both Scotland and Ireland immigrated to Canada settling mainly in Eastern Ontario in the Counties of Hastings, Lennox and Addington and on Amherst Island. Around 1860, some moved to Huron County in Western Ontario to carve homes out of the bush. In 1881, Thomas James Pentland came from Goderich to Manitoba and settled near Douglas. He had learned the trade of a blacksmith and found one was needed so badly he gave up the intention to homestead and built a shop northwest of Douglas, on the South East quarter of Section 17-11-17. He later added a store and house there.

On July 22, 1885, Thomas James Pentland and Annie Isobel McVety were married at the home of the bride's parents at High Bluff and lived northwest of Douglas until 1890, when he made a deal with Isaac and Fred Lewis. Thomas took their homesteads on Section 14-12-18 and they took over the store, which they moved to Oakenside. T.J. Pentland continued to farm there until his death in June of 1919. T.J. Pentland was elected to the Council of the RM of Elton for Ward 1 in the fall of 1884 and served three years as councilor and fourteen years as Reeve.

The McVety and Owens families both came from County Fermanagh, Northern Ireland to Ontario during the first half of the nineteenth century. Henry McVety and Elizabeth Owens were married March 11, 1856, at Belgrave and lived at Morris until the spring of 1882, when they moved to High Bluff, Manitoba and fifteen years later to Bagot. In 1882, their daughter Annie Isobel came to Douglas to teach at the first Elton School situated 2.5 miles north and 1 mile east of present Douglas.

The family of Thomas and Annie Pentland consisted of three sons and three daughters. Fred, who served overseas in the 78th Battalion in the First World War and was killed in September 1917; Harry, who farmed in Justice until 1922, then lived in Brandon until his death in 1948; Ethel (Mrs. Angus McPherson), now living in Brandon; Evelyn (Mrs. N.C. Thompson) now living in Brandon; Wesley, living at Justice on the home farm; and Grace who died in 1908.

Harry Pentland's son, H. Clare Pentland, was born October 17, 1914, on a farm near Justice, MB, where Harry had taken up farming. Clare graduated from Brandon College in 1940, with an Economics degree and attended the University of Oregon, where he completed a Master's degree in 1942. He obtained his Ph.D. from the University of Toronto in 1961. His dissertation was later published as "Labour and Capital in Canada 1650-1860." A noted economist and a founder of the history of labour in Canada, H. Clare Pentland died on October 13, 1978.

Custodial History:

Prior to the death of Murray McPherson, Margaret McPherson's husband, he and his daughter Katherine McPherson, professor of history at York University, searched through various farm houses previously occupied by members of the McPherson family and gathered together family archival materials to safeguard them from destruction. These materials were transferred to the McPherson residence in Winnipeg and upon the death of Murry McPherson, Margaret became the sole custodian of the records. The decision to place the records at the McKee Archives was arrived at for two reasons. First, the records relate to the Brandon Hills and the history of this region. Second, Murray McPherson attended Brandon College in the 1940s, and felt kinship with the institution. The records came to the McKee Archives courtesy of the good offices of Diane Hageland of the Association for Manitoba Archives. Margaret McPherson donated the records to the McKee Archives on May 4, 2006.

Scope and Content:

Fonds consists of personal and business records for various members of the McPherson and Pentland families. These were generated in the course of settlement in the Brandon Hills, travel, participation in the First World War and various forms of associational life, in particular the Orange Lodge. The fonds includes correspondence, financial records/ledgers, legal documents, postcards, photographs, scrapbooks, greeting cards, livestock records, Brandon College Sickles, school records, electoral records, diaries, membership records, certificates, income tax records, ration cards, notebooks, newsclippings, autograph albums, poetry, receipts and speeches.

Notes: Biographical information for the fonds was provided by Margaret McPherson. Processing done by Deidra Wallace and Christy Henry summer/fall 2006. Description by Christy Henry. Numerous spellings of the surname "McVety" appear in the fonds, including McVetie and McVitie. The oldest documented spelling in documents of a legal nature is McVety. This spelling therefore will appear throughout the finding aid.

Accruals: Further accruals expected.
