Part Of: RG 1 Brandon College fonds

Description Level: Series

Series Number: 10

GMD: textual records

Date Range: 1908-1937

Physical Description: 2 cm

History /

Biographical:

The Ministerial Committee was created with the purpose of discovering prospective students for the Baptist ministry. To become recognized as a student in Theology, a student had to be examined by the Ministerial Committee. The committee looked at the student's intellectual, moral and spiritual fitness for the work of the ministry. He was then graded on his chances at entering the ministry. The committee could tell him that he was not suitable for ministerial work, or they could put him on the "encouraged" list. After repeated meetings with the Committee, a student could be voted as "accepted" as a prospective Baptist ministerial student.

Scope and Content:

These records consist of a book from the Ministerial Committee. It contains the records of prospective theological students, including comments on their spirituality, morality and intellect. It records which students were rejected, encouraged and accepted into the program. Some notable students interviewed in this collection are: J.R.C. Evans, John Hart, Charles Stone, H. Friend, J. Church, and Tommy Douglas.
